- (a) The Union shall obtain from each of its members a completed Checkoff Authorization form which shall conform to the respective state and federal laws concerning that subject or any interpretations made thereof.
- (b) Checkoff Authorization forms shall be filed with the Finance Department who may return any incomplete or incorrectly completed form to the Union's treasurer, and no checkoff shall be made until such deficiency is corrected.
- (c) The City shall check off only obligations which come due at the time of checkoff, will make checkoff deduction only if the employee has enough pay due to cover such obligation, and will not be responsible for refund to the employee if he has duplicated a checkoff deduction by direct payment to the Union.

- (f) The Union shall provide at least thirty (30) days written notice to the Finance Department of the amount of Union dues to be deducted from the wages of City employees as in accordance with this section. Any change in the amounts determined will also be provided to the Finance Department at least thirty (30) days prior to its implementation.

- (g) The Union agrees to defend, indemnify and save the City harmless against any and all claims, suits or other forms of liability arising out of its deduction from an employee's pay of Union dues or in reliance on any list, notice, certification or authorization furnished under this section. ARTICLE 5 REPRESENTATION FEE

Section 1: All employees in this bargaining unit shall, as a condition of continued employment, pay a "representation fee" to the Union. For purposes of this Article "representation fee" shall include only those costs which are actually incurred by the Union for contract negotiations and grievance adjustment for this bargaining unit only. The Union shall annually certify to the employer and the employees the amount which fairly represents the employee's pro rata share of those costs.

ARTICLE 6 PUBLIC SECURITY

Section 1: The Union recognizes that strikes or work stoppages are illegal and contrary to public policy in Michigan and that strikes or work stoppages are detrimental to public safety and welfare. The Union, therefore, agrees that there shall be no interruption of the services performed by employees covered by this Agreement for any cause within the control of the Union or its individual members, nor shall they absent themselves from their work, stop work or abstain in whole or in part from the full, faithful and proper performance of the duties of their employment, or picket or cause other interference on the City's premises. The occurrence of any such acts as set forth hereinabove shall subject the violating employee or employees to discharge and/or other discipline at the discretion of the City. Such discharge or discipline shall be grievable under the terms of this Agreement only through Step 2 and any decision of the City Manager shall be permanent and binding.

Section 2: The City agrees that during the term of this Agreement, it will not lock out the employees; PROVIDED, HOWEVER, that refusal to admit employees to the premises caused by the unwillingness of the employees to continue to work in a normal manner shall not be considered a lockout.

ARTICLE 7 PROBATION

Section 1: All new, permanent, full-time employees shall have a probationary period for the first twelve (12) months of employment. At the conclusion of the probationary period, the employee's name shall be added to the seniority list as of the last date of hire. During the probationary period, the employee shall have no seniority status.

- (a) The probationary period is for the purpose of enabling the City to determine if an employee has the attributes, attitude and capabilities of becoming a permanent, full-time, employee, and a probationary employee may be terminated for any reason at the discretion of the City during the twelve (12) month probationary period, without recourse to the grievance procedure.

ARTICLE 8 SENIORITY

Section 1: Seniority shall be defined as a permanent, full-time employee's length of continuous service with the City since the last hiring date. "Last hiring date" shall mean the date upon which an employee first reported for work at the direction of the City, since which the employee has not quit, retired, been transferred outside the bargaining unit or been discharged. No time shall be deducted from an employee's seniority due to absences occasioned by authorized leaves of absence, vacations, sick or accident leaves, or for layoffs for lack of work or funds, except as hereinafter provided.

Section 2: The City will maintain an up-to-date seniority list. An up-to-date copy of the seniority list will be posted on the bulletin board every twelve (12) months. The names of all permanent, full-time employees who have completed their probationary periods shall be listed on the seniority list in the order of their last hiring date, starting with the senior employee at the top of the list. If two (2) or more employees were hired on the same day, their names shall appear on the seniority list alphabetically by the first letter of their last name. If two (2) or more employees have the same last name, the same procedure shall be followed with respect to their first names.

