PROFESSIONAL RESPONSIBILITIES **INCLUDING TEACHING HOURS AND CLASS LOADS**

- A. Except as prohibited by law, the calendar shall be a negotiable item and shall be worked out on a yearly basis.
- B. Teachers must meet any applicable "highly qualified" requirements of the No Child Left Behind law and regulations, as well as any similar State law and regulations.
- C. The salary schedule is based upon a normal weekly teaching load, as hereinafter defined, during normal teaching hours, for 180 student attendance days. For the 2015-16, 2016-17, 2017-18, and 2018-19 school years there will be a maximum of four and one-half (4.5) teacher days for all members in addition to the student attendance days. Days shall be reflected on the calendar as negotiated. The four and one-half (4.5) teacher staff days shall consist of the following:
- One of the bargained calendar days preceding the first student attendance day shall be spent in a maximum of three and one half (3.5) hours of professional development and/or staff meetings, and from 12:30-3:30 in classroom preparation.
 - One and one half days (1.5) of professional development according to the agreed upon school calendar will be held before the first Traditional School Year student attendance day with the one half

day to not exceed three and one-half (3.5) hours and to end no later than 12:00 p.m.

- A full day of professional development will be held in the first trimester (October 16 for 2015-16).
- A full day of professional development will be held on Martin Luther King, Jr. Day.

Early student dismissals shall be held at the end of each trimester as outlined on the school calendar that is part of this Agreement:

- At the end of each trimester, there shall be three (3) middle school and high school exam days with dismissal at 11:00 (MS) and 11:00 (HS) each day at the end of each trimester.
- There shall be two elementary early-release days for elementary records with dismissal at 12:00 at the end of the first and third trimesters, and one at the end of the second trimester.
- On the first four of the five (5) records days per school year that are common to all three buildings, teachers shall have the option to complete grades on or off school campus. Teachers who choose to leave campus to complete records shall have on file a phone number at which the teacher may be reached. A copy of each exam being administered shall be turned in to the building principal prior to the scheduled assessment. This assessment shall be administered during the scheduled exam period, unless otherwise approved by the building principal.

Additional professional development days required for probationary teachers under section 1526 will be the responsibility of the probationary teacher unless specifically defined in the individual development plan of the probationary teacher.

Providing there are no significant changes in the requirements for hours of student instruction or professional development from the effective date of this Agreement the Board and the Association agree that no additional compensation will be provided beyond a teacher's base compensation for the student days identified above, hours of instruction, and/or professional development requirements placed on the Board to qualify for its full state aid. If there are significant changes, the Board and the Association will meet and negotiate language to address those changes. Furthermore, the Board and Association will meet on an annual basis, if needed, in a good faith effort to determine how the additional hours of student instruction will be added to the schedule. The Board shall give significant consideration to the Association's position on the scheduling of those additional hours.

In any school year where a change in law or administrative rule alters the ability of the School District to count as a full day of student instruction (for state aid or other purposes) a day where there is an early release to accommodate professional development, teachers shall attend, without additional compensation, nine (9) hours of professional development sessions which shall be scheduled by the Administration in consultation with the Association.

In the event that a school closing occurs prior to the normal staff reporting time on a previously scheduled early release professional development day staff shall not report and the professional development shall be

rescheduled on a subsequent day of student instruction already on the school calendar through a joint decision of the Association and the Administration. In the event that a school closing occurs after the normal staff reporting time on a previously scheduled professional development day, staff shall stay for the professional development activity unless the conditions causing the closing continues to deteriorate and the Administration determines that it is appropriate to release the staff.

The Contract year may be extended for all staff up to an additional four (4) days and paid at the teacher's per diem pay. This shall not apply to makeup days because of conditions not within the control of the District as specified in Section H below.

