The definition includes but is not limited to actions commonly known as slowdowns, sit-ins, boycotts and interference with the performance of duties of others employed by the Board and an action described in this definition that is taken for the purpose of protesting or responding to an act alleged or determined to be an unfair labor practice committed by the Employer.

Approval for a steward to leave his/her job assignment for a reasonable period of time to investigate and/or present grievances to the Employer will not be unnecessarily withheld with the understanding that the time taken by the steward will not be abused.
 3. Should the number of positions be increased, the number of stewards and alternates needed will be mutually determined.
- C. Union Use of Agency-Owned Facilities. Upon not less than 72 hours prior written request of the Superintendent or his designee, the Union may schedule Chapter meetings using mutually agreed-upon Agency-owned facilities providing these meetings do not interfere with the duties of any Employee who attends. If an emergency arises, the Superintendent may waive the condition of prior notice if requested to do so by the Chapter Chairperson.

- F. Agency Shop. Employees who were hired prior to the effective date of this Agreement must, as a condition of continued employment, either continue membership in the Union

or pay a service fee in an amount not more than the amount of dues uniformly required of members of the Union. The service fee shall be a legally permissible amount determined in a legally permissible manner. These amounts so certified and deducted shall be forwarded to the Union in accordance with Article 5, Section F.

- G. Employees hired, rehired or transferred into the bargaining unit after the effective date of this Agreement shall be required as a condition of continued employment to become members of the Union or to pay the service fee of the Union, commencing on the 30th day following the beginning of their non-probationary employment in the bargaining unit.
- H. Any Employee who shall tender an initiation fee (if not already a member) and the periodic dues uniformly required as a condition of retaining membership, shall be deemed to have met the conditions of this Article. Any Employee who pays his/her service fee shall also be deemed to have met the conditions of this Article.

- J. The Union shall indemnify and save the Employer, including individual members of the Board of Education, the Superintendent, all administrative employees, and designees harmless against any claims, demands, suits, costs, expenses, including attorney fees, unemployment compensation costs and other forms of liability that may arise by reasons of the Employer's complying with provisions in this Article.

Article V. DUES CHECK-OFF

- A. If an Employee has on file with the Board a completed and signed Union membership monthly dues payroll deduction authorization form, as shown in Appendix B, the Board will deduct from his/her pay the initiation fee and the current monthly Union membership dues until such time as the Employee informs the Board in writing to discontinue such deductions.
- B. Normally an Employee's authorized payroll deduction for Union dues will be made from his/her paycheck for the first pay period of each calendar month.
- C. The Board will deduct from the pay of an Employee in any month only the uniformly charged Union dues obligations for that month.

- E. The Union agrees that any and all Union and/or Employee questions, problems, and/or disputes that may arise or exist related to the operation and/or implementation of this Article shall not be the subject of a grievance and may only be reviewed by the parties informally.

F. Remittance of Dues.

1. Deductions for any calendar month shall be remitted to the designated financial officer of Michigan Council #25, AFSCME, AFL-CIO, with an alphabetical list of names and addresses of all Employees from whom deductions have been made no later than the fifth (5th) day of the month following the month in which they were deducted.
2. The Employer shall additionally indicate the amount deducted and notify the financial officer of the Council of the names and addresses of Employees who, through a change in their employment status, are no longer subject to deductions and further advise said financial officer to submission of an alphabetical list of all new hires since the date of submission of the previous month's remittance of dues.

- G. The Union shall indemnify and save the Employer, including individual members of the Board of Education and all administrative employees, harmless against any and all claims, demands, suits, costs, expenses, including attorney fees, unemployment compensation costs and other forms of liability that may arise out of reliance upon signed authorization cards or lists furnished to the Employer by the Union for the purpose of payroll deduction of dues.

