When an employee is called for unscheduled work, when scheduled to be off, the work performed shall be paid at a rate of time-and-one-half of the regular rate, or at the rate of double time on Sundays or holidays, provided that the minimum pay for a call-in shall be two (2) straight time hours. When an employee has a shift extended, s/he shall be paid for the actual additional time worked at the prevailing rate.

- H. When an employee reports for work as scheduled, the employee shall be paid a minimum of two (2) straight time hours. Employees who are working a scheduled shift but then are sent home because of no work will be paid for the amount of time actually worked, but in no case less than two (2) hours.
- I. By mutual consent, compensatory time (e.g., one (1) hour worked equals one-and-one-half (1-1/2) compensatory time off) may be given equal to the authorized overtime worked. Compensatory time must be taken no later than two pay periods after it was accrued or the employee will be paid out on the third pay period.

K. Less than twelve (12) month employees required to work additional time at the beginning or end of the school year, other than specified in (E) above, will be paid their current regular rate of pay and will be entitled to fringe benefits, with the exception of vacations, according to the amount of additional time worked. However, if an employee is required to work the entire year s/he will be entitled to a vacation according to her/his years of service.

L. Approved compensable leave days and unworked holidays will count as days worked in the computation of overtime at the end of the work week.

M. Assignment of Building Overtime - Security Guards

1. Scheduled building overtime will be offered to security personnel assigned to each building on a rotation basis. This rotation will be done in a manner to equalize the overtime for all guards in a building.
 - This rotation will begin on a seniority basis and continue throughout the school year using an accumulated overtime board.
 - All scheduled building overtime hours worked will be added to each security guard's accumulated overtime.
 - After the initial rotation, the security guard with the least number of hours will be the first person asked to fulfill a scheduled building overtime assignment.
 - If the security guard up for the scheduled building overtime assignment refuses the overtime hours, the actual number of hours that assignment entailed will be added to his/her accumulated overtime.
 - It shall be considered that the next person in line for any refused shift has received an assignment by default and, therefore, shall have the right to refuse the scheduled building overtime without the hours being added to his/her accumulated total.

ARTICLE VII – M (continued)

2. Should an emergency arise and security personnel are asked to extend a shift, the hours worked will not be added to their accumulated total. An emergency is defined as a situation when there is not time to use the normal process for assignment of building overtime.
3. If all building security personnel refuse shift/s, the building administrator shall contact the District security supervisor for assignment according to the District security seniority list.
4. If all district security personnel are unavailable substitutes may be utilized.
5. If all substitutes are unavailable, the shift shall become mandatory for the security guard within the building where the shift occurred with the least number of overtime hours. The hours worked shall be added to his/her accumulated total.
6. A security guard shall not work an overtime shift if they are absent during their regular shift for any reason other than personal business.
7. If a security guard is absent during their regular shift and it is their scheduled turn, according to rotation, to work the overtime shift, s/he is still charged for the overtime work even though s/he is unable to work. This will not apply in cases of absence for jury duty or bereavement.
8. Individual security guards can remove themselves from the scheduled building overtime rotation by written notice to the administrator in charge for a period of time no less than 30 calendar days. When a guard returns to the overtime rotation his/her hours will be adjusted to be one (1) hour more than the person with the greatest hours at that time. This option is not available if in the opinion of the building administrator the building will not have enough guards to cover upcoming scheduled overtime.
9. A security guard will be removed from the scheduled building overtime rotation if s/he is on short term disability or if s/he takes a non-compensable leave for more than ten (10) days. When a guard returns to the overtime rotation his/her hours will be adjusted to be one (1) hour more than the person with the greatest hours at that time.

District Overtime –

Security guards will be called for "District" overtime on a rotation basis – based on seniority. This rotation schedule will be separate from the building overtime rotation schedule.

ARTICLE VIII WORKING CONDITIONS

Health Aides will be given the training and/or coaching needed to enable them to provide appropriate services for students. In the event of unforeseen complications in health aide duties or assignments, the Board will discuss courses of action with the Union, however, the Board reserves the right to make final decisions.

