AGREEMENT

An agreement made this 31 day of August, 2006 by and between the Board of Education of Onkama Consolidated School District, hereinafter called the "Board" and the Onkama Education Association, hereinafter called the "Association".

WITNESSETH

WHEREAS the Board and the Association recognize and declare that providing a quality education for the children of Onkama Consolidated Schools is their mutual aim and that the success of such education depends predominately upon the quality and morale of the teaching service and,

WHEREAS the Board has statutory obligation, pursuant to Act 379 of the Michigan Public Acts of 1965, to bargain with the Association as the representative of its teaching personnel with respect to hours, wages, terms and conditions of employment, and,

WHEREAS the parties, following extended and deliberate professional negotiations have reached certain understandings which they desire to memorialize.

In consideration of the following mutual covenants, it is hereby agreed as follows:

ARTICLE I

RECOGNITION AND DEFINITION

A. The Board recognizes the Association as the sole and exclusive bargaining representative for all teachers who are certificated and regularly employed by the Board, it specifically being the intent of the parties hereto that membership in the Association shall not be a condition of employment nor used as a point of discrimination in the rights, benefits or obligations under this contract.

B. The term certificated as used herein shall mean a teacher who is presently holding a valid certificate issued by the State Board of Education under the requirements of Act 202 of Public Acts of 1903 and meets the requirements of NCLB.

C. The term regularly employed classroom teacher as used herein shall include all those teachers employed full-time throughout the school year and in addition thereto, special education teachers, guidance counselor, librarian, social worker, teachers regularly employed on a part-time basis, probationary teachers, athletic director, game manager, telecommunications instructors, and work experience instructors. Specifically excluding from the bargaining unit all others, and particularly the supervisory staff consisting of the Superintendent, Assistant Superintendent, Principals and Assistant Principals, non-supervisory staff consisting of the substitute teachers, non-regularly employed part-time teachers and teacher aides, even if they hold a valid teaching certificate, and all non-certified personnel.

D. The term teacher shall refer to all employees represented by the Association as herein defined and masculine gender shall include feminine.

ARTICLE II

FINANCIAL RESPONSIBILITY

A. Each bargaining unit member shall, as a condition of employment, (1) on or before thirty (30) days from the date of commencement of duties or the effective date of this Agreement, whichever is later, join the Association, or (2) pay a Service Fee to the Association. The Service Fee shall not exceed the amount of Association dues collected from Association members. The bargaining unit member may authorize payroll deduction for such fee directly to the Association, or authorize payment through payroll deduction, the Board shall, pursuant to MCLA 408.477 and MSA 17.277 and at the request of the Association, deduct the Service Fee from the bargaining unit member's wages and remit same to the Association. Payroll deduction made pursuant to this provision shall be made in equal amounts, as nearly as may be, from the paychecks of each bargaining unit member. Moneys so deducted shall be remitted to the Association or its designee no later than twenty (20) days following deduction.

B. The procedure in all cases of non-payment of the service fee shall be as follows:

1. The Association shall notify the teacher of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance and shall provide ten (10) days for compliance, and shall further advise the recipient that a request for wage deduction may be filed with the Board in the event compliance is not effected.
2. If the teacher fails to remit the service fee or authorize deduction for same, the Association may request the Board to make such deduction pursuant to the opening paragraph above.
3. The Board, upon receipt of request for involuntary deduction shall provide the teacher with an opportunity for a due process hearing limited to the question of whether or not the teacher has remitted the service fee to the Association or authorized payroll deduction for same.

C. Pursuant to Chicago Teachers' Union v Hudson, 106 S Ct 1066 (1986), the Association has established a "Policy Regarding Objections to Political-Ideological Expenditures." That Policy, and the administrative procedures (including the timetable for payment) pursuant thereto, applies only to non-association bargaining unit members. The remedies set forth in that Policy shall be exclusive and, unless and until such procedures (including any administrative or judicial review thereof) shall have been availed of and exhausted, no dispute, claim, or complaint by an objecting bargaining unit member concerning the application and interpretation of this Article shall be subject to the grievance procedure set forth in this Agreement.

D In the event of any legal action against the Board brought in a court or administrative agency because of its compliance with this Article, the Association agrees to defend such action, at its own expense and through its own counsel, provided:

1. The Board gives timely notice of such action to the Association and permits the Association intervention as a party if it so desires, and
2. The Board gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses and making relevant information available at both trial and appellate levels.

The Association agrees that in any action so defended, it will indemnify and hold harmless the Board from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Board's compliance with this Article, but this does not include any liability for unemployment compensation paid under the Michigan Employment Security Act.

ARTICLE III

TEACHERS RIGHTS

A. The Board undertakes and agrees that it will not directly or indirectly discourage or deprive or coerce any teacher in the enjoyment of any rights conferred by Act 379 or other laws of Michigan or the Constitution of Michigan and the United States; that it will not discriminate against any teacher with respect to hours, wages or any terms or conditions of employment by reason of his membership in the Association, his participation in any activities of the Association or collective professional negotiations with the Board, or his institution or any grievance, complaint or proceeding under this agreement or otherwise with respect to terms or conditions or employment.

B. The Board agrees to furnish the Association specifically requested information which pertains to the operation of the Onkama Consolidated Schools. All requests must be submitted in writing.

C. Just Cause No bargaining unit member shall be disciplined or discharged without just cause. The term "discipline" as used in this Agreement includes warnings; reprimands; suspensions with or without pay; reductions in rank, compensation, or occupational advantage; discharges; nonrenewal of probationary bargaining unit members, including bargaining unit members deemed to be in a period of probation under the Michigan Teachers' Tenure Act; or other actions of disciplinary nature. Any such discipline shall be subject to the grievance procedure, hereinafter set forth including arbitration. The specific grounds for disciplinary action will be presented in writing to the bargaining unit member and the Association no later than at the time discipline is imposed.

A program of progressive discipline shall be followed. The following progression of discipline shall be followed prior to the imposition of any other economic discipline on any member of the bargaining unit:

1. Oral warning, then
2. Oral reprimand, then
3. Written reprimand, then
4. One day suspension without pay, then
5. Two days suspension without pay, then
6. Three days suspension without pay, then
7. Discharge

No suspension shall adversely affect any other rights or benefits under this Agreement. The parties recognize that the severity of an offense may provide just cause for the acceleration of the above progression of discipline. Progressive discipline reasons do not have to be related to proceed to next step. The progressive discipline steps will start over after two years.

D. Each teacher shall have the right upon request to review the contents of his own personnel file maintained by the school. A representative of the Association may, at the teacher's request, accompany the teacher in this review. The review shall be made in the presence of the administrator responsible for the safekeeping of the file.

Privileged information such as confidential credentials and related personal references normally sought at the time of employment are specifically exempted from review. The administrator shall, in the presence of the teacher-authorized representative, remove these credentials and confidential reports from the file prior to a review of the file by the teacher. All communications, including evaluations by Onekama administrators, commendations, and validated complaints directed toward the teacher which are included in the personnel file, shall be called to the teacher's attention at the time of inclusion.

E. A teacher shall be entitled to have present a representative of the Association for any disciplinary action. The initial disciplinary action shall be temporary until the Association representative and Administrator involved have met in conference.

F. Notice to Association - The district will provide immediate notice to the Association of any contact, correspondence, or inquiry regarding a public school academy application made to the district, or an application to an ISD, community college, or public university of which it has knowledge.

G. No teacher shall be required to provide school health services except in an emergency situation.

H. Any teacher required to provide school health services on an emergency basis shall be provided with the following:

- 1) A copy of a written medical procedural authorization signed by a doctor and the student's parent/guardian.
- 2) Appropriate training by a licensed health professional regarding the emergency treatment authorized.

I. Any teacher who may be required to provide school health services to a student, shall be invited to participate in the student's individual educational planning committee. Unless directed to attend by the employer, the teacher may choose not to do so.

J. This Agreement shall be binding upon the Board and its successor personnel and upon any school district into which or with which this district shall be consolidated or otherwise reorganized including cooperatives and consortiums. All rights accrued by bargaining unit members under this Agreement shall be assumed by the successor contracting board. No bargaining unit member shall be adversely affected by a change in hours, wages, terms or conditions of employment in the existing Agreement as a result of reorganization, including but not limited to seniority, salary, fringes, transfer rights, maintenance of standards, layoff and recall and assignments.

K. Bargaining unit members will have the right to review the contents of their personnel file. Should a request be made for personnel file information under the Freedom of Information Act, the employer will notify the teacher within one business day of the request.

L. All job vacancies in the district will first be posted internally in the appropriate staff work areas and if no internal candidates are qualified and hired for the position, then an external search will commence.

ARTICLE IV

MANAGEMENT RIGHTS

A. Subject to this agreement and Public Act 379 of the Michigan Public Acts of 1965, the Board, on its own behalf of the electors of the school district, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibility conferred upon and vested in it by the laws and Constitution of the State of Michigan and of the United States, including, but without limiting the generality of the foregoing, the right:

1. To the executive management and administrative control of the school system and its properties and facilities.
2. To hire all employees and subject to the provisions of law, to determine their qualifications and the conditions for their continued employment, or dismissal or demotion, and to promote, and transfer all such employees.

B. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by specific and express terms of this agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the United States.

ARTICLE V

PAID LEAVES

A. LEAVE HOURS/DAYS: Each teacher shall be allowed 70 hours leave with pay. A full 70 hours of leave will become available on the first day of school. Unused leave hours may be accumulated from year to year to a maximum of 120 days (840 hours). Each day is the equivalent of 7 hours. The accumulated leave days shall be paid upon discontinuation of employment at a rate of \$60.00 per day for the 2006-2008 school years after a minimum of four (4) continuous years of service in the Onekama Consolidated School District.

Leave hours are intended to be used for illness of self or family and bereavement. These days are not to be used for recreation or vacation.

In addition to the above leave days, each teacher shall have two (2) personal days which, if not used, will accumulate as sick days. The intent of these days is not to extend a holiday, however a personal day, unpaid leave day, and/or compensatory leave time day can be used to extend a holiday, but with a limitation of five (5) teachers. The first five (5) teachers presenting requests in writing to the association president and secretary, and the superintendent shall be granted this leave. Holidays shall be defined as Labor Day, Thanksgiving vacation, Christmas vacation, winter break, spring vacation, Memorial Day, and summer vacation.

A request for a personal day shall be filed with the principal at least 48 hours in advance of the use of a personal day. Exceptions to this will be for emergencies.

The borrowing in advance of leave days not yet accrued is not possible except under the following circumstances:

In an emergency or prolonged illness of a staff member, a staff member may be allowed to use up to ten (10) days of sick leave prior to accumulation without loss of compensation provided they return the "used but not earned days" to the district. The staff member will return two (2) days per year over the next five (5) years. If a staff member leaves before the days are paid back, they shall be docked for the remaining days out of their final payroll check. No more than ten (10) days can be taken until unearned days are paid back.

It is understood that any person on such leave shall not be employed elsewhere during the period covered by the leave. If so, the leave is void and therefore canceled.

B. SABBATICAL LEAVES:

1. Sabbatical leaves for study and research may be granted by the Board to teachers who have completed three (3) years of service in Onekama Consolidated Schools and hold a minimum of a continuing certificate.

Such sabbatical leaves shall be in recognition of significant service through teaching and for the purpose of encouraging scholarly achievement which contributes to the professional effectiveness of members of the staff and the value of their subsequent service to the school system. Selection of the teacher to whom the sabbatical leave shall be given shall be made by the Board.

2. Each year, the Board may provide two (2) sabbatical leaves to the professional staff.
3. A sabbatical leave may be granted for one (1) semester or one (1) full year. Each teacher on sabbatical leave shall receive 50% of the pay he would otherwise receive and all fringe benefits during the period of the sabbatical leave. The salary schedule increment shall continue when the teacher is on sabbatical. A teacher on sabbatical leave shall not render service for compensation in another educational institution provided however this shall not preclude the acceptance of a fellowship or other assistance in research. In calculation of the number of sabbatical leaves, a sabbatical leave for one (1) semester shall be considered as a leave for one-half person.
4. Application for a sabbatical leave shall be made in writing not later than three (3) months preceding the semester for which the leave is desired. The application must be accompanied by a statement of a well conceived plan for spending the leave in a manner calculated to contribute to the professional effectiveness of the applicant and to the best interests of the school district.
5. Each teacher who is granted a sabbatical leave will be expected to return to the employ of the Board for at least a two-year (2) period, and upon returning shall present to the Board a full report regarding the use of his sabbatical leave. Upon acceptance of his sabbatical leave, said teacher shall sign a promissory note with the Board in the amount of the sabbatical stipend to be granted by the Board, said promissory note may be redeemed by the teacher in one of the two following manners:
 - a. In the event said teacher does not wish to return to the employ of the school district at the conclusion of the sabbatical leave, said teacher shall repay the Board all money advanced by the Board during his sabbatical leave.
 - b. Said teacher may by returning to the employ of the Board redeem said promissory note by teaching for two (2) years. Said promissory note is considered one-half paid at the end of the first year of teaching and may be redeemed by employment at the end of the one-year following the sabbatical by paying one-half of the

sabbatical stipend plus six (6) percent interest on the one-half. This amount may be repaid over a two-year (2) period. By completing the second full year of teaching, the promissory note will be considered paid in full.

C. LEAVES OF ABSENCE FOR JURY DUTY:

Leaves shall be granted when a teacher is called for jury service during the school year, or is subpoenaed as a witness in a school connected dispute, except this shall not apply to any dispute in which the Association is a party to or representing a party. It is expressly understood that any compensation received by the teacher in the form of witness fees or jury pay will be deducted from the teacher's normal salary.

D. ASSOCIATION LEAVE DAYS:

The Board shall grant the Association four (4) days of leave each year without loss of pay or benefits for use at the discretion of the Association, provided that the administrators affected are notified at least two (2) days in advance, except in case of emergency, and provided further that certified substitutes can be secured. The Association shall provide the personnel office with written verification of all days used.

The association shall reimburse on current basis the employer 100% the amount paid to a substitute teacher(s) related to the time member(s) is/are on Association leave.

ARTICLE VI

UNPAID LEAVE

A. SHORT-TERM LEAVE NO 1: The Board may approve a request for a Special Short Term Leave, with or without pay, for a period of up to one (1) semester. Each request will be considered on its individual merits and related circumstances. Professional growth, personal or financial hardship, military service, exchange teaching, Job Corp, Peace Corp, recreation, or other reasons deemed appropriate by the Board may be approved. The Board will also take into consideration the individuals attendance, length of service, and teaching records as well as the possible disruption to the instructional program when considering a request for a leave. The leave request shall also be contingent on the Administration being able to find a qualified substitute to meet their expectations and requirements for the subject matter being taught for the teacher on leave. Said requests shall be filed with the Superintendent.

B. SHORT TERM LEAVE NO 2: The superintendent may approve a request for a Short Term Leave, without pay, for a period of up to five (5) days. Each request will be considered on its individual merits and related circumstances.

C. LONG TERM: A leave of absence of up to one (1) year may be granted to any bargaining unit member upon application, for the purpose of professional growth, personal or financial hardships, military service, exchange teaching, Job Corp, Peace Corp, recreation or cultural travel.

Each year, the Board may provide two (2) long term leaves to the professional staff.

D. INFANT CHILD CARE: Leaves of absence without pay of up to one (1) year shall be granted for the purpose of child care.

Except in cases of an emergency nature, the employee shall notify the Board, in writing, at least ninety (90) calendar days prior to the start of the leave. However, the commencement of said leave shall begin no later than the date of birth or adoption.

E. Except in cases of an emergency nature, the employee will be obligated to the following conditions relative to intent to return:

1. An employee intending to return at the beginning of a new school year must provide the Board with written notice ninety (90) calendar days prior to June 30th.
2. An employee intending to return at the beginning of the second semester must provide the Board with a written notice ninety (90) calendar days prior to the beginning date.
3. In all other circumstances, the employee must provide the Board with at least ninety (90) calendar days written notice of intent to return.

4. The employee may request a return to work prior to the termination of said leave because of a change of circumstances.

5. The employee shall return to his/her former position or to similar position.

F. A teacher returning from leave provided in this article shall be placed on the step of the salary schedule from which he/she went on leave, unless he/she was employed for at least fifty (50) percent of his/her last teaching year, in which case he/she shall be advanced to the next half-step on the salary schedule and if employed 70% or more the person would be placed on the next full step.

ARTICLE VII

REDUCTION OF PERSONNEL

A. In the event it becomes necessary to reduce the number of teachers through layoff of employment or to reduce the number of teachers within a given subject area, field or program or in the elimination or consolidation of position(s), the Board shall follow the procedure listed below:

1. There will be no layoffs unless a teacher is notified sixty (60) days prior to termination date. Termination date for lay-offs at the beginning of an ensuing school year shall be the last teacher day of the current school year.
2. Voluntary termination and/or voluntary layoff.
3. Teachers not holding a regular Michigan provisional, permanent, life, continuing or vocational certificate will be laid off first in the reverse order of time and date of hire, provided there are fully qualified, fully certificated teachers to replace and perform all of the needed duties of the laid-off teacher.
4. If reduction is still necessary, then probationary teachers with the least number of continuous years of teaching in the Onkama Consolidated Schools System will be laid off first in the reverse order of time and date of hire, provided there are fully qualified, fully certificated teachers available to replace the laid off teacher(s).
5. If reduction is still necessary, then tenured teachers with the least number of years of continuous teaching experience in the Onkama Consolidated Schools System will be laid off first in the reverse order of time and date of hire, provided there are fully qualified, fully certificated teachers available to replace the laid off teachers.

B. Fully qualified and fully certificated shall be defined as follows:

1. Teachers who have earned a provisional, permanent, life, vocational or continuing teaching certificate in a given subject area.
2. Teachers who have a major/minor or who have completed fifteen (15) semester hours of college credit in the subject area or have taught in the subject area on a regular basis within the last five (5) years preceding the layoff.

C. Length of service (system seniority) is defined as unbroken service in the Onekama Consolidated Schools System, leaves of absences, with or without pay, and absences due to layoff are not to be considered a break in service; but the time spent on unpaid leave or layoff will NOT count toward continuous service time. The district shall prepare and present to the Association a current seniority list prior to October 15th of each year. This list will include the part-time teachers.

D. RECALL: In the event of a layoff - the Board will institute a recall procedure which will be in the inverse order of the above layoff procedure:

1. No new bargaining unit members hired until all laid off bargaining unit members are recalled provided they are fully certified and highly qualified by NCLB standards.
2. Right to accept or reject positions less than full-time without affecting right to full-time position.
3. No loss of rights if under teaching contract at time of recall.

E. The Board shall give written notice of recall from layoff by sending a restricted delivery letter to the teacher(s), with a copy sent to the Association President. Seniority rights shall be lost by the teacher if the teacher does not respond from a return recall notice within fifteen (15) calendar days.

F. Any layoff pursuant to this agreement shall automatically terminate the individual's employment contract and all benefits allowed therein including all benefits under this Master Agreement at the end of the contract year. Upon recall, the individual's employment contract and all benefits allowed therein, including all benefits under this Master Agreement, shall be reinstated in full.

G. It is intended that this Article takes precedence over and governs the individual contracts; and the individual contract is expressly conditioned upon this article.

ARTICLE VIII

TEACHING CONDITIONS

A. The daily teaching load for the senior high school (grades 9-12) and the middle school (grades 6-8) will be six (6) teaching/supervisory periods and one preparation period. There will be 173 student days and 178 teacher days.

1. The daily schedule will be as follows:

Monday - Friday

1 st hour	2 nd Hour	3 rd Hour	4 th Hour	Seminar Lunch	5 th Hour	6 th Hour	7 th Hour
8:00 – 8:50	8:53 – 9:43	9:46 – 10:36	10:39 – 11:29	11:29 – 11:44 Seminar 11:44 – 12:24 Lunch	12:24 – 1:14	1:17 – 2:07	2:10 – 3:00

2. Middle school and High school teachers will receive a minimum of 250 minutes/week for preparation time and 30 minutes of duty-free lunch per day.

3. The schedule will revert back to the 2003-2004 schedule when finances improve or the State requirements mandate a change.

B. The daily teaching schedule in the elementary grades (K-5, Young 5's and 4 Stars) will run from 8:00 a.m. to 3:00 p.m. each day. Elementary teachers may use for conference and preparation time those times when students are having recess period and when students are receiving specialized instruction from another teacher. Elementary (K-5, Young 5's and 4 Stars) teachers will receive a minimum of 250 minutes of preparation time per week and 30 minutes duty-free lunch per day.

C. The daily teaching load for instructors providing instruction at all three levels is determined by the combined high school/middle school and elementary school schedule with a minimum of 250 minutes of preparation time per week and 30 minutes of duty-free lunch per day.

D. Recognizing the need for flexibility and the necessity dictated by scheduling the above, Sections A, B, and C may be changed upon the consent of the teacher or teachers involved and the Onkama Education Association.

E. All teachers are expected to dress professionally. Jeans, sweatshirts, shorts and revealing clothing are not acceptable attire.

1. Exceptions to the above will be made for Physical Education teachers and when class activities would make professional attire restrictive.

F. Teachers shall be on duty at least twenty-five (25) minutes prior to the convening of school and at their teaching stations at least fifteen (15) minutes prior to the convening of school. Teachers shall also be on duty twenty (20) minutes after the dismissal of school, unless otherwise authorized by the Administration. Teachers shall be outside their teaching station to greet students at the beginning of each class period.

1. Teachers are expected to be on site during their preparation period unless prior approval to leave the building/grounds has been granted from the appropriate administrator.

