Section 3: Purchase of Sick Days – Teachers who have more than seventy-five (75) accumulated sick days on April 1, 2007 will and thereafter on an annual basis may sell back to the District ten (10) sick days at the rate of \$45 per day which will be subtracted from the employee's total days. The employee will complete necessary paperwork on May 1st to payroll in Central Office. Sick day compensation will be paid with longevity in June of the same fiscal year.

Section 4: Personal business is an activity of a nature that requires the teacher's presence during the school day and cannot be attended to at another time or day. Personal business leave shall, when possible, be requested in writing five (5) days in advance. Three (3) personal business leave days per year will be granted, providing substitutes are available. - (c) Conferences, conventions, or visitations to other schools when approved by the administration.

Section 6: Any pregnant employee shall notify the superintendent of her pregnancy and expected date of delivery. Upon written request, said employee shall be granted a maternity and child care leave of absence for a period of up to one (1) calendar year, and may use unused accumulated sick leave for the period of physical illness or disability due to pregnancy during said leave. In the event the employee fails to return to work upon the expiration of said leave, she shall be terminated and forfeit any further rights she may have under this agreement or individual employment contract.

- (a) Leaves of absence shall commence at such time as the teacher is unable to continue on active duty due to her disability due to pregnancy, unless the teacher requests an earlier commencement time which is approved by the Board. Pregnancy leaves shall end at the

beginning of the first marking period following the teacher's request to return to work, unless an earlier return is allowed by the Board.

(b) In the event of an adoption of a child, any teacher shall upon written notification to the superintendent be granted a child care leave of absence for a period of up to one (1) calendar year.

(c) At the termination of a leave of absence taken under this section, the teacher shall be returned to a position in the District for which the teacher is certified and qualified.

The teacher must notify administration immediately upon notification of such duty, to allow replacement or cancellation of such duty. This provision will not be observed if the teacher is called for such duty as an obligation of an elective position, such as but not limited to: township official, etc.

Section 8: Absences not covered in the above items will result in the deduction in the salary equal to 1/(number of teacher work days) of the total salary per year.

Section 9: When a teacher has exhausted all sick leave credits and sickness and accident benefits, he/she shall be eligible for a medical leave of absence without pay of not to exceed twelve (12) months, provided he/she submits medical proof of inability to perform normal teaching duties. During the said twelve (12) month period, the Board may request medical re-certification of inability to perform normal teaching duties. Such leave may be renewable annually upon the request of the teacher.

Section 10: Teachers may submit requests for leaves of absence without pay to the Board for consideration. Any teacher may request an unpaid professional improvement leave of absence. Such leaves may be taken for the purpose of advanced course work, educational research, educational travel or on the job practical experience in the teacher's field. The requests shall be in writing and shall contain a full explanation of the reasons for the desired leave of absence. The application shall be submitted to the superintendent for recommendation to the Board. The Board shall consider the request and provide an answer granting or denying the leave of absence as requested. The Board may indicate an alternative arrangement for leave of absence in its answer, which the teacher may accept by submission of an amendment to the original application. Subject to lay off and recall provisions of the master agreement, any teacher granted a leave under this section, upon return from the approved leave, shall be assigned to a position for which she/he is certified and qualified. Seniority and wage increments shall not accrue during a leave of absence, subject to Article XI, Section 1. To be eligible for such leave the Board must be able to replace the teacher with a certified and qualified substitute who meets North Central Accreditation standards and "highly qualified" requirements of the No Child Left Behind Act and implementing state and federal regulations for the year of absence. A teacher granted such a leave will not receive District paid insurance or other benefits during the leave nor will the teacher accrue

seniority during the leave. The teacher will have no right to return during the leave. A teacher on such a leave must confirm his/her intent to return, or not return, to employment in writing by April 1. Upon return from this leave, the teacher shall return to his/her previous teaching level. (K-2, 3-4, 5-6, 7-8, 9-12)

Section 12: Bargaining unit positions vacated by unit members on board-approved leaves of absence that extend beyond one full school year shall be considered vacated for this section. Such leaves shall be subject to annual re-approval, and shall not exceed two (2) consecutive years, per individual member. The District may hire a non-bargaining unit member teacher not to exceed the one full school year. The position shall be posted or eliminated at the District's discretion and filled in accordance with normal posting procedures.

