LETTER OF AGREEMENT

THIS AGREEMENT, entered into this 1st day of July, 1992, by and between the Bangor Township Board of Education of Bangor Township Schools, Bay City, Michigan, hereinafter called the "Employer" and/or the "District", and the Bangor Township Educational Support Personnel (BUFFER), MEA-NEA, an affiliate of the Michigan and National Education Associations, hereinafter called the "Union."

In consideration of the following mutual covenants, it is hereby agreed as follows:

WHEREAS, both parties are desirous of maintaining uniform wage scales and working conditions; and of facilitating peaceful adjustment for all grievances which may arise from time-to-time between the Employer and its employees; and of promoting and improving peaceful occupational and economic relations between the parties.

ARTICLE I. RECOGNITION

1.1

The Employer hereby recognizes the Union as the sole and exclusive collective bargaining representative for all full-time, part-time, probationary, non-probationary, on-leave or substituting for a bargaining unit member on leave or temporarily absent on a per diem, hourly or class-rate basis, assigned to the following classifications:

**Custodial
Utility Service
Mechanics**

1.2

Unless otherwise indicated, the term "employee/bargaining unit member" when used hereinafter in this agreement, shall refer to all members of the above-defined bargaining unit. Within the various classifications of bargaining unit members covered herein there shall be the following categories:

- a. **Full-time:** A bargaining unit member who is at least thirty (30) hours per week.
- b. **Part-time:** A bargaining unit member who is employed less than thirty (30) hours per week.
- c. **Probationary:** A bargaining unit member who is employed to fill a full or part-time position for a trial period of one hundred twenty (120) days.
- d. **Substitute:** A bargaining unit member who is employed to fill a full or part-time position on a per diem basis while the regular bargaining unit member is absent or on approved leave. It is expressly understood and agreed that an individual substitute shall in no case fill a bargaining unit position for a period in excess of ninety (90) days, unless there is a joint agreement to allow an extension for that substitute.

ARTICLE 2. DUES, SERVICE FEES, AND PAYROLL DEDUCTIONS

2.1 AGENCY SHOP

2.1.1 Membership in the Union is not compulsory. Regular employees have the right to join, not join, maintain or drop their membership in the Union as they see fit. Neither party shall exert any pressure or discriminate against an employee in regard to such matters.

2.1.2 Membership in the Union is separate, apart and distinct from the assumption by one of his equal obligation to the extent that he receive equal benefits. The Union is required under this agreement to represent all of the employees in the bargaining unit fairly and equally without regard to whether or not an employee is a member of the Union. This agreement has been executed by the Employer after it has satisfied itself that the Union is the choice of a majority of the employees in the bargaining unit. Accordingly, it is fair that each employee in the bargaining unit pay his own way and assume his fair share of the obligation along with the grant of equal benefit contained in this agreement.

2.1.3 The Union agrees to indemnify and save the Board of Education, including each individual school board member and all authorized agents of the board, harmless against any and all claims, demands, costs, or suits by employee(s) or any other form of liability (including back pay and all court or administrative agency costs, that may arise out of or reason of, action taken [or not taken] by the board for the purpose of complying with this paragraph). This paragraph applies only to Article 2.

2.2 **Check-off:** The Employer agrees to deduct from the pay of all employees covered by this agreement, the dues and initiation fees of the local Union and agrees to remit to said local Union all such deductions prior to the end of the month for which the deduction is made. Where laws require written authorization by the employees, the same is to be furnished in the form required.

The local Union shall certify to the Employer in writing each month a list of its members working for the employer who have furnished to the Employer the required authorization, together with an itemized statement of dues, initiation fees, (full or installment),

owed and to be deducted for such month from the pay of such paycheck following receipt of statement of certification of the member and remit to the local Union in one lump sum. The Employer shall add to the list submitted by the local Union the names of all regular new employees hired since the last list was submitted and delete the names of employees who are no longer employed.

Where an employee who is on check-off is not on the payroll during the week in which the deduction is to be made or has no earnings or insufficient earnings during that week, or is on leave of absence, the employee must make arrangements with the local Union to pay for such dues in advance.

