QUESTIONS UP TO WARNER

Governor Receives a Petition Containing Over 510 Names of Residents' of Towns Along the Manistique Railroad.

Lensing Governor Warner, during his three terms of office, has had some perplexing questions put up to him, and he has solved many of them in a unique way.

A petition containing over 500 Grand Marais, in Alger county, reached the offices of the state railway commission, asking that body and the governor to use their united efforts in an attempt to prevent the dismantling of which serves the towns of Curtis, Diller, Ackley, Germfast, and Grand Marais

Several years ago the railroad was built, principally for carrying lumber and logs from that portion of the state, then in the midst of its pine lumber industry. The lumber has long since been exhausted, and there remains only the hardwood timber. Small towns sprung up along the line of the road, and many of these towns are still thriving, but the passenger raffic does not seem to be sufficient to meet the requirements of the rose

Recently a sale was effected where by the Manistique Lumber company secured control of the road. Not wishing to operate it they have served notice that bids will be received by cern for all or part of the road and that the road will be dismantled of the Michigan Retail Druggists' as and sold to the hignest bidder. Right here is where the residents of these towns are wondering where they are coming in. The only town that will saple, assistant superintendent, and not be affected is Seney, which is J. R.
