B. Vacation will be scheduled for more effective operation of the Department.

C. Employees will be allowed to take vacation in four (4) hour blocks.

D. If an Employee does not have one (1) full year of employment by December 31, the Employee shall be eligible for 1/12 of vacation time for each month he/she has worked prior to December 31, to be taken upon completion of the one (1) year period. Vacation credit shall start at the first day of the calendar month that is nearest to the date of his/her employment.

E. Vacations and vacation pay shall not accumulate from one calendar year to another. However, if the work of the Department permits, an Employee may be allowed to take part or all of his/her vacation for one (1) year in the year following, provided it is completed during the calendar week in which April 15 of that year falls. If the City shall request an Employee to forego his/her vacation, such Employee shall be given vacation pay in lieu of vacation.

F. When employment is terminated for any reason, an Employee who has completed one (1) or more years of continuous employment will be paid an allowance for vacation earned but not previously taken. This allowance will be computed as follows:

1. The full vacation pay to which the Employee was entitled on December 31 of the previous calendar year, plus 1/12 of full vacation pay for each full month that has elapsed since the first of January in the current calendar year.

G. If an Employee is off work due to a leave of absence without pay, said Employee will be eligible for vacation he/she has earned prior to taking a leave of absence but will not receive credit for the time he/she is absent from work.

H. In no case shall the vacation schedule for Employees hired after July 1, 1985, be less than the vacation schedule agreed upon for police officers hired after July 1, 1985.

3. The Arbitrator's fee and expenses, and the American Arbitration Association's charge, if any, shall be borne equally by both parties. The Employer shall not be liable for payment of wages to, or the expenses or charges of, any Employee or representatives of any Employee, or the Union, who participates in any way in such Arbitration.
