A Meal for Every Hour's Work

WE never claimed that a Mogul 8-16 kerosene tractor would take the place of horses entirely, but we do claim that a Mogul 8-16 and a few brood mares will make more money for a farmer than he makes when he uses horses for all his work uses horses for all his work.
You may not realize it, but work horses are expensive. Do

you know that in the course of a year, you give each one of your horses a square meal for every hour's work he does for

your notices a square areas for the you. It's a fact.

Cet a Mogul 8-16 for all the hard work, keep a few brood mares for the light work, and to raise colts, and see what a difference there will be in your net profits at the end of the year. And now is the time to decide. Come in and see the tractor, and find out what it is doing for other farmers.

APRIL 18 1916 JUBILEE SUCCESS 25 YEARS

and on April 18th with his son Carl began to serve the public. The slogan then was "Live and Let Live" also "Quick Sales and Small Profits." The beginning was meek and humble. Inexperience, faulty clerks and misrepresentation by a local representative of a commercial agency were some of the "downs" experienced. With a "SQUARE DEAL" to all there was only one goal; that spelled SUCCESS.

American war, Gus. began to acquire the "All-Wool" habit. In 1907 we were admitted into the firm known as John Wuerthner & Sons. On account of ill health the senior member decided to retire and on Aug. 1st, 1912 we over our counter. We instituted a profit-sharing system whereby we gave our customers part of our profits every Saturday in the year. No Manchester clothing firm, to our knowledge, has ever done this much for its customers.

We have always upheld quality, buying from houses whose reputation was beyond reproach. It has been and is our aim today to satisfy our customers. "We are pleased only when you are." We have made efficiency count. With our able assistant Frederick Schmid we have served you well, and better than the larger stores with more help, especially Saturday nights.

Among some of the standard lines that you have bought of us for the past 20 years are: -Joseph & Feiss Co., Cleveland, Ohio (Clotheraft Clothing)

Klein, Lichtenstader & Co., Cleveland, Ohio (Furnishings) John Duguid, Toledo, Ohio (Trunks and Valises) Cooper, Weil & Co., St. Joseph, Mich. (Hosiery)

Ten years ago Shoe's were added to the line. Two of the best lines were selected and we still handle them because they

INTERNATIONAL HOW to avoid Operations

These Three Women Tell How They Escaped the Dreadful Ordeal of Surgical Operations.

Hospitals are great and necessary institutions, but they should be the last resort for women who suffer with life peculiar to their sex. Many letters on file in the Finklish Laboratory at Lynn, Mass, prove that a great number of women after they have been recommended to submit to an operation have been made well by Lydia E. Pinkham's / Vegetable Compound. Here are three such letters. All sick women should read them.