C. English Language Learner (ELL) Paraprofessionals

The District shall provide health insurance coverage for no more than ten (10) ELL Paraprofessionals, provided they work at least 6.75 hours per day. The following factors will be considered in determining placement:

a. Promotion

- 1) Promotion is the change in jobs to one of a higher class and rate of pay.
- 2) The most senior qualified employee in the current classification within the same employment category making application shall be transferred to fill the vacant or newly created position. The Human Resources Department shall determine the qualifications of candidates.

ARTICLE IX (continued)

- 3) If there are no bidders within the same category/classification, then those bidders who are qualified and who have satisfactory work records shall be placed on the basis of seniority in the bargaining unit as specified in Section G., 1a, above. The Human Resources Department shall determine the qualifications of candidates.

b. Lateral Transfers

- 1) Transfer shall be defined as the movement from one location or department to another with no change in pay or classification.
- 2) Satisfactory performance and qualification are requisite for all lateral transfers unless otherwise mutually agreed between the parties. Those bidders who thus are qualified will be transferred on the basis of seniority in the Bargaining Unit.
- 3) Lateral transfers within category/classification shall be honored before transfers within classification, promotion, or demotion.
- 4) Lateral transfers within category/classification shall be limited to one (1) time within the remainder of the school year. Involuntary movement (bid meeting, layoffs) does not qualify as a lateral transfer.
- 5) A transfer to a higher classification by an employee who had been reclassified downward during the reclassification study shall be considered a lateral transfer. This shall apply up to and including the employee's former classification.

c. Demotion

- 1) Acceptance of a position that carries a lower rate of pay constitutes a demotion.
- 2) Those employees who are qualified, have satisfactory work records and who bid for a position in a lower classification will be placed in such position on the basis of seniority in the Bargaining Unit.

ARTICLE IX (continued)

3. Trial Period Conditions

- a. When an employee has been selected from bidding for promotion, transfer or voluntary demotion, said employee shall begin a ten (10) work day trial period. In the event s/he is unable to perform the duties of the new job to her/his immediate supervisor's satisfaction, s/he shall be removed and returned to her/his former position and location. The vacancy shall then be filled by the next qualified candidate from the original posting. This trial period may be extended by the mutual consent of the Union and Board.
- b. During the trial period the employee may, at her/his option, return to her/his former position and location and pay rate without loss of status or seniority.
- c. An employee accepted from a posting, who accepts a promotion, lateral transfer, or demotion, but by her/his own choice does not begin or complete the trial period, cannot bid on additional postings for a period of 30 calendar days. The 30 calendar day period begins date position was officially accepted.

Section H - Evaluation

One written evaluation will be made by the employee's immediate supervisor at the end of the probationary period, at the end of the first year of employment, and at least every two (2) years thereafter. At the discretion of the supervisor, a performance review may occur annually. The current job description shall serve as a guide for completing evaluations. Bargaining unit members shall be provided with the most current job description for his/her position. If job descriptions are changed, bargaining unit members shall be provided training in order to successfully perform the responsibilities of his/her position. Both the employee and the supervisor shall sign the evaluation. Signing of the evaluation by the employee does not necessarily denote agreement with the evaluation.

Section I - Replacement Wages

When a vacancy occurs and the senior qualified employee in the next lower classification in the building/department is required to fill the vacancy that employee will be paid the higher wage. Vacations and leaves of absence less than 3 consecutive workdays do not qualify as vacancies. When an employee subs in his/her own building, he/she shall receive his/her own rate of pay.

