FOR BETTER POTATOES

Growers Plan Improvement Campaign to Boost Average Production.

A campaign to raise the present low average yield of potatoes in Michigan by improvement of the seed has been launched by a committee of county agricultural agents MANCHESTER CHAPTER No. 101, O E. S., meets at Masonic Hall, Friday evening on or before full moon. Visit-ing members are invited. Mrs. Edna Root. Secretary; Mrs. Edith Lowery, W. M. who are located in the potato sections sion Division of the M. A C. will cooperate in the effort to secure high class seed potatoes for farmers of

series. The corn borer has become quite widely distributed throughout eastern Massachusetts and in certain sections of New York, and it is now feared that Michigan my become infested with the pest.

Practically all forms of farm crops are attacked by the borer, and the fact that it attacks all of the larger weeds, concealing itself in the pith, makes it well nigh impossible to exterminate the pest when it once gets a foothold in a section. It is known to attack more than 100 of our common plants, but as the name would imply, is most often found in the ears and stalks of corn.

The most likely means of the corn borer's introduction into Michigan is with nursery stock, it is thought. The danger is not so much from its being in the stock itself, although it might be found in herbaceous perennials such as iris and peonies, but from the straw, rushes, flags and other coarse grasses and weeds with which the stock might be packed. For this reason it is advisable to burn all packing material which may come around nursery stock.

Although there is as yet no genthe state.

According to the plan outlined, each association of the Potato Growers' Exchange will grow a plat of five acres or more of seed, under the supervision of some competent man appointed by the board of directors of the association. This man will cooperate with the local county agent and the extension specialists from the agricultural college in handling the work.

come around nursery stock.
Although there is as yet no gen

eral quarantine against shipments from the infested districts, we would strongly advise against bringing in nursery stock from New England, cr

JACKSON COUNTY

The Jackson county corn show will take place the third week in January.

Jackson will have a Christmas tree rimmed by the city fire department.

Jackson lost the opportunity of getting a branch automobile factory, because she had no houses for the work-men who would be drawn there. That is the trouble with most places.

Among juronrs drawn for the January term of circuit court are: George Hess, Columbia; W. E. Curtis, of Grass Lake, Carlton W. Bibbins of Napoleon, nd George Stevens of Norvell.

We had no idea that there were people in this town who really thought that the world was surely coming to an end on Wednesday, the 17th. We thought that it was all the put on sackcioth and ashes, so to speak.

An editor received this letter from a fresh youth: "Kindly tell me why a girl always closes her eyes when a fellow kisses here".

and the extension specialists from the agricultural college in handling the work.

When the seed is grown it will be offered to members of the local association for their following season's planting stock. These members will exchange first-class table stock of their own production for the improved seed when they market their potatoes. In this way every grower in the county will have an opportunity to get hold of the pedigreed seed stock.

In view of the fact that the very low average yield of potatoes in this state is due to a considerable extent to the use of poor seed, this movement to improve the seed stock of the state growers is expected to result in a substantial addition to the average production.

CORN BORER IS FEARED

Of Nursery Stock to Keep Out Insects.

That there is danger that the European corn borer, a dangerous insect which has gained quite a foothold in the East, may be introduced to Michigan in shipments of nursery stock, is the opinion of L. R. Tatt, state inspector of orchards and nur-

Reserves vs. Current Demands

The calling rate at the telephone switchboard is enormous these days and the telephone companies everywhere are pressed for facilities to meet the ever-increasing demand for, and use of, the service.

In Michigan the customary construction program, that is, customary under pre-war condi-tions, was abandoned during active hostilities in order that the Bell System might devote all of its energy, all of its ingenuity and thousands of its trained assistants to the winning

The result is that the demand for facilities has overtaken the supply and today the Michigan State Telephone Company finds itself living from hand to mouth, so to speak, in the matter of facilities.

It is difficult to build up reserve facilities and at the same time meet current demands. The unavoidable delays in construction work have been discouraging, at times, both for the Telephone Company and the public. But the turn in the road seems now in sight and the management feels confident that, shortly, the Company will be prepared to respond to all demands for service.

GOT WHAT HE DESERVED

Youth Given Sentence Should Be Handed to All Like Offenders.

In sentencing a boy who stole an automobile, Judge Parkinson of Jackson said, "I have never granted parole so far to a man convicted of stealing an automobile and I don't think I shall in the future. I am think I shall in the future. I am going to give all of you auto thieves the full turn of the wheel. I am going to try and make it safe for the people of Jackson-county to own an automobile. I am going to give you one and one-hall years as a minimum and recommend two years as a maximum, at hard labor, to be served in the state reformatory at Ionia."

INDUSTRY IS REVIVED

Result of Election Monday Will Put New Life Into Village-Now to Do Something.

nursery stock from New England, or from eastern or south-western New York. There is not likely at this time to be any danger from Rochester, Geneva, Newark, Dansville or other points in central New York. The larvae of the borer are grayish in color, smooth, and about one inch in length. The pupae are cigarshaped and about one-half inch long. If anything suspicious is found samples should be sent by mail to the state inspector of nurseries and orchards. East Lansing, with the specimens in a tin box, as the larvae can eat through a paper box.

