For Forty Years Lydia E. Pinkham's Vegetable Compound Has Been Woman's Most Reliable Medicine -Here is More Proof.

To women who are suffering from some form of woman's special ills, and have a constant fear of breaking down, the three following letters ought to bring hope:-

North Crandon, Wis. "When I was 16 years North Crandon, Wis.—"When I was 16 years old I got married and at 18 years I gave birth to twins and it left me with very poor health. I could not walk across the floor without having to sit down to rest and it was hard for me to keep about and do my work. I went to a doctor and he told me I had a displacement and vicers, and would have to have an operation. This frightened me so much that I did not know what to do. Having heard of Lydia E. Pinkham's Vegetable Compound I thought I would give it a trial and it made me as well as ever. I cannot say enough in favor of the Pinkham remedies."—Mrs. Mayne Asbach, North Crandon, Wis.

Testimony from Oklahoma. Lawton, Okla. - "When I began to take Lydia E. Pinkham's Lawton, Okla.—"When I began to take Lydia E. Pinkham's Vegetable Compound I seemed to be good for nothing. I tired easily and had headaches much of the time and was irregular. I took it again before my little child was born and it did me a wonderful amount of good at that time. I never fail to recommend Lydia E. Pinkham's Vegetable Compound to ailing women because it has done so much for me."—Mrs. A. L. McCasland, 509 Have St., Lawton, Okla.

From a Grateful Massachusetts Woman. Roxbury, Mass.—"I was suffering from inflam-tion and was examined by a physician who found mation and was examined by a physician who found that my trouble was caused by a displacement.

My symptoms were bearing down pains, backache, and sluggish liver. I tried several kinds of medicine; then I was asked to try Lydia E. Pinkham's Vegetable Compound. It has cured me and I am pleased to be in my usual good health by using it.

Vegetable Compound: I have been been been been been been my usual good health by using it and highly recommend it."—Mrs. B. M. Osecop, and highly recommend it."—Mi 1 Haynes Park, Roxbury, Mass. A If you want special advice write to Lydia