Article VI. EMPLOYEE RIGHTS AND SECURITY

- A. Probationary Employee. Each new Employee shall be on probation for an interval of fifty (50) days actually worked by the Employee, not including days the Employee was absent, beginning on the effective date of the Employee's last date of employment in the bargaining unit and ending the date the Employee completes his/her fiftieth (50th) date of actual service.  3. Probationary Employees may not use any leave time.
 4. The Union shall not represent Probationary Employees who are disciplined, suspended or discharged.
 5. Except in cases of emergency, Probationary Employees may not be transferred from one job to another.
- B. The Chapter Chairperson or steward will be notified of all new hires within ten (10) days of Board approval. The notification will include name, address, phone number, and work location.

The Chapter Chairperson will provide the administration with an introductory letter to be included with the orientation information for new employees.

The Chapter Chairperson will be notified within 5 days whenever classrooms are relocated to new sites.

- C. Seniority. The term, Seniority, denotes length of continuous employment by the Agency in one or more positions in the bargaining unit. Accumulation of seniority of non-probationary Employees begins with their first day employed (effective date) in any position in the bargaining unit. Probationary Employees do not have seniority.

For the purpose of determining seniority only, continuity of employment shall not be considered broken by Board-approved paid leaves of absence, unpaid summer leave or unpaid leaves of absence of ten (10) or fewer days or when operations affecting the Employee are temporarily suspended by the Employer. Any other interruption of work shall constitute a break in continuity for the purpose of determining seniority. Employment in the Agency but out of the bargaining unit is such an interruption.

If an Employee's continuity of employment is broken, the Employee's seniority will be reduced to reflect the duration of such break in continuous employment.

Ranking of Employees with the same seniority shall be by alphabetical order using the last name by which each Employee was first appointed.

- D. Seniority of Officers and Stewards. The Chapter Chairperson, the Vice-Chapter Chairperson, the Stewards and Alternates, in that order shall head the seniority list of the bargaining unit for layoff and recall only, during their terms of office. The Union shall indemnify and save the Employer, including individual members of the Board of Education, the Superintendent, all administrative employees and their designees, harmless against any claims, demands, suits, costs, expenses, including attorney fees, unemployment compensation costs and other forms of liability that may arise by reasons of the Employer's complying with provisions of this Article..

- E. Seniority Lists. The seniority list on the date of this Agreement will show the dates of hire, names and job titles of all Employees of the bargaining unit with seniority. The Employer will keep the seniority list up-to-date at all times and will provide the Chapter Chairperson with up-to-date copies upon reasonable prior request.

- F. Loss of Seniority. An Employee will lose his/her seniority and his/her name will be removed from the seniority list and the Employee will be terminated from employment when one or more of the following events occurs:

1. The Employee quits, retires or is discharged.
2. The Employee has been laid off for more than two (2) years.

- G. Quits. An Employee shall be deemed to have voluntarily quit when one or more of the following events occur:

1. The Employee is absent for three (3) or more consecutive working days and has not notified the Employer in accordance with procedures set forth herein.

2. The Employee fails to return to work in response to a recall notice as set forth in Article 11.
3. An Employee notifies Administration that they are quitting their employment.

Article VII. JOB POSTINGS AND BIDDING PROCEDURES

- A. Vacancies shall be posted for seven (7) calendar days. Such postings shall set forth minimum requirements for applying, the posting date, and the deadline date for applying. A copy shall be sent to the Chapter Chairperson.
- B. Bidding. During the above posting, any Employee may submit their bid using the electronic posting system. Failure to submit bid on or before the announced deadline date shall disqualify the Employee from further consideration.
- C. In filling any vacancy, consideration will be given to seniority, qualifications and previous work record of the Employee.
- D. Each applicant will be notified of the final disposition of his/her application.
- E. Trial Periods. The transferred Employee shall be granted a ten (10) working day trial period to determine his/her ability to perform the job. If an Employee is found unsatisfactory, he/she shall be returned to his/her former job. Written reasons will be given to him/her. During the trial period, the Employee may request to be returned to his/her former job, and such request shall be granted in Employee-initiated transfers. The ten (10) day trial period may be waived upon mutual agreement in writing by the Employer, Employee and Union. During the trial period, the Employee will receive the rate of the job he/she is performing.
- F. (Deleted)
- G. Involuntary Transfers. The Employer may involuntarily transfer an Employee when such transfer is, in the opinion of the Employer, in the best interest of the Agency. Such transfer will be with prior notice. If a vacancy created by an administrative transfer cannot be filled through the posting procedure, the Employer may involuntarily transfer into that position the least senior Employee who meets all specified program requirements. With respect to involuntary transfers, both parties understand and agree that 12-month Employees will not be transferred to 10-month positions and vice-versa (unless this is necessary due to a reduction in positions).
- H. Part-Time. The Employer will not fill an otherwise single full time position with 2 or more part-time Employees. The union will be notified of new positions five (5) work days prior to the posting.