Section 13: Employees may take 12 weeks of family medical leave in accordance with the Family Medical Leave Act (FMLA) and Board Policy. It is the responsibility of the employee to notify the District if three sick or family illness days are used consecutively. The district shall use a rolling year for leaves. Failure of an employee to return from leave on the employee's own volition shall require the employee to reimburse the district for the health insurance premiums paid by the district. Pursuant to the Family and Medical Leave Act of 1993, an employee who has been employed at least 12 months and worked at least 1,250 hours during the prior 12 month period is entitled to 12 work weeks of leave during any 12 month period without pay but with group health insurance coverage maintained for one or more of the following reasons:

- (a) due to the birth of the employee's child in order to care for the child;
- (b) due to the placement of a child with the employee for adoption or foster care;
- (c) due to the need to care for the employee's spouse, child, or parent who has a serious health condition; or
- (d) due to a serious health condition that renders the employee incapable of performing the functions of his or her job.

A "serious health condition" is defined by the law as an illness, injury, impairment, or physical or mental condition that involves (1) in patient care in a hospital, hospice, or residential medical care facility or (2) continuing treatment by a health care provider. Any leave taken under this Contract for the above purposes shall be charged against the teacher's leave entitlement under the Family and Medical Leave Act at the election of either the Board or the teacher. Other conditions of the Family and Medical Leave Act shall apply to leaves in this section.

This shall not reduce any benefits guaranteed by this Agreement, and in addition shall be discussed between the Central Office and the employee.

Section 14: Attendance Incentive: Teachers with perfect attendance will earn an incentive of \$100 per semester (total of 2 per year). An additional \$100 will be earned if perfect attendance is maintained for the entire year (for a potential total of \$300 per year). MESSA-PAK: The Board shall provide newly hired teachers, and teachers returning from an unpaid leave of absence for which health insurance was not provided, whose first day of work is after the first of the month, with MESSA – PAK health insurance benefits beginning on the first day of the month following the first day of work, unless otherwise provided by the insurance carrier. Teachers who begin work on the first of the month shall have health insurance benefits provided by the District from that day. Any changes by a teacher during the open enrollment period will become effective according to the insurance carrier rules and procedures.

Section 4: MESSA-PAK hospitalization insurance.

(a) Where more than one (1) member of the same family, i.e., husband and wife, are employed by the Board and are eligible employees for the above specified health insurance coverage, only one (1) of said employees shall be eligible for health insurance coverage. In the event an employee's spouse is employed by someone other than the Board and his/her Employer provides comparable health insurance coverage, the board shall be relieved of any liability for the purchase of health insurance for said employee. Not later than the third Monday of September each year every employee shall certify, in writing, that his/her spouse does not have comparable insurance coverage at his/her place of employment. Any teacher who elects not to take health insurance coverage through the school district shall be entitled to Plan B of MESSA-PAK.

(b) The Board agrees that for teachers who complete the school year, it shall furnish appropriate fringe benefits for the months of July and August under the same conditions and to the same extent as it did for the regular school year. However, teachers retiring effective June 30 will receive paid insurance only through June 30. The District will contribute \$1,000 into the retiree's 401a plan.

(c) The amount contributed by the Board toward the insurance premium for part-time employees shall be prorated in an amount proportional to the time worked.

- (b) One (1) day of each employee's sick leave will be deposited in the bank each year until the bank is built up to a maximum range of one hundred fifty (150) to one hundred seventy (170) days. No more days will be added to this maximum until the bank is depleted to seventy-five (75) days. The bank will then be built up again to a range of one hundred fifty (150) to one hundred seventy (170) days and the process repeated. Days in excess of one hundred seventy (170) as of July 1, 2013 shall be spent down to the range set forth above.
- (c) Additions will be made to the bank at the beginning of each fiscal year according to the above limitations. Deductions will be made from teachers who have been assigned teaching positions during the month of September for the calendar work year. If the bank is depleted during a fiscal year, teachers will deposit days to rebuild the bank at the rate of one day per staff member. Those teachers who have no days to give at that time will have their days subtracted from the next year's allotment.
- (d) An employee resigning from the District will not be allowed to withdraw contributed days.
- (e) The first twenty-five (25) consecutive school days of illness or disability will not be covered by the bank but must be covered by the person's own accumulated sick leave, workers compensation, or absence without pay.
- (f) Persons withdrawing sick leave days from the bank will not be required to replace these days except as a regular contributing member of the bank.
- (g) The president of the Association shall certify as to the accuracy of the additions of, and deductions from, the bank. Sick bank balance will be furnished to the Association upon request.
- (h) The Association recognizes the responsibility of each member to use sick leave for its intended purpose.
- (i) A maximum of thirty-five (35) days during one school year may be drawn by one individual from the bank up to the employee's eligibility for LTD insurance is paid, whichever is sooner.
- (j) Nothing in this Article shall be construed as placing any obligation on the Board to advance or loan additional sick leave days to the bank should all days be used up in any period or periods of its operation.
- (k) The District will be required to pay sick leave benefits for no more than sixty (60) consecutive days (combined personal and sick bank days) for any specific illness. Any employee covered by this sick leave provision whose illness extends beyond the provision of this section may participate in the long-term disability insurance program if they so qualify. An individual may, however, use his/her personal sick leave days for any unrelated subsequent use of sick leave benefits.