ARTICLE X LAYOFF/REDUCTION IN HOURS/MONTHS

- A. It is the intent of this procedure that no employee shall benefit through the layoff procedure.
- B. In the event of temporary layoffs due to acts or occurrences not initiated or controlled by the School Board, the employees immediately affected may be laid off without regard for seniority for a period not to exceed one (1) week. Temporary layoffs which exceed the one (1) week period shall thereupon be regulated by seniority and qualifications.
- C. In the event that it becomes necessary to reduce the number of employees through layoff from employment then substitute, temporary and probationary employees will be laid off first.
- D. For layoff purposes, regular permanent twelve (12) month employees, regular permanent less than twelve (12) month employees, teacher aides, vocational aides and bilingual aides/tutors, building and grounds control and caregivers shall be considered as seven (7) separate divisions. Reduction in staff may take place in any one (1) or all seven (7) divisions.
- E. The layoff or reduction in hours/months of Bargaining Unit employees may be done by division, classification, and position with the least senior employees in the affected positions being laid off first.
- F. Employees affected by this reclassification will be grandfathered in to the new category/classification. Employees may make a lateral move within the category/class without requalifying for the new position. For the purposes of bidding, bumping, and pay, employees who were reduced in classification because of the reclassification study will retain their rights within their former classification.

An employee who was reduced in classification because of the reclassification study will have the right to exercise a bump up to and within the classification they were in before the reclassification. They must bump into the highest classification their seniority permits.

- G. In the event that a position is reduced in hours/months or fraction of hours/months, the affected employee shall have the right to bump as defined in this layoff procedure.
- H. The Board's contribution for insurance premiums, but excluding the earning of other benefits, for employees on layoff will continue for a period of ninety (90) calendar days from the date the layoff began.

ARTICLE X (continued)

- I. Employees will be given a two (2) week notice prior to layoff or reduction in hours or months except as defined in Section B of this Article.
- J. In the event an employee is laid off, displaced or their previous position ends; and the previous position held becomes available within 30 calendar days the employee shall have the right, should she/he choose, to return to his/her former position.

ARTICLE XI RECALL

- A. Employees laid off through this procedure as stated in this Section shall be maintained on a recall list for a period not to exceed two (2) calendar years from date of layoff.
- B. Recall shall be in like order of the employee's seniority to openings as they occur with like or less months/hours within the position classification (or to a lower classification) and division.
- C. Those employees who have been adversely affected by an involuntary reduction in hours/months or transfer to a lower position and classification shall be placed by seniority in the first position available, in the same division and classification which will afford them the same number of hours/months worked prior to the reduction of the work force.

In case of layoff or reduction of hours/months, the affected employees shall have 24 hours to accept or decline offered positions.

If an employee refuses to revert to the classification and/or the same number of hours/months worked prior to the reduction of the work force, the position s/he holds will be considered her/his permanent position.

- D. A posting will not be made for a position and classification in the division from which an employee has been laid off or displaced until all laid off or displaced employees from that position, classification and division have been recalled.
- E. Recall will be by written certified notice, return receipt requested, to the employee's last known address on file with the Personnel Office or a direct phone call to the laid off employee and shall require that the employee report for work within three (3) work days after the date of phone call, delivery or proof of non-delivery.

ARTICLE XI (continued)

- F. An employee recalled from layoff to a lower position and classification in her/his division will maintain her/his original position, classification and division as vacancies occur to which her/his seniority entitles her/him.
- G. Any employee who refuses to return to a position with comparable classification, hours/months and/or shift to the one from which the employee was laid off, will be an automatic resignation.

Any employee who refuses to return to work when recalled to a position non-comparable in classification, hours/months and/or shift from which the employee was laid off shall be placed at the bottom of the recall list.

It is understood that the Board will not have to hire new employees or promote other employees as long as there are qualified Union members on the recall list.

ARTICLE XII GRIEVANCE PROCEDURE

Section A - Violation, Misinterpretation, Misapplication of Provisions

A claim by an employee, groups of employees, or the Union that there has been a violation, misinterpretation or misapplication of any provision of this Agreement or any protest against disciplinary action, shall be deemed a grievance under this contract and will be subject to the grievance procedure hereinafter provided.

