**Section 4. Constitutional and Statutory Rights.** Neither the constitutional or the statutory rights, duties and obligations of the Employer shall in any way whatsoever be abridged.

## **ARTICLE 4**

### **ASSOCIATION SECURITY AND CHECKOFF**

**Section 1.** The Employer will not discriminate against any employee because of membership in the Association.

**Section 2.** Upon completion of thirty (30) days of employment, membership in the Association or compliance with payment of representation fees shall be a condition of continued employment. The Employer agrees to deduct Association dues or Association service fees to become effective the second payday of the month.

**Section 3. Agency Shop.** The Employer agrees to deduct from the salary of each individual

employee in the bargaining unit who becomes a member, the Association's dues, subject to all of the following conditions:

- A. The Association shall obtain from each of its members a completed authorization form which shall conform to the respective state and federal law(s) concerning that subject, or any interpretation(s) thereof.
- B. All checkoff authorization forms shall be filed with the Employer's Human Resources Director, who may return any incomplete or incorrectly completed form to the Association's Treasurer, and no checkoff shall be made until such deficiency is corrected.
- C. All employees covered under this Agreement who do not voluntarily choose membership in the Association shall have deducted from their wages a percentage of the membership dues, which sum may be less than one hundred percent (100%) of said dues, upon receipt by the Employer of a signed, written card, and which sum shall accurately represent the amount for said employee due the Association as their fair share of costs attributable to negotiating the terms of this Agreement and servicing the contract, which sum shall not include, by way of example but not by way of limitation, state, national or other dues and assessments, or other amounts for other Association activities.
- D. The Employer shall only checkoff obligations which come due at the time of checkoff, and will make checkoff deductions only if the employee has enough pay due to cover such obligation. The Employer is not responsible for refund to the employee if he/she has duplicated a checkoff deduction by direct payment to the Association.
- E. The Employer's remittance shall be deemed correct if the Association does not give written notice to the Human Resources Director within two (2) calendar weeks after remittance is transmitted of its belief, with reason(s) stated therefore, that the remittance is incorrect.
- F. The Association shall provide at least thirty (30) days written notice to the Human Resources Director of the amount of Association dues and/or service fees and/or initiation fee to be deducted from the wages of employees in accordance with this Article. Any changes in the amounts determined will also be provided to the Human Resources Director at least thirty (30) days prior to its implementation. New checkoff authorization forms shall be submitted to the Employer in the event that an increase in the Association dues or service fee is made.
- G. The Association agrees to defend, indemnify and save the Employer harmless against any and all claims, suits, or other forms of liability arising out of its deduction from an employee's pay of Association dues, service fees and/or initiation fee, or in reliance upon any list, notice, certification or authorization furnished under this Article, including the termination of employment as provided under the Agency Shop provision. The Association assumes full responsibility for the disposition of the deductions so made once they have been sent to the Association.
- H. The Association shall exclusively use the checkoff authorization as herein provided for on page 5.

**Section 4. Continued Employment.** The Association shall notify an employee who has not paid his/her dues or service fee by certified mail, with a copy to the Employer. If said employee does not pay the dues or service fee with thirty (30) days after said notice is received, the Association shall notify the Employer by certified mail of this omission. Fifteen (15) days after receipt of notification by the Employer, the Employer shall terminate said employee.

**Section 5. Notice of New Hires.** The Employer will provide a Association Representative the opportunity to meet with new employees at the weekly orientation session. The Association shall be responsible to receive the necessary information at orientation.

### PROFESSIONAL NEGOTIATION PROCEDURE

**Section 1. Meetings.** The parties will cooperate in arranging meetings, furnishing necessary information and otherwise constructively considering and resolving any matters of common interest.

**Section 2. Representatives.** In any negotiations described in this Article, neither party shall have any control over the selection of the negotiation representatives of the other party, and each party may select its representatives from within or outside the area. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the membership of the Association with the approval of the Ingham County Employees' Association, and approval by a majority of the Ingham County Board of Commissioners. The parties mutually pledge that representatives selected by each shall have the necessary power and authority to make proposals,

consider proposals and make concessions in the course of negotiations, subject only to ratification approval as noted above.

**Section 3. **Section 4. Negotiations or Special Conferences.** The Employer agrees that Association members, engaged during their work shift in negotiations or Special Conferences on behalf of the Association with the Employer, during the term of this Agreement, shall be entitled to reasonable release time as needed without loss of salary. The number of Association members to be present at said meetings or negotiations are hereafter specified.