- D. Per diem pay will be calculated by dividing the teacher's contractual salary less extra-curricular pay by total session and workdays as scheduled on the finalized school calendar.
- E. Teachers neglecting to report their absence will lose pay equal to time of their unauthorized absence.
- F. A teacher shall be released from regular duties without loss of salary to attend subject area conferences approved by the Superintendent.
- G. Extra-curricular activities may be assigned by the Administration. However, with the exception of the Band Director, such extra-curricular activity will not be assigned to the same teacher for a second year without the consent of that teacher.
- H. If an agreed upon school calendar is required to be extended or there is a modification in the agreed upon school calendar because of state law, any bargaining unit member required to perform any work on a day not originally specified as a duty day in this Agreement shall do so with no additional compensation. Teachers will not be required to report and shall receive their regular pay for scheduled days of student instruction which are not held because of conditions not within the control of school authorities, such as inclement weather, fires, epidemics, mechanical failure, health conditions as defined by the city, county, or state health authorities, or other Acts of God. Notwithstanding any such occurrences, there will be a minimum of one hundred seventy-six (176) days of student instruction held but no days will be made up until after four (4) full student days of instruction have been cancelled. Instructional time lost to delays caused by inclement weather shall be rescheduled as necessary to qualify for full State funding.
- I. Those legal holidays as recognized in the revised School Code of the State of Michigan shall be recognized in the Agreement, and schools shall be closed on the appropriate days, designated therein.
- J. The Board recognizes that appropriate text, library reference materials, maps, globes, laboratory equipment, audiovisual equipment, art supplies, and similar materials are tools of the teaching profession. The parties agree to confer from time to time for the purpose of improving the selection and use of such education tools, and the School District agrees to keep the schools reasonably equipped and maintained. The Superintendent will provide leadership and make recommendations for facilities, equipment, and materials to the Board of Education as needed.

1. Parking facilities shall be made available to teachers and maintained for their use. Teachers' parking spaces closest to the teachers' building entrance will be based on seniority.
 2. The Board of Education shall provide a faculty lounge for all teachers with the requested facilities mutually agreed upon by the Board of Education and the Madison Education Association.
- K. The School District shall furnish without charge two (2) shop or lab coats for art teachers, and science teachers.
- L. There shall be middle school, and high school School Improvement Teams consisting of five (5) members each, an elementary team of six (6) members, and a District team of three (3) members. Teachers may volunteer for three (3) year staggered terms.
1. Selections will be made for next year's team at the last regular School Improvement Team meeting of the year. Teachers interested should notify their Building Principal at least one (1) week in advance of the meeting.
 2. Building team members will be expected to attend at least one (1) summer meeting and one (1) meeting every other week during the school year. District team members will attend approximately four meetings per year. Any team member failing to attend the summer meeting or more than one meeting during the school year will have their Schedule B amount for this position prorated.
- M. Unless directed otherwise by the building principal, a classroom teacher who is responsible for classroom discipline may remove a student from the classroom (when that student presents a discipline problem and the teacher's reasonable and appropriate efforts at maintaining proper classroom behavior have not been successful) and send that student to the building principal or assistant principal for further action, including potential discipline. A classroom teacher shall not have the authority to impose upon a student a disciplinary suspension from school.

ARTICLE V

CLASS SIZE AND OTHER CONDITIONS

- A. The School District will strive to regulate class size in the best interest of education. An additional \$1,000.00 shall be paid to a teacher with an elementary split class assignment. The practice of lower class sizes for splits and screening of students to be placed in the split class shall continue. For teachers who teach exclusively in grades 6-12, there will be a stipend of \$500 per year if, for any marking period during the year, the teacher is assigned a teaching schedule that includes a different class for each period of a marking period. Classes that have different course titles and require different lesson plans will be considered different classes. Combined classes will not be considered as different classes, unless determined otherwise by the Board. Physical education, band/music, special education, and remedial classes will not receive any additional stipend, unless determined otherwise by the Board.

Teachers of classes in grades 6 thru 8 with the same course title, taught to the same basic group of students for multiple years will not qualify for an additional stipend for those classes.