Section 10: The Board will provide teachers with the opportunity to participate in a Flexible Benefit Plan as defined by Internal Revenue Service Regulations Section 125 and the Fowlerville Community School Plan Document which will specify Plan options.

ARTICLE VII
TEACHING HOURS

Section 1: Teachers in grades 6-12 are expected to be in the classroom or assigned location six (6) minutes before the student day begins and nine (9) minutes after the student day ends.

Section 2: The parties recognize that the work week in education cannot be interpreted literally. The teacher is required, in addition to the regular classroom assignment, to make a careful daily preparation, to attend parent-teacher conferences and will normally be expected to attend not more than two (2) staff meetings per month, no longer than one (1) hour in duration, which the building principal may use for building specific business, school improvement, as well as other purposes. In the event of an emergency situation which requires immediate communication, the building administration may schedule a short meeting. Teachers are also encouraged to attend the high school commencement ceremony, performances of the students in plays, concerts, athletic activities and other extracurricular activities. District-scheduled school business will not be scheduled to conflict with parent-teacher conferences. Staff who are absent for more than three hours on a conference day will be charged a full days absence. Staff who are absent three hours or less on a conference day will be charged a half days absence.

Section 3: The School Calendar shall be Appendix D of this agreement.

Section 4: All teachers shall be entitled to a duty-free uninterrupted lunch period. The lunch period shall be a minimum of thirty (30) minutes each day.

Section 5: The general schedules of the elementary, junior high school, and high school shall be set forth in Appendix C.

TEACHING ASSIGNMENTS

Section 1: Teachers who will be affected by a change in grade assignments in the elementary and middle school grades and by changes in subject/grade assignments in the junior high school, high school, and alternative education programs will be notified and consulted by their principals as soon as practical. The junior high school guidelines will apply to a teacher assigned to both the high school and junior high school. For the purposes of this section, in team teaching situations special education teachers may only count identified special education students towards their class load total. If the present building grade level configuration should change Section 1 of this Article shall be renegotiated.

Section 2: Vacancies in regular teaching positions shall be posted on the website and sent via email to staff at least six (6) days in advance of the filling of said vacancy, except in situations which call for immediate filling of the position within thirty (30) days before or after the opening day of school.

Section 3: Annual Teaching Assignment Preference Forms: All teachers will have an opportunity annually to express their preference for transfers in building assignments, grade level, and/or subject area. Requests by a teacher for such transfers shall be made annually in writing using the form in Appendix I and filed with the principal and superintendent each year by February 28th. The application shall set forth the reasons for the transfer, the school, grade, or position desired, and the applicant's qualifications and signature. If the application indicates a desire to transfer to a new building, a copy will be filed with the administrator of that building.

ARTICLE IX

TEACHING CONDITIONS

Section 1: The parties recognize that optimum school facilities for both students and teachers are desirable to insure the high quality of education that is the goal of both the Association and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed toward insuring that the energy of the teacher is primarily utilized to this end. All teachers are to be under the supervision of the District Administration.

Section 2: Under no conditions shall a teacher be required to drive a school bus as part of his/her regular assignment.

Section 3: During the school day, teachers shall use preparation time for professional employee work-related purposes and for attending to legitimate personal work-place needs.

The board agrees at all times to keep the school reasonably equipped and maintained.

(a) A media program, with libraries in each school, based upon the storage and retrieval of printed and audiovisual forms of communication, maintained by the Board and professionally staffed with at least one Media Specialist per level (K-5 and 6-12), shall be charged with the responsibility of implementing, enriching, and supporting the educational programs of the schools. This subsection shall be renegotiated should the present building or grade level configuration change.

The Association shall assist the Board in development and implementation of this provision.

Section 8: A telephone shall be made available to teachers for their reasonable use in the faculty planning room. A private area where teachers can make phone calls will be available in each building. Toll calls will be charged to the teacher if not related to school business. A record sheet will be posted near each phone. A teacher shall sign his/her name and record the number called for each personal toll call made.

Section 9: In schools where continuous cafeteria service for teachers is not available, a vending machine for beverages may be installed at the request of the Association, the profits to be used for the existing Teachers Recreational Fund.

Section 12: Teachers shall not be required to work under unsafe or hazardous conditions or to perform tasks which endanger their health, safety or well being.