Section 3: An employee shall lose status as an employee and seniority shall be terminated if the employee:

- (a) resigns or quits
- (b) is discharged and not reinstated through the grievance procedure
- (c) retires
- (d) is convicted of a felony, a misdemeanor involving moral turpitude or O.U.I.L. (Decision to be entirely at the City's discretion.)
- (e) has been on layoff for a period of time equal to seniority at the time of layoff or twenty four (24) months, whichever is less
- (f) is absent from work, including the failure to return to work at the expiration of a leave of absence, vacation or disciplinary layoff, for three (3) consecutive working days without notifying the City, except when the failure to notify and work is due to circumstances beyond the control of the employee

- (g) Subsections (d) and (f) shall be subject to the grievance procedure

ARTICLE 9 LAYOFF AND RECALL

Section 1: Layoff shall mean the separation of employees from the active work force due to lack of work or funds. Layoffs shall not be in an arbitrary manner.

Section 2: If and when it becomes necessary to reduce the number of employees in the work force, probationary employees will be laid off first. Then employees shall be laid off in inverse seniority order (provided the remaining employees have the ability to perform the remaining work without trial or training), and they shall be recalled in their order of seniority.

Section 3: Employees to be laid off indefinitely shall be given at least seven (7) calendar days prior notice.

Section 4: Employees returning from layoff shall be given a maximum of five (5) calendar days to report back to work after notice has been sent by certified mail to their last known address on record with the City.

ARTICLE 10 WORKING HOURS

Section 1: Work Day and Hours

- (a) Employees covered by this Agreement shall be required to be on duty a minimum of eight (8) consecutive hours during each scheduled duty day, excepting as excused by the City, and shall be required to be on duty a minimum of five (5) consecutive days (40 hours) per week, excepting as excused by the City.
- (b) Employees covered hereby shall receive a bi-weekly wage for their work as defined in Appendix A hereof.
- (c) Employees will be paid bi-weekly.

Section 2: Scheduling. A schedule shall be posted once every three (3) months to determine the normal work days and hours, including all scheduled days off, for every member of the bargaining unit. Such schedule shall be posted fourteen (14) days prior to the first of the month of required posting. The schedule shall include ten (10) days of work with four (4) days off during a two-week pay period, and not less than two (2) consecutive days off at a time. Normally, the schedule will consist of five (5) consecutive days of work with two (2) consecutive days off.

Changes may be made in the posted shift schedule by the Director of Public Safety as may be required to meet the needs of the department; however, the City will not change any employee's assignment in order to avoid the payment of overtime, for the purposes of reprimand or Union activity, unless requested by the employee. NOTE: The changing of schedules to avoid the paying of overtime shall not include the following:

- (a) Schedule adjustment for attending schools or training,
- (b) Filling in for vacations,
- (c) Holidays,

Section 2B: An employee may select a bid for the shift schedule based on seniority. Such bid for a posted schedule shall be in writing to the Director of Public Safety no less than seven (7) days prior to the implementation of the posted schedule. The Director may have the option, however, to make assignments to shifts regardless of seniority in order to take advantage of the special training and skills of an individual employee or to make special assignments of a temporary nature, not to exceed thirty (30) days. Determination of the starting time of the daily, weekly and monthly work schedule shall be made by the City. Should it be necessary, the employee shall work such reasonable overtime hours as may be required by the City. Employees are expected to complete a definite assignment even though it requires additional hours over the standard duty day. In cases of emergency, employees shall return to duty when requested by the Director of Public Safety or City Manager. Any shift scheduled to start before midnight is considered to be the shift for that day in which the shift begins.

Section 3: An employee shall receive overtime pay at the rate of one-and-one-half (1 ½) times the normal base hourly rate under the following conditions:

- (a) Daily - all work performed in excess of eight (8) consecutive regular hours in any twenty-four (24) hour period except at times of shift change.
- (b) Periodically - all work performed in excess of forty (40) hours in any five (5) consecutive day work week except at times of shift change.

- (c) Opportunities to work overtime, if available in the City's discretion, shall be distributed as equally as possible among the employees, provided the employees are fully qualified to perform the work required. An initial list, on the basis of seniority, shall be compiled for the purposes of offering available overtime. If overtime is performed by or is offered to the first on the list and refused, said employee will be credited with the opportunity for overtime and be placed on the bottom of the list. Available overtime shall be offered to all full-time employees capable of performing said overtime before any part-time employee is offered said overtime.

