Failure to meet this credit will result in forfeiture of their rights to the position.
 - 3) In grades 9-12, a major/minor appropriate to the teaching assignment as well as sufficient number of credit hours in that academic area to meet accrediting agency standards.
- F. Seniority shall be defined as continuous paid service to the district from date of hire, (including service in the former districts which are now included in the Engadine Consolidated School District) in positions that require teacher certification.
 - 1) No later than November 30 of any school year, the Board shall develop an accurate

seniority list based on the district's employees, including both active employees and employees on full or partial layoff, according to their length of service in the district. Such list shall also state the assignments, presently held by the employees and the areas in which the employee is certified or licensed.

- 2) A seniority list shall be posted in each building. A copy of such list shall be provided to the Association. Within 10 working days of such posting, any employee disputing the accuracy of the list shall notify the Superintendent's office and the Association in writing. If no written notice is given, the accuracy of the list shall be deemed correct.
- 3) An assignment, which starts after the first day of school, shall count as a fractional year of service.
- 4) All part-time employees shall accrue seniority on a pro-rated basis.
- 5) Seniority shall not accrue, nor be lost during an approved leave of absence but shall be frozen; except for military leaves, which will accrue seniority up to two years.

G. Recall of tenure teachers shall normally be in the inverse order of layoff, i.e., those laid off last will be recalled first; provided, however, that a teacher in order to be recalled shall be certified and qualified for the position as herein previously set forth.

- 1) The Board shall give written notice of recall by sending a certified letter to said teacher at the teacher's last known address. Said teacher must respond, in writing within ten (10) days receipt of letter, accepting or rejecting (with a reason) the offer or forfeit the right to recall. The Board or its duly authorized agent should provide written acceptance of the teacher's letter. The burden to keep the superintendent's office informed of any address change is the teacher's responsibility.
- 2) Seniority shall not accrue during layoff but shall be frozen.
- 3) Any layoff shall suspend for the duration of the layoff, salary and fringe benefits under an individual teacher's contract or this master agreement.

H. Changes in Certification and/or Qualification:

A tenured teacher who because of additional work experiences or college training has changed his/her qualifications and/or certification shall be entitled to recall based on the new certification and/or qualification if proper notification of their intent to return has been given to the Board prior to March 1st. The teacher is not certified to teach a particular subject until he/she receives the certificate issued by the Michigan Department of Education. The Board will accept an appropriate letter from the Michigan Department of Education stating that all of the requirements have been met by the teacher for certification.

- I. It is specifically agreed that the individual teacher's contract is subject to the terms and conditions of the master agreement. All provisions of a teacher's individual contract of employment shall terminate upon layoff.

ARTICLE XI

- F. During the school year a committee consisting of at least one administrator, two Board members and two members of the local chapter of the M.E.A. will review the School curriculum and make recommendations to the Board of Education regarding course offerings and teacher work load.
- G. In the event both the high school principal and the superintendent are absent from the school building at the same time, the Administration shall designate an employee to assume the acting role of principal.
- H. Article I through XXV contained herein constitute the non-economic portion of the Master Agreement.
- I. Each teacher shall have seven (7) calendar days after the end of each marking period in which to enter grades on the report cards.

J. LEAST RESTRICTIVE ENVIRONMENT

The Board and the Association acknowledge that the policy of least restrictive environment is legally mandated and intended in the best educational interest of the student. Accordingly, the parties also recognize that the extent to which any individual student who would fit legal requirements which would involve the use of an Individual Educational Planning Committee (IEPC) for placement in the regular classroom must be appropriate to the student's unique needs as determined by an IEPC on an individual basis. For the purpose of this section, such students shall be referred to as "mainstreamed students."

- 1) Any member who has a reasonable basis to believe that a mainstreamed student assigned to that member has a current IEPC report that is not meeting the student's unique needs as required by law should promptly notify the administration.
- 2) Recognizing periodic changes in student status and enrollment subsequent to the start of the school year, to the extent possible, mainstreamed students will be assigned inequitable numbers across general education grade levels within each elementary location and across sections of the same course within the junior and senior high school. This section will not apply in the event the teacher volunteers to take additional mainstreamed students.
- 3) The following conditions shall apply to placement of mainstreamed students in general education classrooms:
 - a) Any member who will be providing instructional or other services to a mainstreamed student in a regular education classroom setting shall be notified, in writing, of the IEPC which may initially place (or continue the placement of) the student in a regular education classroom. When notified of such an IEPC, the member must notify the principal of his/her intention to attend. When requested, a member may be required to attend and provide written input to the IEPC (or the Multi-Disciplinary Evaluation Team Report) to be presented at the IEPC.

In instances where it is not possible to identify in advance of an IEPC general education teachers who ultimately will have mainstreamed student(s) assigned to their classroom(s), meetings will be convened with such general education teachers as soon as possible after the placement of the student in the class, to explain the conclusion of the IEPC and to provide for the teacher to have input.
 - b) The district shall make reasonable effort to provide the receiving teacher with necessary support identified in the IEPC.
 - c) The administration will make reasonable effort, whenever possible, to provide in-service and awareness information that is requested by the teacher(s).

