Article 4. Association Representatives

- 4.1 Employees shall be represented by Association Representatives who are seniority employees from within the bargaining unit. In the absence of the regular Association Representative, he/she will be replaced by an alternate Association Representative. The Association shall furnish, in writing to

the Employer, the names of Association Representatives upon their election or appointment. The authority of the Representatives or his/her alternate shall be limited as follows:

- 4.1.1 Investigation of grievances or potential grievances shall be on the Association Representative's own time.

The Representative(s) shall notify his/her Supervisor upon return to his/her regular work assignment.
- 4.3 The Employer, or its designee, will release the Association Representative(s) from his/her work assignment, without loss of pay to present grievances in accordance with the provisions of this collective bargaining agreement. It shall be the Association Representative's responsibility to request a meeting time for the presentation of the grievance. The request shall be implemented by notification to the Representative's immediate Supervisor. Upon return to his/her work assignment, the Representative(s) shall notify his/her Supervisor.

- 4.5 One (1) Association Representative shall hold top seniority for layoff and rehire purposes, providing that he/she are willing and able to perform work available in their Subgroup classification or a lower classification.

Article 5. Dues, Service Fees and Payroll Deductions

- 5.1 Membership
 - 5.1.1 Membership in the Association is not compulsory. Regular employees have the right to join, not join, maintain or drop their membership in the Union as they see fit. Neither party shall exert any pressure on or discriminate against an employee in regard to such matters.
 - 5.1.2 Membership in the Association is separate, apart and distinct from the assumption by one of his/her obligation to the extent that he/she receive equal benefits. The Association is required under this Agreement to represent all of the employees in the bargaining unit fairly and equally without regard to whether or not an employee is a member of the Association. The terms of this Agreement have been made for all employees in the bargaining unit and not only for members in the Association. This Agreement has been executed by the Employer after it has satisfied itself that the Association is the choice of a majority of the employees in the bargaining unit. Accordingly, it is fair that each employee in the bargaining unit pay his/her

own way and assume his/her fair share of the obligation along with the grant of equal benefit contained in this Agreement.

- 5.1.3 In accordance with the policy set forth under Paragraphs 5.1.1 and 5.1.2 of this Section, all employees in the bargaining unit shall, as a condition of continued employment, pay to the Association, the employee's exclusive collective bargaining representative, an amount of money equal to that paid by other employees in the bargaining unit who are members of the Union, which shall be limited to an amount of money equal to the Association's regular and usual dues. For present days following the effective date or on the date of execution of this Agreement, whichever is the later, and for new employees, the payment shall start thirty-one (31) days following the date of employment.
- 5.1.4 If any provision of this Article is invalid under Federal law, or the laws of the State of Michigan, such provision shall be modified to comply with the requirements of Federal or State law or shall be renegotiated for the purpose of adequate placement.
- 5.2 Dues Check-off.
 - 5.2.1 The Employer agrees to deduct from the pay of all employees covered by this Agreement, the dues and initiation fees of the local Association and agrees to remit to said local Association all such deductions prior to the end of the month for which the deduction is made. Where laws require written authorization by the employees, the same is to be furnished on the required form which shall be furnished by the Association.
 - 5.2.2 The Local Association shall certify to the Board an assignment authorizing deduction of dues which sum shall be established by the Association. Such authorization shall continue in effect from year-to-year unless revoked in writing according to Association procedure. The Employer agrees to notify the Association of all new hires within ten (10) days of hire.
 - 5.2.3 Where an employee who is on check-off is not on the payroll during the week in which the deduction is to be made, or has no earnings or insufficient earnings during that week, or is on leave of absence, the employee must make arrangements with the local Association to pay for such dues in advance.
- 5.3 The Association agrees to indemnify and save the Board of Education, including each individual School Board member and all authorized agents of the Board, harmless against any and all claims, demands, costs, or suits by employee(s), or any other form of liability (including back pay and all court or administrative agency costs, that may arise out of or reason of, action taken [or not taken] by the Board for the purpose of complying with this Article).

Article 6. Seniority

- 6.1 **Seniority.** Seniority shall be defined as the length of service within the District as a member of the bargaining unit. There shall be no seniority for probationary employees. In the event more than one (1) individual has the same starting date of work, position on the seniority list shall be determined by the first date of hire. If the date of hire to a regular full-time or part-time position is the same, position on the seniority list will be determined using the last four (4) digits of the social security number, with the highest number being given the most seniority. (Current status on the seniority list will not be altered as a result of this change in definition for any Subgroup.)