- B. A copy of the Madison Board of Education Policy Manual shall be placed on the District's web site.
- C. Full time teachers will be on duty in the school building no more than seven and one-half (7 1/2) hours on work days including lunch periods, except that additional time may be required for administrative meetings, professional development, and parent-teacher conferences. The Board shall strive to continue to provide a forty-five (45) minute duty free lunch period for elementary staff with a minimum of forty (40) minutes guaranteed. Teachers will spend additional time and effort in school buildings or elsewhere in class preparation activities aimed at insuring the performance of the high quality instructional job. Teachers' beginning and ending times will not change; however, on three (3) days, as designated in the calendar, high school students will be dismissed at 11:00, middle school students at 11:00, and elementary students at 12:00. Professional development on early dismissal days will be three hours in length and will end no later than 2:45 (HS/MS) and 3:30 (Elem).

Parent-Teacher Conferences will be held on one day each of the first two trimesters. The schedule will be as follows:

	<u>Elementary</u>	<u>M.S.</u>	<u>HS</u>
Dismissal	12:00	11:00	11:00
Conference Times	12:30 - 7:00	12:00 - 7:00	12:00 - 7:00

During the third trimester, MS/HS teachers will make personalized contact via email or telephone with the parents of each of their students whose academic performance is below 70%.

Students will be dismissed at 11:00 (HS), 11:00 (MS), and 12:00 (Elem) on the last student attendance day before Thanksgiving and spring break, and the teachers, per comp time due to conferences, will be allowed to leave after the students have left.

- D. Special Education
1. The Board of Education acknowledges its obligation to have a pupil-teacher ratio not to exceed State regulations with ISD waivers.
 2. Teachers shall have released time equivalent to that of classroom teachers in their respective buildings.
 3. Adult supervision for students will be provided for teachers who are required to attend IEP meetings held during class time.

- E. All teachers in elementary grades Y5 – 5th will be provided with plan time during the school day when students are in their special subject classes and at recess. When the elementary school has a full instructional day and special subject teacher(s) cannot teach their special subject(s), a substitute will be provided, so that planning time for elementary teachers will not be lost. Teachers in grades 6 -12 will be provided one of the scheduled academic class periods for plan time. To the extent possible, teaching schedules will be developed to promote collaborative planning. Departmental and grade level teams will work with the building principals to develop team meeting agendas that focus on best practices, instructional strategies, curriculum development and school improvement initiatives. Teachers will participate in collaborative team meetings on a schedule approved by the building principal for an average of 130 minutes (or two planning periods) per month for teachers in grades 6-12, and for one of every six planning periods for elementary teachers. In the event the Board reorganizes buildings and/or grades and the 6th grade becomes part of the elementary, 6th grade planning time will be the same as grades Y5 – 5th. Assistance will be provided for a certified librarian/media specialist assigned exclusively to the 6-12 level for a minimum of the same amount of time as any other 6-12 grade teacher receives for weekly planning time as mutually scheduled by the librarian/media specialist and the principal. It is recognized that on a partial student day some or all of the conference time may not be provided. However, the Administration will work with the Association to adjust the schedule of classes in the elementary, middle, and high schools on student days so as to balance the annual loss of teacher planning time.
- F. 1. The parties agree that the evaluation of student performance is the responsibility of the student's teacher, since such individuals have first hand knowledge of the student's skills, abilities and achievements. Therefore, the grade given to a pupil by a teacher may not be changed unless the teacher agrees to the change or a majority of a review panel approves the grade change. The review panel shall consist of two bargaining unit members selected by the Association, and two administrators selected by the Superintendent. In the case of a tie vote by the committee, the Superintendent shall cast the deciding vote.
2. Only marking period, semester/trimester, or final grades may be appealed. Appeals must be made within 30 days after the grade was issued to the student. Either party may appeal the decision of the review panel to the Board of Education within 10 working days of the date they receive the decision of the panel.
- G. The identity and specific medical condition of each medically fragile student will be supplied to teachers, as allowed by law, who have instructional or other supervisory responsibilities for such student at the time that student is assigned to be instructed or supervised by the teacher(s), providing the condition is significant and the District is aware of the condition. Teachers assigned to work with such students will be provided with training and support to insure that the medical condition/needs of the student are known. A teacher who has ongoing instructional or other supervisory responsibilities for such medically fragile students with medical needs that require special medical care will not be required to personally perform regular medical procedures or be personally responsible for regularly administering medication to such students. However, teachers shall be responsible for making certain that such medical procedures and medication is provided. In addition, teachers shall promptly act to appropriately address any medical emergency of such students and all other students, such as, but not limited to, allergic reactions.