## **ARTICLE 6**

### **REPRESENTATION**

**Section 1. Grievance Representation.** Employees in each of the units shall be represented by a steward and alternate steward, respectively. The steward and alternate steward will be a member of the bargaining unit and their selection will be determined by the bargaining unit members. The Employer will recognize the steward and alternate steward as representatives of the Association in the administration of provisions of this Agreement and the grievance procedure. The Association will keep the Employer informed, in writing, of the name of the steward and alternate steward for the unit.

A steward shall act in a representative capacity for the purpose of processing grievances for the employees in his/her unit. In the absence of the employee's steward or alternate steward, a steward or alternate steward from the other unit may be utilized for representation purposes, and if neither of these are available, then other ICEA stewards may be utilized.

**Section 2. Negotiating Committee.**

**PHN Unit.** The bargaining committee of the Association's PHN unit will include not more than three (3) bargaining unit members and two (2) alternate bargaining unit members employed by the Employer. It may also include the President of the Ingham County Employees' Association, provided the President is not a member of this unit, and non-employee representative(s) of the Ingham County Employees' Association.

**Section 3. Professional Negotiations.** Contract negotiation meetings between the parties may be held at times during the scheduled working hours of the Association's negotiating members. Up to two (2) employee members of the bargaining committee for the unit will be paid by the Employer for time spent in negotiation with the Employer, but only for the straight time hours they would otherwise have worked on the regular work schedule. For the purpose of computing overtime, time spent in negotiations shall be considered as hours worked to the extent of the regularly scheduled hours which otherwise would have been worked by the negotiating committee members.

**Section 4. Time Off with Pay.** Reasonable arrangements will be made to allow stewards time off with pay, with prior permission of their supervisor, during their regular working hours for the

purpose of investigating grievances and to attend grievance meetings. Stewards shall have access to office premises for the purpose of investigation and adjusting any complaints and grievances by arranging with the respective division heads to visit such premises during regular working hours, but in no event shall the steward interfere with the maintenance or discipline of the regular work being carried on in the department. The office premises may be used for grievance interviews. Stewards shall investigate and present the grievances to the Health Officer through the grievance procedure. In the event the steward is absent, an alternate steward may perform his/her functions, provided they have conformed with the above requirements in notifying the Health Officer, giving him/her reasonable time to adjust for their absences during such periods which they are investigating or processing grievance procedures.

**Section 5. Facility Access.** Representatives of the Association, after first notifying the Health Officer or his/her designated representative, may visit the areas of the Facility where the registered professional nurses they represent are located for the purpose of representing such nurses in accordance with this Agreement, provided that such visits occur at reasonable intervals during working hours and they do not interfere with the normal operations of the Facility.

**Section 6. Correspondence.** A copy of all correspondence from the ICEA Attorney or from his/her office, addressed to any elected official, the Health Officer, or Health Department Managers, shall be sent to the County Attorney. A copy of all correspondence from the County Attorney or his/her office addressed to any ICEA Executive Board Members, Officers, or PHN unit steward shall be sent to the ICEA Attorney.

**Section 7. County Information.** The County Human Resources Director shall forward copies of the Administrative Services/Personnel Committee Agendas and those portions of the Agenda Packets that relate to the PHN unit to the ICEA. The Health Officer agrees to provide the ICEA with a copy of the Department's annual budget request, as submitted to the County Controller.

## ARTICLE 7

### GRIEVANCE PROCEDURE

**Section 1. Statement of Purpose.** The parties intend that the grievance procedure shall serve as a means for the peaceful settlement of disputes as they arise.

The parties seek to secure, at the earliest level possible, equitable solutions to complaints or grievances of nurses or groups of nurses. Both parties agree that proceedings under this Article shall be kept as informal and confidential as may be appropriate.

**Section 2. Definitions.** "Grievance" shall mean a complaint by a nurse or a group of nurses based upon an event, condition or circumstance under which a nurse works, allegedly caused by a violation, misinterpretation or discriminatory application of any provision of this Agreement. Any grievance filed shall refer to the specific contract provision or provisions alleged to have been violated, and it shall adequately set forth the facts pertaining to the alleged violation. It is the intent of this section that the nurse or nurses filing a grievance would apprise the Employer of the facts of the grievance.

