The Chief may grant permission within a reasonable time, after the first hour of the shift, for such Steward to leave his work for these purposes subject to necessary emergency exceptions. The privilege of such Steward leaving his work during working hours without loss of pay or time is subject to the understanding that the time will be devoted to the proper processing of grievances and will not be abused. Section 5.

Local and National Executive Officers of the Union and/or their representatives are authorized to represent the Union at Step 3 (City Manager) Step of the Grievance Procedure.

ARTICLE VII - GRIEVANCE PROCEDURE

Section 1.

A grievance under this Agreement is a written dispute, claim or complaint arising under and during the term of this Agreement and filed by either an authorized representative of, or an employee in, the bargaining unit. Grievances are limited to matters of interpretation or application of express provisions of this Agreement. The parties recognizing that an orderly grievance procedure is necessary, agree that each step must be adhered to as set forth herein or the grievance is forfeited.

All grievances must be filed within five (5) working days of the occurrence of when the employee becomes aware of the circumstances giving rise to the grievance, otherwise the right to file a grievance is forfeited and no grievance shall be deemed to exist. Saturday, Sunday, and Holidays shall be excluded from the grievance time limits.

Step 1.

Before initiating a grievance, the employee must first discuss the matter orally with his immediate supervisor or his designee. The employee shall have the right to discuss this subject with his Union Representative. Thereafter, he may elect to have his representative discuss the matter with the Chief of Police or his designee for him.

Step 2.

If the matter is thereby not resolved, it shall be reduced to writing on appropriate forms and shall be filed with the Chief of Police or his designee within five (5) working days. The Chief of Police or his designee shall answer the grievance in writing within five (5) working days.

Step 3.

Failing to resolve the issue in the second step, the Union shall within five (5) working days of the Chief of Police disposition, contact the City Manager to arrange a meeting between the Union and the City to discuss said grievance. This meeting shall be scheduled at a mutually agreeable time, which time shall not exceed, however, five (5) working days from the time the Union contacts the City, unless a longer time is mutually agreed upon. If the parties in this step are unable to resolve the grievance, the matter may be submitted to arbitration as hereinafter provided for in this Agreement.

Step 4.

If the answer in STEP 3 is unsatisfactory to the Union, the Union may appeal the matter to arbitration within fifteen (15) days after receipt of the decision of the City Manager. The Union shall request from the Michigan Employment Relations Commission a list of names of five (5) qualified arbitrators. A copy of this request shall be given to the City Manager. Upon receipt of this list of names, the employee processing the grievance and the Employer's representative shall alternately strike names from the list with the right of first strike being decided by the flip of a coin. After two (2) names have been struck by each party, the one (1) remaining shall be the arbitrator. It shall be the responsibility of the Union to notify the commission of the selection.

Section 2.

Any and all grievances resolved at any step of the grievance procedure as contained in this Agreement shall be final and binding on the City, the Union, and any and all unit employees involved in the particular grievance.

Section 3.

Grievances shall be processed from one step to the next within the limit prescribed in each of the steps. Any grievance upon which a disposition is not made by the City within the time limits prescribed, or any extension which may be agreed to, may be referred to the next step in the grievance procedure, the time limit to run from the date when time for disposition expired. Any grievance not carried to the next step by the Union within the prescribed time limits or such extension which may be agreed to, shall be automatically closed upon the basis of the last disposition.

Section 4.

The City shall not be required to pay back wages for periods prior to the time a written grievance is filed provided, that in the case of a pay shortage, of which the employee had not been aware before receiving his pay, any adjustments made shall be retroactive to the beginning of that pay period providing the employee files his grievance within five (5) working days after receipt of such pay.

Section 5.

When an employee is given a disciplinary discharge or layoff or a written reprimand and/or warning which is affixed to his personnel record, the Steward will be promptly notified in writing of the action taken. Such disciplinary action shall be deemed final and automatically closed unless a written grievance is filed within five (5) working days from the time of presentation of the notice to the Steward. Grievances regarding discharge may or shall be commenced at STEP 2 of the grievance procedure.

Section 6.

All claims for back wages shall be limited to the amount of wages that the employee would otherwise have earned less any unemployment compensation or compensation for personal services that he may have received, or could with diligent effort have received from any source during the period in question.

Section 7.

The City will grant a necessary and reasonable amount of time off during straight time working hours to the Steward who must necessarily be present for direct participation in grievance adjustments with management. Such Steward shall first receive permission from his immediate supervisor to leave his work station and shall report back promptly when his part in the grievance adjustment has been completed. Any employee who takes an unreasonable or unnecessary amount of time in grievance procedure adjustments shall be subject, after a written warning, to disciplinary action.

