## MANCHESTER LIBRARY

Officers Re-elected for Another Year—Institution Needs More Paying Members.

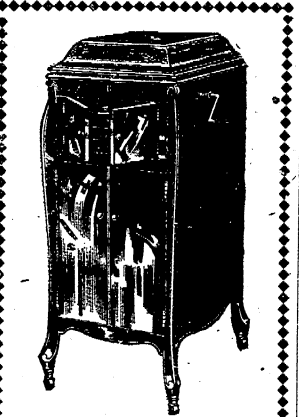

The annual meeting of the Library association was held last Friday. Reports of committees showed addition of 94 books and loaning of 2,305, which in view of the weeks the library was closed on account of influenza epidemic, was considered very good. The officers were re-elected as follows:

President—C. W. Case  
Vice-Presidents—Mrs. J. H. Kingsley, A. J. Waters, Mrs. Florence Case  
Secretary—Miss Elizabeth Farrell  
Treasurer—Alfred A. Snowman  
Book committee—Mrs. J. F. Spaf-

ard, Miss Julia Conklin, Mrs. George Servis, T. J. Thorn— Librarian—Mrs. B. C. Root  
Additional Executive committee—Mrs. T. J. Farrell, T. J. Thorn.

The financial situation in the United States is indicated very plainly by the fact that the \$500,000,000 issue of certificates of indebtedness offered by the United States treasury to the banks of the country, \$32,341,000. Every Federal Reserve district in the country, with one exception, equaled or exceeded its quota, and the announcement of this fact went on to say that "in this respect the issue was the most successful except one which has been offered in anticipation of the Victory Liberty Loan." Why, then, should there be any hesitation about going ahead with enterprise, "under full steam"—Christian Science Monitor.

## FARMERS' INSTITUTE

Annual Event in This Village Was Successful and Profitable and Well Attended.

The farmers' institute at the M. E. church last Friday afternoon proved all the committee had hoped for. The weather was favorable, there was a good attendance of farmers from the surrounding country and of men, women and children from the village. The speakers were there and gave most helpful and interesting talks. The music and singing was also much enjoyed and many have expressed their appreciation of the program from beginning to end.

The afternoon session was appropriately opened by prayer by Rev. Johnson and singing of "America" by the audience. Miss Torrey played two selections on the piano and Julius Lindbert sang two selections, all heartily applauded.

Earl Martin, president of the county farm bureau, being present was called upon as the first speaker and explained how the bureau plan had been handed out by the government to systematize the farming industry. He told about duties of the county agent and the plan to increase community work; urged the farmers to call upon the agent whenever necessary for advice and assistance in selecting proper seed, in securing help and when in doubt as to what crop to sow in certain fields, etc.

He told about the success of the county festival and banquet, so well supported and attended by the farmers, and urged that all support was necessary to carry out the plan for permanent establishment of the bureau. He urged caution in buying seeds of irresponsible firms and cited the incident of the King seed company, which if not stopped in the delivery of seed would have been a great injury to those who had bought of them. His talk was very helpful.

Prof. Nicolson of the Agricultural College showed several ears of corn to illustrate his talk on "The Origin and Value of Pedigreed Seeds." So interested were all in his explanation that some who occupied back seats moved up and at the close a number of questions were asked, which were answered by him quite satisfactorily. In passing he spoke of pedigreed cattle, particularly the Holstein breed, which are great milk producers.

H. S. Osler, county agricultural agent, followed with a fine talk on Alfalfa, using charts to aid in the clearer presentation of the subject. The high school orchestra under the direction of Miss Dwyer, played several selections and were heartily applauded.

During the afternoon session Miss Torrey, who has been studying along these lines during the war, and have made considerable progress. She distributed literature which may assist those who are interested, and we have no doubt the Red Cross ladies and the various women's clubs, the Grange and others will supply those who ask with pamphlets, etc.

Evening Session Well Attended.

The evening session of the institute was before an audience that filled every seat in the church. The program was opened by the congregation singing "The Star Spangled Banner" after which Rev. Johnson gave the invocation. Miss Minnie Grossman played a piano solo which called for an encore and G. W. Kramer's vocal solo was also applauded for a second number.

Chairman of the meeting, Mat D. Blosser, then introduced the speaker of the evening, Prof. W. D. Henderson of the University, who gave a pleasing, instructive and much-appreciated address on the subject "The Re-discovery of America."