2.3 The Employer agrees not to enter into any agreement with another labor organization during the life of this agreement with respect to the employees covered by this agreement; or any agreement or contract with said employees, individually or collectively, which in any way conflicts with the terms or provisions of this agreement, or which in any way affects wages, hours or working conditions of said employees, or any individual employee, a proper subject for collective bargaining. Any such agreement shall be null and void.

ARTICLE 3. WORKYEAR, WORKWEEK, WORKDAY

3.1 The normal workyear for school year bargaining unit members shall be one hundred eighty (180) days, September through June. The normal workyear for all other full year bargaining unit members shall be twelve (12) months, July 1 through June 30. The normal workweek for all other full year bargaining unit members is five (5) consecutive days which will normally be scheduled Monday through Friday. The district reserves the right to schedule five (5) consecutive day schedules other than the aforementioned after proper notification to the Union. Normal scheduled five (5) day workweeks shall be exempt from overtime.

Starting and quitting time for each employee shall be determined by the superintendent, and there shall be no split shift unless agreed to by the employee, supervision, and the Union president. A split shift shall be defined as a shift that overlaps a regular shift

by three to four hours, a minimum of three to a maximum of four hours. Unless adjusted by the superintendent or his designee, the normal workday for custodians, mechanics, maintenance and utility for the present is:

7:00 a.m. - 3:00 p.m. (day shift)

3:00 p.m. - 11:00 p.m. (afternoon shift)

11:00 p.m. - 7:00 a.m. (midnight shift)

The Union president will be notified in writing of any adjustments in regular schedules.

All bargaining unit members shall be entitled to a paid lunch period of fifteen (15) minutes duration.

Employees shall not leave the premises during their lunch period to insure their availability.

3.2 All bargaining unit members shall be entitled to two (2) fifteen (15) minute relief times. Bargaining unit members working less than the normal workday may receive one (1) fifteen (15) minute relief time. Bargaining unit members working overtime will be entitled to an additional fifteen (15) minute relief time for every two (2) hours worked. The time during which the break is taken will be determined by supervisory personnel.

3.3 Because of the nature of the school workday, the Employer maintains the right to assign work schedules which are consistent with time of the day during which the maximum amount of the employee's time may be utilized for work. All night shift employees shall work the day shift when school is not in session unless otherwise assigned.

3.4 Travel time between schools shall count toward the employee's eight (8) hour day.

ARTICLE 4. REDUCTION IN PERSONNEL, LAYOFF AND RECALL

4.1

Layoff and Recall: Strict seniority shall prevail in the layoff and rehiring of employees. In reducing the work force because of lack of work or other legitimate cause, the last employee hired shall be the first employee laid off and the last employee laid off shall be the first employee rehired. In the laying off and the rehiring of laid off personnel, the particular work performed by said employee shall be considered as an important factor. The Union and the Employee jointly shall decide the extent to which "work performed" shall hold weight in determining the layoff and rehiring of personnel.

4.2

"Probationary" and less than full-time employees shall be laid off first.

4.3

Full-time employees shall be laid off pursuant to a necessary reduction in the work force unless said employee(s) shall have been notified of said layoff at least thirty (3) calendar days prior to the effective day of the layoff. The Union agrees to confer with administrators if a shortening of the notice period should become necessary. Under the joint determination of the Union and the Employer, a lesser or greater notice may be provided.

4.4

In the event of layoff, an employee so laid off shall be given ten (10) days notice of recall mailed by certified or registered mail to his last known address. The employee must respond to such notice within three (3) days after delivery of notice unless otherwise mutually agreed to. In the event the employee fails to comply with the above, he/she shall lose all seniority rights and shall re-apply for employment.

4.5

Loss of Seniority: Seniority shall be broken by discharge or voluntary quit, layoff for a period of more than two (2) years, or as provided in 4.4 above.