If a part-time position is increased to a full-time (or .8 in ECSE), it will be posted. In the event that the hours of a part-time position are increased to less than full-time (.8 in ECSE), the board may award the increase in time to the employee in the position.

- I. No Employee shall be entitled to an employee-initiated transfer more than once every six months.
- J. Summer programs requiring afscme staff shall be filled using the following procedures:
 1. All 12-Month Employees will be assigned in their same assignment or one with equivalent days and hours. The placement decision of the Director is final.

In the event that the assignments are not filled with afscme staff, temporary and contract staff will be utilized.

- K. A substitute shall not be used in the classroom more than twenty (20) consecutive days without notification to the Union as to the reason why a permanent decision to place the employee has not been made.

Article VIII. DISCIPLINE

- A. The following progressive discipline steps will be utilized for all instances of lost time (unpaid and unapproved), tardiness and inappropriate attendance patterns, such as calling in sick on the same day of the week:
 - 1st offense counseling
 - 2nd offense written
 - 3rd offense suspension – 1 day
 - 4th offense suspension – 3 day
 - 5th offense discharge
- B. The Employer shall attempt to reprimand an Employee in a way that will not cause embarrassment to the Employee.

- C. The Employer agrees that, upon imposing any discipline, the Union steward will be notified in writing. The Employee shall be given a copy of all disciplinary actions and copies shall be placed into his/her personnel file. A notation of oral reprimand by date and subject only and signed by the Employee may be placed into the Employee's personnel file.
- D. The Employee may request to be represented by his/her Union Representative when disciplinary action is imposed.
- E. In imposing any discipline or discharge on a current charge, except as noted in this section the Employer will not take into account any similar infractions which are more than three (3) years old. This section shall not apply to infractions involving unprofessional conduct within the meaning of the Revised School Code.
- F. Discharge. The Board may discharge a non-probationary Employee for cause. Prior to discharge of an Employee the Employer may suspend him/her for up to five (5) working days without pay in order to permit an investigation of the matter. If the investigation is not completed within five (5) working days, and the Employer desires to keep the Employee on suspension status, additional days of suspension shall be with pay. If, following such a suspension, the Employer's decision is to give the Employee a suspension, the number of days already suspended without pay will be counted in the total number of days suspended.
 - 1. The Union may initiate a grievance of the Board's decision to discharge a non-probationary Employee at Level 4.
 - 2. Any Employee found to be unjustly suspended and/or discharged shall be reinstated with full compensation for all lost time and with full restoration of all other rights and conditions of employment.
 - 3. The Union agrees that the Board may unconditionally terminate a Probationary Employee. The termination of a probationary employee may either not be the subject of a grievance or not something the arbitrator is empowered to consider.
- G. The discharged or suspended Employee may discuss his discharge or suspension with his/her steward and the Employer will make available an area for this purpose before the Employee is required to leave the property of the Employer. Upon receipt of a reasonable and timely request, the Employer will discuss the discharge or suspension with the Employee and the steward.
- H. An Employee may view his/her personnel file upon reasonable prior request.