Section 8.

(a) Any grievance submitted for arbitration by either party to this Agreement, subject to the conditions herein provided for in said Agreement, shall first be reduced to a written "Submission Agreement" detailing the dispute at issue. If the City and the Union cannot agree upon the "Submission Agreement", each party, at least two (2) days in advance of the hearing, shall submit to the other a statement of the issue it considers in dispute and the arbitrator shall determine, at or before the hearing, the issue or issues to be arbitrated, provided, however, that such issue or issues are arbitrable under the terms of this Agreement.

(b) The joint "Submission Agreement" shall be signed by the City, the Union and all aggrieved employees, if any. In the event separate statements of the issues are submitted, the City shall sign its copy and the Union and all aggrieved employees, if any, shall sign the Union's statement of issue.

Section 9.

The arbitrator shall limit his decision strictly to the interpretation, application or enforcement of this Agreement.

ARTICLE VIII - SPECIAL CONFERENCES

Section 1.

The Employer and the Union agree to meet and confer on matters of clarification of the terms of this Agreement upon the written request of either party. The written request shall be made in advance and shall include an agenda stating the nature of the matters to be discussed and the reasons for requesting the meeting. Discussion shall be limited to matters set forth in the agenda, but it is

understood that these meetings shall not be for the purpose of conducting collective bargaining negotiations, nor to in any way modify, add to, or detract from the provisions of this Agreement. Special meetings shall be held at a time and place which is mutually agreeable to the parties. Each party shall be represented by not more than two persons at special meetings at least one (1) of which shall be a full-time employee of the City of Flushing.

Section 2.

The Union representative may meet at a place designated by the Employer, on the employer's property, for a period not to exceed one-half (1/2) hour immediately preceding a meeting for which a written request has been made.

Section 3.

In the event three (3) or more employees wish to discuss matters not covered in this Agreement with the City Manager, the City Manager shall meet with an employee representative and a Union representative. Any requests for such meetings shall be granted upon written request of the Union representative. Meetings covered in this section will not be considered in any way a tool to change or amend the terms of this Agreement.

ARTICLE IX - DISCIPLINARY PROCEDURE

Section 1.

The Employer shall not discharge nor suspend any employee without just cause, but in respect to discharge or suspension shall give at least three (3) warning notices of the complaint against such employee to the employee in writing and a copy of the same to the Steward affected, except that no warning notice need be given to an employee before he is discharged or suspended if the cause of such discharge or suspension is dishonesty, drunkenness or recklessness resulting in serious accident while on duty or refusal to make required reports, insubordination, conviction of any serious criminal offenses except simple misdemeanors or minor traffic offenses, improper use of City vehicles, or open and repeated abuse of the employee's police powers. The warning notice herein provided, shall not remain in effect for a period of more than eighteen (18) months from the date of said warning notice. Discharge must be by proper written notice to the employee and the Steward, and the Employer shall cite specific charges against the employee. Suspension must be by proper written notice to the employee and the Steward, and the Employer shall cite specific charges against the employee. Written notice which cites the specific charges against the employee shall be given the employee and the Steward within forty-eight (48) hours after the discharge or suspension takes effect.

Section 2.

The discharged or suspended employee will be allowed to discuss his discharge or suspension with his Steward and the Employer will make available an area where he may do so before he is required to leave the property of the Employer. Upon request, the Employer or his designated representative will discuss the discharge or suspension with the employee and the Steward.

Section 3.

Should the discharged or suspended employee and the Steward consider the discharge or suspension to be improper, a grievance may be presented in writing through the Steward to the employee's immediate supervisor within five (5) regularly scheduled working days of the discharge or suspension. The Employer will respond to the grievance within three (3) days. If the decision is not satisfactory to the employee, the grievance shall be processed through the regular grievance procedure.

Section 4.

In imposing any discipline on a current charge, the Employer will not take into account any prior infractions which occurred more than eighteen (18) months previously, nor impose discipline on an employee for errors or mistakes on his employment application unless such errors or mistakes give rise to a presumption of deliberate fraud upon the Employer by the employee. In addition, all current and any new State or Federal laws will be adhered to by both parties.

Section 5.

The personnel file of any employee covered in this Agreement shall be furnished for inspection by the City Manager to the employee requesting his file or a Union representative involved in a grievance at the fourth step of the grievance procedure.

An employee is presumed to have terminated his probationary period and obtain full-time patrolman status at the end of 12 months unless the Employer notifies him to the contrary after which the Employer may provide a six (6) month extension of the probationary period. There shall be no seniority among probationary employees.