- H. After discussion with their building principal, and as directed by their building principal, teachers shall post grades to an Internet based parent communication system, such as the Home Access Center (HAC).
- I. At the end of first and second trimesters, grades shall be submitted at the conclusion of the first school day during which the teacher has a planning period after the end of the trimester.

ARTICLE VI

LEAVES OF ABSENCE

- A. The parties recognize that students accrue a tangible educational benefit from consistency in the classroom. The regular presence of the teacher as the educational leader in the classroom affords students an increased opportunity to achieve the maximum educational value from the classroom experience. The parties encourage teachers to strive for maximum classroom presence, and acknowledge that sick days shall only be used for illnesses that significantly impact a teacher's abilities to perform his/her duties.
- B. A teacher shall not accumulate any benefits while on an unpaid leave, except that a teacher on a paid leave for any length of time that a teacher uses his/her accumulated leave days, or unpaid leave under the Family and Medical Leave Act for a period of sixty (60) work days or less shall receive salary and seniority credit as he/she would have had if he/she had taught in the District during such period.
- C. Teachers will not be eligible for any Board paid benefits while on an unpaid leave except for the Family Medical Leave Act as stated in Section M. of this Article. The Board at its discretion may grant benefits in extenuating circumstances.
- D. A teacher that does not return to teaching upon the expiration of a leave shall be deemed to have resigned unless mutually agreed upon by the Board and the teacher prior to the expiration date of the leave.
- E. Teachers returning from a leave shall furnish medical evidence of their ability to perform their normal work assignments if their disability was part of the reason for the leave.
- F. Teachers may make written application for an extension of a leave subject to the provisions of the initial request.
- G. A teacher may make written application to the Superintendent for reinstatement prior to the expiration of the leave. However, the Board of Education reserves the reasonable right to approve accelerated termination of a leave on the basis of each individual case. The reasonable right of the Board of Education will not be grievable.

- H. Disability, Sick, and Necessary Business Leaves -Teachers will be granted twelve (12) leave days per year with pay. Up to four of the leave days may be used for personal business that cannot be conducted outside the normal school hours. Leave days shall not be used for other than District employment, shopping, hunting, fishing, or for other social, recreational and/or leisure activities (except for officially sanctioned state and/or national competitions), or seeking employment unless the teacher is being laid off. Requests for personal business days shall be made in writing to the Superintendent five (5) days in advance except in case of emergency or when extenuating circumstances prevent such a submission. Approval will be granted consistent with the contract language. Leave days may not be used the day before or after a holiday unless prior approval is obtained from the Superintendent. No more than 10% of the teachers' (or no more than five (5) per building – elementary and MS/HS) requests for a personal business day shall be granted on the same day. Teachers shall be discrete and use good judgment with respect to the use of personal business days. The Superintendent shall respond in writing within three (3) workdays after receiving the request.

Teachers shall have two (2) options for selecting the use of personal leave days:

- a. A teacher may opt for the use of up to two (2) personal leave days and shall complete the "Request for Leave" form but no explanation will be required other than to state "Personal Business"; or
- b. A teacher may opt for the use of up to four (4) personal leave days and shall complete the "Request for Leave" form and a detailed explanation shall be required for each leave request.