4.6

New Employees: A new employee shall work under the provisions of this agreement, but shall be employed only on a one hundred twenty (120) calendar-day trial basis, during which period he/she may be discharged without further recourse; provided, however, that the Employer may not discharge or discipline for the

purpose of evading this agreement or discriminates against Union members. After one hundred twenty (120) calendar days, the employee shall be placed on the regular seniority list.

4.7 Job Elimination: Bargaining unit members whose positions have been eliminated due to reduction in the work force or school closing, or who have been affected by a layoff/elimination position shall have the right to assume a position which is held by a less senior bargaining unit member according to the following procedure:

4.7.1 A meeting shall be scheduled between the Union and administration in an effort to make all job reassignments in one single move, or to discuss and approve tentative transfer(s) of bargaining unit members to new job assignments.

4.7.2 It is understood that such meeting will be scheduled as soon as practicable after it is known for certain which jobs are to be eliminated.

4.7.3 If there are several employees working in the same classification on the same shift, the least senior person on the shift will be displaced by the person whose position was eliminated.

ARTICLE 5. MANAGEMENT RIGHTS

5.1 The board, on its own behalf and on behalf of the electors of the school district, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the Michigan School Code and the Public Acts of the State of Michigan, and/or the United States. Such rights, duties, etc., shall include, by way of illustration and not by way of limitation, the right to:

5.1.5 Determine the qualifications of employees.

5.1.6 Determine the policy affecting the selection of employees.

5.1.7 The board shall continue to have the exclusive right to establish, modify, or change any condition except those covered by provisions of this Master Agreement.

5.2 In meeting such responsibilities, the board acts through its administrative staff. Such responsibilities include, without being limited to, the establishment of education policies, the construction, acquisition and maintenance of school buildings and equipment; the evaluation, discipline, promotion and termination of employees and the establishment and revision of rules and regulations governing and pertaining to work and shall be free to exercise all of its managerial rights and authority and shall be limited only by the specific and express terms hereof in conformance with the Constitution and laws of the State of Michigan and the United States.

5.3 The listing of specific management rights in the agreement is not intended to be nor shall be restrictive of or a waiver of any rights of management not listed and specifically surrendered herein whether or not such rights have been exercised by the board in the past.

ARTICLE 6. UNION RIGHTS AND SECURITY

- 6.1 Pursuant to the Michigan Public Employment Relations Act, as amended, MCLA 423.201 et seq.; MSA 17.455 (1) et seq., (PERA), the parties hereby agree that every bargaining unit member shall have the right to freely organize, join, and support the Association/Union and to engage in lawful concerted activities for the purposes of collective bargaining or negotiations and other lawful concerted activities for mutual aid and protection.
- 6.2 Nothing contained within this agreement shall be construed to deny or restrict to any bargaining unit member rights he/she may have under the Michigan General School Laws or other applicable state or federal laws or regulations. The rights granted to bargaining unit members hereunder shall be deemed to be in addition to those provided elsewhere.
- 6.3 The bargaining unit members shall be entitled to full rights of citizenship and no religious or political activities of any bargaining unit member or lack thereof shall be grounds for any discipline or discrimination with respect to the employment of such bargaining unit member. The private, legal and personal life of any bargaining unit member is not within the appropriate concern or attention of the Employer.
- 6.4 The Employer agrees that it will in no way discriminate against or between bargaining unit members covered by this agreement because of their race, creed, religion, color, national origin or ancestry, age, sex, or marital status.
- 6.5 A bargaining unit member shall be entitled to have present a representative of the Union during any meeting which will or may lead to disciplinary action by the Employer. When a request for such representation is made, no action shall be taken with respect to the bargaining unit member until a representative of the Union is present. Should disciplinary action be likely to occur at a given meeting, the bargaining unit member shall be advised immediately of that possibility.
- 6.6 A bargaining unit member will have the right to review the contents of his/her personal records of the Employer pertaining to said bargaining unit member originating after initial employment and to have a representative of the Union accompany him/her in such review. The bargaining unit member may submit a written notation or reply regarding any material, including complaint, and the same shall be attached to the file copy of the material in question.
- 6.7 Any case of assault upon an employee in school-connected business shall be promptly reported to the board or its designated representative. Time lost by an employee in connection with any incident heretofore mentioned shall not be charged against the employee.
- 6.8 If any employee is sued for his/her actions where the employee was acting in conformance with the reasonable and prudent application of his/her job, the school will provide any relevant information upon request and provide legal assistance if necessary.
- 6.9 The Union shall have, in addition to other rights expressly set forth or provided by statutes, the following rights:
- 6.9.1 The right to use school facilities for meetings and use of school equipment.
- 6.9.2 A seniority list based on the last date of hiring shall be provided the Union with sufficient copies to allow posting in each employee location. The list will include the current job classification and hiring date, and will begin with the most senior employee in the bargaining unit. Said list will be updated each six (6) months as necessary because of personnel changes. Seniority date duplication will be determined by alphabetical order. Any correction to the seniority list shall be noted within thirty (30) days of the posting, or the list shall be deemed correct as printed.
- 6.9.3 The Employer agrees to furnish to the Union, in response to reasonable re-requests, any available information permitted under the Freedom of Information Act.

