B. A teacher shall be entitled to have present a representative of the Association during any disciplinary action when such action will become a part of the teacher's file(s). ARTICLE IV

MEMBERSHIP FEES AND PAYROLL DEDUCTIONS

A. Any teacher employed by the Board may submit to the Board an assignment card signed by the employee not later than thirty (30) days after the commencement of his/her employment for the purpose of authorizing the deductions of membership dues of the county, Michigan and National Education Association. The total amount to be deducted shall be stated on said authorization card. The deductions shall be made in equal installments from each paycheck beginning in September and continuing through May. Payroll deductions of dues shall cease upon termination of said teacher's employment. Only one application per teacher for deductions need be honored by the Board in any one school year.

B. The Association shall, by October 1st of each school year, and at least seven business days prior to the payroll in which the deductions are to begin, give written notification to the Superintendent's Office of the amount of its dues and those of the MEA and NEA which are to be deducted in that school year under such authorization. The amounts of the deductions for these dues shall not be subject to change during the entire school year except that employees hired during the second semester shall have their dues reduced according to the regulations of the Association. For the purpose of this Article, the term "school year" shall mean the twelve-month period beginning with the opening of school in the fall of each year.

These amounts to be deducted shall be forwarded to the Association, provided that when a teacher objects to the appropriate amount of the representation service fee as herein specified, the amount of the deduction contested shall not be deducted by the Employer until a determination as to the appropriate amount of the deduction has been determined, through Association policy and procedure. Once the determination has been made, the entire fee for the year shall be deducted from the remaining pays.

C. Any bargaining unit member who is not a member of the Association in good standing or who does not make application for membership within thirty (30) days from the first day of active employment shall as a condition of employment, pay a service fee to the Association, pursuant to the Association's "Policy Regarding Objections to Political-Ideological Expenditures" and the Association's Administrative Procedures adopted pursuant to that policy. The service fee shall not exceed the amount of the Association dues collected from Association members. The bargaining unit member may pay such fee directly to the Association or authorize payment through payroll deduction, as herein provided. In the event that the bargaining unit member shall not pay such service fee directly to the Association, or authorize payment through payroll deduction, the Employer shall, upon completion of the procedures contained in Sections E and F and pursuant to MCLA 408.477; MSA 17.277 (7) and at the request of the Association, deduct the service fee from the bargaining unit member's wages and remit same to the Association.

D. The Association has established a "Policy Regarding Objections to Political-Ideological Expenditures". That Policy (a copy of which shall be provided each non-union bargaining unit member by the Association), and the administrative procedures (including the timetable for payment) pursuant thereto, applies only to non-union bargaining unit members. The remedies set forth in such policy shall be exclusive, and unless and until such procedures, including any administrative or judicial review thereof, shall have been availed of and exhausted, no dispute, claim or complaint by an objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement, or to any other administrative or judicial procedure.

E. The Association, in all cases of mandatory fee deduction pursuant to MCLA 408.477; MSA 17.277 (7), shall notify the bargaining unit member of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance, and shall further advise the bargaining unit member that a request for wage deduction may be filed with the Board in the event compliance is not effected. If the bargaining unit member fails to remit the service fee or authorize deduction for same, the Association may request the Board to make the deduction. The Board upon receipt of the request for an involuntary deduction shall provide the bargaining unit member with an opportunity for a due process hearing, which shall be limited to the question of whether or not the bargaining unit member has remitted the service fee to the Association or authorized payroll deduction for same.

F. Due to certain requirements established in court decisions, the parties acknowledge that the amount of the service fee charged to non-union bargaining unit members along with other required information may not be available and transmitted to non-union bargaining unit members until mid-school year. Consequently, the parties agree that the procedures in this Article related to the payment or non-payment of the service fee by non-union bargaining unit members shall be activated thirty (30) calendar days following the Association's notification to non-union bargaining unit members of the amount of the fee. In such event, it is agreed that the bargaining unit member remains obligated for the entire annual service fee.