#### **Section 3. Steps in the Grievance Procedure.**

**Step 1.** An employee with a grievance shall first discuss it with his/her immediate supervisor within eight (8) days of the date of occurrence or the date the employee should have known of the occurrence or the alleged violation. The discussion may also include the Association departmental representative. The immediate supervisor shall furnish an oral answer within five (5) days of the receipt of the grievance.

**Step 2.** If the answer of the Supervisor received in Step 1 is not satisfactory to the employee, he/she shall, within five (5) days of receipt of the answer in Step 1, submit the grievance in writing to the Health Officer. The written grievance shall be dated and signed by the grieving employee or employees. However, in the case of a group grievance, the grievance may be signed by the Union Steward and at least one (1) affected employee. The employee may furnish a copy of the grievance to the Union. A copy of the answer shall be furnished to the Union departmental representative. The Health Officer shall give a written answer within five (5) days of receipt of the grievance.

**Step 3.** If the answer of the Health Officer received in Step 2 is not satisfactory to the employee, the Union departmental representative, within five (5) days thereafter, shall submit notice of appeal to the Human Resources Director.

**Step 3A.** The Human Resources Director, Health Officer, affected employee and Union representative shall meet within seven (7) work days after the submission of the grievance under Step 3. The Human Resources Director shall give a written answer within five (5) work days following the meeting. The Employer shall determine what type and amount of coverage it will afford to its employees. The Employer shall provide the Union notice of any changes in current coverage.

**Section 4. Workers' Compensation.**

- A. Pursuant to Michigan law, the County provides, at its sole expense, workers' compensation coverage for each employee covered by this Agreement.
- B. Use of Accumulated Sick Leave When on Workers' Compensation. Employees in the bargaining unit are permitted to use accumulated sick leave while on workers' compensation as provided below:
1. The maximum time an employee may use accumulated sick leave while on workers' compensation is twelve (12) weeks.
  2. Employees shall not accumulate sick leave or vacation time while off work on workers' compensation. All other fringe benefits shall terminate after an employee is off on workers' compensation for ninety (90) days.
  3. Employees who have accumulated 160 hours of sick leave and up to 400 hours are permitted to use their accumulated sick time as a supplement to workers' compensation so that they will receive approximately 80% of their normal straight time pay.

### **I.R.S. SECTION 125**

**Section 1. I.R.S. Section 125.** The Employer will provide, upon the first open enrollment following ratification of this Agreement, I.R.S. Section 125 document(s) allowing employees who choose to participate, the ability to pay for employee contributions with pre-tax dollars for the following:

1. Medical and hospitalization expenses.
2. Dependent care programs.
3. Employee payroll deductions for health care premiums.

The above requirement is subject to, and contingent upon, CPA's verification that the same is permissible and will not jeopardize County tax deductions and is authorized by the I.R.S.

## **ARTICLE 25**

### **LAYOFF AND RESIGNATION**

**Section 1. Notice.** At least two (2) calendar weeks prior written notice of termination of employment shall be given to the Employer by an employee.

**Section 2. Grant Positions.** Many of the positions of employment covered by this Agreement are funded by either a Federal Grant, reimbursement by the State of Michigan, or a special fund with the Health Department budget. In the event that the funds being currently provided are terminated, all the positions funded by that source would be eliminated and lay offs will occur as provided in Section 4 below. Laid off grant employees may exercise contract bumping rights as provided in this Article. However, employees may not bump into a grant position unless they meet all grant requirements. The ICEA will be notified in writing prior to any termination or layoff.

**Section 3. Hour Reductions.** Within the sole discretion of the County, it may reduce the number of hours to be worked by the employees covered hereunder if the same is necessitated by a reduction of available funds in lieu of laying employees off. However, if the reduction is in excess of ten (10) days, the affected employees shall have the option of exercising their bumping rights under Article 25.

#### **Section 4. Layoff and Recall.**

Public Health Nurse Unit. The following subsections apply to layoff and recall in the PHN Unit:

- A. In the event that a reduction in personnel and/or position is necessary, as

determined by the Ingham County Board of Commissioners, layoffs will be by classification according to employee's seniority. Employees with identical seniority dates will be laid off in order to numerical value of their social security number, a higher number having the greater seniority. Seniority for purposes of the initial layoff is defined as length of service the employee has in the classification being reduced.