Article IX. GRIEVANCES

- A. Definition. A grievance is a written complaint by an Employee alleging a violation, misinterpretation or misapplication of any express provision of this Agreement.
- B. Nothing contained herein will be construed to limit the right of any Employee having a complaint to discuss the complaint informally with the Employer and have the complaint adjusted without the intervention of the Union provided that the adjustment is not inconsistent with the terms of this Agreement and provided further that the Union has been given the opportunity to be present when such an adjustment is made.
- C. Level I. If an Employee wishes to submit a grievance, he/she shall first discuss the complaint with his/her immediate supervisor or with the administrator if the immediate supervisor is not the cause of the complaint. The steward and at least one administrator may also be present. This discussion must occur within ten (10) days of the event causing the complaint. The immediate supervisor or administrator shall respond in writing within ten (10) days of the date of the discussion, submitting one copy to the Employee, one copy to the steward and one copy to the Assistant Superintendent of Human Resources.
- D. Level II. If the Employee is not satisfied with the response at Level I, the steward may submit a grievance by filing a LESA/AFSCME Grievance Report provided that the grievance is submitted within five (5) days of the above written response. The Report must be submitted to the immediate supervisor. If the grievance does not involve the immediate supervisor, it may be filed at Level III. The immediate supervisor shall sign and date all copies when he/she receives them. The immediate supervisor shall respond in writing to the steward within five (5) days of the date he/she received the Level II grievance.
- E. Level III. If the Employee is not satisfied with the response of the immediate supervisor, the steward may submit the grievance to the appropriate administrator within ten (10) days of the date of the Level II reply. The administrator shall sign and date all copies when he/she receives them. The administrator shall respond in writing to the steward within ten (10) days of the date he/she received the Level III grievance.
- F. Level IV. If the Employee is not satisfied with the response of the administrator, the steward may submit the grievance to the Superintendent within ten (10) days of the date of the Level III reply. The Superintendent shall sign and date all copies when he receives them. The Superintendent shall contact the Council #25 Staff Representative assigned within five (5) days of receiving the grievance to schedule a conference. Following this conference, the Superintendent shall respond within ten (10) days in writing to the Chapter Chairperson.
- G. Level V. If the Level IV answer is not satisfactory, the Union may, within thirty (30) calendar days of receipt of the Employer's Level IV answer, request arbitration by giving a written notice to the Employer.

The Union and Employer will attempt to select an ad hoc arbitrator and, if unable to make a mutual selection, the arbitrator shall be selected by the American Arbitration

Association in accordance with their Rules and Procedures.

1. The decision of the arbitrator shall be final and conclusive and binding upon Employees, the Board and the Union.
 2. Powers of the arbitrator are subject to the following limitations:
 - a. He/she shall have no power to add to, subtract from, disregard, alter or modify any of the terms of this Agreement.
 - b. He/she shall have no power to establish wage rates or to change wage rates.
 - c. He/she shall have no power to interpret state or federal law.
 - d. He/she shall not hear any grievance previously barred from the grievance procedure.
 - e. He/she shall have no power to decide any question which, under this Agreement, is within the responsibility of the management to decide. In rendering decisions, an arbitrator shall give due regard to the responsibility of management and shall so construe the Agreement that there will be no interference with such responsibilities, except as they may be specifically conditioned by this Agreement.
 3. After a case on which the arbitrator is empowered to rule hereunder has been referred to him, it may not be withdrawn by either party except by mutual consent.
 4. If either party disputes the arbitrability of any grievance under the terms of this Agreement, the arbitrator shall have no jurisdiction to act until the arbitrator has first ruled upon the arbitrability of the grievance. In the event that a case is appealed to the arbitrator on which he has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.
 5. More than one grievance may not be considered by the arbitrator at one time except by mutual written consent. More than one grievance may not be considered by the arbitrator at one time unless there is mutual written consent, or the Employer has consolidated grievances which arise out of and concern the same factual circumstances.
 6. The cost of arbitration shall be borne equally by the parties except each party shall assume its own cost for representation including any expense of witnesses.
 7. At arbitration, neither party may raise new defenses or grounds not previously raised or disclosed.
- H. The union may advance any grievance not answered within the time limits by the Employer to the next level. Any grievance not appealed by the Union within the time limits shall be deemed settled on the basis of the Employer's last response.