G. A teacher shall cease to be subject to payment of dues or the representation service fees beginning with the month immediately following the month in which he/she is no longer a member of the bargaining unit. The Association will be notified by the Board of the names of such teachers following the end of each month in which the terminations took place. The Board agrees to advise the Association in writing of all additions, deletions or change in status of members of the bargaining unit.

H. In the event of any legal action brought against the Board in any court or administrative agency because of its compliance with this Article, the Association agrees to defend against such action, at its own expense and through its own counsel. The Association shall consult with the Board regarding the appointment of counsel and agrees that its legal counsel shall consult with the Board's legal counsel regarding defense of the action and litigation strategy.

I. The Association agrees to indemnify and hold the Board, including each individual school board member and its agents, harmless against any and all claims, demands, costs, suits, damages, awards, judgments, or other forms of liability and expense, including but not limited to back pay damages and all court or administrative agency costs that may arise out of or by reason of any action or legal stance taken by the Board for the purpose of complying with this Article. It is specifically and expressly agreed that any payment for these specified reasons shall be made directly from the Association to the demanding party and at no time shall the Board be obligated to pay out any dollar amount for any reason associated with the provisions of this Article.

J. In the event that Section I. above should be held illegal by a court of last competent jurisdiction the Association agrees that no settlement, nor compromise shall be agreed upon which imposes any detriment to the Board without its consent and prior consultation.

Further, in such an event, the Board reserves the right to suspend the provisions of this Article until appropriate safeguards are renegotiated with the Association.

K. The Association shall provide to the payroll department a signed payroll deduction authorization for payroll deduction, pursuant to paragraphs A. and C. above. Until such authorization is on file with the payroll department, no deductions for dues or fees shall be made, except as provided in paragraph C. above. Upon receipt of the authorization, deductions for dues or fees or the mandatory deduction of the service fee shall be made until the employee's annual obligation is paid in full or revoked in writing, a copy of which shall be sent to the Association by the employee.

L. The Board agrees to deduct from the teacher's salary and make appropriate remittance for the following:

MEA Insurance and MEA Financial Services
Lenco Ed Credit Union
T.L.C. Community Credit Union
National Education Association Dues
Michigan Education Association Dues
Hillsdale Lenawee County Education Association Dues
United Fund

And/or any additional institutions to which the Administration and Association agree. Tax sheltered annuity programs that are recognized by the District as of July 1, 2010, and additional tax sheltered annuity programs that secure the participation of three or more teachers.

ARTICLE V
PROFESSIONAL RESPONSIBILITIES
INCLUDING TEACHING HOURS AND CLASS LOADS

A. The calendar shall be a negotiable item and shall be worked out on a yearly basis.

B. Teachers must meet any applicable "highly qualified" requirements of the No Child Left Behind law and regulations, as well as any similar State law and regulations.

C. The salary schedule is based upon a normal weekly teaching load, as hereinafter defined, during normal teaching hours, for 181 student attendance days. There will be four (4) full teacher days for all members in addition to the student attendance days. Days shall be reflected on the calendar as negotiated. One of the bargained calendar days preceding the first student attendance day shall be spent in a maximum of four and one half (4.5) hours of professional development and staff meetings, and from 12:30-3:30 in classroom preparation. The four (4) teacher staff days shall consist of the following:

- Two (2) full days of professional development and one staff meeting/classroom preparation day will be held according to the agreed upon school calendar.
- A third full day of professional development will be held on Martin Luther King, Jr. Day.
- Early student dismissals shall be held at the end of each trimester as outlined on the school calendar that is part of this Agreement. The remainder of the teacher work day will be used for completing records.
- There shall be three (3) middle school and high school exam days with dismissal at 10:40 each day at the end of each trimester.

Additional professional development days required for probationary teachers under section 1526 will be the responsibility of the probationary teacher unless specifically defined in the individual development plan of the probationary teacher.