B. Bumping.

1. An employee laid off under Section 4.A of this Article may, in lieu of layoff, bump an employee within a lower salary grade within the same bargaining unit under the conditions set forth under this Article, provided he/she is qualified for the position being sought, as determined by the Department, and that they notify the Department, in writing, of their intent to exercise such bumping rights within three (3) days of receipt of their layoff notice.
2. Laid off employees may bump the least senior employee with less seniority within the bargaining unit within a lower classification with the same or lower status (i.e. full-time, part-time, special part-time). Employees bumping into a lower classification shall be placed at the same step in the new position as they held in their previous position.

C. Recall.

1. When an opening occurs or when a new position is created in a classification from which employees have been laid off, or bumped, such laid off or bumped employees will be recalled to the classification the order of their seniority, as defined in Section 5.
2. When an opening occurs in a different classification, or when a new position is created, in the same salary grade, or in a lower salary grade, in the Department, laid off employees within the bargaining unit may be recalled in order of their seniority, as defined in Section 5, provided they are qualified to perform the work, as determined by the Employer. All employees that are recalled into a different classification from which the employee was laid off, shall serve a four (4) week probationary period during which the Employer shall determine, in its sole discretion, the employee's ability to perform in the classification or position that the employee recalled to. In the event an employee is determined by the Employer to not be satisfactorily performing within such classification or position, the employee shall then be returned to layoff status. The Employer's decision as to performance during this probationary period shall be final and shall not be subject to the grievance procedure.
3. Any laid off employee failing to report for work within five (5) working days of the mailing of notice from the Department to her/his last known address, by certified mail, as recorded in the Employer's files, or by such other later date specified in the notice, shall lose her/his seniority and be considered to have voluntarily resigned their employment.
4. Employees on layoff shall notify the Personnel Department of their

current address and/or whereabouts within seventy-two (72) hours of layoff and immediately subsequent thereto of any changes in address in order to afford the Personnel Department the ability to notify said employee of recall. Failure to do so by the employee shall constitute a waiver by the employee of the employee's right to recall.

**Section 5. Seniority for Layoff and Bumping.**

- A. Public Health Nurse Unit. The following subsection applies to seniority for layoff, recall and bumping in the Public Health Nurse Unit:

Seniority, for the purpose of bumping to a different classification within the Public Health Nurse Unit, or for recall, is defined as an employee's continuous length of service in any classification(s) or Department(s) with Ingham County or any Ingham County Courts and within any represented or non-represented unit. Seniority for the initial layoff or bumping in the same classification shall be defined as an employee's time in that classification.

- B. Unused sick leave which was earned prior to the layoff will be retained. Unused vacation which was earned prior to the layoff may be either paid to the employee in a lump sum upon layoff, or, at the employee's option, may be used prior to receipt of unemployment. Vacations, sick leave, and other fringe benefits will not accumulate while an employee is on layoff up to a maximum period of either thirty (30) months, or a time period equal to the employee's seniority with the County upon commencement of such layoff, whichever time period is less; and thereafter, seniority shall be lost.

**Section 6. Notice of Layoff and Recall.**

- A. The laid off employee and the Union President shall be given at least fifteen (15) working days' prior notice of the layoff. Notice will be given to the employee in writing or sent by certified mail to the employee's last known address in the personnel file. The requirements in this Section 6, A, shall not apply to employees being laid off due to being bumped. The Union President shall be given copies of recall notices at the same time that the notice is mailed to the employee.
- B. A bumped employee shall have the same rights as the laid off employee and, seniority permitting, may bump a less senior employee as provided in this Article. Bumped employees must be given at least two and one-half (2 and 1/2) working days' notification that they shall be laid off through the bumping process prior to such layoff.

**Section 7. Voluntary Layoffs.** When faced with a layoff, the Employer may, prior to the enactment of the above provisions, solicit voluntary layoffs by seniority from members of the bargaining unit. In requesting such volunteers, the Employer shall state, with certainty at the time of solicitation, the length of such layoff. If an employee should volunteer for such layoff for the time specified by the Employer, and the layoffs should extend beyond the time period so specified, the employee(s) in question shall be recalled and, if necessary, layoff activities will proceed in the manner outlined above in this Article.

**Section 8. Bumping Limitations.** Full-time employees may bump less senior part-time employees, but part-time employees may not bump full-time employees. Further, employees cannot bump into a position that requires special training or qualifications unless they have the special training or qualifications.