Section 4: Any employee who completes the assigned shift and is released from duty shall receive, if called back to duty, a minimum of two (2) hours pay for duty at the rate of time- and- one-half (1 ½). Call back shall include, but not be limited to, court appearance.

Vacation leave shall be based on length of continuous service. No vacation leave shall be earned by an employee during a leave of absence without pay. An employee leaving the department for any reason may receive vacation pay pro rata rounded to the nearest full day.

No more than one (1) employee may be scheduled for vacation leave at one time. Any employee who requests vacation of one (1) week or more duration will be entitled to priority over any prior vacation request of less than one (1) week.

Section 6: Vacation leave may not be accumulated beyond the amount that can be earned in any one year following the preceding year's accumulation. Under certain conditions, special exceptions may be made by the City Manager.

To be eligible for compensation while on sick leave, the employee shall notify the immediate supervisor or Director of Public Safety prior to the beginning of the assigned shift. This requirement may be waived at the Public Safety Director's discretion.

The City agrees that a new carrier should provide the same overall coverage as presently exists, except by mutual agreement of the parties.

Section 4: A regular, full-time employee, upon completion of the probationary period, shall be entitled to group life insurance in the amount of \$15,000 with double indemnity.

Step increases, as provided in Appendix "A", shall be allowed each year for each member of the bargaining unit until the maximum limits, unless that member receives written notification from the Director of Public Safety outlining the reasons for not being allowed the advancement. Such notification shall be received prior to the date set for such advancement, which shall be the date of hire for the employee. The written notification shall state the reasons and shall be reasonable and will be subject to the grievance procedure. Section 3: Waiver Clause. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the City and Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered by this Agreement, unless mutually agreed, and with respect to any subject or matter not specifically referred to or covered in this Agreement even though such subject or matter may not have been within the knowledge and contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

Should any provision or section or portion of this Agreement be held by a court of competent jurisdiction to be invalid, illegal or unconstitutional, such holding shall not be construed as affecting the validity of this Agreement as a whole or of any remaining portion.

Section 6: Conformance with State or Federal Law. If State or Federal law is amended on a mandatory basis that would affect any provisions in this Agreement, the Agreement shall be automatically amended to conform with the law on the effective date of such law.

The City will allow only authorized personnel to read, view, have a copy of or in any way peruse in whole, or in part, a Union member's personnel file or any document which may become a part of his or her file. A member of the Union may view own personnel file as to its total content, except the background investigation report, upon written request to the City's Director of Human Resources. The City agrees not to divulge the contents of the employee's file without written release from the employee concerned.

Section 9: Pension. Employees are required to participate in the Municipal Employees Retirement System (MERS) program B-1, FAC 5, F-55 -25 (with a waiver of reduction in retirement benefits) as these programs were set forth in the MERS Handbook on November 1, 1992. Employees will contribute 4% of their annual gross wages to the retirement fund.

ARTICLE 22 GRIEVANCE PROCEDURE

Section 1: Definition of a Grievance. A grievance is defined as a claim reasonably and logically founded on a violation of this Agreement. Any grievance filed shall refer to the specific provision alleged to have been violated and it shall adequately set forth the facts pertaining to the alleged violation. Any claims not conforming to the provisions of this definition shall be automatically denied as not constituting a valid grievance.

Section 2: Steps of Grievance Procedure. Whenever a grievance arises, an employee may present said grievance to the immediate supervisor within five (5) working days of the event on which the grievance is based. The employee shall suffer no loss of pay for the time spent with the first line supervisor to discuss the grievance. If the issue is unresolved, the employee, on personal time, may contact the representative who, on personal time, shall reduce the grievance to writing on a form provided by the Union and approved by the City and then present it according to the following procedure and by all rules for grievance processing per Section 3 of this Article. Failure to comply with all of the requirements as set forth in the following grievance procedure or by the rules for grievance processing shall be used by a management representative at any step as a basis of permanent grievance denial.

Any grievance so designated shall not be appealed to the next higher step, nor shall it be resubmitted as the designation of permanent means "not reviewable in any form whatsoever".

Step 1.