Providing there are no significant changes in the requirements for hours of student instruction or professional development from the effective date of this Agreement the Board and the Association agree that no additional compensation will be provided beyond a teacher's base compensation for the student days identified above, hours of instruction, and/or professional development requirements placed on the Board to qualify for its full state aid. If there are significant changes, the Board and the Association will meet and negotiate language to address those changes. Furthermore, the Board and Association will meet on an annual basis, if needed, in a good faith effort to determine how the additional hours of student instruction will be added to the schedule. The Board shall give significant consideration to the Association's position on the scheduling of those additional hours.

In any school year where a change in law or administrative rule alters the ability of the School District to count as a full day of student instruction (for state aid or other purposes) a day where there is an early release to accommodate professional development, teachers shall attend, without additional compensation, fifteen hours of professional development sessions which shall be scheduled by the Administration in consultation with the Association.

In the event that a school closing occurs prior to the normal staff reporting time on a previously scheduled early release professional development day staff shall not report and the professional development shall be rescheduled on a subsequent day of student instruction already on the school calendar through a joint decision of the Association and the Administration. In the event that a school closing occurs after the normal staff reporting time on a previously scheduled professional development day, staff shall stay for the professional development activity unless the conditions causing the closing continues to deteriorate and the Administration determines that it is appropriate to release the staff.

The Contract year may be extended for all staff up to an additional four (4) days and paid at the teacher's per diem pay. This shall not apply to makeup days because of conditions not within the control of the District as specified in Section H below.

D. Per diem pay will be calculated by dividing the teacher's contractual salary less extra-curricular pay by total session and workdays as scheduled on the finalized school calendar.

E. Teachers neglecting to report their absence will lose pay equal to time of their unauthorized absence.

F. A teacher shall be released from regular duties without loss of salary to attend subject area conferences approved by the Superintendent.

G. Extra-curricular activities may be assigned by the Administration. However, with the exception of the Band Director, such extra-curricular activity will not be assigned to the same teacher for a second year without the consent of that teacher.

H. If an agreed upon school calendar is required to be extended or there is a modification in the agreed upon school calendar because of state law, any bargaining unit member required to perform any work on a day not originally specified as a duty day in this Agreement shall do so with no additional compensation. Teachers will not be required to report and shall receive their regular pay for scheduled days of student instruction which are not held because of conditions not within the control of school authorities, such as inclement weather, fires, epidemics, mechanical failure, health conditions as defined by the city, county, or state health authorities, or other Acts of God. Notwithstanding any such occurrences, there will be a minimum of one hundred seventy-seven (177) days of student instruction held but no days will be made up until after four (4) full student days of instruction have been cancelled. Instructional time lost to delays caused by inclement weather shall be rescheduled as necessary to qualify for full State funding.

I. Those legal holidays as recognized in the revised School Code of the State of Michigan shall be recognized in the Agreement, and schools shall be closed on the appropriate days, designated therein.

J. The Board recognizes that appropriate text, library reference materials, maps, globes, laboratory equipment, audiovisual equipment, art supplies, and similar materials are tools of the teaching profession. The parties agree to confer from time to time for the purpose of improving the selection and use of such education tools, and the School District agrees to keep the schools reasonably equipped and maintained. The Superintendent will provide leadership and make recommendations for facilities, equipment, and materials to the Board of Education as needed.

1. Parking facilities shall be made available to teachers and maintained for their use. Teachers' parking spaces closest to the teachers' building entrance will be based on seniority.

2. The Board of Education shall provide a faculty lounge for all teachers with the requested facilities mutually agreed upon by the Board of Education and the Madison Education Association.

