Get Your Coffee At Old Prices

Many people think it strange that coffee hasn't raised inprice since nearly everything else has.

Widlar's "the best coffee" at 25c, 28c, 30c, 35c per pound

If you can't drink c ffee try Widlar's Tea, the kind you all will like at 40c and 50c per lb.

Instant Postum, Kellogg's Drinket, Postum Cereal, are substitutes for coffee and if you don't like coffee try one of these.

PROPERTY LOSS IS HEAVY

People Receive Minor Injuries

Freedom Wednesday afternoon, de achievements. The learned Egypmolishing nearly everything in its path, but human lives were miracuthe wreckage.

then dipped down at Ernest breaking down some trees. Then found such ardent appreciation in with a mighty roar it grasped the residence, barns, trees and other fice—he gives himself for others. property of Ernest Raymond and in It does not require much civilization the twinkling of an eye all were to enable one to be grateful to an-leveled to the ground and scattered other who has benefitted him. Gratiabout in reckless confusion.

The family heard the noise and tude is not necessarily a product of civilization, any more than ingratitude is a product of barbarism. about in reckless confusion.

seeing the approaching cloud, rushed for the celllar but the very floor was torn from beneath their feet and left them dismayed but uninjured among the wreckage.

It next struck the home of Will Curtis' family, the Samuel Smith farm, where it destroyed all the buildings. Here the family sought safety in the cellar and were uninjured. We learn that Mr. Curtis had no insurance.

Henry Uphaus' brick house next felt the mighty force of the sould which as a nation and as individuals we owe to the Grand Army of the Republic, we make this simple yet beautiful tribute of gratitude.

We said that the honor accorded the soldier is due to the fact of his sacrifice. It might be well for us who are civilians to remember that the measure of honor paid us will also be the measure of our sacrifice. It is sacrifice which gives worth to give worth.

Henry Upnaus Spick nouse next left the mighty force of the cyclone. A small portion of the walls was left standing but the contents of the house were smashed, barns, etc., and all the contents were It would indeed be an empty and barns, etc., and all the contents were like the rest—destroyed.

The Parks home escaped the shock ory of the sacrificial deeds of those the wind but trees were unrouted.

we all believe in celebrating the Fourth of Jully' in an appropriate manner and most of us do not object to the use of some firecrackers, fireworks and the noise that they produce, but the idea of being, obliged to listen to it for a month before the anniversary is a nuisance and ought to be abated forthwith.

Are you "doing your bit?" Do yop know that every cent collected by the Red Cross society goes for relief work in the field. Every member of the committee contributes his or her time and gets not one cent's pay. The newspapers do the advertising and the supervisors and men who acted as clerks of the services. How much are you doing?

A meeting of representatives from all the cities and townships of 'the county was called at Ann Arbor Sunday afternoon in the interest of the Red Cross, said was heartily responded to Yos.

To Lewens and constitute the factories where the young men are factories where the young men are factories where the young men are apployed. We did not hear a word of dissatisfaction and several said that they thought this serial situation and several said that they thought this serial tree or strip of timber shows the effects of the wind but on the Manchester-Chelsea road it seemed to have gathered additional strength, for it attacked the house and build-ings of Ben Marshall with such tury that even the timbers seemed utterly destroyed. Mr. Marshall was down the road hauling gravel. Mrs. Marshall was down the road hauling gr

ter.

How so many people escaped with their lives while all about them timbers, trees, etc. were flying through the air, is a mystery.

A few animals are reperted killed but singularly most of them received but slight, if any, injury, though many were in the barns and sheds. Some chickens were stripped of their feathers.

some chickens were stripped of their feathers.

The news of the disaster spread rapidly and hundreds of people visited the scene before night.

OUR DUTY TO OUR COUNTRY

when patriotic sense of duty is bartered for unrestrained selfishness of individualism, then nothing can rest that people's decline and ultimate ruin. And justly so. If national virtue deserves to live then it is the plainest of all facts that national evil deserves to die. If there be no judgment of evil there can be no coronation of good. bstract of Decoration Day Address can be no coronation of good.