Now to De Something.

Matters that hinged on the result of the election will now go forward. As to the branch of the Michigan Seating Company of Jackson, papers were at once signed transferring the old Baptist church property to find the property to mayer and A. A. Snowman, who represent an association consisting of Jackson, papers were at once signed transferring the old Baptist church property to find anything suspicious is found samples and A. A. As to the branch of the Michigan Seating Company of Jackson, papers were at once signed transferring the old Baptist church property to find the election will now go forward.

against. Nine billots were thrown out because they were illegal.

Monday was one of the coidest days this winter and early in the day it was thought the very severe weather would cut down the vote especially among the women, and those who were particularly anxious that the plan should carry and had devoted their time and energies to her."
To which the editor replied:
"If you will send us your photograph we may be able to tell you the the matter were somewhat in doubt as to how the result would turn out.

Indeed, it was rather a big problem all the way because never were so many women registered, and though many thought they would mostly favor the plan—one never can tell about an election.

about an election.

As the voting proceeded, guesses of as high as 85 per cent in favor were made, but when the ballots were counted and only those lone-some 18 noes were found all were surnived.

were commeted and only those were surprised.

There was no particular demonstration over the affair. Men met in bunches and expressed their satisfaction and informed by phone others who were not at the count, but there were no bonfires nor noisy demonstrations. It seemed to be considered as a piece of business to be taken care of and when finished that was all there was to it.

Work on the new line to Clinton will be taken up as soon as material can be purchased and holes dug for the poles.

"As a matter of fact many women who registered did not get to the polls, and judging from the nine ballots that had been written upon and otherwise mutilated, some voted for

lots that had been written upon and otherwise mutilated, some voted for the first time and were not quite clear on the Australian method cf voting. We must lay these shortcomings to the women now, because the men have been voting by this system so long that they certainly should be well informed—though it has been a hard lesson to learn.

As to the branch of the Michigan Seating Company of Jackson, papers were at once signed transferring the old Baptist church property to Trustees Fred Houck, Fred Widmayer and A. A. Snowman, who represent an association consisting of G. J. Haeussler Son, Fred Widmayer, A. A. Snowman, Wuerthner Bros., G. H. Bra mwischer, Yocum & Marx, J. E. Springer, R. G. Sortor, M. J. Pardey, Bros., Fred Houck and J. E. Bowley, who have raised \$5,000 to purchise the above property and fit it for the coming factory. The building will receive extensive alterations, work on which will be begun at once.

Subscriptions for stock in the new stove and furnace foundry will now be pushed. A large part of the stock has already been subscribed.

MOREELECTRICITYNOW

Special Election to Bond Village for Election Carries by an Overwhelming Majority.

With the largest rote ever polled at an election in the village, the proposed electric tangement with Clinton carried by the over those out because they were thrown out because they were illegal. York will greatly facilitate matters and the farmer will get the benefit.

CLUB'S DINNER-MEET

Year's Gratifying Effort And 28th Anniversary.

At the home of Mrs. J. H. Kingsley, the annual Christmas banque of the Saturday club was given Sat urday, Dec. 13, immediately follow ing adjournment of the usual short business session.

The 13 members present besides the hostess included Mrs. Fred H Blosser, Miss Louise Goodyear, Mrs. Taylor Gage, Mrs. Geo. J. Haeussler, Mrs. Arthur Lowery, Mrs. Albert Lowery, Mrs. Lynch, Mrs. Frank Spafard, Sr., Mrs. John F. Spafard, Mrs. Fred E. Spafard, Mrs. Alleda Tracy, Mrs. Adam Houck.
The rooms were beautifully decorated with the bright Christmas colors. A Christmas tree heavily laden and a hearth-fire glowing merrily lent a fitting yule-tide spirit to the festivities which followed.
Mrs. Frank Spafard, Sr., chairman of the entertainment committee, assisted by Mrs. John Spafard and Mrs. Adam Houck, provided a few seasonable amusements, each guest Blosser, Miss Louise Goodyear, Mrs

seasonable amusements, each gues receiving a "rare hot-house plant"

of peculiar strain, a gay little Christmas stocking and a beautiful gift from the tree.

Mrs. Alleda Tracy and Mrs. Rayfor Haeussler, the refreshment committee, were responsible for the decorative effect of the dining room. A minature Christmas tree and lighted candles attested their efforts and made an effective table decoration.

The year just drawing to a close, marking the 28th calendar year of the club's existence, made this meeting an especially notable one, filled with reason for congratulation.

ing an especially notable one, filled with reason for congratulation.
With the cessation of its war-time activities, the club has increased its study work and the interest of its members has been awakened, resulting in their excellent cooperation.

The Price of Pork Chops and Bacon

Here are reasons why the fine, fresh pork tenderloins and pork chops, or savory ham, or crinkly bacon, which you enjoy for breakfast, cost much more per pound than the market quotation on live hogs which you read in the newspaper:

An average hog weighs 220 pounds.