ARTICLE 7. GRIEVANCE PROCEDURE

7.1 It is mutually agreed that all grievances arising during the terms of this agreement shall be settled in accordance with the procedure herein provided and that grievances must be acted upon promptly and no grievance will be considered or discussed which has not been reduced to writing and presented later than ten (10) days after such has happened.

A grievance shall hereinafter be defined as follows: A claim by the Employer or employee or Union that there has been a violation or misapplication of any provision of this agreement.

7.2 Should any grievance occur over the specific terms of this agreement, there shall be an earnest effort by both parties to settle such misunderstanding promptly through the following steps:

INFORMAL PROCEDURE

Step 1. If a grievance is not resolved during the conference with the Union representative present, it shall be the responsibility of the aggrieved to reduce the grievance to writing within ten (10) days of the last conference on the form provided by the Union and to present it to their supervisor within that time period. Failure to comply with the above procedure shall result in the grievance being considered as satisfactorily settled.

Step 2. If the grievance is not settled at the Step 1 level, or if no disposition has been made within seven (7) working days of the receipt of the written grievance, the grievance shall be submitted to the superintendent or assistant superintendent or their designee, who shall meet with an official(s) of the Union and the supervisor or representative of the Employer, or both within ten (10) working days after receipt of the grievance. A written decision shall be rendered to the Union within five (5) working days after such meeting.

Step 3. If the decision reached in Step 2 is not acceptable, the grievance shall proceed to the Board of Education, accompanied by a written statement from the Union stating their reason(s) for failure to accept disposition at an earlier step in the grievance procedure. The Board of Education shall reach a decision within fourteen (14)

days after receipt of the grievance. The Union will be notified of the board's decision within two (2) working days after such decision has been made.

Step 4. In the event the last step fails to settle the complaint, it may be referred to an impartial arbitrator upon the request of either party. The Executive Board of the local Union shall have the right to determine whether or not the grievance is qualified to be submitted for arbitration. Failure to request arbitration within thirty (30) days after the Step 3 meeting, shall conclude the matter and the grievance shall be considered dropped.

THE PROCEDURE SET FORTH HEREIN MAY BE INVOKED ONLY BY THE AUTHORIZED UNION REPRESENTATIVE OR THE EMPLOYER:

7.3 The arbitrator may be a person mutually selected and agreeable, but if none is so selected and agreeable, he/she shall be selected by the parties from a list of seven (7) names furnished in accordance with the rules of the Federal Mediation and Conciliation Service, either by mutual agreement or from which list each party shall be permitted to strike alternately three (3) names, with the requesting party striking first and the remaining shall be thereupon accepted.

In the event of refusal by either party to submit to or to appear at the arbitration hearing, the arbitrator shall have jurisdiction to proceed ex parte and make an award.

7.4 Powers of the Arbitrator: It shall be the function of the arbitrator and he shall be so empowered, except as his powers are limited below, after due investigation, to make a decision in cases of alleged violation of the specific articles of this agreement.