Section 13: K-12 School Improvement Committee: The Board, administration, teachers, and Association recognize the necessity of maintaining ongoing District-wide school improvement plans and importance of continued recognition of quality educational services and facilities as a fundamental priority and shared goal of the parties.

The Board recognizes that the terms and conditions of this collective bargaining agreement will govern with respect to wages, hours, and other conditions of employment and that those terms shall

not be altered or modified through the school improvement process, absent written mutual agreement and ratification by the parties.

To the extent any proposed element of the District's school improvement plan conflicts with the terms of the master agreement, the identified provisions may be subject to renegotiations at the request of the Board. Any amendments to the agreement will be subject to ratification by the parties.

Each teacher shall have equal opportunity to participate in the building level school improvement process. Involvement shall be voluntary and shall not require additional compensation. The K-12 School Improvement Committee composition shall be consistent with Section 1277 of the Revised School Code.

Section 14: A District School Improvement Committee will be established for the purpose of creating, monitoring, and measuring the school and district improvement plans. This committee will meet four to seven times annually. Section 15: Teacher Rights -

(a) If the teacher disagrees with the evaluation, he/she may submit, within ten (10) work days, a written reply which shall be attached to the original.

(b) A teacher will have the right to review the contents of all records of the District pertaining to said teacher, originating after original employment and to have a representative of the Association accompany him/her in such review.

(c) No material originating after original employment shall be placed in his/her personnel file unless the teacher has had an opportunity to review the material. The teacher shall submit a written notation regarding any material, and the same shall be attached to the file copy of the material in question within ten (10) days. If the teacher believes that material to be placed in his/her file is inappropriate or in error, it shall be corrected, provided cause is shown by the

teacher, whereupon the material shall be corrected or expunged from the file. If the teacher is asked to sign material placed in his/her file, such signature shall be understood to indicate his/her awareness of the material but in no instance shall said signature be interpreted to mean agreement with the content of the material, nor that the evaluation procedure was properly utilized.

(d) If any action is to be taken as a result of a complaint by any parent or if a record is to be made of the complaint, the teacher shall be so informed as soon as feasible by whomever is taking the action.

(e) A teacher shall at all times be entitled to have present a representative of the Association when he/she is being reprimanded, warned or disciplined for any infraction of the rules or delinquency in professional performance. When request for such representation is made, no action shall be taken with respect to the teacher until such representative of the Association is present, but shall not be delayed more than one (1) school day.

Section 16: The Board and FEA mutually agree that they shall establish maximum class size, at all levels, except alternative education programs and will attempt to maintain balanced class size at all levels.

(a) In order for a class to be included in the final master schedule, 50% of the contract maximum size is required unless the parties mutually agree to an exception.

(b) For grades 6-12 a meeting may be requested by the association to be held with building principal(s), association officer(s), and assistant superintendent or superintendent prior to finalizing master schedule to review master schedule.

(c) At the secondary level, imbalances of more than 6 students in the same hour of the same course will not occur.

(d) The class size maximum applies to all courses except those outlined in subsection (i) below. Effective at the September count date the classroom maximum shall be:

Grade Level	Maximum
K	25
1-2	26
3-4	28
5-6	29
7-12	32

(e) With the exception of subsection (i) below, teachers with class sizes over the established maximum at the September count date will be provided a stipend for each student over the classroom maximum according to the following schedule:

Grades K - 5 = \$600 per semester

Grade 6 Self-contained = \$600 per semester

Grade 6 Electives (all courses except band, choir, and PE) = \$120 per class per semester

Grades 7-12 = \$120 per class per semester

In order for the stipend to be paid the student(s) must physically be in the teacher's classroom the majority of the days for the semester. In respect to 9-week elective courses, class attendance for the two 9-week courses comprising a semester will be averaged to determine if there is an overload stipend to be paid.

(f) In the case that a student(s) is/are added after the September count date to a class above the classroom maximum, a volunteer will be sought to accept the student. If there is more than one volunteer, the building Principal will make the final selection. For additional students added, the process will repeat until each teacher has added one student.

(g) Except as provided in subsection (i) of this section, class sizes shall not exceed the following maximum including overload students:

Grade Level	Overload Maximum
K	27
1-2	28
3-4	29
5-6	30
7-12	35

(h) The district agrees to follow Michigan rules and regulation concerning special education services and to consult with the FEA and affected teacher(s) prior to submission of any waiver or other deviation from the rules and regulations. When the District uses an emergency waiver above the caseload size cap established by the Michigan Administrative Rules for Special Education (MARSE), affected teachers will be paid an overload stipend of \$600 per semester.

(i) K-5 specials (social studies, science, library/technology, music, PE) or traditionally large classes at the secondary level (band, choir, PE) with facilities designed to accommodate large numbers of students may deviate from these conditions.