Section B - Time Limits

The time limits specified hereinafter for movement of grievances through the process shall be strictly adhered to and may be relaxed or extended only by mutual consent of the parties in writing. In the event that the Union fails to appeal a grievance or grievance answer within the particular time limit, the involved grievance shall be deemed to be abandoned and settled on the basis of the School Board's last answer. In the event that the School Board shall fail to supply the Union with its answer to the particular step within the specified time limits, the grievance shall be deemed automatically positioned for appeal at the next step with the time limit for exercising said appeal commencing with the expiration date of the School Board's grace period for answering.

It is mutually understood and agreed that the parties recognize the importance of developing adequate representation at the lower steps of the grievance procedure.

ARTICLE XII (continued)

The parties agree that whenever either side is of the opinion that a particular grievance is of such importance as to warrant the personal intervention of a higher level of representation at the Step 2 meeting, then upon notice to the other side, the President of the Local Union and the School Board's representatives may participate in the Step 2 meeting.

Section C - Time Limits, Work Days

All specified time limits herein shall consist only of work days within that group classification.

Section D - Initiation of Grievance

Each grievance shall have to be initiated within ten (10) days of the occurrence of the cause for complaint or, if neither the aggrieved nor the Union had knowledge of said occurrence at the time of its happening, then within ten (10) days after the Union or the aggrieved becomes aware of the cause for complaint. Settlement of grievance initiated more than ten (10) days after the occurrence due to unawareness shall not be retroactive to any date prior to the date of filing.

The aggrieved employee will be given the right to attend meetings pertaining to her/his specific grievance. Should an employee attend a mutually scheduled grievance meeting during her/his regularly scheduled working hours, s/he will not lose pay except in cases of suspension or discharge.

If suspension or discharge is reversed through the grievance procedure and back wages are included in the settlement, the time spent by the grievant in attending the grievance meetings will become part of the settlement, however, the entire settlement will not exceed the wages the employee would have received if s/he had worked.

Section E - Notification by Employee

Any employee having a complaint under the terms of this Agreement has an obligation to notify her/his immediate supervisor of the problem, and s/he will also notify her/his steward.

Step 1 The aggrieved employee shall have the right to representation by a steward. When the Steward has been called by the aggrieved party, the Steward shall call her/his supervisor to inform her/him of the fact s/he is processing a potential grievance. Upon the Steward's arrival on the location where the grievant works, the two shall be allowed to confer so that the grievance may be explained to the Steward. If, in the Steward's

ARTICLE XII (continued)

opinion, proper cause for complaint exists, a meeting on the problem shall take place between the grievant and/or the Steward on the one hand, and the appropriate supervisor on the other.

Sufficient time will be allotted during working hours to provide for investigation and processing of the complaint.

In the event that the Union is dissatisfied with the result of the meeting with the appropriate supervisor on the matter, then the Union shall have the right to submit a written grievance on the complaint to the particular appropriate supervisor within ten (10) days after the aforementioned meeting. The appropriate supervisor or her/his representative shall thereupon have ten (10) days to respond to the grievance, in writing, setting forth her/his position on the matter.

Step 2

If the grievance is not satisfactorily settled in the aforementioned manner, then the Union shall have the right to appeal the written decision of the appropriate supervisor or her/his representative within ten (10) days of receipt of said written answer. Such appeal shall be directed to the appropriate Department Head in charge of the employee group which includes the grievant with a copy to the Office of Human Resources. A meeting on the matter shall take place within five (5) days of the Department Head's receipt of the appeal. This Step 2 meeting shall be between the Chief Steward and the Steward on the one hand, and the appropriate Department Head, or her/his representative, who may be accompanied by others involved, on the other hand.

The Department Head or her/his representative shall render a written answer on the subject to the Union within ten (10) days after the occurrence of the Step 2 meeting.

Step 3

In the event the grievance is not disposed of through Union acceptance of the Department Head's answer, the Union shall have the right to appeal the decision to the Office of Human Resources within ten (10) days after receipt of the Department Head's or her/his representative's written position on the issue. A meeting on the subject shall then take place within ten (10) days after receipt of the Union's appeal notice by the Office of Human Resources. This Step 3 meeting shall take place between the Chief Steward, the Union President and, when so designated, the Union Steward who will furnish pertinent information, a Council or International Representative of the Union on the one hand, and the

ARTICLE XII (continued)

School Board's representatives, on the other hand. The School Board's representative shall render a written decision on the dispute to the Union within ten (10) days after the occurrence of said meeting.