7.4.1 He shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this agreement.

7.4.2 He shall have no power to establish wage rates or to change any rate.

7.4.3 He shall have no power to rule on the termination of service or failure to re-employ any probationary employee.

7.4.4 He shall have no power to change any practice, policy, or rule of the Board of Education nor to substitute his judgment for that of the board as to reasonableness of any such practice, policy, rule or any action of the board.

7.4.5 His powers shall be limited to deciding whether the board has violated the express article or sections of this agreement, it being understood that any matter not specifically set forth herein remains within the reserved rights of the board.

7.4.6 In rendering decisions the arbitrator shall give due regard to the responsibility of management and shall so construe the agreement that there will be no interference with such responsibilities, except as they may be specifically conditioned by this agreement.

7.4.7 In the event that a case is appealed to an arbitrator on which he has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.

7.4.8 The decision of the arbitrator shall be rendered without undue delay and in any event within thirty (30) days, unless extended by mutual agreement, and all settlements made in the grievance procedure, including the decision of the arbitrator, shall be final and binding on all parties, including the employees involved.

7.4.9 The impartial arbitrator shall have the authority to order full, partial, or no compensation for time lost.

7.5 Fees and Expenses: The fees and expenses of the arbitrator shall be shared equally by the board and the Union except that whenever the arbitrator clearly establishes a losing party in any case, it is understood that the entire fee charged by the arbitrator will be borne by the party incurring them, and neither party shall be responsible for the expense of witnesses called by the other.

7.6 Limitations and Authority and Liability: No employee, Union member or any other agent of the Union shall be empowered to call or cause any strike, work stoppage or cessation of employment of any kind whatsoever. It is further agreed that in all cases of any illegal strike, slowdown, walkout or any unauthorized cessation of work, the Union shall not be liable for damage resulting from such unauthorized acts of its members. While the

Union shall undertake every reasonable means to induce employees to return to their jobs during any such period of unauthorized stoppage of work mentioned above, it is specifically understood and agreed that the Employer during the first twenty-four (24) hours of such unauthorized work stopped, shall have the sole and complete right of reasonable discipline short of discharge. Such Union member shall not be entitled to or have any recourse to any provision of this agreement.

7.7 After the first twenty-four (24) hour period of such stoppage, however, the Employer shall have the right to immediately discharge any Union member participating in any illegal strike, slowdown, walkout, or any other cessation of work, and such Union member shall not be entitled to or have any recourse to any other provisions of this agreement.

7.8 Should either party not accept and abide by the procedure set forth in this article or the decisions resulting therefrom, then in such instance, either party shall have the sole right of other legal recourse.

7.9 Any individual employee or group of employees who willfully violate or disregard the arbitration and grievance procedure set forth in Article 7 of this agreement may be summarily discharged by the Employer without liability on the part of the Employer or the Union.

ARTICLE 8. STEWARDS

8.1 Employees shall be represented by Union stewards or association representatives who are seniority employees from within the bargaining unit. In the absence of the regular steward/representative, by an alternate steward/representative. The Union shall furnish in writing to the Employer the names of steward/representatives upon their election or appointment. The authority of the steward/representative or his alternate shall be limited as follows:

8.1.1 Investigation of grievances or potential grievances shall be on the steward/representative's own time.

8.1.2 The transmission of messages and information which shall originate with, and are authorized by the Union or its officers, provided such messages and information:

- a. Have been reduced to writing; or
 - b. If not reduced to writing and are of a routine nature, the transmission of such information shall be on the steward/representative's own time.
- 8.1.3 The steward/representative may represent any member of the bargaining group who has been assessed disciplinary time off, including discharge if that employee requests representation. Upon such request by an employee, the Employer or its designee will make suitable arrangements to release the steward/representative from his work assignment without loss of pay for purpose of such representation. The steward shall notify his supervisor upon return to his regular work assignment.