Each teacher shall select option a. or b. above by submitting a completed election form to the Superintendent by the first student day of each school year.

Leave days may be used for personal illness or disability for the teacher, the teacher's child, spouse, parent, or an unmarried sibling who is dependent on the teacher for care. It is understood that use of leave days for illness shall be only for the duration of the actual incapacity of the teacher or the incapacity of the teacher's child, spouse, parent, or an unmarried sibling who is dependent on the teacher for care which requires the presence of the teacher.

The Superintendent or designee may request written verification of the duration of the illness, disability, or fitness to perform job responsibilities (i.e., teacher may be asked to provide a doctor's note to address these issues as applicable for the teacher or the teacher's child, spouse, parent, or unmarried sibling who is dependent on the teacher for care). Teacher shall provide written authorization for physician or designee to respond to Superintendent or designee's follow-up communication to seek verification and/or clarification from a physician (i.e., Superintendent or designee may contact doctor's office to verify/clarify information in the doctor's note).

The teacher will provide written verification of the duration of the illness, disability, or fitness to perform job responsibilities within five (5) business days of receiving this request. The timeline to submit the medical verification may be extended by the Superintendent or designee in extenuating circumstances.

A teacher on leave must have his/her current address on file in the Superintendent's office. In addition, thereto, up to five (5) days of paid leave which are not deducted from accumulated leave will be granted

for deaths of a child, stepchild, spouse, parent, parent-in-law, or stepparent and up to three (3) days for a sibling, sibling-in-law, grandparent, grandchild, or any other member of the teacher's family who is a resident of the teacher's household or any other member of the family or household who clearly stood in the same relationship with the teacher. In addition, thereto, one (1) leave day which is deducted from accumulated leave may be used for the death of a family member not in the immediate family. One personal business day may be used for the death of a close personal friend. If the teacher has no personal business days left, a personal business day will be advanced from the following school year. If the teacher does not return the following school year, the advanced personal day pay will be deducted. Upon request, additional leave day(s) to be deducted from accumulated leave may be granted, at the discretion of the Superintendent. Unused leave days shall be allowed to accumulate from year to year as sick leave days up to ninety (90) days.

1. A physician's statement may be required of persons using leave days for illness. A physician's certificate of fitness is required at the expense of the teacher who has been absent because of illness for five (5) consecutive workdays.
2. An automated notification system shall be provided for teachers to call or electronically report their absence from work. Such notification shall be made no later than 6:00 a.m.; if an emergency with a teacher's child occurs, calls may be made until 6:45 a.m. Failure to report by the above stated time, or to have written lesson plans for that day's absence at school by the normal school starting time, may result in loss of pay for the day(s). Teachers may report a continuing illness on the prior day.
3. At the close of each school year, if a teacher shall have more than ninety (90) accumulated unused leave days, the teacher shall be reimbursed at the current enhanced rate of a substitute teacher's pay for each unused leave day in excess of ninety (90), up to a maximum of twelve (12) days.
4. Teachers retiring after twelve (12) or more years of service to the District, or resigning after fifteen (15) or more years of service to the District, will be paid a termination stipend at the end of the school year upon submitting a written resignation by March 1st of said school year. In the event a teacher retires or resigns because of doctor substantiated medical reasons, or other major life event beyond the control of the teacher, said teacher will receive the termination stipend. The amount of the stipend will be the current base rate of substitute teacher's pay at the time said teacher retires/resigns times 100% of the unused sick leave days the teacher has accumulated; limited to a maximum of ninety (90) days.
5. Anticipated prolonged disability - Any teacher who can anticipate a prolonged disability (such as scheduled surgery, other confinement to home or hospital including maternity) shall notify the building principal in writing at least thirty (30) calendar days in advance of the projected period of disability. The notification shall contain the projected dates of disability.

