Manchester Phone 166

# Santa Claus Time

O you older people, Christmas time quency, but can you remember how long it seemed in coming when you were a child? The suspense of being on. "good behavior no doubt-lengthened the period between Thanksgiving and Christmas, yet the care-free condition of our minds had much to do with it. Nothing else claimed our attention, and that, no doubt, was the principle reason that made it seem as though Christmas would never come. The beautiful words of the poet who wrote Make me a child again just for tonight" come to every warm-hearted and truly human being on

Christmas Eve. A visit to our store will recall many pleasant memories. Here you will find the games with which you whiled away so many pleasant hours. Books, toys, dolls, tool chests, pianos, as well as many of the newer are here in great profusion. The pleasure you will give your little friends with various gifts will be no greater than your own delight in returning, for the time, to the haunts of

And while dwelling on this matter, it may not come amiss to state that we have many very suitable gifts for those whose interest in toys has ceased. Our lines embrace a great variety of toilet sets, china, cut-glass, ivory goods, music rolls, Kodaks, Sheaffer fountain pens, hand mirrors, books, bibles, confectionery, perfumes, toilet waters, jewel cases, smoking trays, cigars and many other items especially appropriate for the Christ-

Our service has been increased to take good care of your wants, at this, our busiest time of the year. Come in and look around to your heart's content.

Village Council Proceedings.

Manchester, Mich., Dec. 6, 1916. Council met in regular session with President Waters in the chair all members being present.

The communication from F. Freeman regarding the preserva of an elm tree in the park w referred to the street committee. The following claims were pr sented, allowed and ordered pai . R. Hatch, one-half month's salary ..... \$
N. Y. Central R. R. Co., freight Clarence Kern, material and

National Supply Co., hangers..\$5.0 F. C. Teal & Co. fuses and showing statement of work performed by him, amounting to \$21.83 which was allowed. The village electrician reported 261 electric light customers for the month of October and the revenue for same amounts to \$448.48. Also tinued customers.
The license committee reported

the collection of \$2.00 for license.

Trustee Sortor moved, supported
by Trustee Smith, that the matter regarding the delay of the presenting of the electric light bills be referred a committee. The motion pre ed and the same was referred t the ordinance committee. A motion to adjourn prevailed.
Wm. J. Hoffer, Village lerk.

BIG STORE FIELD CO.

TOYLAND

The Little City of Playthings

Destined to gladden the Hearts of all--young and old

In the Toy store on the third floor there is stir and bustle and interest everywhere. More and more toys are coming out and as the display grows, so grows the interest and pleasure.

There are plenty of games and toys, and more and cleverer dolls than ever. And funnier things to play with.

So many hundrens and hundreds of things that detailed description is impossible. If you were a little girl you'd want Dolls, Doll Corriages, Doll Beds, Furniture, Stores and Dishes---they're all here in

a Doll World of their own. And for boys--all the novelties of the hour: Mirrorscopes, Engines, Trains, Boats, Erector Sets, Sleds, Fire Engines, Mechanical Toys, Electrical Toys--scores of thrilling things.

Our Rest Room and Free Check Room are maintained for your convenience.

By LOUIS EDGAR BROWNE.

Correspondent of the Chicago News. Headquarters Mesopotamian Expeditionary Force, Basra, Arabia.—A staff of trained men has been brought t gether to administer the customs and revenue collections in the occupie part of Turkey. Except that the rates have been slightly reduced, the tariff are the same as they were under the Turks. All the money collecte through civil taxation in the occupied territory is being expended on civil government, civic improvements, pen-sions for Turkish pensioners and al-lowances for the families of Turkish prisoners of war held by the British. There are many civic improvements ecessary. A good road between Ashar some sort of legislation bearing on uni-school training shall count as a credit needs dredging; the dikes need rebuild- versal military training in the United to any cutrant; that is, an entrant States.
