J. FRED SCHAIBLE

A Presentation of Bewitching New York Millinery in the Basement Store

One of the most interesting Spring features of the store is the showing of women's and misses' new hats at lower prices. All together there are more than a hundred delightful little models trimmed with the same excellent regard for beauty and distinctiveness that has made our upstairs section more than locally famous.

Trimme and untrimmed Shap ... , 75c to \$5 00 School Girls' Hata \$3.25 and \$3.50 Children's Ready-to-Wear Shapes \$1.50 Trimmings 25c to 75c

If you wish, you may have your last season's hat re-trimmed for only 50c. Experienced milliners are in charge.

For about a year now the federal horticultural board has required all rooms in which foreign cottons were stored to be screened, all waste con sisted upon other similar precautions. The new requirement of fumigation is regarded as one of the most important of these means of protecting the cotton industry. Investigation has shown that there are a few seeds in all imported cotton.