6. A teacher who is unable to work because of personal illness or disability and who has exhausted all leave days available may apply for a leave of absence without pay for the duration of such illness or disability up to one (1) year. The leave may be renewed at the discretion of the Board.

I. Military Leaves –

A leave of absence shall be granted to any teacher in this School District who shall be inducted by the selective service for military duty to any branch of the armed services or armed forces of the United States. Such leaves and reinstatement will be in accordance with applicable laws.

J. Child Care Leave/Adoption Leave –

A childcare leave may be available to teachers upon the following conditions:

1. At least sixty (60) calendar days prior to the beginning of the child care leave, the teacher shall apply to the Board if he/she wishes an unpaid leave.
2. The application shall be in writing and request specific beginning and ending dates of the leave. A doctor's statement must be attached to the application where the health of the teacher may be a factor in final determination of the beginning and/or ending date of the leave.
3. The Board reserves the right to specify the beginning and ending date of the leave to correspond with the beginning or ending of a school year, trimester, or marking period except the same shall not be in conflict with the doctor's statement of health.
4. The Board may grant up to one (1) school year of childcare leave renewable at the discretion of the Board.
5. Any child care leave granted will be without pay, however, the teacher, upon return from the leave, shall have all previous benefits of this Agreement restored to him/her.

K. Jury Duty/Subpoena –

The Board shall provide the opportunity for employee premium contributions and additional employee contributions to be made through a Section 125 Plan offered by the District to the extent provided by law.

The plan shall not contain any provisions requiring the contribution of amounts derived from the waiver of health insurance into any deferred compensation arrangement, including Code Section 403(b) and 457 annuities. Any election by a teacher to defer such amounts into a Code Section 403(b) or 457 annuity shall be made by the teacher individually outside of the plan, and in accordance with the rules under Code Section 403(b) and 457. The specific benefits will be, as follows:

- Dependent Care Assistance Plan: Teachers will be able to enter into a salary reduction agreement and to reduce their salaries up to \$5,000.00 per year, which amount will fund an account in the plan that may be used to pay claims for eligible dependent care expenses on a pre-tax basis. The eligibility of expenses for reimbursement will be determined under rules consistent with the Code and treasury regulations issued under the Code.

Claims Procedure: The teacher may make a formal written claim for benefits to the plan administrator, explaining in detail the reasons for the claim. Within 30 days from the receipt of the claim, the plan administrator must by writing a response, inform the members of a decision to allow or disallow in whole or in part, such claim for benefits attaching the detailed reason(s) for such decision and the rules for requesting a review.

In a special case, the plan administrator may take up to an additional 30 days to decide, provided notice is given to the teacher explaining why more time is needed.

In the event the plan administrator's decision is to disallow, in whole or in part the teacher's claim for benefits, the teacher has the right, within 30 days from the receipt of the plan administrator's decision, to request a review of such decision. As part of the review, the teacher must be allowed to see all plan documents and other papers that affect his/her claim, and must be allowed to have a representative present at the review. If a claim is denied because the plan administrator needs more information to make a decision, the plan administrator must notify the teacher of the additional information needed.

Within 30 days after the request for review is filed with the plan administrator, the review must be conducted and a decision rendered. The review must be conducted by the plan administrator or any other person or persons designated by the District, and such reviewing person(s) has the authority to make a final decision on the claim. In a special case, the person(s) conducting the review may take up to an additional 30 days to render a decision; provided that notice is given to the member why more time is needed.

The person(s) reviewing claims will be selected by the Association and the District. The person(s) will have a strong background in IRS regulations.

Upon mutual agreement by the Association and the District, timelines may be extended.

Claim Payment Schedule: Claims will be paid bi-weekly, but no less than once a month.

Unused Reimbursement: Unused reimbursement amounts will be used to defray the cost of the administration fee of the plan. Any unused reimbursement amounts remaining will be contributed to the Madison Schools scholarship fund.
