The reduction is implemented by reducing the number of hours (more than one per day) of employment of a designated number of individual employees.

A vacancy shall be defined as a newly created position or a present position the Board intends to fill. A vacancy only exists when there are fewer employees presently employed in a classification than the number of positions in that classification. Positions resulting from layoff are considered vacancies.

The Board will determine if a position is to be eliminated and will notify the representative/designee of Administrative Assistants to seek input.

2. No employee shall be laid off, or shall receive job elimination or shall receive a reduction pursuant to a necessary reduction in the work force unless said employee has been notified in writing at least twenty (20) working days prior to the effective date of layoff, job elimination or reduction. Such notice will not apply when layoff, job elimination or reduction is necessitated by millage failures, work stoppages, or Acts of God.
3. The job elimination/reduction procedure shall be individually applied within each classification as follows:
 - A) Probationary employees shall be laid-off first provided there are more senior employees who possess the qualifications to perform the job.
 - B) In the event seniority employees must be laid-off, layoff shall be determined by the following order:
 - A) The least senior within the classification being reduced, provided there are more senior employees, remaining within the classification who possess the qualifications to perform the duties of the position(s) available.
 - C) Job eliminations will be based on positions.
 - D) In the event a position is eliminated, or the number of hours are reduced by more than one (1) hour per day, the employee directly affected by this action, may exercise his/her right to move to the position held by the employee with the least seniority within the unit, and whose position has at least the same number of hours as the position directly affected by the hour reduction or position elimination.
 - E) Employees on layoff who are qualified shall be considered before the hiring of new employees outside the district for a vacant position in another unit classification. Laid off employees will be given first consideration on a substitute list.

- F) An employee offered his/her former position who declines recall shall forfeit his/her seniority rights.
- G) Employees shall remain on recall list for a period of one (1) year, or time equal to the length of their seniority, not to exceed two (2) years.

Examples of how the Section 125 would be prorated:
