PROPOSED EDUCATION ASSOCIATION AGREEMENT

This agreement is entered into this 7th day of Aug., 1967 by and between the Board of Education of Sparta Area Schools, Sparta, Michigan, hereinafter called the "Board," and the Sparta Education Association, hereinafter called the "Association."

WITNESSETH

WHEREAS the Board and the Association recognize and declare that providing a quality education for the children of Sparta Area Schools is their mutual aim and that the character of such education depends predominantly upon the quality and morale of the teaching service, and

WHEREAS the members of the teaching profession are particularly qualified to assist in curriculum matters designed to improve educational standards, and

WHEREAS the Board has a statutory obligation,
to bargain with the Association as the representative of its teaching personnel with respect to hours, wages, terms and conditions of employment, and

WHEREAS the parties, following extended and deliberate professional negotiations, have reached certain understandings which they desire to memorialize and agree as follows:

ARTICLE I

Recognition

A. The Board hereby recognizes the Association as the exclusive bargaining representative for all certified classroom teachers, including personnel on tenure, probation, substitute teachers, guidance counselors, librarians, and special educational personnel, employed or to be employed by the Board (whether or not assigned to a public school building), but excluding supervisory, administrative, executive, office and clerical employees, and

other non teaching personnel. The term "teacher," when used hereinafter in this Agreement, shall refer to all employees represented by the Association in the bargaining or negotiating unit as above defined, and references to male teachers shall include female teachers.

B. The Board agrees not to negotiate with any teachers' organization other than the Association for the duration of this Agreement. Nothing contained herein shall be construed to prevent any individual teacher or group of teachers from presenting a grievance in accordance with the grievance procedure hereinafter provided.

C. Within thirty days of the beginning of his employment hereunder, each teacher may sign and deliver to the Administration an assignment authorizing the deduction of his membership dues of the Association (including the National Education Association and the Michigan Education Association). The assignment form shall be provided by the Administration. Such sum shall be deducted in two installments, one each semester.

D. Nothing contained herein shall be construed to deny or restrict to any teacher rights he may have under the Michigan General School Laws or applicable civil service laws and regulations. The rights granted to teachers hereunder shall be deemed to be in addition to those provided elsewhere.

E. It is agreed that the Board reserves all its powers, rights, authority, duties and responsibilities except as specifically modified by the terms of this Agreement.

ARTICLE II

Teacher Rights

A. The Board hereby agrees that every teacher, as defined in Article I-sub section A, employed by the Board shall have the right to freely organize, join and support the Association for the purpose of engaging in collective bargaining or negotiation for mutual aid and protection.

The Board agrees that it will not discriminate against any teacher with respect to hours, wages or any terms or conditions of employment by reason of his membership in the Association, his participation in any activities of the Association or collective professional negotiations with the Board, or his institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

B. The Association and its members shall have the right to use school building facilities at all reasonable hours for meetings upon clearance with the Administration. No teacher shall be prevented from wearing insignia, pins or other identification of membership in the Association either on or off school premises. Bulletin boards, telephone service, intercom service, inter-school mail, and teacher mail boxes shall be made available to the Association and its members according to established policy in effect at the signing of the Agreement.

C. The Board agrees to furnish to the Association a monthly report of general fund receipts and disbursements, tentative budgetary requirements, allocations, and such other information as will assist the Association in developing intelligent and accurate information which may be used by the Association for the purpose of processing any grievance or of preparing for negotiations only.

ARTICLE III

Professional Compensation

A. The salaries of teachers covered by this Agreement are set forth in Schedule A which is attached to and incorporated in this Agreement. Such salary schedule shall remain in effect during the term of this Agreement.

B. The salary schedule is based upon a normal weekly teaching load, as hereinafter defined, September 5, 1967 through June 7, 1968, during normal teaching hours.

C. School Calendar - see Appendix.

D. A teacher engaged during the school day in negotiating in behalf of the Association with any representative of the Board or participating in any professional grievance negotiation, including arbitration, shall be released from regular duties without loss of salary.

E. Upon approval of the superintendent, the President of the Association, or one representative, may be released from regular duties without loss of salary at least one day each semester for the purpose of participating in area or regional meetings of the Michigan Education Association.

ARTICLE IV

Teaching Loads, Hours, and Assignments

A. The normal weekly teaching load in the senior high school will be 20 teaching periods and 5 supervised study periods and 5 unassigned preparation periods, or 25 teaching periods and 5 unassigned preparation periods. The normal weekly teaching load in the junior high schools will be 25 teaching periods and 5 supervised study or activity periods and 5 unassigned preparation periods, or 30 teaching periods and 5 unassigned preparation periods. The normal weekly teaching load in the elementary schools, will be 25 teaching hours and 5 unassigned preparation periods.

B. Hours

1. Each junior and senior high teacher shall be provided with one full period during his regular working day which is to be used for preparation, planning, and evaluation; and a policy working toward providing one full preparation period each day for the elementary teachers shall be implemented by the Administration during the term of this Agreement.
2. Released time will be made available by the Administration for faculty meetings, division and department meetings.

3. A policy toward providing a duty free lunch period of not less than 45 minutes throughout the school system shall continue to be implemented by the Administration during the term of this Agreement.

C. Since pupils are entitled to be taught by teachers who are working within their area of competence, teachers shall not be assigned, except temporarily and for good cause, outside the scope of their teaching certificates or their major or minor field of study.

D. Teachers who will be affected by a change in grade assignments in the elementary school grades and by changes in subject assignment in the secondary school grades will be notified and consulted by their principals as soon as practicable. Such changes will be voluntary to the extent possible. Every effort will be made to avoid reassigning probationary elementary school teachers to different grade levels unless the teacher requests such change.

ARTICLE V

Teaching Conditions

A. The parties recognize that the availability of optimum school facilities for both student and teacher is desirable to insure the high quality of education that is the goal of both teacher and the Board. It is also acknowledged that the primary duty and responsibility of the teacher is to teach and that the organization of the school and the school day should be directed at insuring that the energy of the teacher is primarily utilized to this end. The parties agree that every possible attempt will be made to keep within the class size recommendations of the University of Michigan and the North Central Association of Secondary Schools.

B. The Board will furnish without charge teacher uniforms in areas deemed necessary upon Administration approval.

C. The Board recognizes that appropriate texts, library reference facilities, maps and globes, laboratory equipment, audio-visual equipment, art supplies, athletic equipment, current periodicals, standard tests and questionnaires, and similar materials are the tools of the teaching profession. The parties will confer from time to time for the purpose of improving the selection and use of educational materials.

D. Under no conditions shall a teacher be required to drive a school bus as part of his regular assignment.

E. The Board shall make available in each school, when and where possible, adequate lunchroom, restroom and lavatory facilities exclusively for teacher use and at least one room, appropriately furnished, which shall be reserved for use as a faculty lounge in which smoking shall be permitted unless prohibited by State Fire Law.

F. Telephone facilities shall be made available to teachers for their use at locations approved by and under regulations established by the Administration.

G. Vending machines for beverages shall be installed at the request of the members of the Association. The cost and proceeds shall be the responsibility of the group using the machine.

H. Adequate parking facilities where possible shall be made available to teachers for their exclusive use.

I. Notwithstanding their employment, teachers shall be entitled to full rights of citizenship and no religious or political activities of any teacher or the lack thereof shall be grounds for any discipline or discrimination with respect to the professional employment of such teacher.

J. The provisions of this Agreement and the wages, hours, terms and conditions of employment shall be applied without regard to race, creed, religion, color, national origin, age, sex, marital status, membership in or association with the activ-

ities of any employee organization. The Board and the Association pledge themselves to seek to extend the advantages of public education to every student without regard to race, creed, religion, sex, color or national origin and to seek to achieve full equality of educational opportunity for all pupils.

K. No teacher shall be required to engage in fund raising activities.

ARTICLE VI

Vacancies and Promotions

A. Whenever any vacancy in any professional position in the district shall occur during the school year the Board shall publicize the same by giving written notice of such vacancy to the President of the Association for the expressed purpose of informing the teachers of such vacancy.

B. If a teacher is interested in being considered for assignment to any professional position in the District, he may file a written notice of his interest with the Superintendent. Qualifications of each teacher who has filed a notice of interest shall be reviewed along with other applicants from outside sources and the vacancies shall be filled by the Board with the best qualified person available from all applicants. The Board declares its support of a policy of promotions from within its own teaching staff, including promotions to supervisory and executive levels. "Service" in the system, for purposes of this Agreement, shall mean continuous employment in a school of the district including substitute service, irrespective of tenure status, but shall exclude all periods when the teacher was on leave of absence for any cause.

C. There is no policy of automatic retirement age at present. However, continued employment of any employee sixty-five years of age or older will be considered on an individual basis by the Board.

ARTICLE VII

Transfers

A. Since the frequent transfers of teachers from one school to another is

disruptive to the educational process and interferes with optimum teacher performance, the parties agree that unrequested transfers of teachers are to be minimized and avoided whenever possible.

B. In the event that transfers of teachers appear to be necessary, lists of available positions in other schools shall be publicized in the same manner as provided in Article VI.

C. Any teacher who shall be transferred to a supervisory or executive position and shall later return to a teacher status shall be entitled to resume such rights as he may have had under this Agreement as a teacher prior to such transfer. Time served in a supervisory or executive position shall be credited as time taught for placement on the salary schedule.

ARTICLE IX

A. Any teacher whose personal illness extends beyond the period compensated under Article VIII shall be granted a leave of absence without pay for such time as is necessary for complete recovery from such illness. Upon return from leave, a teacher shall be assigned to the same position, if available, or a substantially equivalent position.

B. Leaves of absence with pay chargeable against the teacher's allowance shall be granted for the following reasons:

- (6) Matters of an emergency or business nature that cannot be accomplished on other than a school day will be allowed at the discretion of the Superintendent of Schools.

Application may be made for renewal.

- (1) Teachers who have been employed for five years are eligible for a sabbatical leave.
- (2) Home conditions.

E. A maternity leave shall be granted without pay, commencing not later than the end of the sixth month of pregnancy, except that when this date falls within one school month of the end of the semester the teacher may be permitted to complete the semester with her doctor's approval. The teacher who has attained tenure shall be entitled to return from such leave at any time within five years provided there is a position available, without loss of her place on the salary schedule.

A non tenure teacher may be rehired at the discretion of the Board of Education and placed on the salary step at which she left.

F. Military leaves of absence shall be granted to any teacher who shall be inducted or shall enlist for military duty to any branch of the armed forces of the United States in accordance with the Veterans Reemployment Acts Law.

G. A teacher, upon return from a sabbatical leave or military service, shall be restored to his former position or to a position of like nature, seniority, and status. B. Each teacher shall have the right upon request to review the contents of his own personnel file.

ARTICLE XII

Protection of Teachers

A. Good order and discipline is necessary for effective teaching. Each teacher is responsible for maintaining such an atmosphere in each of his classes. The Board recognizes that through its administrative staff it will support its teachers in taking actions to maintain proper classroom order.

B. Any case of assault upon a teacher while in pursuit of his employment or any complaint or suit against a teacher as a result of any action taken by the teacher while in pursuit of his employment, shall be promptly reported to the Board or its designated representative. ARTICLE XIII

Professional Grievance Negotiation Procedures

A grievance is defined as a disagreement on the part of any teacher or any group of teachers in connection with wages, hours, terms and conditions of employment as defined in the Agreement and such grievances shall be limited to the provisions of this Agreement. In order that grievances may be handled in an orderly fashion, the following procedure shall be followed:

A. Any teacher or group of teachers believing that there has been a violation of any provision of this Agreement shall within five days after the occurrence take the matter up with the principal of the building involved. If a satisfactory settlement cannot be reached, the grievance and the principal's answer shall then be reduced to writing.

B. If the grievance is not satisfactorily resolved in paragraph A, Article XIII, the written grievance shall within five days be submitted to the Superintendent or his designated representative other than the person in paragraph A, Article XIII. The Superintendent shall within five days after receipt of the grievance meet with the teacher or group of teachers in an attempt to resolve the grievance. If such meeting does not resolve the grievance, the Superintendent shall submit his answer in writing and the grievance shall be transmitted to the Board within five days.

C. At its next regular meeting the Board shall review the grievance. The Board may hold a hearing, may designate one or more of its members to hold a hearing or otherwise investigate the grievance, or may prescribe such other procedure that it deems appropriate for consideration of the grievance, provided however, that in no event except by agreement between the Board and the Association shall final determination of the grievance be made by the Board or its delegated representatives more than forty five days after the first meeting as defined in paragraph A, Article XIII.

D. If the decision of the Board does not result in satisfactory settlement, the grievance may be submitted to arbitration by a written notice of either party given within fifteen days after receipt of the decision from the Board.

An impartial arbitrator shall be properly selected by the parties to decide the matter. If they cannot agree as to the arbitrator he shall be selected by the American Arbitration Association in accordance with its rules which shall likewise govern the arbitration hearing. The power of the arbitrator shall be limited to the interpretation or application of the expressed terms of this Agreement, and he shall have no power to alter, add to, or subtract from the terms of this Agreement as written. The parties shall not be permitted to assert in such arbitration proceeding any ground or to rely on any evidence not previously disclosed. The decision of the arbitrator shall be binding on both parties. The fees and expenses of the arbitrator shall be shared equally by the Board and the Association.

E. Every grievance shall be processed within the time limits provided herein,

unless extended by mutual agreement.

F. If a teacher is found to have been discharged without just cause, he shall be reinstated on such terms as the parties may agree or as the arbitrator shall order.

G. Either party may have representation at any step of the grievance procedure.

ARTICLE XIV

Miscellaneous Provisions

A. The Board shall make available to the Association, upon request, all fiscal, budgetary and tax information affecting the district which is normally available to the district residents. The Association shall, whenever feasible, have the opportunity in advance to consult with the Board with respect thereto prior to general publication.

B. The Association shall deal with ethical problems arising under the Code of Ethics of the Education Profession in accordance with the terms thereof and the Board recognizes that the Code of Ethics of the Education Profession is considered by the Association and its membership to define acceptable criteria of professional behavior.

C. This Agreement shall supersede any rules, regulations or practices of the Board which shall be contrary to or inconsistent with its terms. It shall likewise supersede any contrary or inconsistent terms contained in any individual teacher contracts heretofore in effect. All future individual teacher contracts shall be made expressly subject to the terms of this Agreement. The provisions of this Agreement shall be incorporated into and be considered part of the established policies of the Board.

D. Copies of this Agreement shall be printed at the expense of the Board and presented to all teachers now employed or hereafter employed by the Board.

E. If any provision of this Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

ARTICLE XV

The Agreement shall be effective retroactive to July 1, 1967 and shall continue in effect for one (1) year until June 30, 1968. The parties agree to begin negotiations for a new Agreement no earlier than January 1, 1968 by written notice of either party to the other party.