If the command officer's answer is not satisfactory to the grievant, the employee's representative may, within two (2) days thereafter, present it to the Director of Public Safety or the Director's designated representative who shall answer it in writing on the form no more than two (2) days later.

Step 2.

If the answer of the Director of Public Safety in Step 1 is not considered satisfactory by the employee, the employee's representative or the designee may, within three (3) days thereafter, present it to the City Manager. The City Manager may call a meeting at which any participant who has participated in a previous step may attend. The City Manager shall answer the grievance, in writing, no later than ten (10) days after it is presented .

Step 3.

If at this point the grievance has not been satisfactorily settled, the Union shall have the right to refer same to arbitration in accordance with the Voluntary Labor Arbitration Rules of the MERC then in effect, provided such referral is made within fifteen (15) calendar days after receipt by the Union of the City's Step 2 answer for such a grievance. If the grievance has not been submitted to arbitration within said seven (7) calendar day period, it shall be considered resolved. The arbitrator shall have no authority to add to, subtract from, change or modify any provisions of this Agreement, but shall be limited solely to the interpretation and application of the specific provisions contained herein. However, nothing contained herein shall be construed to limit the authority of an arbitrator to use own judgment to sustain, reverse or modify any alleged unjust discharge that may reach this stage of the grievance procedure. The decision of the arbitrator shall be final and binding upon the parties hereto. The expenses and fees of the arbitrator shall be shared equally by the City and the Union.

- (b) All grievances must be filed within five (5) working days following date of occurrence.

- (d) When a management representative returns the form with his answer on it, the grievant shall date and sign the grievance indicating receipt thereof.
- (e) A grievance not appealed to the next higher step within the time limit shall be deemed permanently denied.
- (f) A grievance not answered within the time limit provided shall be automatically advanced to the next higher level.

APPENDIX B
DRUG/ALCOHOL TESTING POLICY

Testing

1. **Reasonable Suspicion.** Testing of bargaining unit members for the presence of controlled substances or illegal drugs must be based upon the reasonable suspicion that an employee has consumed controlled substances or illegal drugs. The test must be requested by the Director of Public Safety.

2. **Standard for Determining Reasonable Suspicion.**
 - (a) Reasonable suspicion shall be based upon specific objective facts and reasonable inferences drawn from those facts in light of experience and/or training.
 - (b) Where reasonable suspicion is based upon personal observation by a command officer, the objective facts must be articulable and may include the person's appearance and behavior.
 - (c) When an informant has supplied information, the informant's veracity, reliability and basis of knowledge will be relevant. If the informant is a member of the department in a lower ranking position, he/she may approach the Director of Public Safety to provide such information, without regard to the normal chain of command.
 - (d) When another employee who is not a command officer has supplied information or has made a personal observation, his/her basis of knowledge will be relevant.
 - (e) The facts forming the basis for the reasonable suspicion shall be disclosed to the employee at the time that demand for testing is made, and the employee shall, at that same time, be given the opportunity to explain his/her behavior or actions. Provided, however, that in situations where drug testing is recommended, the employee shall be allowed to make such explanation to the Director of Public Safety in person and further allowed to commit said explanation to written form, prior to the conducting of such test. The employee shall have the right to union representation. The employee shall not have a right to refuse to submit to the test.
 - (f) Within five (5) calendar days after the demand for testing, the facts forming the basis for reasonable suspicion and reasonable inferences drawn from those facts including employee's statement, if any, shall be reduced to writing, and a copy given to the employee.

3. **Release from Duty.** Any time an employee has been ordered to submit to a test based on reasonable suspicion, the employee will not drive a vehicle or perform any duty or function as a department employee, unless so authorized by the Director of Public Safety or the designee. The employee will be compensated according to his/her collective bargaining

agreement for all time spent in the testing process. Wherever possible, such testing process will be conducted during the employee's scheduled on-duty time.

4. Laboratory Tests. Arrangements will be made to transport the person taking the test to the hospital, medical office, clinic, or independent laboratory to perform the test. A proper chain of custody will be maintained on all test samples.