- d) Except in life-threatening circumstances, no member shall be required to perform medical, hygienic or other non-instructional specialized procedures for or on individual handicapped students such as but not limited to: suctioning, catheterization, diapering, or attending to any personal hygienic or medical need(s) of the student(s). Any such extenuating circumstances shall be preceded by notification to the Association that such a circumstance exists and provide an opportunity for the Association and the teacher(s) who may be affected to meet and discuss the issues involved and how best to meet the needs of the student, the regular classroom, the teacher and the school district.

In such situations, it is expressly understood that the teacher agree to provide such procedures or services, he/she shall be provided with training appropriate to the situation with all expenses paid by the board.

It is further agreed that the Board will remit the premium amounts for an errors and omissions insurance policy to cover members, (to the extent permitted by law), whose actions comply with Board policies, and are within the appropriate scope of their normal job duties and responsibilities including duties as provided in this section. The terms of the insurance policy shall be controlling regarding defense or indemnity of bargaining unit members. The insurance policy carried by the Board shall provide policy limits for two million dollars (\$2,000,000.00) coverage. The Board does not agree to self insure for obligations beyond the insurance policy, or in the event of a policy exclusion or limitation. The sole obligation undertaken by the Board shall be limited to payment of premium amount for such coverage, subject to the conditions enumerated in this paragraph. If the Board is unable to obtain liability insurance protection at a reasonable premium level, the Association shall be notified and the insurance provisions of this section shall become inoperative. If such occurs, no member shall be required to perform the ascribed duties under the above provision.

APPENDIX G

MENTOR TEACHER

- A. A Mentor Teacher shall be defined as a Master Teacher as identified in section 1526 of PA 335 (1993) and shall perform the duties of a Master Teacher as specified in the act.
- B. Each bargaining unit member in his/her first three (3) years in the classroom shall be assigned a Mentor Teacher by the Administration after consultation with the Association. The Mentor Teacher shall be available to provide professional support, instruction and guidance. The purpose of the mentor assignment is to provide a peer who can offer assistance, resources and information in a non-threatening collegial fashion.
- C. Mentor Teachers shall be assigned in accordance with the following:
 - 1) The ultimate and overriding criteria used in selecting a Mentor Teacher will be the candidate's recognition as a teacher skilled in the art and science of teaching with the capability to communicate these two areas.
 - 2) The Mentor Teacher shall be a tenured teacher within the bargaining unit (whenever possible).
 - 3) Participation as a Mentor Teacher shall be voluntary.
 - 4) The District shall notify the Association, in writing, of those members requiring a mentor assignment or any affected member whose classroom assignment has changed.
 - 5) Mentor Teachers and Mentees shall work in the same building (elementary, middle, high school) and have the same area of certification (whenever possible).
 - 6) The Mentee shall be assigned to only one (1) Mentor Teacher at a time.
 - 7) The Mentor Teacher assignment shall be for one (1) year, subject to review by the Administration, Mentor Teacher and Mentee after three (3) months. The appointment may be renewed in succeeding years.
 - 8) A Mentor Teacher shall be assigned to only one (1) mentee at a time.
- D. Because the purpose of the mentor/mentee match is to acclimate the bargaining unit member and to provide necessary assistance toward the end of quality instruction, the Board and the Association agree the relationship shall be confidential and shall not, in any fashion, be a matter included in the evaluation of the Mentor Teacher or Mentee. Neither the Mentor Teacher nor the Mentee shall be permitted to participate in any matter related to the evaluation of the other. Further, the Mentor Teacher shall not be called as a witness in any grievance or administrative hearing involving the Mentor Teacher. This article does not apply to unethical, illegal or immoral activities on the part of either the mentor or mentee.
- E. Upon request, the Administration shall make available reasonable release time so the Mentor Teacher may work with the Mentee in his/her assignment during the regular workday and school calendar

year. Where possible the Mentor Teacher and Mentee shall be assigned common preparation time.

Suggested standards for release time will be the configuration of up to six (6) hours per month for the first year, up to four (4) hours every other month in the second year, and up to four (4) hours every three months in the third year. Requests for greater time spent with the Mentee will be addressed with the building principal. It is also understood that time between the Mentor Teacher and the Mentee will necessarily take place beyond the normal working day to establish this collaborative relationship. Time commitments beyond this minimum may be subject to revision due to state mandates. This provision is a suggested standard and will not be a factor in the decision to retain or dismiss a mentee.

- F. Mentees shall be provided with a minimum of fifteen (15) days of professional activities during their first three (3) years of classroom teaching. Professional development shall be scheduled within the parameters of the regular workday and work year. Such professional development activities will be chosen with the concurrence of the Mentor Teacher, Mentee and Administration.
- G. The Mentor teacher shall be compensated at the rate of \$400 at the end of the school year.

ARTICLE XXVI
