YOUNG BERTRAM MEADE LEARNS IN A FRIGHTFUL EX-PERIENCE JUST HOW MUCH HELEN ILLING-WORTH MEANS TO HIM

The Martlet Construction Company is building a great interna tional bridge planned by Bertram Mende, Sr., a famous engineer. His son, Bertram Meade, Jr., resident engineer at the bridge, is in lov with Helen Illingworth, daughter of Colonel Illingworth, president of the company. Young Meade questioned his father's judgment on the strength of certain important steel beams in the gigantic structure wardly agreeing with his elder.

### CHAPTER II-Continued.

Itated, and then she turned her head pulse.

Man Shows True Wisdom When
He Makes a Selection That To Work

> Many Women in this Condition Regain Health by Taking Lydia E Pinkham's Vegetable Compound.

Convincing Proof of This Fact. Ridgway, Penn. - "I suffered from female trouble with backache and pain in my side for over seven months so I could not do any of my work. I was treated by three different doctors and was getting discouraged when my sister-in-law told me how Lydia E. Pinkham's Vegetable Compound had helped her. I decided to try it, and it restored my health, so I now do all of my housework which is

not light as I have a little boy three years old."
— Mrs. O. M. Rhines, Ridgway, Penn. Mrs. Lindsey Now Keeps House For Seven. Tennille, Ga.-"I want to tell you how much I have been benefited by Lydia E. Pinkham's Vegetable Compound. About eight years ago I got in such a low state of health I was unable to keep house for three in the family. I had dull, tired, dizzy feelings, cold feet and hands nearly all the time and could searcely sleep at all. The doctor said I had a severe case of ulceration and without an operation I would always be an invalid, but I told him I wanted to wait awhile. Our druggist advised my husband to get Lydia E. Pinkham's Vegetable Compound and it has entirely cured me. Now I keep house for seven and work in the garden some, too. I am so thankful I got this medicine. I feel as though it saved my life and have recommended it to others and