Step 4 If the dispute still remains unresolved after completion of the foregoing procedure and on the basis of the answer received from the Human Resources Department, the grievance may be submitted for final and binding arbitration in accordance with the following procedures:

- A. Within forty-five (45) days of the receipt of the Step 3 answer, AFSCME Council 25 shall confirm the intent to arbitrate in writing to the employer. If necessary, an extension of up to an additional fifteen (15) days shall be granted to the Union upon written request.
- B. The arbitrator shall be selected on a rotating basis from a permanent list of five (5) arbitrators mutually selected. Each of these arbitrators shall agree to follow the labor arbitration rules of the American Arbitration Association.
- C. The parties may agree, in writing, to hold an arbitration case in abeyance. An arbitration case not held in abeyance or where the parties have not attempted to select an arbitrator within one-hundred twenty (120) days of the Union's written intent to arbitrate will be declared abandoned at the termination date of the contract.

Section F - Arbitrator's Authority

The arbitrator shall have no power or authority to add to, detract from, alter or modify the terms of this agreement; however, the parties agree that s/he has a right to grant a monetary award.

Section G - Cost of Arbitration

Each party will bear the full costs for its side of the arbitration and will pay one-half (1/2) of the costs for the arbitrator.

Section H - Discharge

Notwithstanding the foregoing procedures for the processing of grievances, protests against the discharge of an employee shall automatically bypass the first two (2) steps of the procedure and be lodged at Step 3 for consideration, commencing at the School Board's representative's level, as provided. Step 3 meetings on discharge cases shall

ARTICLE XII (continued)

take place within three (3) days after receipt by the School Board's representative of a protest against the discharge. The Union will be notified in writing of the discharge action and upon receipt of said notice the normal time limits will apply.

ARTICLE XIII COMPENSATION

1. The schedules of wages and classifications of employees covered by this Agreement shall be set forth in Schedule A-1, A-2, and B, which are attached to and incorporated in this Agreement.
2. Employees will be paid for all authorized time spent in the service of the employer.
3. Employees shall be responsible for keeping an accurate and true record of all time worked, which shall be submitted to the supervisor for endorsement for pay purposes.

When the positions of such employees are vacated, persons filling such positions shall be paid at the appropriate classification rate as set forth in the new Schedules A-1 and A-2.
6. Payroll checks will be electronically direct deposited to the employee's designated financial institution. Bi-weekly payroll information will be available on-line for employee viewing. It is the expectation of the parties that viewing will be done during non-duty hours.

ARTICLE XIV COMPENSABLE LEAVE

Section A - Definition

Paid for leave time will be provided in order to protect the employee's income during periods of unavoidable absence. The Board's primary concern is for periods of personal illness; however, in appropriate circumstances compensable days for family illness, bereavement, emergencies and personal business constitute legitimate usage.

Section B - Accumulation

Each employee shall be entitled to a sick leave accumulation at the rate of one day per month of employment and one additional day per year to be posted on her/his anniversary date. This sick leave accumulation shall be placed at the disposal of each employee on July 1st of each year. Unused sick leave left over at the end of the school year shall be accumulated to a maximum of two hundred (200) days for less than twelve (12) month employees and two hundred-sixty (260) days for twelve (12) month employees.

ARTICLE XIV (continued)

Caregivers shall be entitled to a balance of three (3) sick days at the commencement of each school year plus carryover of any unused days from the previous year.