K. The School District shall furnish without charge two (2) shop or lab coats for art teachers, and science teachers.

L. There shall be middle school, and high school School Improvement Teams consisting of five (5) members

each, an elementary team of six (6) members, and a District team of three (3) members. Teachers shall volunteer for three (3) year staggered terms. To the extent there are teachers volunteering to serve on the teams, the elementary shall have not more than one representative from each of the different grade levels, special education, counseling, and/or co-curricular subject areas, and the middle and high school shall have not more than one representative from math, language arts, science, social studies, counseling, librarian/media specialist, special education, and co-curricular subject areas. The District team will ideally include one member from each of the building teams. If a building team does not have a member interested in serving on the District team another volunteer from that building will be selected to serve on the District team.

1. Selections will be made for next year's team at the last regular School Improvement Team meeting of the year. Teachers interested should notify the Chair of their team or the Superintendent at least one (1) week in advance of the meeting.
2. Building team members will be expected to attend at least one (1) summer meeting and one (1) meeting every other week during the school year. District team members will attend approximately four meetings per year. Any team member failing to attend the summer meeting or more than one meeting during the school year will have their Schedule B amount for this position prorated.

M. Unless directed otherwise by the building principal, a classroom teacher who is responsible for classroom discipline may remove a student from the classroom (when that student presents a discipline problem and the teacher's reasonable and appropriate efforts at maintaining proper classroom behavior have not been successful) and send that student to the building principal or assistant principal for further action, including potential discipline. A classroom teacher shall not have the authority to impose upon a student a disciplinary suspension from school.

ARTICLE VI

CLASS SIZE AND OTHER CONDITIONS

A. The School District will strive to regulate class size in the best interest of education. An additional \$1,000.00 shall be paid to a teacher with an elementary split class assignment. The practice of lower class sizes for splits and screening of students to be placed in the split class shall continue. For teachers who teach exclusively in grades 6-12, there will be a stipend of \$500 per year if, for any marking period during the year, the teacher is assigned a teaching schedule that includes a different class for each period of a marking period. Classes that have different course titles and require different lesson plans will be considered different classes. Combined classes will not be considered as different classes, unless determined otherwise by the Board. Physical education, band/music, special education, and remedial classes will not receive any additional stipend, unless determined otherwise by the Board. Teachers of classes in grades 6 thru 8 with the same course title, taught to the same basic group of students for multiple years will not qualify for an additional stipend for those classes.

B. A copy of the Madison Board of Education Policy Manual shall be placed on the District's web site.

C. Full time teachers will be on duty in the school building no more than seven and one-half (7 1/2) hours on work days including lunch periods, except that additional time may be required for administrative meetings, professional development, and parent-teacher conferences. The Board shall strive to continue to provide a forty-five (45) minute duty free lunch period for elementary staff with a minimum of forty (40) minutes guaranteed.

Teachers will spend additional time and effort in school buildings or elsewhere in class preparation activities aimed at insuring the performance of the high quality instructional job. Teachers' beginning and ending times will not change; however, on five (5) days, as designated in the calendar, high/middle school students will be dismissed at 11:30 and elementary students will be dismissed at 12:15. Professional development on early dismissal days will be three hours in length and will end at 3:05 (HS/MS) and 3:35 (Elem.).

1. Parent-Teacher Conferences will be held on two days each of the first two trimesters (Elem/MS) and one day during each of the first two trimesters (HS). The schedule for those days will be as follows:

<u>Day One</u>	<u>Elementary</u>	<u>M.S.</u>	<u>HS</u>
Dismissal	Normal Dismissal	Normal Dismissal	
Conference Times	3:30 - 6:30 p.m.	3:30 - 6:00 p.m.	
 <u>Day Two</u>			
Dismissal	11:30 a.m.	1:00 p.m.	1:00 p.m.
Conference Times	1:00 - 6:00 p.m.	2:00 – 7:00 p.m.	2:00 - 7:00 p.m.

During the third trimester, HS teachers will make personalized contact via email or telephone with the parents of each of their students whose academic performance is below 70%.