- I. The Union shall have no right to initiate a grievance involving the right of an Employee without his/her written approval. Failure to file a grievance does not set a precedent nor does it constitute a waiver on the future right to file a grievance on the same provision.
- J. Where no wage loss has been caused by the action of the Board complained of, the Board shall be under no obligations to make a monetary adjustment and the arbitrator shall have no power to order one.
- K. Arbitration awards or grievance settlements will not be made retroactive beyond the date of the occurrence or non-occurrence of the event upon which the grievance is based. In no event, however, shall the settlement be earlier than thirty (30) days prior to the date on which the grievance was filed.
- L. All documents, communication and records dealing with the processing of a grievance shall be filed separately from the personnel file of the Employee.
- M. An Employee may withdraw his/her grievance at any time prior to its referral to arbitration without prejudice of interpretation of this Agreement.
- N. No complaint which may be within the jurisdiction of any administrative agency empowered to render an enforceable decision shall be the basis of any grievance filed under the procedure outlined in this Article.
- O. Extension of Time Limits. Time limits may be extended by mutual written agreement.
- P. In the event that the named person and his/her alternate who is designated to receive a response at any level in the grievance procedure is not available to receive the response, it will be sent by certified mail to the named person. When notice is given by certified mail, it will be deemed to have been given on the post-marked date of mailing.

- D. Matters taken up in Special Conferences shall be confined to those on the agenda.
- E. Special Conferences may begin during regular work hours. Members shall not lose time or pay for the time spent in Special Conferences, but no additional compensation will be paid to Employees for time spent in such conferences beyond regular work hours.

- G. A representative of Council No. 25, a representative of the International Union or a member of the Board may also attend a Special Conference.

Article XI. REDUCTION AND RECALL

If the following procedures involve an employee in a specialized teaching assistant position, then the administration and the union will jointly determine how he/she will be affected by the reduction/recall.

- A. **Reduction.** If the Board orders a reduction in the number of Employees a notice of the position titles and the number of positions to be eliminated will be sent to the chapter chair. Employees will be laid off in inverse seniority order (beginning with those Employees having no seniority) until the number of remaining Employees corresponds to the number of remaining positions.
- B. **Recall.** If the Board orders a restoration of any or all of the eliminated positions, enough Employees to fill the restored positions will be recalled according to the following procedures:
 - 1. Employees with seniority as of the date of recall will be recalled in inverse order of layoff.
 - 2. The employer will send a recall notice by certified mail to each recalled employee at his/her last known address postmarked at least ten (10) calendar days before his/her reporting date. The employee will indicate his/her desire to accept or reject an offer of recall within four (4) calendar days from the date the notice was received or within ten (10) calendar days from the date the notice was sent, whichever occurs earlier. In the event an employee does not accept the position offered by the notice of recall within the aforementioned period, this shall conclusively and irrebuttably be construed to constitute a resignation and/or the employee's abandonment of his/her employment by the board. The employee shall immediately be removed from the recall list.
 - 3. If the Employee does not report for work as scheduled, he/she will be considered to have quit unless the Employee has made other prior arrangements to report for work within five (5) working days of the scheduled date that are acceptable to the Employer.
 - 4. It is the responsibility of the Employee to notify the Employer of any changes in his/her mailing address and telephone number.
- C. **Temporary Layoff.** A temporary layoff is any layoff of not less than five (5) working days, nor more than twenty-five (25) working days due to acts or events not under the total control of the Board. Employees affected by a temporary lay-off will be laid off in inverse seniority order in the classification affected by the temporary layoff.

- D. Employees on temporary layoff shall have no interruption of hospital and dental benefits but do not earn pay nor may they use leave time or vacation time during such temporary layoff.
- E. Employees on reduction layoff do not earn pay or fringe benefits. However, health, hospital, and dental benefits shall continue until the end of the month following the month in which the layoff occurs