..MONTAGUE SMITH, LATE OF LAWRENCEVILLE, DISCOV ERS THAT AS "JOHN SMITH," A CONSTRUCTION CAMP WORKER, HE CAN'T CONCEAL HIS PAST LIFE

Synopsis -J. Montague Smith, cashier of the Lawrenceville Bank and Trust company, bachelor society leader engaged to marry Verda dichlander, heiress, is wrongfully accused of dishonesty by Watrous Dunham, his employer, and urged to be a scapegoat for the crooked ccuser. Smith strikes Dunham, leaves him for dead and flees the state. He turns up a tramp some time later at an irrigation dam construction camp in the Rocky mountains and as John Smith gets a rough

The arrial had have to loosen up the found themselves confronting his in here. Badly as we're could bring his in here. Badly as we're could be all the second themselves and described his and the second themselves are the second that the second themselves are the second that the second themselves are the second the second

says, his 'speech betrayeth' him—and 'Dad burn a cuss with a yellow he's had a good job of some kind; the streak in him!" rasped the Missouri aind that required him to keep abreast colonel. "We had a fair and square of things. If there's anything in looks, agreement among ourselves that if anyyou'd say he wasn't a thief or an em-bezzler, and yet it's pretty apparent of us a chance to buy him out. Who that he's been used to handling money to chunks and making it work for its

living. I've put it up that there's a woman in it. Perhaps the other fellow got in his way, or came up behind him unersetted.

Stanton was to buy him out. Who bought from these welshers?"

"Maxwell didn't know that. He said it was done through kinzie's bank. From what I've heard on the outside. I'm inclined to suspect that Crawford Stanton was the huven."

oman in it. Perhaps the other resonant i Colonel Baldwin helped himself to one of his ewn cigars, and the talk went back to business. In the irri
"There's another of the confounded mysteries," he growled. "Who is Crawgation project, Williams was a stockgation project, Williams was a stockholder as well as chief of construction,

"Wherefore age high in protein. Grain and con-

the law was our schoolmaster to bring us to Christ, that we might be justified by faith. But after that faith is come, we are no longer under a school-master. For ye are the children of God by faith in Christ Jesus," says Paul to his brethren. As the wires are the conductors of the electric current that makes the light, so is the word of God the conveyance of the Spirit. Jesus says, in speaking to his disciples (John 6:63): "It is the spirit that quickeneth; the flesh profiteth that quickeneth; the flesh profiteth nothing; the words that I speak unto you, they are spirit, and they are life." Hence the Word is the wires. God centrated feeds are the chief so the storehouse, and the Holy Spirit of protein, and the mixture should be the current, and man the recipient, where the light shines for the world of unbelief. 2. Select grains that will furnish the many inrough this world, and, if we have the product of the prod designs preceded ideographs representing them. Indeed, Japanese writing, like Chinese, consists of signs rather than expressions of sound, says T. Nakayama, M. Coligny writes in the Chinchnati Enquirer. The national ideographs are for the eye rather than to be heard.

There is no mention in Japanese history of the fact that in the reigns of Emperor Godalgo (1319-1339) each government official set up a door plate signifying his name and occupation, which may be regarded as the first mention of signs in Japan.

The art of advertising seems to have made considerable progress during the many than chestnuts. The kite maker put and estimate the picture of an octopus (tako) on his involved some sort of puzzle came introduced and has been continued down to today, though the provinces elling through this world, and, if we follow it, it will guide us past all places of sinful danger into the most blessed experiences of heart and soul, and, if we follow it, it will guide us past all places of sinful danger into the most blessed experiences of heart and soul, and, if we follow it, it will guide us past all places of sinful danger into the most blessed experiences of heart and soul, and it was past all places of sinful danger into the most blessed experiences of heart and soul, and it was past all places of sinful danger into the most blessed experiences of heart and soul, and it was past all places of sinful danger into the land of perfect. SANDALS FOR FARMERS, PENNSYLVANIA PROJECT

Sunbury, Pn.-The footwear of the ancient Greeks may become the fashion in Northumberland county during the summer. Farm clubs have been discussing the price of leather and have asked dealers to ascertain the cost of sandals. With some modern improvements, the promoters figure cheaper but more comfortable and healthful in warm weather. An additional saving will be effected by the absence of hosiery.

By no means is this idea being taken up only by the sterner sex. Captain William J. Nagel, postma

ter of Detroit, received orders from the war department to report at Fort ant to the camp quartermaster. L. DAVISSON, M. D. C., termaster Officer's Reserve corps.