- 6.2 **New Employees.** New employees shall be considered probationary employees until they have completed a successful probationary period of NINETY (90) calendar days, during which period he/she may be discharged without further recourse. Provided, however, that the Employer may not discharge or discipline for the purpose of evading this Agreement or discriminating against Association members. After NINETY (90) days, the employee shall be placed on the regular seniority list commencing with the starting date of work.
- 6.3 **Non-Unit Work Transfers.** Seniority will be frozen for not more than two (2) years as of the date an employee voluntarily transfers to another classification, or is promoted to a position not covered by this Agreement until he/she returns to a classification which is the same or lower covered by this Agreement.
- 6.4 **Loss of Seniority.** Seniority shall be lost by an employee due to any one of the following:
- 6.4.1 Resignation or retirement;
 - 6.4.2 Discharge;
 - 6.4.3 Layoff for a period of more than three (3) years;
 - 6.4.4 Failure to return to work when recalled from layoff as set forth in the Recall Procedure;
 - 6.4.5 Unexcused failure to return to work after expiration of formal leave of absence.
- 6.5 **Seniority List.** The Board and bargaining unit shall jointly prepare, maintain and post the Seniority List by Subgroup and by District-wide seniority. The Seniority List will include name, date of hire, date assigned to current classification. The initial Seniority List shall be prepared and posted conspicuously in all buildings of the District within thirty (30) days after the effective date of this Agreement with revisions and updates. The Seniority List will be revised at the start of each school year.

Article 7. Reduction in Personnel, Layoff and Recall

- 7.1 **Layoff.** In the event of a forced reduction in the bargaining unit, the displaced employee shall have the right to displace another employee with less seniority who has:
- 7.1.1 The same classification with the same number of hours or less; or
 - 7.1.2 A lower classification within their own Subgroup with the same number of hours or less.
 - 7.1.3 The displaced employee shall notify the Superintendent, in writing, of his/her intent as described in Article 7 to displace another employee within five (5) days of receipt of layoff notice. (In the event that two or more employees could be displaced the procedure of Article 7.1.3 will be replaced with 7.1.3a.) Failure to do so in five (5) business days forfeits your right of placement and will result in administrative assignment.
 - 7.1.3a In the event that two or more employees could be displaced a bumping meeting will be scheduled for all affected employees within 10 days of the receipt of the layoff notice letter. The employees will be called in order of seniority to declare the intention to displace another employee. The procedure will continue until all positions are filled. Failure to attend the bumping meeting without notification of intent to Superintendent or designee will result in employee assignment being determined by the Superintendent.

- 7.2 **Recall.** When there is an increase in the working forces after a layoff, the reversal of the layoff procedure shall be followed before any new employee is hired. In the recall of laid off personnel, the particular work performed by said employee shall be considered as an important factor. The Employer and the Association, jointly, shall decide the extent to which "work performed" shall hold weight in determining the rehire of laid-off personnel. The senior employee on layoff shall first be offered the employment, if the employee is willing and able, as defined by the job description, to do the work.
- 7.2.1 **Notice.** In the event of a recall, the laid off employee shall be given ten (10) calendar days notice of recall mailed to his/her last known address. The employee must respond to such notice within three (3) calendar days after delivery thereof and actually report to work in seven (7) calendar days after delivery of notice unless otherwise mutually agreed to. In the event the employee fails to comply with the above, or fails to notify the Employer of a change of address, he/she shall lose all seniority rights under this Agreement. All employees covered by this Agreement shall be paid for all time spent in the service of the Employer. Rates of pay provided for by this Agreement shall be minimums. Time shall be computed from the time the employee is assigned to report for work and registers in, until the time he/she is effectively released from duty.
- 7.2.2 A laid-off employee shall, on a yearly basis upon written application and at his/her option, be granted priority status on the Substitute List according to his/her seniority within Subgroup and classification in any previously held position in the District.