In the case of urine testing for illegal use, the laboratory used must be certified by the National Institute on Drug Abuse (NIDA) or MLEOTC. The initial screening test will be conducted using the "EMIT" test. No disciplinary action shall be taken based on the initial screen test but, rather, may only be taken after a confirmation or follow up test has been administered. Confirmation or follow up tests will be conducted using the Gas Chromatograph/Mass Spectrometer. The sample will be retained (frozen) for up to one year for the purpose of further confirmation tests.

"Decision" levels are set sufficiently high enough so as to preclude any other possible reason for a drug's presence except illicit use. The following "decision" levels, reported in nanograms per milliliter, are proposed for deciding the point at which the presence of a drug on an EMIT test would be reported as positive, i.e., the point at which a confirmation test (GC/MS) would be required.

NIDA-5 (screen and GC/MS confirmation)

<u>Drug Group</u>	<u>Drug or Metabolite detected</u>	<u>Initial test level ng/ml</u>	<u>GC/MS confirmation</u>
Amphetamine	Amphetamine	1,000 ng/ml	500 ng/ml
	Methamphetamine	1,000 ng/ml	500 ng/ml
Cocaine metabolites	Benzoyllecgonine	300 ng/ml	150 ng/ml
Marijuana metabolites	delta-9-THC-9-COOH	100 ng/ml	15 ng/ml
Opiate metabolites	Codeine	300 ng/ml	300 ng/ml
	Total Morphine	300 ng/ml	300 ng/ml
Phencyclidine	PCP	75 ng/ml	75 ng/ml

If an EMIT test detects the presence of a drug above the "cut off" level but below the "decision" level, the test results will be reported as "negative."

Upon completion of all testing, the employee shall be notified of the results of the testing as soon as is practical after the City receives such notification. If the results are negative, all records and reports concerning the test will be destroyed. If the results of confirmation testing are positive, the results will be reported to the Director of Public Safety.

5. Disciplinary Action

Grounds for Immediate Discharge. Employees will be subject to immediate discharge for the first offense in any of the following circumstances:

- (a) Refusal to take a requested urine and/or blood (breath) test, including refusal to execute any required consent forms and/or refusal to cooperate regarding collection of samples.
- (b) Drinking alcoholic beverages during working hours, during breaks, or lunch, or between shifts prior to scheduled assignments or assignments where an employee has notification he/she may be called in.
- (c) Having a blood alcohol content of .04% or more during working hours, based on the test result and application of the recognized .015% per hour blood alcohol dissipation rate.
- (d) Working or reporting for work when ability to perform is impaired by drugs. A positive drug test when confirmed by evidence of impairment during working hours, shall conclusively establish impairment.
- (e) Possession, concealment, unlawful manufacture, distribution, dispensation, or sale of alcoholic beverages or prohibited drugs while on duty or on the City's premises.
- (f) Conviction of any criminal drug statute.
- (g) Violation of Rehabilitation and Last Chance Agreement. Depending upon the circumstances involved, including, but not limited to, the employee's work record, whether illegal drugs or other illegal activity took place, and any other relevant factors, the City will allow the offending employee's employment to continue pending successful completion of a rehabilitation program pursuant to an unpaid leave of absence. In such a case, the City may also require that any return to work by the offending employee will be based upon a "last chance" agreement containing provisions different from those contained in this document or any other City drug/alcohol abuse policy, procedure or work rule. After returning to work, the last chance agreement will provide that any failure for a subsequent drug/alcohol test will result in discharge.

6. Confidentiality. All testing records, records indicating reasonable suspicion of employee substance abuse, or records relating to rehabilitation or "last chance" agreements, and any other record concerning individual employee substance abuse, will be considered strictly confidential and will be available only to those person(s) involved in decisions concerning the affected employee.
7. The City recognizes that drug and alcohol abuse are treatable illnesses, and that the proper response to these illnesses is education, treatment and rehabilitation, not punishment.

8. No Waiver of Legal Rights. The parties agree that this program shall not diminish the rights of individual employees under State and Federal laws relating to drug testing.
9. Prior to accepting an assignment in the "drug-unit," and/or upon completion of an assignment in the "drug-unit," an officer will take a drug test.
10. Refusal by an employee to take a drug test, pursuant to paragraph (9) above, shall subject the employee to immediate termination.