Additional students (beyond the homeroom roster) will not be added to the K-5 specials classroom roster.

(j) The number of students assigned shall not exceed the number of learning stations in the room for the following: science, business/technology and language labs.

(k) Any general education core academic classroom that has more than eight (8) special education students shall be assigned a special education co-teacher.

Section 17: In the event a general education teacher requires assistance with and/or for a special needs student, the teacher will first consult with the building special education case coordinator. If this does not resolve the problem, the teacher may request a meeting with his/her principal, or designee, and the special education case coordinator. The meeting with the principal, or designee, will be held no later than five (5) school days (unless not feasible) after the request. Options available for assistance will be reviewed at the meeting and a plan of action will be developed by the principal or designee no later than five (5) school days (unless not feasible) from the date of the meeting. Article IX, Section 17 protocol will be published in each building teacher handbook.

Section 18: Any teacher who is assigned a student and believes that student's individual educational plan (I.E.P.) does not meet that student's needs, may request a staffing meeting, which will include the teacher and principal or designee, for a re-evaluation of the student's plan.

ARTICLE X

LAY-OFF - RECALL - REDUCTION

Section 1: The Board shall give written notice of recall from layoff to teachers by sending a registered letter to said staff member at his/her last known address. It shall be the responsibility of each staff member to notify the Board of any change in address. The staff member's address, as it appears on the Board records, shall be conclusive when used in connection with layoffs, recalls or other notice to the staff member. If the teacher fails to notify the Board within ten (10) days from the date of receipt of the letter, unless an extension is granted in writing by the Board, said staff member shall be considered a voluntary quit.

Section 2: Teachers shall inform the superintendent in writing of any contemplated changes in certification or majors or minors by May 1, of each year.

ARTICLE XI

SENIORITY

Section 1: Continuous teaching service shall be measured from the effective date of hire (i.e., the first day the teacher reported for work as a bargaining unit member) and shall be defined to mean the amount of time the individual has been continuously employed by the District in a regular teaching capacity. Time spent on medical leave, layoff status, or disability will not be construed as a break in continuous service, and seniority during such period shall accrue. Up to one year seniority shall be granted for a child care leave. Seniority and wage increments shall not accrue during time spent on personal unpaid leave, professional improvement leave, or while serving the District in a non-bargaining unit capacity.

Section 2: A teacher seniority list shall be maintained by the District and certified by the Association. Teachers shall be ranked in order of seniority. Accompanying the name of each teacher shall be a listing of the teacher's certification and endorsements. Said seniority list shall be presented to the Association annually during the month of November for review. Corrections shall be brought to the attention of the administration within thirty (30) days thereafter.

Section 3: In the event two (2) or more teachers have the same effective date of hire, the last four (4) digits of their social security numbers, beginning with the highest number first, shall determine their ranking on the seniority list.

ARTICLE XII

PROTECTION OF TEACHERS

Section 1: Since the teacher's authority and effectiveness in the classroom is undermined when students discover that there is insufficient administrative backing and support of the teacher, the Board recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom. Whenever it appears that a particular pupil requires the attention of special counselors, social workers, law enforcement personnel, physicians or other professional persons, the Board will take reasonable steps to provide appropriate services for the student and to remove, when appropriate, the student from the regular classroom.

Section 2: The Board recognizes its responsibility to continue to give administrative backing and support to its teachers, although each teacher bears the primary responsibility for maintaining proper control and discipline in the classroom. The teachers recognize that all disciplinary actions and methods invoked by them shall be reasonable and just, and in accordance with established Board policy. Recognizing the importance of maintaining a safe environment, a joint voluntary building committee may be established to develop and monitor an effective system of school wide positive behavior support strategies which may include alternative education programming within the buildings. The committee will meet as needed.

Section 3: The Board will provide liability insurance for teachers to protect them from a complaint or suit against the teacher by reason of action taken by the teacher while performing his/her duties within the scope of Board policy.

Section 4: Any cases of assault upon a teacher shall be promptly reported to the Board or its designated representative. The Board will provide legal counsel to advise the teacher of his/her rights and obligations with respect to such assault and shall promptly render all reasonable assistance to the teacher in connection with handling of the incident by law enforcement and judicial authorities. The Board shall not be obligated to provide legal defense in criminal proceedings.

Section 5: The Board will reimburse teachers for any proven theft, or malicious damage or destruction of clothing or personal property of the teachers while on duty in the school or on the school premises, providing there is not negligence on the part of the teacher. Such reimbursement shall be limited to the amount not reimbursed by any insurance the teacher may have. This provision shall not apply to the theft of money.

Section 6: Time lost by a teacher in connection with any civil or criminal action against a student shall not be charged against the teacher provided the teacher was not at fault.

