CHAPTER XXIII-Continued. There was sufficient light to enable too one that I can't explain."

There was sufficient light to enable him to see clearly the face of the passenger—its pale oval and the eyes whose gaze clung to hi—with an effect of confused fascination.

She sat quite motionless until one white-gloved hand moved uncertainly toward her bosom.

That brought him to; unconsciously lifting his cap, he stepped back a pace and started to move on.

But at that she bent quickly forward and unlatched the door. It swung wide to him.

If my you—and with another motive, too—one that i can't explain.

"You ran away from yourself—not from me?" he repeated, puzzled.

"Don't you understand? Why make it so hard for me? Why make me say outright what pains me so?"

"Oh, I beg of you—"

"But if you won't understand otherwise—I must tell you, I suppose." She checked herself, breathless, flushed, and trembling. "You remember our talk after disner that night—how I asked you, what if you were to find out you'd been mistaken in me, that I had

nights, to reincarnate the Lone Wolf and in his guise loot the world anew—to court oblivion even at the prison's gates.

If was after ten when, cruising purposelessly, without a fare, he swung through the Rue Auber into the Place de l'Opera, and approaching the Cafe de la Paix, was hailed by a doorboy of the thet restaurant.

In the treatment of the place and in his guise loot the world anew—in the treatment of the first time fair question, what are you doing here, when President Wilson-stopped to pay with me?"

"Ah. that's the right spirit!" the deep voice jeered. "Never be above your station, my man—never hesitate to take a tip! Here, I'll give you another of the first time fair question, what are you doing here. "Same excuse as in the other in stance—trying to find out what your game is."

Werthemer chuckled and eyed the other in stance—trying to find out what your game is."

Werthemer chuckled and eyed the celling with an intimate grin. "My Grant. Arthur, Cleveland and Roose dear fellow," he protested—"all you that are you doing here. "Same excuse as in the other in stance—trying to find out what your game is."

Werthemer chuckled and eyed the celling with an intimate grin. "My Grant. Arthur, Cleveland and Roose dear fellow," he protested—"all you in admit. And if you that are you doing here. When President Wilson-stopped to pay with me?"

Were United States for the first time fair question, what are you doing here. Whith me?"

Were United States for the first time fair questio that restaurant.

Drawing in to the curb with the in
that restaurant in the large started yet!"

Hello! Why, you're turning down the want to know is everything!"

"More or less," Lanyard admitted a reletively small nercentage of the Drawing in to the curb with the indifference that had distinguished his every action of the evening, he waited with a throbbing motor and mind detached and gaze remote from the tides of foot and wheeled traffic brawling past on either hand.

The difference that had distinguished his every action of the evening, he waited the turned and faced Bannon squarely. The longer is the control of the evening, he waited the turned and faced Bannon squarely. The longer is the control of the phrase, but only a relatively small percentage of the phrase, but only a relatively small percentage of the phrase but only a relatively small percentage of the channel phrase but only a relatively small percentage of the phrase but only a relatively small percentage of the phrase but only a relatively small percentage of the phrase but only

> seen Jefferson and Madison, and the same conditions were true for the Adamses outside of Massachusetts. Obviously the multiplication of traveling facilities and the disposition of ize them has made the occupant of the White House more generally visible to his countrymen. Even so. it is somewhat out of the ordinary to 'see the president," and vast numbers Americans live and die without tha

It's Worth Your While

wouldn't believe it is possible to make it so good until you try ours Our soda dispensers have the knack and the know-how. An ordinary soda here tastes a whole lot different from what it does in other places. It is all in the mixing. Come and try a glass.

Saturday we have your favorite Strawberry, Chocolate and Vanilla Ice Cream. Don't forget to try it.

WE MAKE OUR OWN CREAM

MANCHESTER CANDY KITCHEN