Article 8. Vacancies, Transfers, Job Posting, and Job Preference

- 8.1 **Definition.**
- 8.1.1 A permanent vacancy or other special opportunity shall occur when a new position within the bargaining unit is established; a secondary vacancy(s) occurs upon the termination or retirement of an existing employee within a Subgroup, or due to bidding.
- 8.1.2 A temporary vacancy shall occur when an employee will be on an authorized Short Term Leave of Absence of more than twelve (12) weeks.
- 8.2 **Notice.**
- Whenever any vacancy or other special opportunity within the bargaining unit occurs, the Board of Education shall provide written notice of the vacancy or opportunity to the Association President and shall publicize the vacancy by posting written notice on the Association bulletin board(s) for ten (10) workdays from the date of the notification. The Board shall notify the Association of vacancies occurring during the summer recess by sending notice of same to the Association President, and Correspondence Secretary, and members of the affected Subgroup by U.S. mail. The notice shall state job description title, shift, hours per day, per week, and initial assigned area(s). This notice does not constitute a separate agreement for permanent placement or assignment to the described position or assigned area of work (Subgroup C classification 1 & 1a). Vacancies will be posted within seven (7) working days of their occurrence. The Association President may agree to waive the ten day requirement.
- A substitute may be employed during the posting and filling process not to exceed thirty (30) days. If possible, bargaining unit personnel within the classification will be offered the substitute employment.

8.3 **Transfers.**

When an employee is temporarily transferred or placed in a temporary position, the employee assigned will be paid at his/her regular rate of pay or rate of the position he/she is assigned to, whichever is greater. The Association President will be notified of the assignment.

If a special need arises requiring a temporary transfer of more than thirty (30) workdays of duration, the work will be offered to qualified employees on a voluntary basis before any involuntary assignment is made.

Any employee transferred permanently from a higher to a lower classification shall receive the rate of pay established for the lower classification to begin immediately upon change.

Permanent, involuntary transfers shall be made for reasonable and just cause (ref. 2.1.3) and shall affect the least senior qualified employee first within a particular Subgroup and classification.

Current employed bargaining unit members will be given first consideration, prior to considering external applicants, to fill a permanent vacancy on the basis of seniority and ability. Ability may include meeting the job description, experience, attendance, discipline record of the past eighteen (18) months, ability to perform work, and the physical and mental ability with or without accommodation to perform essential functions of the job. Employees transferred through such procedure shall be given a trial period of up to forty-five (45) working days to demonstrate the ability to perform the work. The employee shall be returned to his/her previous assignment if the employee is unable to demonstrate the ability to perform the work required during the trial period. The employee may also make a written request to the Superintendent during the forty-five (45) working day trial period to return to his/her previous assignment. If the employee's previous assignment no longer exists, he/she will return to their previous status.

8.4 Bargaining unit members that apply for an internal position within their classification will be given first priority, with seniority and ability taken into consideration.

Temporary Positions.

The Board may fill temporary positions for up to forty-five (45) business days after notification to the Association President as to the reasons for the necessity of the position to be deemed temporary.

Article 9. Discharge, Discipline and Discrimination

9.1 **Discharge.** Except for probationary employees, the Employer shall not discharge or suspend any employee without just cause, but in respect to discharge or suspension, shall give at least one (1) warning notice of the complaint against such employee in writing, and a copy of the same to the Association, except that no warning notice need be given to an employee if he/she is discharged if the cause of such discharge is one of the following:

9.1.1 Dishonesty or theft.

9.1.2 Drinking and/or the possession of intoxicants or illegal drugs on the job.

- 9.1.3 Recklessness resulting in serious accident to self or others while on duty. Recklessness shall mean flagrant disregard of safety for self and others and not necessarily be construed to be the same as reckless driving under the Michigan Penal Code.
- 9.1.4 Flagrant insubordination.
- 9.1.5 Leaving job or assigned area without permission of Supervisor, or without notice, unless due to an emergency.
- 9.1.6 Absence from work for three (3) consecutive workdays without notifying Supervisor of a reasonable excuse for such absence during that time.
- 9.1.7 Sexual harassment or sexual misconduct on the job.
- 9.1.8 Absence from work caused by other employment.
- 9.1.9 Falsifying time sheets, absence sheets or other district forms.
- 9.2 The following offenses shall not result in discharge for first offense, but shall result in discipline of no less than a seven (7) day suspension without pay, or in accordance with the penalty assigned to Step Three of the Progressive Discipline Steps:
 - 9.2.1 Fighting on school premises.
 - 9.2.2 Flagrant profanity or lewd gestures.
 - 9.2.3 Willful destruction of school property.
 - 9.2.4 Coercive or threatening language against another employee, students, or the public.
 - 9.2.5 Personal injury accidents must be reported as soon as practicable.
 - 9.2.6 Sleeping on job during working hours.
- 9.3 Discharge must be by proper written notice to the employee and the Association. Any employee may request an investigation as to his/her discharge or suspension. A request by an employee for an investigation as to his/her discharge or suspension must be made by written request within ten (10) days from the date of discharge or suspension. Appeal from discharge or suspension must be heard within ten (10) days and a decision reached within fifteen (15) days of hearing, or suspension, unless extended by mutual agreement of the Board of Education and the Association. If no decision has been reached during the fifteen (15) days, the case shall then be subject to the Grievance Procedure provided within this Agreement.
- 9.4 Uniform rules subject to progressive discipline steps shall be applied uniformly in accordance with the policies of the Board of Education.