8.1.4 The Employer or its designee will release the steward/representative from his work assignment, without loss of pay to present grievances in accordance with the provisions of this collective bargaining agreement. It shall be the steward/representative's responsibility to request a meeting time for the presentation of the grievance. The request shall be implemented by notification to the steward's immediate supervisor. Upon return to his work assignment, the steward shall notify his supervisor.

8.2 Job steward and alternates have no authority to take action interrupting the school district's business. The Employer in so recognizing such limitations shall have the authority to impose proper discipline, including discharge, in the event the steward or his alternate has taken any action such as slowdown or work stoppage in violation of this agreement. The Employer agrees to Union membership forms as supplied by the Union.

ARTICLE 9. LEAVES OF ABSENCE

9.1 Any employee desiring a leave of absence from his employment shall secure written permission from both the Union and the

Employer. The maximum leave of absence shall be for ninety (90) days and may be extended for like periods. Permission for extension must be secured from both Union and Employer. Inability to work because of proven sickness or injury shall not result in the loss of seniority rights. An approved leave of absence will not break seniority.

9.2 The Employer agrees to grant necessary and reasonable time off without discrimination to loss of seniority rights and without pay to any employee designated by the Union to attend a labor convention or to serve in any capacity on official Union business provided one (1) week written notice or longer, if possible, is given to the Employer by the Union specifying length of time off.

9.3 The Union agrees that in making its request for time off for Union activities, due consideration shall be given to the number of men affected in order that there shall be no disruption of the school district's operation due to lack of available employees.

9.4 Personal Business Days: The Board of Education grants two (2) days per year whenever an employee faces the necessity to transact personal, non-profit business which cannot be delayed without detriment to the welfare of the employee. Leave under this clause shall be subject to review by the supervisor of custodians prior to the granting of permission. Said days can be used as sick leave days. The number of paid days to be determined by the superintendent. Any employee who does not use either of the personal business days shall receive full pay at his prevailing rate at the end of his seniority year.

9.5 Jury Duty: Any bargaining unit member called for jury duty, or who is subpoenaed to testify during work hours in any judicial or administrative matter, an arbitration or fact-finding proceeding, shall be paid his/her full compensation for such time.

9.5.1 The matter shall not involve litigation between the board and the association.

9.5.2 If an employee serves on a jury, he/she will turn over pay received for time on jury duty and shall receive his/her regular compensation from the Employer.

One (1) paid day will be allowed for brother, sister, grandchildren, and grandparents, except where the employee has legal and family responsibilities connected with said death, he/she shall be granted additional time as stipulated above. The number of days in excess of three (3) days will be determined by the supervisor.

The Employer shall provide adequate restrooms and rest areas for bargaining unit members' use consistent with conditions at the signing of this agreement. When the occasion arises where an employee submits a written report on forms in use by the Employer of a vehicle being in an unsafe working/operating condition, and receives no consideration from the Employer, he shall take the matter up with the officers of the Union who will take the matter up with the Employer. Failure to comply with this provision shall subject such employee to disciplinary action by the Employer.

10.2 The Employer, or its designated representative shall take reasonable steps to relieve the bargaining unit member of responsibilities in respect to students who are disruptive or who repeatedly violate rules and regulations.

The Employer will expect that employees will attempt to cause students to cease any wrongful activities, or act that comes to their attention and notify the principal or teacher as to the wrongful act and the students involved.

Bargaining unit members may use such physical force with a student as is necessary to protect themselves, a fellow bargaining unit member, teacher, administrator, or another student from attack, physical abuse or injury, or to prevent damage to district property.

All such incidents shall be reported to administration.

10.3 Bargaining unit members shall not be required to dispense or administer medication to students.

10.4 The Employer shall review the employee's claim for loss, damage or destruction of personal property which was used on school premises when the loss, damage or destruction is not the result of the employee's negligence.

10.4.1 Employees shall not be charged for loss of or damage to school property unless clear proof of negligence is shown.

10.5 The Employer shall reimburse employees for the cost of license fees "specifically" required for the bargaining unit member to perform his/her job; however, it is further understood and agreed that employees may be required to possess a valid Michigan operator's driver's license without cost of license fees to the Employer.