All students will be dismissed two (2) hours and thirty (30) minutes early on the last student attendance day before Thanksgiving and spring break, and the teachers will be allowed to leave after the students have left.

D. Special Education

1. The Board of Education acknowledges its obligation to have a pupil-teacher ratio not to exceed State regulations with ISD waivers.
2. Teachers shall have released time equivalent to that of classroom teachers in their respective buildings.
3. In recognition of the shortage of qualified special education instructors, and as a means of encouraging more stability in special education staffing, the Madison Education Association and the Madison Board of Education agree to the following: 1) Special education teachers initially employed by the District prior to January 1, 2012, and who commence pursuing a Masters Degree in special education prior to January 1, 2013 will be reimbursed for 50% of the tuition expense for all courses required for that degree. 2) Teachers not fully certified for their special education teaching position will successfully complete a minimum of six graduate credits per year toward fulfilling the certification

requirements. 3) Any teacher agreeing to this reimbursement shall refund any such tuition reimbursement received if (s)he fails to teach special education for a minimum of five (5) years in the Madison School system commencing with the semester in which the reimbursement is initially received. 4) A teacher unable to fulfill the five (5) year teaching requirement due to their (a) death, (b) medical disability verified to the satisfaction of the Superintendent, (c) involuntary transfer from a special education teaching position, or (d) dismissal will be ineligible for any additional reimbursement but will not be required to refund reimbursement previously received.

4. Adult supervision for students will be provided for teachers who are required to attend IEP meetings held during class time.

E. All teachers in the elementary grades, DK - 5, will be provided with plan time during the school day when students are in their special subject classes and at recess. When the elementary school has a full instructional day and special subject teacher(s) cannot teach their special subject(s), a substitute will be provided, so that planning time for elementary teachers will not be lost. Teachers in grades 6 -12 will be provided one of the scheduled academic class periods for plan time. To the extent possible, teaching schedules will be developed to promote collaborative planning. Departmental and grade level teams will work with the building principals to develop team meeting agendas that focus on best practices, instructional strategies, curriculum development and school improvement initiatives. Teachers will participate in collaborative team meetings on a schedule approved by the building principal for an average of 150 minutes (or two planning periods) per month for teachers in grades 6-12, and for one of every six planning periods for elementary teachers. In the event the Board reorganizes buildings and/or grades and the 6th grade becomes part of the elementary, 6th grade planning time will be the same as grades 1-5. Assistance will be provided for a certified librarian/media specialist assigned exclusively to the 6-12 level for a minimum of the same amount of time as any other 6-12 grade teacher receives for weekly planning time as mutually scheduled by the librarian/media specialist and the principal. It is recognized that on a partial student day some or all of the conference time may not be provided. However, the Administration shall strive to adjust the schedule of classes in the elementary, middle, and high schools on student days so as to balance the annual loss of teacher planning time.

F. 1. The parties agree that the evaluation of student performance is the responsibility of the student's teacher, since such individuals have first hand knowledge of the student's skills, abilities and achievements. Therefore, the grade given to a pupil by a teacher may not be changed unless the teacher agrees to the change or a majority of a review panel approves the grade change. The review panel shall consist of two bargaining unit members selected by the Association, and two administrators selected by the Superintendent. In the case of a tie vote by the committee, the Superintendent shall cast the deciding vote.

2. Only marking period, semester/trimester, or final grades may be appealed. Appeals must be made within 30 days after the grade was issued to the student. Either party may appeal the decision of the review panel to the Board of Education within 10 working days of the date they receive the decision of the panel.