The following shall be the standard Progressive Discipline Steps applicable to any combination of lesser violation than previously listed in Section 9.2:

- Step 1: Informal discussion with Supervisor without written documentation to the personnel file (Supervisor must declare Step 1); (written documentation will be kept by supervisor with full prior knowledge of the employee)
- Step 2: Written reprimand;
- Step 3: Three (3) day suspension without pay;
- Step 4: Seven (7) day suspension without pay;
- Step 5. Discharge.

- 9.5 The Progressive Discipline Steps will be applied to the following considered lesser conduct infractions:
- 9.5.1 Repeated tardiness in reporting for work without a reasonable excuse.
 - 9.5.2 Failure to carry out any reasonable order given by Supervisor or Administrator provided such order is not a violation of any provision of this Agreement.
 - 9.5.3 Excessive absenteeism. When it becomes apparent that the employee's attendance is not regular as compared to average attendance by other employees, he/she shall be given written notice and such record shall be presented to the Association who shall also review such record with the employee.
 - 9.5.4 Failure to notify Supervisor or Building Principal of lateness or absence no later than one (1) hour after start of work shift. Further, it is every employee's duty to notify his/her Supervisor as far in advance as possible in order for the Supervisor to have every opportunity to schedule a replacement for the start of the shift. The Supervisor will provide a workable alternative procedure for times when he/she is not available.
 - 9.5.5 Failure to work the regular hours established by Supervisor, unless prevented from doing so by reasonable excuse.
 - 9.5.6 Failure to report unsafe equipment to the Employer.
- 9.6 The policies of the Board of Education will be uniformly applied. In such application, a written notice shall be construed to be a reprimand. Progressive discipline will be based on discipline recorded within the most recent twenty-four 24 month period. The Board shall provide a complete set of Board Policies/Rules/Regulations to the Association, as well as revisions and additions as approved.
- 9.7 If an employee is formally charged with employment-related criminal action(s), the employee shall have the option of requesting a ninety (90) day unpaid leave of absence prior to any imposition of discipline by the Employer based upon the same alleged misconduct giving rise to the criminal charges. At the conclusion of such leave, or any extension thereof, the Employer shall have ten (10) working days during which to take disciplinary action against the employee for such conduct or misconduct. This shall not diminish the right of the Employer to suspend the discharged employee, with pay, pending administrative investigation of the alleged employment-related misconduct and shall not prejudice the Employer's right to impose discipline as a result of said investigation.
- 9.8 When the occasion arises where an employee submits a written report on forms in use by the Employer of a vehicle being in an unsafe working/operating condition, and receives no consideration from the Employer, he/she shall take the matter up with the officers of the Association who will take the matter up with the Employer. Failure to comply with this provision shall subject such employee to disciplinary action by the Employer.

Article 10. Grievance Procedure

- 10.1 It is mutually agreed that all grievances arising and during the terms of this Agreement shall be settled in accordance with the procedure herein provided and that there shall at no time be any strike, tie-up of equipment, slowdowns, walkouts or any other cessation of work or lockouts. Grievances must be acted upon promptly and no grievance will be considered or discussed which has not been presented within ten (10) working days of the occurrence, or point of discovery.

10.1.1 Every effort shall be made to adjust controversies and disagreements in an amicable manner between the Employer and the Union. In the event that any grievance cannot be settled in this manner, the question may be submitted by either party for arbitration as hereinafter provided. A grievance shall hereinafter be defined as follows: A claim by the Employer or employee that there has been a violation, misapplication, or misinterpretation of any provision of this Agreement.

10.2 Should any grievance over the alleged misinterpretation or misapplication of the specific terms of this Agreement occur, there shall be an earnest effort on the part of the parties to settle such promptly through the following steps:

10.2.1 **Informal Procedure.** The employee, Subgroup, or Association with a grievance shall first discuss the matter within ten (10) working days of occurrence, or point of discovery, directly with his/her Supervisor with the objective of resolving the matter informally. It is assumed that most problems can be resolved in this process; however, if the problem is not resolved satisfactorily at this level, the individual will proceed within ten (10) working days of the informal meeting to the Formal Procedure.