Section 7: A teacher may, at all times, use such force as necessary to protect himself/herself, a fellow teacher or administrator, or a student from attack, physical abuse, or injury.

ARTICLE XIII

PROFESSIONAL BEHAVIOR

Section 1: The Association recognizes that abuses of sick leave or other leave, chronic tardiness or absence, willful deficiencies in professional performance, or other violations of discipline by a teacher reflect adversely upon the teaching profession and create undesirable conditions in the school building.

ARTICLE XIV

NEGOTIATION PROCEDURES

Section 1: It is contemplated that matters not specifically covered by this Agreement but of common concern to the parties shall be subject to professional negotiations between them from time to time during the period of this contract by mutual agreement. The parties undertake to cooperate in arranging meetings, selecting representatives for such discussions, furnishing necessary public information, and otherwise constructively considering and resolving any such matters.

Section 2: At least sixty (60) days prior to the expiration of this Agreement, the parties will begin negotiations for a new Agreement covering wages, hours, terms, and conditions of employment of teachers employed by the Board.

Section 3: In any negotiations described in this Article, neither party shall have any control over the selection of the negotiating or bargaining representatives of the other party and each party may select its representatives from within or outside the School District. It is recognized that no final agreement between the parties may be executed without ratification by the Board of Education and by the Association, but the parties mutually pledge that representatives selected by each shall be clothed with all necessary power and authority to make proposals, consider proposals, and make concessions in the course of negotiations or bargaining subject only to such ultimate ratification.

Section 4: If the parties fail to reach an agreement in any such negotiations, either party may invoke the mediation machinery of the Michigan Employment Relations Board or take any other lawful measures it may deem appropriate.

ARTICLE XV

GRIEVANCE PROCEDURE

Section 1: A grievance shall be defined as an alleged violation, misinterpretation, or misapplication of this Agreement or written Board policies affecting working conditions of the teacher. The following matters shall not be the basis of any grievance filed under the procedure outlined in this Article:

- (a) The termination of services or failure to re-employ any teacher.
- (b) Any matter covered by the Michigan Teacher Tenure Act, including those areas where the Tenure Act prescribes a procedure or authorizes a remedy such as discharge and/or demotion.
- (c) The discipline, evaluation or layoff/recall of a teacher.
- (d) Any prohibited subjects of bargaining.

Should a teacher/Association feel that there has been a violation, he/she will take the following steps:

Step 1: The teacher/Association with or without a designated representative, shall discuss the grievance with the principal informally within five (5) work days of the alleged violation and, if not resolved, shall file a written grievance with the principal within fifteen (15) work days of the alleged violation and discuss the written grievance with the principal within five (5) work days after the grievance is filed. If no satisfactory conclusion is reached within five (5) work days following the discussion of the written grievance with the principal, the teacher/Association shall submit the written grievance within five (5) work days of the discussion with the principal to Step 2. A grievance which is not within the scope of a building principal's authority may be filed initially at Step 2. The written grievance, as required herein, shall contain the following:

- (1) it shall be signed by the grievant(s)/Association;
- (2) it shall be specific;
- (3) it shall contain a synopsis of the facts giving rise to the alleged violation;
- (4) it shall cite the section or subsections of this contract or written Board policy alleged to have been violated;
- (5) it shall contain the date of the alleged violation;
- (6) it shall specify the relief requested;

(7) it shall indicate approval or disapproval by the Association.

Step 2: The superintendent or his/her designated agent shall arrange a meeting with the grievant and/or the designated Association representative at the option of the grievant within ten (10) work days after receipt of the grievance to discuss the grievance. Within ten (10) work days of the discussion, the superintendent or his/her designated agent shall render his/her decision in writing, transmitting a copy of the same to all parties involved. If the decision of the superintendent is unsatisfactory to the grievant/Association the grievant/Association may appeal same to the Board of Education by filing a written grievance, along with the decision of the superintendent, with the officer of the Board in charge of drawing up the agenda for the Board's meeting within ten (10) attendance days of receipt of the superintendent's decision.

Step 3: Upon proper application as specified in Step 2, the Board shall allow the teacher/grievant and/or his/her Association representative an opportunity to be heard at a meeting of the Board within twenty (20) work days of notification of appeal to this step. The Board shall render its decision, in writing, within fifteen (15) work days of the meeting. A copy of the written decision of the Board shall be forwarded to the superintendent for permanent filing, the building principal for the building in which the grievance arose, the grievant, and the representative of the Association.