G. The identity and specific medical condition of each medically fragile student (to include a student with hearing impairments, tracheotomy, colostomy, cystic fibrosis, spinal bifida, asthma, renal failure, diabetes and/or identified as a Physically or Otherwise Health Impaired Student) will be supplied to teachers, as allowed by law,

who have instructional or other supervisory responsibilities for such student at the time that student is assigned to be instructed or supervised by the teacher(s), providing the condition is significant and the District is aware of the condition. Teachers assigned to work with such students will be provided with training and support to insure that the medical condition/needs of the student are known. A teacher who has ongoing instructional or other supervisory responsibilities for such medically fragile students with medical needs that require special medical care will not be required to personally perform regular medical procedures or be personally responsible for regularly administering medication to such students. However, teachers shall be responsible for making certain that such medical procedures and medication is provided. In addition, teachers shall promptly act to appropriately address any medical emergency of such students and all other students, such as, but not limited to, allergic reactions.

H. After discussion with their building principal, and as directed by their building principal, teachers shall post grades to an Internet based parent communication system, such as the Home Access Center (HAC).

I. At the end of first and second trimesters, grades shall be submitted at the conclusion of the first school day during which the teacher has a planning period after the end of the trimester.

ARTICLE VII

LEAVES OF ABSENCE

A. The parties recognize that students accrue a tangible educational benefit from consistency in the classroom. The regular presence of the teacher as the educational leader in the classroom affords students an increased opportunity to achieve the maximum educational value from the classroom experience. The parties encourage teachers to strive for maximum classroom presence, and acknowledge that sick days shall only be used for illnesses that significantly impact a teacher's abilities to perform his/her duties.

B. A teacher shall not accumulate any benefits while on an unpaid leave, except that a teacher on a paid leave for any length of time that a teacher uses his/her accumulated leave days, or unpaid leave under the Family and Medical Leave Act for a period of sixty (60) work days or less shall receive salary and seniority credit as he/she would have had if he/she had taught in the District during such period.

C. Teachers will not be eligible for any Board paid benefits while on an unpaid leave except for the Family Medical Leave Act as stated in Section M. of this Article. The Board at its discretion may grant benefits in extenuating circumstances.

D. A teacher that does not return to teaching upon the expiration of a leave shall be deemed to have resigned unless mutually agreed upon by the Board and the teacher prior to the expiration date of the leave.

E. Teachers returning from a leave shall furnish medical evidence of their ability to perform their normal work assignments if their disability was part of the reason for the leave.

F. Teachers may make written application for an extension of a leave subject to the provisions of the initial request.

Claims Procedure

The teacher may make a formal written claim for benefits to the plan administrator, explaining in detail the reasons for the claim. Within 30 days from the receipt of the claim, the plan administrator must by writing a response, inform the members of a decision to allow or disallow in whole or in part, such claim for benefits attaching the detailed reason(s) for such decision and the rules for requesting a review.

In a special case, the plan administrator may take up to an additional 30 days to decide, provided notice is given to the teacher explaining why more time is needed.

In the event the plan administrator's decision is to disallow, in whole or in part the teacher's claim for benefits, the teacher has the right, within 30 days from the receipt of the plan administrator's decision, to request a review of such decision. As part of the review, the teacher must be allowed to see all plan documents and other papers that affect his/her claim, and must be allowed to have a representative present at the review. If a claim is denied because the plan administrator needs more information to make a decision, the plan administrator must notify the teacher of the additional information needed.

Within 30 days after the request for review is filed with the plan administrator, the review must be conducted and a decision rendered. The review must be conducted by the plan administrator or any other person or persons designated by the District, and such reviewing person(s) has the authority to make a final decision on the claim. In a special case, the person(s) conducting the review may take up to an additional 30 days to render a decision; provided that notice is given to the member why more time is needed.

The person(s) reviewing claims will be selected by the Association and the District. The person(s) will

have a strong background in IRS regulations.

Upon mutual agreement by the Association and the District, timelines may be extended.

Claim Payment Schedule

Claims will be paid bi-weekly, but no less than once a month.

Unused Reimbursement

Unused reimbursement amounts will be used to defray the cost of the administration fee of the plan. Any unused reimbursement amounts remaining will be contributed to the Madison Schools scholarship fund.
