5.1.3 Employees Covered

Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Board does hereby recognize the Union as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment for the term of this Agreement of all employees of the Board named by division and classification in this agreement in Article 5.4.

The protected Union representative shall be guaranteed a bargaining unit position based on the officer's seniority.
- B. In the event the classification of a protected Union representative is eliminated, the Union representative has bumping rights into any lower classification or into a higher classification if the Union representative has previously held a position in a higher classification for one (1) year or more and has performed satisfactorily, the Union representative may bump any less senior person in that classification.

- B. If the BOARD determines the need to fill the position, the temporary vacancy will be offered to the senior employee within the building where the vacancy occurs and who is in the same division. All ensuing vacancies shall be filled using the same process.
- C. Any employee who is offered a temporary vacancy shall meet the minimum qualifications for the position.
- D. Employee(s) in temporary vacancies will receive the rate of pay for the vacant position s/he has been awarded.
- E. If a temporary vacancy is unable to be filled from within the building, a posting or a bid meeting for the division will be scheduled within 5 work days to fill the vacancy. The supervisor will determine posting versus bid meeting and provide notice of same to the bargaining unit.
- F. If a temporary vacancy remains unfilled, it will be offered to a laid-off employee (by seniority); otherwise, it will be filled by a substitute.
- G. The initial temporary vacancy will be posted as permanent after one (1) year from the initial event creating the temporary vacancy.
- H. All employees holding temporary vacancies as a result of the initial vacancy will revert to their former position when the employee (who's absence created the temporary vacancy) returns to work or the vacancy is filled permanently.

5.6.2 Posted Vacancies

- A. All vacancies not considered as temporary as listed in (Temporary Vacancies) will be considered a permanent vacancy.
- B. Should the BOARD choose to fill the position; the posting will include all of the following:
 - 1. Posted in a conspicuous place in each building
 - 2. Posted for five (5) work days
 - 3. Rate of Pay
 - 4. Requirements for the position
 - 5. When the position will be occupied
 - 6. A job description shall be attached
- C. Upon the closing date of the posting, a list of the bargaining unit members who applied will be sent to the Union president the following day. The Board agrees to fill any such posted vacancy within ten (10) work days of the termination date of the posting. Bargaining unit members must be actively at work to apply for and be awarded any posted position. Actively at work means not on any leave of absence, medical leave, worker's compensation leave, or other type of leave. A bargaining unit member is actively at work if on a scheduled, approved vacation.

5.6.3 Bids

Movement within the bargaining unit shall be considered a promotion, lateral move or demotion.

- 1. PROMOTION – shall be defined as a change in classification or division that includes an increase in the employee's hourly rate of pay and/or an increase in regularly scheduled hours. For the purpose of this definition, shift premiums shall not be considered as an increase in the hourly rate. When an employee is promoted to a position within the bargaining unit that includes an increase in the employee's hourly rate of pay, s/he shall be paid at the step closest to his/her current rate of pay (but not less than his/her current rate of pay) plus one (1) step. When an employee's promotion is based solely on an increase in hours, the rate of pay will not change.

Promotions shall be awarded on the basis of seniority and qualifications. Qualifications shall be listed for each position on the job description.

In the event a more senior employee, in the division, is denied a promotion, reasons for denial shall be given in writing to the employee and the Local president. In the event the senior applicant disagrees with the reasons for denial, it shall be a proper subject for the grievance procedure.

If a promotion is not filled from within the Division, the job shall be posted and employees in other Divisions/Classifications will be considered before considering new hires. When a candidate from another division in the bargaining unit is not offered the vacant position, s/he will be given a reason why s/he was not offered the position.

2. LATERAL – shall be defined as a change of shift or building location within the same division and classification with no change in the employee's hourly rate and no increase in the regularly scheduled hours. For the purpose of this definition, shift premiums shall not be considered as an increase or decrease in the hourly rate.

Whenever a lateral vacancy is filled, such employee should be expected to remain on the job for a period of not less than one (1) year from the closing date of the bid before being permitted to exercise his/her rights to bid on another lateral vacancy.

3. DEMOTION – shall be defined as movement into a lower classification or division involving a decrease in the employee's hourly rate of pay and a decrease in the regularly scheduled hours. For purposes of this definition, shift premiums shall not be considered as a decrease in the hourly rate.