Section C - Cash Surrender

Section D - Use of Leave Days

Sick leave may be used, in accordance with the schedule specified herein for personal or family illness, bereavement, emergencies and personal business. For all absences the employee is required to notify the School Administration upon first knowledge of the necessity for the absence. It is agreed that the use of leave days will be strictly confined to the legitimate purposes specified in the schedule which follows immediately:

- 1. Personal Illness:** Bonafide physical incapacity to report for and discharge duties to the extent of unused days credited. It is understood that an employee may be required to provide a physician's certificate in cases of illness. In all cases a physician's statement will be required if the absence lasts five (5) consecutive work days or more.
- 2. Family Illness:** Bonafide pressing need due to illness of an employee's spouse, children or parents. - 3. Bereavement:** The amount of days which may be approved will depend upon the circumstances and/or travel involved. Leave, when required, may be granted.

Leave for three (3) days in town and five (5) days out of town will be granted in the event of the death of an employee's immediate family, i.e., employee's spouse, children, parents, spouse's parents, siblings and grandparents. The supervisor may grant days for other family members, as deemed appropriate. These days will not be deducted from the employee's leave bank.

ARTICLE XIV (continued)

- 4. Personal Business:** Up to three (3) days per year from the annual allotment may be allowed for personal business. Personal business, in all cases except unforeseen emergency, requires at least two (2) days advance written (email, note, etc.) notice to the immediate supervisor.

In the event that the service of an employee is interrupted by reason of discharge, termination, suspension, or leave and said employee has utilized more sick leave days than have been accumulated on the monthly basis, then the value of the excess paid-for leave days shall be deducted from the last paycheck due the employee at the time of interruption.

Section E - Workers' Compensation

Workers' Compensation shall be provided as specified by law. In addition, the Board will pay the difference between the amount paid by the Workers' Compensation Insurance and the employee's regular salary, on a straight-time basis, and will charge her/his sick leave accumulation proportionately for a period equivalent to the nearest half day. In no case will Board assistance extend beyond the employee's sick leave accumulation.

In case an employee who suffered an on the job injury is released to return to work but is not able to assume her/his former position, placement will be made to an assignment established in the Bargaining Unit for which s/he is qualified contingent on the employee's limitation.

If the retiree's spouse has other group health care protection, then the employee will not be covered under the District's health coverage. It will be incumbent upon the employee to sign a statement certifying to this provision.

Retiree coverage under the regular Blue Cross-Blue Shield or Blue Cross 65 will include the \$2.00 deductible prescription rider for those employees who continue in the Warren Consolidated Schools' group. This provision is applicable only to those who retire after January 1, 1980.

Present and future employees who retire under the Michigan Public Schools Employees' Retirement Act will enroll immediately upon retirement in the state retirement system plan. The Board will reimburse the retiree for her/his own contribution to the state retirement system health care plan for a single subscriber or self and spouse coverage, whichever is appropriate. The Board's reimbursement for spouse will be to a maximum of \$100/month until the spouse's age 65 and \$50/month after spouse's age 65. However, if the employee's spouse has other group health care protection, then the District will not reimburse the employee for her/his cost to participate in the state retirement system plan. It will be incumbent upon the employee to sign a statement certifying to this provision.

Section B – Group Benefits

The following provisions reflect the coverage for Short-Term Disability Wage Replacement Benefits, Group Life, Accidental Death and Dismemberment Benefits.

ARTICLE XVII – Section B (continued)

1. The Board will provide Short-Term Disability Wage Replacement Benefits. Every attempt will be made to insure that there is no interruption of compensation provided the employee processes a legitimate claim in a timely fashion.

- a. Employees working a minimum of three (3) hours per day, fifteen (15) hours per week, will receive wage replacement benefits as follows:

Benefits will be payable:

- 1) First (1st) day of an accident
 - 2) First (1st) day of hospital confinement or outpatient surgery
 - 3) Fifteenth (15th) day of sickness
 - 4) For a maximum duration of twenty-six (26) weeks.
 - b. These benefits will be payable at the rate of sixty percent (60%) of weekly earnings (including longevity and/or shift differential if applicable) not to exceed \$750.00 per week.
 - c. The disabled employee may elect to take one (1) of the three (3) following options with regard to disability benefits:
 - 1) S/he may draw salary from her/his sick leave bank reserves until s/he is eligible for Short-Term Disability Wage Replacement Benefits.
 - 2) S/he may totally deplete her/his sick leave reserves before starting her/his disability benefits.
 - 3) S/he may draw from her/his sick leave reserves the difference between the amount received under her/his Short-Term Disability Wage Replacement Benefit and her/his regular salary with accumulated sick leave days being deducted on the same ratio.
 - d. The Short-Term Disability Wage Replacement Benefits will not be available for employees who are not scheduled to work as in the case of summer vacation when there are no wages involved. However, an employee scheduled to return to work who is not able to return will be eligible for Short-Term Disability Wage Replacement Benefits. The parties agree that Short-Term Disability Benefits are wage replacement benefits not supplemental income benefits. Accordingly, no benefits will be paid during recess periods (e.g., summer recess, winter breaks, etc.) The combination of Short-Term Disability and sick leave benefits shall not exceed the number of weeks an employee is regularly scheduled to work.

ARTICLE XVII – Section B (continued)

These coverages will be provided on a twenty-four (24) hour basis, both on and off the job, including summer vacation. Each employee will be provided total coverage in the amount of two (2) times the annual Schedule A wages exclusive of overtime pay. Members of the bargaining unit may elect to take a maximum of \$50,000 of this benefit.

Employees who retire under the Michigan Public Schools Employees' Retirement Act will have \$2,000 of group life continued to age sixty-five (65) (Accidental Death and Dismemberment will be discontinued) at no cost to the employee. The retiree may convert coverage to an individual policy at the retiree's expense.

The employee may utilize unused sick leave to the extent of realizing seventy percent (70%) of her/his salary at the time of disability. Sick days so used would be deducted, to the extent of accumulated sick leave, from the employee's sick bank at whatever ratio is necessary to bring the total benefit up to seventy percent (70%) of the salary earned at time of disability.

ARTICLE XVII (continued)

Section F

It is recognized by the Board of Education and the Union that insurance policies contain standard exclusions and limitations. It is, therefore, expressly understood that the provisions of the insurance policies shall prevail.

Policies will be furnished to the Union upon contract ratification if not available, the Board will request same in writing with copy to the Union.

Section G

Liability coverage and protection shall be the same as that for Board of Education Members.

Section H - Flexible Spending Account

WCS sponsors a Flexible Spending Account (FSA) plan. An FSA is used to reimburse you (in "before-tax") dollars using payroll deduction for health care expense that are not covered by another benefit plan. The WCS annual benefit maximum is \$3,000. These dollars will be deducted by payroll and are generally not subject to Social Security Taxes (FICA), Federal or State tax.

DEPENDENT CARE ACCOUNT

Eligible expenses include daycare expenses you incur while you (and your spouse, if you are married) work. The annual benefit maximum is \$5,000.

Effective the 2006/07 open enrollment period, all full-time employees will receive a \$400 employer-funded contribution to either the FSA or the DCA.

Section A - Financial Information

The School Administration agrees to furnish the Union, upon reasonable request, the Board financial reports necessary and pertinent to the purpose of collective bargaining.

For the purpose of satisfying the requirements of this clause, the Board will, on specified dates, provide the tuberculin skin test at specified locations within the District.

ARTICLE XIX - MISCELLANEOUS (continued)

The Board will provide a chest x-ray to those employees who have positive tuberculin tests; however, it will be incumbent upon the employee to prove that an x-ray is required. The Board shall determine the location where x-rays will be taken. Any employee preferring an x-ray to a skin test may do so at her/his own expense.

Section C - Challenge of Physician's Report

As stated in Article XIV, Section E, "Workers' Compensation shall be provided as specified by law;" therefore, if a dispute arises wherein the employee disagrees with a physician's report, s/he shall exercise all of her/his rights available to her/him under the Michigan Workers' Compensation Law.