The foregoing bumping procedure shall not be applicable to cases of temporary layoffs that do not exceed ten (10) working days.

## ARTICLE 26

### EDUCATIONAL REIMBURSEMENT

**Section 1. Reimbursement Policy.** The purpose of this policy is to establish a written, uniform policy and procedure throughout the County to handle requests for reimbursement for tuition, books, and related supplies. Ingham County has long maintained a tuition refund plan to allow eligible, interested employees financial support in encouraging them to participate in furthering their education outside of work hours. The County will reimburse an employee for tuition costs and other charges, subject to the availability of funds within the Department's budget. In order for an employee to be eligible for reimbursement, he/she must receive prior written approval from the Health Officer; take an eligible course(s) at a recognized school; and follow the application process that is outlined below. Part-time employees shall be eligible for fifty percent (50%) educational reimbursement.

**Section 2. Procedure.**

- A. The employee must complete the Tuition Reimbursement Request Form and secure approval from the Health Officer and Human Resources Director **PRIOR** to taking a course. It is recommended that the employee confer with the Health Officer regarding his/her educational plan. In order for a course to be eligible, the course must be taken at an approved school. The course must also be related to the employee's present position in the County or is a required course leading to a degree related to the employee's present position.
- B. **AFTER** the employee completes the course, he/she must complete the bottom half of the Tuition Reimbursement Request Form and have the Health Officer and the Human Resources Director approve payment. The reimbursement shall be limited to registration fees, tuition, and laboratory fees and books. Reimbursement requests must be supported by proof of completion with a passing mark and an itemized paid receipt. Under no circumstance will the County reimburse an employee for tuition paid by veterans' benefits, scholarships, student or other grant programs. The County's maximum reimbursement in those cases will be limited to the difference between the total cost and the amount reimbursed from other sources. The completed Tuition Reimbursement Request Form must be signed by the Health Officer and Human Resources Director and forwarded to the Financial Services Department for payment.
- C. In the event the Human Resources Director does not approve the payment for courses taken or rejects payment for any reason, the employee may appeal his/her decision to the Administrative Services/Personnel Committee.

- D. This policy shall not effect or supersede previously approved policies with respect to the CETA program or other grant programs.

## ARTICLE 27

### JURY DUTY

**Section 1. Notification.** A nurse who is called for jury duty shall notify their immediate supervisor immediately upon receiving notice of such call.

**Section 2. Pay Supplement.** If a nurse serves on jury duty during days when he/she would normally be scheduled to work, the Employer will provide a jury duty pay supplement to make up the difference between the jury duty payment and his/her normal pay upon his/her presentation of a written statement of his/her jury duty earnings from a proper court official.

**Section 3. Time Worked.** Jury duty shall be considered as time worked.

**Section 4. Other Judicial Proceedings.** If a nurse is subpoenaed as a witness in a judicial proceeding for reasons arising out of his/her facility employment, he/she shall receive leave with pay for such attendance if it arises during a period when he/she is scheduled for work, less witness fees paid by the Court.

**Section 3. Time Off.** Nurses may be given time off, without loss of pay, to attend such professional meetings, and may, at the Employer's option, also be reimbursed for out-of-pocket expenses incurred in such attendance. Attendance at district, State or national nurses association conferences and/or conventions may be granted pursuant to this section.

## ARTICLE 29

individual competence and work performance. Any such recommendations shall be considered by the Department before instituting such training.

**Section 2. Training Pay.** Nurses may attend the training sessions without pay. Those nurses required by the Employer to attend will be paid for such time as worked. Nurses that receive prior approval for compensation from the Department will be paid for training sessions that would otherwise be scheduled work hours. Such compensated time will not be considered to be in excess of the intent of the nineteen (19) hour weekly concept of special part-time employment.

**Section 3. Specialized Training Requests.** Requests for specialized training shall be submitted in writing to the employee's supervisor. Copies of such requests shall be provided to the Union Steward.

The Association and the members of the bargaining unit under this Agreement will not engage in or encourage any strike, sit-down, stay-in, slow-down, failure to report for duty, observance of picket line, willful absence from position or other similar action which would interfere with the treatment and welfare of the patients.

**Section 3. Disciplinary Action.** The Employer shall have the right to discipline or discharge any employee participating in any of the above stated interferences, and the Association agrees not to oppose such action. It is understood, however, that the Association shall have recourse through the grievance procedure as to matters of fact in the alleged actions of such employees.