G. An effort will be made to schedule IEPC's during the school day when possible.

H. Because the pupil/teacher ratio is an important aspect of an effective educational program, the parties agree that class size shall be lowered when necessary and the class size is not to exceed the number of workstations. In courses where state and/or federal guidelines require a lower pupil/teacher ratio those standards will be followed.

I. The Board recognizes that appropriate texts, library reference facilities, maps and globes, laboratory equipment, audio-visual equipment, art supplies, athletic equipment, current periodicals, standard tests, questionnaires, equipment, computers and similar materials are the tools of the teaching profession and will provide the same within its financial means. Teachers will be involved in the selection of their textbooks and equipment and their recommendations will be strongly considered in the selection of supplies.

J. The Board and the Association mutually recognize the importance of continuous use of adequate teaching reference material in maintaining a high level of professional performance. In furtherance of that recognition, the Board shall provide a teachers' professional library in each school in the district and include therein all books and publications which are reasonably requested by the teachers.

K. The Board agrees to make available in each school adequate typing, duplication, stencil facilities, computer work stations and clerical personnel to aid teachers in the preparation of instructional material.

L. The Board shall provide:

1. A separate desk for each teacher in the district.
2. Suitable space for each teacher to store coats, overshoes and personal articles.
3. Copies, exclusively for each teacher's use, of all texts used in each of the courses he is to teach.
4. Dictionary in every classroom where requested.

N. The Board shall make available in each school adequate restroom and lavatory facilities exclusively for teacher use and at least one room, appropriately furnished, which shall be reserved for use as a faculty lounge. Provision for such facilities will be made in all future buildings. There shall be no smoking in any of the school buildings.

O. Teachers shall not be required to work under unsafe or hazardous conditions or to perform tasks which endanger their health, safety or well-being.

P. The Board shall provide the Onekama Education Association with one (1) current copy of its policies and rules and regulations of Onekama Consolidated Schools on the first teacher day of each school year.

Q. Any assignment in addition to the normal teaching schedule shall not be obligatory, but shall be with the consent of the teacher. Preference will be given to capable and qualified teachers regularly employed within the district.

R. Teachers shall be notified in writing of their tentative programs for the coming year- including the schools to which they will be assigned and the grades and subjects that they will teach. The notice will be given as soon as possible, not later than the end of the school year.

S. Mentor Teacher

1. Mentor teacher shall be defined as a Master Teacher as identified in section 1526 of the School Code and shall perform the duties of a Master Teacher as specified in the code. Whenever possible, the Mentor Teacher shall be a member of the bargaining unit.
2. Each bargaining unit member in his/her first four (4) years in the classroom shall be assigned a Mentor Teacher by the Administration. The Mentor Teacher shall be available to provide professional support, instruction and guidance. The purpose of the mentor assignment is to provide a peer who can offer assistance, resources and information in a nonthreatening fashion.
3. A Mentor Teacher shall be assigned in accordance with the following:
 - a. Whenever possible, the Mentor Teacher shall be a tenured member of the bargaining unit.
 - b. Participation as a Mentor Teacher shall be voluntary.
 - c. The District shall notify the Association of those members requiring a mentor assignment.

- d. The Administration shall notify the Association when a Mentor teacher is matched with a bargaining unit member (Mentee).
 - e. Every effort will be made to match Mentor Teachers and Mentees who work in the same building and have the same area of certification.
 - f. Mentee shall only be assigned to one (1) Mentor Teacher at a time.
- 4. Because the purpose of the mentor/mentee match is to acclimate the bargaining unit member and to provide necessary assistance toward the end of quality instruction, the Board and the Association agree the relationship shall be confidential and shall not, in any fashion, be a matter included in the evaluation of the Mentor Teacher or Mentee. Neither the Mentor Teacher nor the Mentee shall be permitted to participate in any matter related to the evaluation of the other.
 - 5. The administration shall provide reasonable release time for the mentor teacher to attend mutually agreeable training seminars and workshops.

T. Internet Acceptable Use Agreement

To provide an intellectual atmosphere that includes access to the Internet, Onekama Consolidated Schools District and Onekama Education Association believes that all teachers should have the opportunity to develop skills in using computer technology. Having access to the Internet will allow the teacher to access and use the Internet to transmit material, which is consistent with the education goals of the school district, as well as allow the teacher to access and transmit appropriate material to be used in the education environment.

Whereas the parties do recognize the educational value of Internet access at school using district equipment they hereby agree to the following:

- 1. The parties seek to educate young people in the use of the Internet as an assistive device to support student learning and achievement.

- 3. The parties agree that the classroom teacher(s) are released from any liability based upon information retrieved from the internet by the student.

4. The parties agree that the use of the District's electronic resources are for the purpose of (in order of priority):
 - a. Support of the academic program
 - b. Telecommunications
 - c. General information
 - d. Recreational
5. The parties agree that the District will periodically make determinations on whether specific uses of the electronic resources are consistent with the acceptable-use practice of the school.
6. ARTICLE X

STUDENT DISCIPLINE AND TEACHER PROTECTION

A. It is recognized that discipline problems are less likely to occur in classes which are well-taught and where a high level of student interest is maintained. It is likewise recognized that when discipline problems occur, they may most constructively be dealt with by encouragement, praise and emphasis upon the child's desirable characteristics. A teacher may use such means as is necessary to protect himself from attack or to prevent injury to another student.

B. A teacher may exclude a pupil from classes when the severity of the offense, the persistence of the misbehavior or the disruptive effect of the violation makes the continued presence of the student in the classroom intolerable. In such cases, the teacher will furnish the principal, as promptly as his teaching obligations will allow, full particulars of the incidents. The excluded student may not be returned to class until after the Administration consults with the teacher.

C. Suspension of a student from school may be imposed only by the Principal and/or the Superintendent. In addition teachers may suspend students on a per class basis. School administrators and teachers will endeavor to achieve correction of student misbehavior through counseling and interviews with the child and his parents when warranted. Transfer of the student to another teacher or other measures, short of suspension, may first be exhausted.

D. If any teacher is involved in litigation as a result of any allowable legal action taken by the teacher while in pursuit of employment, while under the policy of the Board, the Board will provide legal counsel and render all necessary assistance to the teacher in his defense.

E. Time lost by a teacher in connection with any incident mentioned in this Article shall not be charged against the teacher.

The Board will provide legal counsel to advise the teacher of his rights, and obligations with respect to such assault and shall render all reasonable assistance to the teacher in connection with the handling of the incident by law enforcement and judicial authorities.

G. No action shall be taken upon any complaint by a parent of a student directed toward a teacher, nor shall any notice thereof be included in said teacher's personnel file unless such matter is promptly reported in writing to the teacher concerned. If any question of breach of professional ethics is involved, the Association shall be notified.

H. Safety and Crisis Management Committee

The Employer acknowledges that it is in the best interest to provide a safe learning and working environment for the District's students, teachers, administrators and support staff. The Employer also acknowledges that it is its responsibility to provide said safe and healthy environment. Furthermore, the Employer acknowledges that it must have a board policy on student conduct as required by MCL 380.1309; and that crisis plans for the district and for all buildings/work sites shall be in place.

1. A joint labor-management Safety and Crisis Management Committee shall be formed for the purpose of promoting and preserving a safe environment by creating, reviewing, evaluating and/or revising the following:

3. Each building or work site shall provide the Safety and Crisis Management Committee with their emergency plan no later than December 31st of each school year. In the case of other work sites, employees working in those areas may submit plans to the Safety and Crisis Management Committee by the date given in this section.

Any time during the creation, review and or revision of the above mentioned policy or plans the Committee may include, in a consulting capacity: police, fire and emergency medical service personnel representative; clergy; medical professionals; citizens, and, the psychologists, social workers or any District employee trained in crisis management.
5. The creation, review and/or revision of said policy and plans shall be completed no later than December 31st of each school year.
6. Said policy and plans shall not conflict with the law or the Collective Bargaining Agreement between the parties. Adequate time shall be provided for the Association to conduct a legal review of the policy and plans.

7. Within the first week of each school year, all District employees shall attend a meeting during which the Employer shall provide a review and discussion of the policy and plans. At that time, or before the meeting, any revisions shall be made available to all employees. The Employer shall review and discuss any further activities related to the policy or plans.
8. In the event that the policy or any of the plans include training of employees, the cost of such training shall be borne by the Employer. Training shall occur during the employee regular work hours as provided for in the Collective Bargaining Agreement.
9. At the first building faculty meeting of each school year, there shall be a review and discussion of the Building/Work Site Emergency Plan for all employees in that building. The meeting shall be held during regular work hours, or during faculty meeting times as provided for in the Collective Bargaining Agreement. The administration shall make provisions, during the regular work hours, for any employee who is unable to attend said faculty meeting so that they may receive the information and any materials distributed.