Step 4: If the Association is not satisfied with the disposition of the grievance by the Board, or if no disposition has been made within the period above provided, the grievance may be submitted to arbitration provided the submission is made in writing to the superintendent within ten (10) work days after receipt of the Board's answer. If the grievance is timely submitted to arbitration, an arbitrator shall be selected in the following manner:

- (1) The parties shall meet within ten (10) working days of the submission to arbitration for the purpose of selecting a mutually agreeable arbitrator. If the parties cannot agree within five (5) work days then:
- (2) The arbitrator shall be selected by the American Arbitration Association in accord with its rules which shall likewise govern the arbitration proceeding.
- (3) The Board and the Association shall not be permitted to assert in such arbitration proceeding any ground, or rely on any evidence not previously disclosed to the other party. The arbitrator shall have no authority to change, alter, modify or add to the terms and provisions of this Agreement. Both parties agree to be bound by the award of the arbitrator to the extent the award was within the scope of his/her authority. The fees and expenses of the arbitrator, including the filing fee, shall be shared equally.

Section 2: Failure to appeal a decision at any level within the specified time limits shall be deemed an acceptance of the decision at that level.

Section 3: The teacher/Association will have the right to withdraw a grievance at any level without prejudice to the Association or other teachers.

Section 4: A grievance may not be processed past Step 3 without approval and endorsement of the Association.

Section 5: The time limits provided in this Article shall be strictly observed, but may be extended by written agreement of the parties. In the event a grievance is filed after May 15 of any year and strict adherence to the time limits may result in hardship of any party, the Board shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.

Section 6: Notwithstanding the expiration of this Agreement, any claim or grievance arising there under may be processed through the grievance procedure until resolution.

Section 7: The Association will have on file, in the office of the superintendent, the names of the Association representative in each building.

Section 8: Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted without the intervention of the Association, if the adjustment is not inconsistent with terms of this agreement, provided the Association has been given opportunity to be present at such adjustment.

ARTICLE XVI

MISCELLANEOUS PROVISIONS

Section 1: The Board agrees, at all times, to maintain an adequate list of qualified substitute teachers. Teachers shall be informed of a telephone number they should call at least one (1) hour prior to reporting time to report unavailability for work. Once a teacher has reported unavailability, it shall be the responsibility of the administrator to arrange for a substitute teacher.

Teachers may submit the name of a qualified substitute teacher appearing on the Board's list of substitute teachers which he/she prefers to substitute in his/her absence. The administrator will consider such request. If the administrator concurs and the preferred substitute teacher is available, such teacher shall be offered the position.

Teachers are encouraged to submit written evaluations of the performance of substitute teachers to the building principal.

General Guidelines

1. This Flat Fee Incentive Program (FFIP) is limited to Fowlerville Education Association members who are employed by Fowlerville Community Schools and who meet the eligibility requirements set forth below.
2. To be eligible for the FFIP an employee must:
 - A. Be an employee with at least five (5) years of service in this school District.
 - B. Be actively employed by the Fowlerville Community Schools in good standing and cannot be on layoff or on leave of absence.
3. The employee must submit his/her written notification of resignation at the end of the current school year, and a fully executed Waiver and Release of Claim, a copy of which is attached, to the Superintendent's office by 4:00 p.m. January 31 of the year the employee intends to resign.
4. The School Board shall not take action to accept the resignation prior to the first regular School Board meeting in February or no later than the last regular School Board meeting in February. Employees who apply for the FFIP may withdraw their resignation by providing a written notice to the superintendent's office, at any time prior to formal Board approval. If the employee does not withdraw his/her resignation by the date of Board action, such resignation shall become irrevocable.
5. In consideration of the Employee's resignation, the Fowlerville Community Schools Board shall provide and the Employee shall choose, one of the following two options:

OPTION A

A lump sum payment of the total due, not to exceed \$15,000 on or before September 1 of the year the employee resigns. This payment is in addition to any other benefits provided under the collective bargaining agreement between the Fowlerville Community Schools and the Fowlerville Education Association.

OPTION B

Twelve (12) or fifteen (15) equal monthly payments of the total due will be made on or about the first day of each month beginning on September 1, of the year the employee resigns thereafter until paid in full. These payments are in addition to any other benefits provided under the collective bargaining agreement between the Fowlerville Community Schools and the Fowlerville Education Association.

6. Regardless of which option the employee chooses, it is expressly understood that the payments are subject to applicable state and federal withholding taxes. Therefore, it is strongly recommended that the employee consult with an attorney or other tax advisor to determine the tax consequences. It is further understood that the Fowlerville Community Schools and the Fowlerville Education Association makes no representations as to the tax consequences or liabilities that may occur as a result of an employee selecting Option A or Option B above.

7. Any teacher opting for the Voluntary Incentive Plan will not be eligible for this FFIP any year the Voluntary Incentive Plan is offered.