**Section 4. No Lockout.** The Employer will not lock out any employees during the term of this Agreement.

## ARTICLE 31

### NONDISCRIMINATION

**Section 2. Association's Pledge.** The Association agrees that, with regard to membership, representation or Association activity, it will not discriminate for any of the reasons set forth above.

**Section 3. Gender.** References to the feminine gender may refer to the masculine gender or vice versa.

## **ARTICLE 32**

Employees in the PHN Unit hired that have not received a Bachelor's Degree in nursing from an accredited university shall be paid ten percent (10%) less than indicated on the appropriate levels of the salary schedule, provided however, if such employees receive such a degree they shall thereafter be paid at the full rates as reflected on the scale.

- B. Employees who are reclassified or promoted within their career field to a new or different pay grade shall receive an increase of a minimum of five percent (5%) to a maximum of ten percent (10%) more than the above-stated current annual wage, except in the event that Step 1 of the new salary grade is ten percent (10%) above the current annual wage said employee shall be placed in Step 1 of the new salary grade.

### SERVICE/SENIORITY

#### **Section 1. Definition.**

- A. "Service," for economic and fringe benefit purposes, shall mean the status attained by continuous length of service as an employee in any classification or Department with Ingham County or any Ingham County Courts and within any represented or non-represented unit. Continuous service is defined as that time actually spent on the active payroll of the County of Ingham or any Ingham County Courts plus approved leaves of absences. Absences on leave without pay in excess of ten (10) days, shall be deducted in computed total service, but shall not serve to interrupt continuous service.
- B. "Seniority" for purposes of this initial decision for layoff is defined as length of continuous service the employee has in the classification being reduced. Seniority, for the purpose of bumping to a different classification, or for recall, is defined as a employee's continuous length of service in any classification(s) Department(s) with Ingham County or any Ingham County Courts and within any represented or non-represented unit.
- C. Seniority for all other purposes shall mean continuous length of service as an employee in any classification(s) or Department(s) with Ingham County or any Ingham County Courts and within any represented or non-represented unit. The application of seniority shall be as applied to the terms and conditions contained in this Agreement. Employees who are hired on the same date shall be placed on the seniority list as determined by adding up all of the numbers of the employee's social security number, the highest having the greater seniority. Each number shall be considered as a single number.
- D. "Anniversary date" is the date used to determine length of employment within a specific classification. An employee is assigned an anniversary date upon a promotion or reclassification. Anniversary date is used if an employee is reclassified or promoted to determine the date for subsequent step increases.

- E. "Date of hire" for purposes of step increases only, shall mean the date an employee commences in a full or part-time position in a classification under this Agreement. The use of "date of hire" is not used for reclassification or promotion purposes regarding step increases.

**Section 2. Seniority List.** The Employer shall prepare and maintain a seniority list which shall list the name, classification, anniversary date, and seniority date of each employee. The Employer shall submit the seniority list to the Association Treasurer and Association General Counsel on a quarterly basis.

**Section 3. Loss of Seniority/Employment.** An employee shall lose his/her seniority and job for any of the following reasons:

- A. He/she voluntarily resigns;
- B. He/she is discharged for just cause and not reinstated;
- C. He/she retires;

- E. He/she is absent from work for three (3) consecutive working days without notification to the Employer and without acceptable excuse for not notifying the Employer;
- F. He/she fails to return to work upon recall from layoff;
- G. He/she fails to return to work after expiration of leave of absence; and
- H. He/she makes an intentionally false statement on his/her employment application or on an application for leave of absence or any other employment record or form.

## **ARTICLE 40**

### **RECLASSIFICATIONS**

**Section 1.** There will be no further reclassifications through a contractual procedure except

through the negotiation process for a successor Agreement.

**Section 2.**     **Medical Examiner Investigator.** Because certain of the new medical examiner investigation (MEI) work is currently assigned, in part, to public health nurses, the Employer and Association recognize it may be necessary to reclassify certain public health nurse positions that may perform MEI work during the term of this collective bargaining agreement. Thus, during the term of this collective bargaining agreement, if and only if the medical examiner investigation work duties for all assigned public health nurses expands to in excess of fifty-percent (50%) of the job duties of all such assigned public health nurses, either party may request an internal reclassification study of such public health nurse positions performing MEI work. After the study has been completed, the parties may jointly agree to reclassify any such public health nurse positions.