10.2.2 If the grievance involves an entire Subgroup, or more than one (1) building, it may be filed directly with the Superintendent.

10.2.3 **Formal Procedure.**

Step 1: It shall be the responsibility of the aggrieved Union to reduce the grievance to writing within ten (10) working days of the informal conference on the form provided by the Association and to present it to his/her appropriate supervisor within that time period. Failure to comply with the above procedure shall result in the grievance being considered as satisfactorily settled.

Step 2: Within ten (10) working days of the receipt of the grievance, the Superintendent or Assistant Superintendent and/or their designee shall meet with an Association Representative. A written decision, including reason(s) for granting or denying same, shall be rendered to the Association within ten (10) working days after such meeting. Failure to respond within the allotted time shall result in the grievance being considered granted.

Step 3. If the decision in Step 2 is not satisfactory, the grievance will be presented to Personnel, Policy and Finance Committee of the Board of Education and the Association within fourteen (14) working days of the decision rendered at Step 2. The Living Agreement Grievance Committee shall be composed of the following:

1. BTESP President or authorized delegate;
2. Grievant;
3. Two Living Agreement representatives from the same Subgroup as the grievant;
4. Superintendent or authorized delegate;
5. Three Living Agreement Representatives from the Board of Education.

Either party to the grievance can invite guests to provide information relative to the grievance and remedy, but invited guests will not participate in reaching a remedy and may be asked to leave prior to discussions. Any remedies arrived at by this Committee will be reported back to the Board of Education for consideration. The Board of Education will notify the Association of its decision (s) within fourteen (14) days.

Failure to reach consensus at Step 3 will result in either party having the right to advance the grievance to Arbitration.

Step 4: Arbitration. In the event the parties cannot resolve the grievance by the end of Step 3, the dispute may be referred to an impartial arbitrator upon the request of either party. The Executive Board of the local Association shall have the right to determine whether or not the grievance is qualified to be submitted for arbitration. Failure to request arbitration within ten (10) working days after the Personnel, Policy and Finance Committee meeting at Step 3, shall conclude the matter and the grievance shall be considered dropped.

THE PROCEDURE SET FORTH HEREIN MAY BE INVOKED ONLY BY THE AUTHORIZED ASSOCIATION REPRESENTATIVE OR THE EMPLOYER.

10.2.4 Selection of Arbitrator. The Arbitrator may be a person mutually selected and agreeable, but if one is so selected and agreeable, he/she shall be selected by the parties from a list of seven (7) names furnished in accordance with the rules of the American Arbitration Association (AAA), either by mutual agreement, or from which list each party shall be permitted to strike alternately three (3) names, with the requesting party striking first and the remaining Arbitrator shall be thereupon accepted.

10.2.4.1 Powers of Arbitrator: It shall be the function of the Arbitrator and he/she shall be so empowered, except as his/her powers are limited below, after due investigation, to make a decision in cases of alleged violation of the specific articles of this Agreement. In the event of a refusal by either party to submit to or to appear at the arbitration hearing, the Arbitrator shall have jurisdiction to proceed ex parte and make an award. The Arbitrator shall have the authority to order full, partial, or no compensation for time lost.

1. He/she shall have no power to establish wage rates or to change any rate.
2. He/she shall have no power to rule on the termination of service of or failure to reemploy any probationary employee.
3. He/she shall have no power to change any practice, policy, or rule neither of the Board of Education, nor to substitute his/her judgment for that of the Board as to reasonableness of any such practice, policy, rule or any action of the Board.
4. His/her powers shall be limited to deciding whether the Board has violated the express article or section of this Agreement, it being understood that any matter not specifically set forth herein remains within the reserved rights of the Board.
5. In rendering decisions, the Arbitrator shall give due regard to the responsibility of Management, and shall so construe the Agreement that there will be no interference with such responsibilities, except as they may be specifically conditioned by this Agreement.

10.2.4.2 In the event a case is appealed to an arbitrator on which he/she has no power to rule, it shall be referred back to the parties without decision or recommendation on its merits.

10.2.4.3 The decision of the Arbitrator shall be rendered without undue delay and, in any event within thirty (30) days, unless extended by mutual agreement, and all settlements made in the Grievance Procedure, including the decision of the Arbitrator, shall be final and binding on all parties, including the employees involved. The impartial Arbitrator shall have the authority to order full, partial, or no compensation for time lost.

10.2.4.4 Fees and Expenses of Arbitrator.