FLAT FEE INCENTIVE SCHEDULE

Teachers will receive credit for each year of service according to the following schedule:

\$750.00 for every year taught in Fowlerville.

\$500.00 for every year taught in another school District.

Employees who are eligible for the flat fee incentive as of June 30, 2002, will continue to be eligible for the flat fee incentive at a prorated basis. The total flat fee incentive amount will be decreased by the additional longevity received above the 2000-2001 longevity amounts.

APPENDIX F

MENTOR GUIDELINES

Participation as a mentor teacher is voluntary. The purpose of a mentor is to assist, inform, and coach probationary teachers in the rights, responsibilities and ethics of the teaching profession. The following shall apply to mentoring:

1. Qualified staff will submit their intentions to become mentors by June 1 of each school year. The list of names will be maintained until the teacher requests removal from said list.
2. Regarding appointments, the following will apply:
 - a. Appointments shall be for three (3) years unless either party requests a change, or their building principal decides it is in the best interests of the parties.
 - b. Mentors will have no involvement in the evaluation process and the relationship will be collaborative and confidential.
 - c. A mentor can have up to two (2) probationary teachers if desired.
3. Mentoring Responsibilities:
 - a. It is understood that time between the mentor and the probationary teacher will necessarily take place weekly beyond the normal working day to establish a collaborative relationship. A minimum of 25 hours per school year in the mentee's first year; 18 hours in the mentee's second year; and 10 hours in the mentee's third year is required of an on-staff mentor and the mentor shall keep a log of the time devoted to this process for confirmation to the Administration. The log will be submitted to the building principal throughout the school year as mentoring is conducted and must be submitted by May 15 each year for payment of the mentor stipend. Any time spent together before or after the normal school year shall be at the option of the mentor and probationary teacher. Time commitments may change due to revision of state mandates.
 - b. The mentor will provide instructional support for the assigned probationary teacher(s) as needed. The minimum of mentor/probationary teacher contacts should be 8 per semester with no less than 1 contact per month.

The contacts will include the following activities:

Individual conferencing 2-5

Classroom observations (at least 2 per year the first year, and at least 1 in year 2 and 3).

Research shows that the eight most common problems for beginning teachers include:

- classroom discipline
- planning lessons and class work
- motivating students
- dealing with students' individual differences
- evaluating student work
- dealing with students' personal problems
- relating to parents
- coping with a lack of instructional resources

It is expected that each of these topics will be reviewed with the probationary teacher during the individual conferences or in-services provided by the mentor teacher.

4. The mentor teachers from within the staff shall receive the following Schedule B stipend per mentee:

First year probation/IDP – 25 hours – 1 ½ %

Second Year probation/IDP – 20 hours – 1%

Third year probation/IDP – 20 hours – 1%

Tenure teachers hired from another District may request a mentor for one year and the mentor will receive the same pay as second year probation 1%. Probationary teachers hired from another school district will combine total mentor experience not to exceed three (3) years. All probationary teachers new to the District will have a mentor for at least one (1) year.

APPENDIX G

- A. **Purpose:** Two or more experienced bargaining unit members, at their request, pair up for the purpose of sharing common teaching assignments. This voluntary pairing shall not occur if the pairing results in the involuntary layoff or involuntary transfer of a fulltime teacher. It shall not occur if it prevents the recall of a laid off teacher. The application for Job Sharing shall be approved or disapproved in writing by the Superintendent within thirty (30) days of the application.
- B. **Application:** The teachers shall notify the District and the Association by April 1 of each year explaining their working arrangement and indicate their desire to job share. This shall include but not limited to attendance at regular staff meetings, District meetings, etc. The teachers are required to attend full-day in-services or special training days such as testing, training, curriculum work shops, and grade level meetings which are required of fulltime teachers if appropriate. Stipends will be paid to teachers who are required to attend a full day.
- E. Compensation/Fringe Benefits: Compensation shall be determined by each teacher's step and column of salary schedule, prorated. Each teacher will gain one year of seniority and will move up one half (1/2) step on the salary schedule for each year worked at the job sharing position. Insurance, personal business days, and sick days will be prorated to the percentage of the day worked. If the job sharing teachers each work a half day, their benefits will be calculated at a fifty percent level for example. The teachers may contribute any additional amounts necessary to pay the premium costs for insurance.
- F. Approval: The Superintendent and job sharing teachers will meet in person to review their proposal with agreement by the building principal. After review of the accepted proposal, the job sharing teachers and Superintendent will sign and date the agreement.

The following JOB SHARE Teachers during the 2005-2006 school year will be grandfathered and will move up a full step for each year job shared:

Dorothy Prawat and Barbara Sinke.