In the event a report of an employee's attending or examining physician is challenged by the School Board or if the Union challenges the report of the School Board doctor's examination, then the procedure shown below shall be followed:

1. The protesting party may elect to require the affected employee to be examined by a physician of the protesting party's choice at the protesting party's expense.
2. If the reports of the two examining physicians are in disagreement or conflict, the respective bargaining committees shall meet and endeavor to reconcile the differences.
3. In the event mutual agreement cannot be reached to equitably and amicably dispose of the dispute, the controversy shall bypass the grievance procedure and instead the affected employee shall be examined at the equally shared cost of the School Board and Union by an appropriate specialist in the area of controversy by a physician, or at a medical facility, mutually agreeable to all parties. If this provision is invoked a letter signed by both the Union and Administration will be sent to the physician, or medical facility, explaining the need for a third party examination.

Section D - Staff Facilities

The School Board policy will be to provide adequate parking and lavatory facilities apart from student facilities and a place away from the work area for lunch and coffee breaks.

ARTICLE XIX (continued)

Section E - Bargaining Unit Work

Supervisory employees or other employees shall not perform routine work normally and regularly performed by members of the Bargaining Unit except to an incidental extent or for purposes of instruction or to assist in emergencies.

Section F - New, Additional and Revised Positions

The School Board will have the right to establish new positions and revise existing positions in the Bargaining Unit as may be required. Administration shall notify the Union upon the creation or revision of positions. Upon request, the School Board shall negotiate the wage rate for any new positions in the Bargaining Unit.

Section G - Job Posting

The School Board will provide all Union members with notices of postings including exempt positions. Summer postings will be provided to all buildings in operation and announced on the summer job posting Hot Line.

Section H - Inclement Weather, Other Conditions

On any day when school sessions are scheduled but that schedule is cancelled by the Superintendent due to weather or other conditions and this official closing is announced on Radio Station WJR, then the following provisions for employees' pay will prevail:

1. If the announcement states that schools are closed, employees are not to report, employees will receive full pay for their normal day's work. If an employee is customarily scheduled to work four (4) hours, the employee would be paid for four (4) hours.
2. If the announcement states that school(s) are closed and employee(s) are to report, then employee(s) must report. If an employee(s) is unable to report, s/he shall be paid for such absence provided s/he has unused compensable days available against which her/his absence can be charged.

An exception to the above is a day when it is determined too cold for students to report to school, but the District announcement states that teachers and clerical personnel are to report for work. In such a circumstance bargaining unit personnel will report to work and be paid only regular wages. If an employee(s) is unable to report to work s/he may use leave days, if available, pursuant to provision two (2.), Paragraph one.

ARTICLE XIX (continued)

3. Should an employee(s) be called into work on a day when schools are closed and employee(s) are not to report the employee(s) will receive full pay for his/her normal day's work pursuant to provision one (1.), plus an additional time and one half (1 & 1/2) for all hours actually worked on that day(s).

By way of example, an employee called into work on a day schools are closed and employees are not to report, would be paid for his/ her customary work day pursuant to provision one (1.) - as are all employees - plus an additional time and one half for all hours actually worked. If the employee was a regularly scheduled eight (8) hour employee and was called into work for four (4) hours - the employee would be paid (8) hours as would all employees who did not work - and time and one-half (1 1/2) for the four (4) hours actually worked by the employee called into work.

4. When conditions demand that a building be evacuated, Union personnel shall also be evacuated. When conditions demand that students and staff be dismissed, employees shall also be dismissed with no loss of pay.

When conditions demand that students and staff be dismissed District-wide, employees in Central Office and the Service Centers will also be dismissed without loss of pay.

ARTICLE XIX (continued)

The Union will be permitted the use of school facilities for regular and special business meetings of the Union and for committee meetings on Union business as well, provided that such use is requested and can be arranged in advance and without incurring additional cost to the School District. Union use of school business equipment will be permitted provided that:

2. The purpose is for internal business use of the Union, and is not for public distribution.
3. Supplies in connection with such equipment use will be furnished or paid for by the Union.