It is the Employer's responsibility to then report the assault to the appropriate state or local law enforcement officials and prosecutors [Sections 1308 of the School Code] .
1. The Employer shall provide, without cost to the Employee, legal counsel to advise the employee of his/her rights and obligations with respect to such assault. The Employer shall provide additional business days for handling of the incident in connection with law enforcement and/or judicial authorities.
2. If the Employer has knowledge that an individual has made a threat to the safety and well being of one of its employees, the employee's family or the employee's property; then, it is the District's responsibility, upon gaining knowledge of said threat, to immediately inform the employee.
3. The District acknowledges the importance of protecting their employees. No employee shall be expected or ordered to search for or handle any weapons, bombs, incendiary devices or other harmful or deadly substances or devices. Nor shall the employee be expected or ordered to disarm and/or detain an intruder or any person yielding a weapon or other harmful or deadly substance or device, or who is causing a disturbance.

4. An employee shall not be disciplined for using reasonable physical force to; remove or restrain a student in order to maintain a safe environment if the student refuses to discontinue his/her behavior after being asked; prevent the student from harm or from haring others; quell a disturbance that threatens injury to any person; obtain possession of a weapon; or, protect property [MCL 380.1312].

J. The Board recognizes that it is the responsibility of the administrative staff to give support and assistance to employees with respect to the maintenance of student discipline in the classroom, the general school facilities, or non-school sites.

1. A teacher may temporarily exclude a pupil from class or from an activity for up to one (1) full day if the teacher believes that the student has violated the Board policy on student conduct [MCL 380.1309] or, when in the judgement of the teacher, the gravity of the offense, or the persistence of the misbehavior, or the disruptive effect of the violation makes the continued presence of the student unsafe or intolerable.
2. When temporarily excluding a student from the classroom or an activity, the teacher shall direct the student to the appropriate administrative office. It shall be the teacher's responsibility to show cause as to why the student should be excluded. The teacher shall provide this information in writing.
3. The administrator must respond in writing as to the disposition of the student prior to his/her return to class. If the incident that created the removal of the student from class is repeated behavior for which the student was excluded from class before or of a grave nature, the teacher may ask to meet with the administrator prior to the student returning to class.
4. The student cannot be returned to the teacher's class the same day without concurrence of the teacher [MCL 380.1309]. A day shall be defined as the time during any given day when the teacher is expected to meet with said student.
5. It is also the duty of the teacher to ask for a conference with the parent of the student [MCL 380.1309]. The conference should include the school counselor or social worker and may, at the request of the teacher or parent, include a school administrator. If the parent does not respond to the request for a conference, does not attend the conference, or states they do not want to attend the conference; the teacher, by having made the request for a parent conference shall have fulfilled his/her obligation under the law and the provision of the Collective Bargaining Agreement.

6. The Employer recognizes that the Michigan law imposes a mandatory expulsion of no less than 180 days for any student in grade six or above who physically assaults a school employee [MCL 380.1311a(1)]; and, of no longer than 180 days for any student, grade six or above who commits a verbal assault against an employee at school or a student who makes a bomb threat against a school, school property, or a school event [MCL 380.1311a(2)].

COMPENSATORY TIME -- CLASS SUPERVISION

A. The supervision of a class during the teacher's preparation period will enable the teacher to receive credit equal to the length of the period covered toward one (1) class period credit of compensatory leave time. For each day a teacher is in charge when an administrator is absent he/she will receive one class period of compensatory leave time. The compensatory leave time may be accumulated from year to year, and shall be paid at the rate and condition of ARTICLE V, SECTION A. One compensatory leave day will be the equivalent of 7 hours of supervision. A request for compensatory time shall be filed with the principal at least 48 hours in advance of the use of compensatory time. Exceptions to this will be for emergencies.

B. CERTIFIED PERSONNEL WORKING BEYOND CONTRACTUAL DAYS.

Certified employees who are formally requested in writing by the administration to work beyond the 178 contractual days shall be paid 1/6 of their current per diem wage for each hour worked. The contractual year is defined as September 1 through August 31 as stipulated in the DURATION OF AGREEMENT. The exception to the contractual year would be responsibilities that pertain to the succeeding school year and occur after July 1. In such cases, certified personnel will be paid at the new contractual rate. Certified personnel may elect, as an option, compensatory time subject to the conditions of Section A of this article.

C. Teachers who are required to attend IEPC meetings or other mandated meetings during their prep time or outside of the contractual day will earn compensation time up to a maximum of (5) five hours. This time may only be used during the teacher's prep time or the required time before or after the student's day.
