	present. The result is the issue has been clouded under a mass of ideas advanced and objections raised so it will be extremely difficult for the leg- islature to get together on any accep- table theory. Rep. Lord, the taxation expert of the House, opposes strongly the plan of Governor Osborn for the formation of an expert tax commission to in- vestigate and revise the taxation laws of Michigan. He declares the present laws are good enough and have stood the test of the state tax commission for on the state tax commission for go the limit in mat- ters requiring investigation. His bill passed by the House last week makes, he believes, ample provision for all this. Senator Watkins has introduced the game law bill which was agreed upon long ago and which will probably pass. It provides what has long been desired—the removal of the game warden's department Trom politics. Under this bill the department will be placed under a fish and game com- mission of five members serving without pay. The game warden will be known as the Chief Game Protect- or and there will be 20 game pro- tectors at salaries ranging from \$800 to \$1.200 a year. Non-resident hunters will be required to pay a \$10 license and resident hunters will be required to pay one dollar fees. In this same connection Rep. Morford has intro- duced a bill requiring that the Heemes	present.