5.6.4 Trial Period

- A. The promoted employee shall be granted a forty-five (45) working day trial period to determine:
 1. Ability to perform the job.
 2. Desire to remain on the job
- B. At the end of the forty-five (45) working day trial period, the employee shall have the opportunity to revert. If the employee is unsatisfactory in the new position, s/he may be reverted. Notice and reasons of unsatisfactory work shall be submitted to the employee in writing, by the employer, with one copy to the President. If the employee reverts or is reverted, s/he shall revert to the previous position and location.
- C. During the trial period, the employee shall receive the rate of pay for the job s/he is performing at the appropriate salary step on the scale.

5.6.5 Evaluation

All employees will be evaluated no more than once a year and at least once every three (3) years. The Director of Facilities & Transportation (when applicable) or the Director of Food Services (when applicable) will meet and discuss with the employee their evaluation. The written evaluation will be given to the employee

and they may choose to write an attachment to clarify any difference of perception in the evaluation.

If an area(s) of serious concern is noted in the evaluation, then a plan of improvement will be written and shared with the employee and the Union. The employee will be given a reasonable time to correct these areas(s).

5.6.6 Transfer

The employer agrees that any transfer will be discussed with the Union in order to provide for the protection of the seniority of the employees involved.

5.6.7 Coverage for Absences

A. TRANSPORTATION DIVISION

When school is in session and a driver is absent for all or part of their scheduled workday or when additional coverage is needed, the assignment will be covered by a driver as long as it does not interfere with coverage of their regular routes as determined by administration. If the run(s) cannot be scheduled for a driver, then a substitute driver will be called.

B. FOOD SERVICE DIVISION

When a food service employee is absent, the remaining regular employees in that building shall be offered the option (but need not accept) of each stepping up to the vacant positions, leaving the least amount of hours to the substitute. This shall be done by seniority, not rotated. After an employee refuses the offer to substitute three (3) times in a school year, said employee will not be called for the remainder of that year. In the event all resources have been exhausted to assign a person, the Board reserves the right to assign the least senior employee in the affected building to the vacancy.

Employees required to work temporarily in a higher classification shall be paid at the rate of the higher classification at the step closest to their current rate of pay but not less than their current rate plus one (1) step.

C. MAINTENANCE / CUSTODIAL DIVISION

When school is in session and a custodian is absent from a given building, his/her assignment will be filled in the following order: laid-off custodian, substitute, building overtime list, and district-wide overtime list.

If the Secondary Building Engineer or Elementary Head Custodian is absent when school is in session (Sept. through Mid-June), the position will be filled in seniority order by a custodian employed in that building.

Employees required to work temporarily in a higher classification shall be paid at the rate of the higher classification at the step closest to their current rate of pay but not less than their current rate.

D. WORK OUTSIDE OF DIVISION

Any member willing to be on call for work outside of his/her division must sign-up by each October 1 to substitute during their off hours. S/he will be paid at the substitute rate for that work. 5.7 Severance, Layoff, Recall

5.7.1 Discipline

The employer may impose disciplinary action for just cause. An employee and/or his/her Union representative shall receive a copy of all written reprimands, warnings or complaints made against him/her which are placed in his/her personnel file. Upon the written request of the employee, said written warning, reprimand or complaint shall be removed from the employee's personnel file after three (3) years from the date thereof, subject to the following condition:

- In order to file a written request for the removal of reprimands, warnings or complaints from the personnel file, an employee must not have received a written reprimand, warning or complaint within the above-referenced 3 year period.

Disciplinary meetings will be conducted in private, and will be scheduled at the earliest possible date. If scheduling conflicts occur, the meeting will be rescheduled as soon as practicable. In no case shall an employee gain in wages or hours through the bumping process.
 - 3. Employees who are displaced from their work assignment because of a layoff will be allowed to use their seniority to bump for work assignments or as outlined in #1 and #2 above.
 - 4. The Board reserves the right to schedule a "bumping" meeting with the Union and all potentially affected employees to complete this bumping process at a single meeting.
- C. Any employee who has bumping rights as set forth above shall have the right to either exercise the bump or to accept the layoff until recalled.
- D. The employees who are displaced after the bumping process has been exhausted shall be laid off. The employee's seniority shall be frozen for up to three (3) years or the duration of his/her seniority at the time of layoff whichever is less, or until recalled to a position within the bargaining unit, which ever comes first.
- E. Employees to be laid off for an indefinite period of time will have at least ten (10) work day's notice of layoff except in emergency. The local Union President or their designated representative shall be sent a list of the employees being laid off.

One documented attempt will be made to reach the employee at a number supplied to the supervisor by the employee (employee will update the phone number as needed).