Early in the summer of 1914 Prof. Henderson and his family were traveling abroad and he had an excellent opportunity to observe the situation of affairs, especially in England and Ireland, just previous to the opening of the war.

He said we are living in the era of the new world. The old world may be reckoned as before August, 1914, and the new world as from that time on. In 1914 the curtain went down on the old world and arose on the new one and in the next generation

## CHARTER ELECTION

Woman Candidate Placed on Citizens Ticket Defeated by Margin of Eight Votes.

Perhaps more than usual interest was shown in the annual village election this year because it was the first time the women had a chance to vote. The Citizens ticket had placed one woman on the ticket and she came very near being elected. There were three trustees to be elected and the three, no matter which ticket they were on, who received the highest number of votes were elected. It will be seen by the vote below that R. G. Sortor, Bert Lowery and Otto H. Davidter were elected. Mrs. Kingsley made a close run.

There were 287 votes cast—82 straight Citizens and 28 Young Men's. Several ballots were thrown out because improperly marked.

Following was the vote each candidate received, first following name of office being Citizens:

Women of Michigan This is Your Affair!

IS IT NOT PROVIDENTIAL that the first vital issue to come up since the women of this state have gained their franchise is that issue which most intimately and most seriously affects the life and happiness of woman—the booze question?

IF THERE WAS ONE QUESTION on which women have always wished they could register their convictions it was on this one of the saloon.

ON APRIL SEVENTH the enfranchised women of Michigan will enjoy that golden opportunity—and for that reason we are absolutely certain not only of success, but of a vote so overwhelmingly against this last forlorn effort of the "Wets" as to end the matter for all time.

FOR WE CONFIDENTLY expect that the most intelligent vote ever cast in this state will then be recorded—the intelligent, clear-seeing decision of the women added to that of the men who previously voted this same question down.

FOR—MAKE NO MISTAKE—while the so-called "Light Wines and Beer" amendment sounds almost harmless, it is the old question under a cloak of verbiage—it means in plain language the re-opening of the saloon.

AND YOU KNOW WHAT that means—women know only too well.

SO WE WILL NOT ATTEMPT to analyze that particular document here. Time enough for that before election day.

OUR PURPOSE NOW—our ardent desire—is to impress upon the women of the state, the necessity of registering at once.

TRUE, YOU HAVE until March 22nd—and in cities or townships of less than 10,000, until March 25th—to register.

BUT YOU KNOW how dangerous is delay. Something may come up—you may delay—and then forget until it is too late—and then find yourself barred from exercising that precious privilege for which so many good women have fought so long.

DON'T DO IT—DON'T put it off this matter from day to day. It is vital! You will want to vote on this amendment. We need not advise you how—there is no doubt as to what women will do on this subject.

ALL WE ARE ANXIOUS ABOUT is that you register—so you will be able to vote on this pernicious bit of attempted legislation on April seventh. And on every other issue that is to be voted on then.

IF YOU DON'T KNOW the conditions of registration, read below—we give a brief outline.

YOU WILL OBSERVE among other things that you are not asked to tell your age—merely to state that you will be 21 or over on election day.

SO THAT IS EASY—isn't it? And the rest is just as simple.

ALL YOU NEED DO IS—do it! Don't delay. Don't put it off. Exercise your voting privilege now that you have it. Prove that you prize and that you deserve it.

REGISTER!—Today is the best day.

BUT IF YOU JUST CAN'T go now, set down on your calendar a certain day and make a solemn resolve that on that very day you will go and register.

REMEMBER—MARCH 22nd is the last day, except in cities or townships of less than 10,000. Then you have till the 29th. But don't wait till the last day. Register now.

THEN YOU CAN VOTE—cast your first ballot against that dangerous bill, and as you may desire on any other—April 7th.

Simple Rules For Registering

Any woman 21 or over, an American citizen by birth, marriage or naturalization can vote—if her name is on the registration book. You must appear in person. Register with the city or township clerk any day except Sunday or holidays up to and including March 22nd. In any city or township of less than 10,000 up to March 25th. Register in your own name not your husband's. "Mary Smith" not "Mrs. John Smith."

You do not have to give your age—only to state that an election day you will be 21 or upwards. You must have lived in Michigan six months or more; and been a resident of township, village or ward 20 days preceding election. Because of the tremendous amount of work to fall upon the clerk this spring by reason of the extension of the voting privilege to women, it is important that you register at once. It is simple. Requires only a few minutes—only that you do it now.
