ARTICLE 3

GRIEVANCE PROCEDURE

A. DEFINITIONS

1. A grievance shall mean a written complaint in which it is claimed that either party has failed to comply with the specific written terms of this agreement and which involves either a charge of a violation of this agreement or a dispute concerning the interpretation or application of this agreement. If a question arises as to whether or not a particular complaint is a grievance, the question may be considered through the grievance procedures as herein provided. However, it is agreed that the following matters shall not be subject to the grievance procedure:
 - a. The termination of services of any probationary employee.
 - b. Placing a probationary employee on an additional period of probation.
 - c. Any Board policy, rule or regulation which is not a mandatory subject of bargaining under the Public Employment Relations Act.

B. PROCEDURE

Step 1 - It is understood that before a complaint reaches the status of a formal grievance the employee shall have attempted to resolve the problem by means of an informal discussion with the immediate supervisor. Such discussion shall take place within ten (10) working days after the occurrence, which is the basis of the grievance. The Union may file a grievance later than the ten (10) working day requirement provided it can prove that it did not have knowledge of the occurrence at the time it occurred and provided that the grievance is filed within five working days from the date on which the Union acquired knowledge of the occurrence.

Step 2- The Union shall present the written grievance to the administrator within ten (10) working days after the conclusion of the above discussion.

Step 3- Within ten (10) days of receiving the written grievance, the Director of Human Resources shall schedule a future conference between the grievant, Union representative and the Immediate Supervisor. The purpose of the conference will be to attempt to resolve the grievance. The Director of Human Resources will respond in writing within ten (10) working days of the grievance conference.

Step 4- Within ten (10) days of receiving a copy of the decision rendered under Step 3 of this procedure, if the Union desires to pursue the grievance further, the Union must appeal in writing to the Superintendent or her/his designee. Within ten (10) days after the appeal is received, the Superintendent or her/his designee shall schedule a future conference to attempt to resolve the complaint. The Superintendent of Schools will respond in writing within ten (10) working days of the grievance conference.

Step 5 - Arbitration. In the event that a grievance cannot be resolved at Step 4 of the Grievance Procedure, then such grievance arising out of or relating to the interpretation or the application of this Agreement may be submitted to arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association. Prior to contacting the American Arbitration Association regarding the selection of an arbitrator, the parties shall attempt to mutually agree to an arbitrator. If no agreement is possible, the parties shall refer the matter to the American Arbitration Association.

The parties further agree to accept the arbitrator's decision as final and binding upon them. Notification of intent to use arbitration must be filed in writing with the other party within thirty (30) days of Step Four. The arbitrator shall have no power or authority to add to, detract from, alter or modify the terms of this Agreement.

Each party will bear the full costs for its side of the arbitration and will pay for one-half the costs of the arbitrator.

C. GENERAL PROVISIONS

1. The Union shall have a representative present at each step of the grievance procedure who may represent an employee with the employee's consent. The appropriate administrator, upon receiving a grievance, shall notify the Union as to the day, time and place of the conference, and no step of the grievance procedure shall be conducted in the absence of the Union unless the Union has waived its right to be present.
2. Each grievance shall be presented on forms provided by AFSCME Council 25 and available through the Union, and shall set forth specifically who the grievant is, what provision of this Agreement is alleged to have been violated, misinterpreted, or misapplied by appropriate reference, when it happened, where it happened, the allegation of the grievant, and the relief requested.
3. Where there is mutual agreement between the Board and the Union, at any step under this grievance procedure, the grievant need not be present.
4. In the event that the Union fails to appeal a grievance or appeal a District answer within the specified time limit, the involved grievance shall be deemed abandoned and settled on the basis of the District's last answer, if any. In the event the District shall fail to supply the Union with its answer to the particular step within the specified time limits the grievance shall be automatically positioned for appeal at the next step within the time limit for exercising said appeal, commencing with the expiration date of the District's grace period for answering.
5. However, if an administrator fails within the specified time limits to schedule a conference, the employee may immediately proceed to the next step. Nothing in this provision shall prevent the parties from extending the specified time limits by mutual agreement which shall be expressed in writing.

6. A grievance shall always be filed at the earliest step of the grievance procedure where there is authority to render a decision on the grievance.
7. Any conference which may be held under the grievance procedure shall be conducted before or after school hours, except where mutually agreed to the contrary, and at a reasonable place. In the event that a conference or hearing under the grievance procedure is held during school hours, each employee who is a party or witness shall be excused from her/his regular duties, with pay, to attend such a conference or hearing.
8. Each conference conducted under the grievance procedure shall be conducted as a private conference, and attendance at such conference shall be restricted.
9. No grievance or decision rendered on a grievance shall be placed in an employee's personnel file, nor shall it become a part of the minutes of any Board of Education meeting, except as to reference by number.
10. The arbitrator shall have no power or authority to add to, detract, from, alter, or modify the terms of this Agreement.
11. The parties agree that it is good practice to keep all discussions confidential during the procedural stages of the resolution of the complaint.
12. The parties may mutually agree to attempt to resolve the grievance prior to arbitration through mediation.

The exception is for adoption or foster care where other documentation will be required.

Such disability must be verified by a physician's statement. The Board may request another physician's opinion at the Board's expense. Should the Employee be unable to apply for the vacancy because of a disability, she/he would remain