Of this, only 70 per cent (154 pounds) is meat and lard.

So, when we pay 15% a pound for live hogs, we are really paying more than 21% a pound for the meat which we will get from these animals, even after taking into account the value of the by-products.

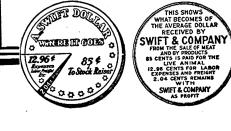

But people show a preference for only one-third of the whole-the pork chops, fancy bacon, and choice cuts from juicy hams.

This means that when we are selling Premium bacon at 431/24 per pound wholesale and Premium hams at 30%, there are other parts for which we get as low as 6¢ or 8¢ per pound. The net result is an average profit to us of less than 1¢ a pound.

The choice cuts are higher because of a demand for them.

Another thing: Only 35 pounds of the entire hog-or about 1/6th-is usually marketed at once. The rest must be pickled, cured, or smoked. This takes months, and adds to the costs which must be met.

Neighborhood News

IRON CREEK

Mr. and Mrs. Ed. Uphaus visited friends in Jackson Saturday.

Teachers in the different schools are busy with Christmas exercises.

Miss Olive Sutton is visiting with friends in Lansing and St. Johns this week.

J. C. Matteson of St. Johns called on relatives and friends here last Rev. Jenkins and family moved from Norvell into the Baptist parson-age here last Friday.

Mrs. Harvey Ahrens of Sharon spent Sunday with her parents, Mr. and Mrs. A. E. Bowins.

Mrs. A. E. Sutton, Miss Ethel Fur-gason and Mrs. Walter Frey were Jackson visitors Saturday.

Patrick Costello, an old resident of this place, died Sunday morning. The burial was at Cambridge, Tues-

Mrs. Frank Troiz, who has been at the farm for some time, has re-turned to her home in Jackson. Her husband was down Tuesday.

A pleasant surprise was given Mr. and Mrs. Charles Cooley at their home last Wednesday evening by their neighbor friends. Mr. and Mrs. Cooley will make their home in Clinton hereafter.

SHARON

H. H. Fellows of Jackson called n friends here Sunday.

Floyd Pardee had his left arm badly hurt on Monday by coming in contact with the saw while he was helping buzz wood in Ernest Smith's woods.

Because Mr. Washburne called the newly erected community club house a dance hall, some of our citizens are very bitter in their condemnation of the affair.

On account of the weather they did not get the community building finished in time to dedicate it this week, so they postponed it until next Tuesday, the 23rd.

This township ought to take more interest in good roads. A man who rides about a great deal says that Sharon is backward in the matter of good roads. As an excuse some of our farmers claim that we have comparatively little gravel that is fit for road building, and being entirely without railroad facilities the cost of bringing it here would be too high.

BRIDGEWATER

Frank Lowery and family of Man-chester were guests of Roy Lowery and family Sunday.

Adam Wurster of Manchester has the Koernig house moved to the foundation prepared for it by Wm. Allen. He hired a trastor in Adrian

A meeting of the Grange was call-A meeting of the Grange was called at the residence of Charles Maurer last Friday, but there being no quorum present no business was transacted. A meeting will probably beheld next month for election of officers.

gravel to be used in constructing a new dam, several rods below where the old mill dam was at "Podunk." Ed. Smith of Clinton has purchased land of Messrs.

Jenkins & Hogan and in the spring work
of construction will begin.

NORTH SHARON

Mrs. Max Irwin spent Monday in

Mrs. Amy Irwin of Grass Lake spent Sunday at the farm.

Miss Mayme Reno returned to Ann arbor the first of the week to be with her sister, Mrs. Lyon, who is ill.

Mrs. Kellogg of Pontiac returned to her home Sunday after spending some time with her cousin, Mrs. Augusta Cooper.

WAMPLER LAKE

The ice is seven or eight inches thick on the lake, and smooth and

Fred Welch has moved on the Aunt Dolly Welch farm on the pike, which his father recently purchased.

George Nisle and family will leave Thursday or Friday for California, expecting to spend the winter there.

Much of the lumber for the addition to the Farm dance pavilion is on the ground ready for work in the spring. When completed the building will be lighted by electricity, Mr. Nisle having purchased a plant this week.

Pay Your Taxes.

I will be at my market in Manchester to receive 1919 Taxes each day from 12:00, noon, until 2:00 p. m., and Thursdays, Fridays and Saturdays all the afternoon until Jan. 10th. All dog taxes not paid before Jan. 10th will be turned in to the county treasurer, as required by law. John Bowler, Treasurer.

Wanted.—Apple trees for lumber. We will cut them, heaul them and pay you a good price. If you are not making your orchard pay, this is a good time to sell. Write C. S. Dawley, lock box 74, Hillsdale, Mich.

For Sale.—Power Washing Machine and 6-horse Mogul Kerosene Engine. Also Letz Feed Grinder. Merle Minor, Manchester.

Swift's Premium Oleo, highest rade, needs no coloring. At J. E.

Xmas Nuts and Candies at J. E.

Fresh Oysters. J. E. Seckinger's.

NORVELL

It is hoped that the Toledo ice company will cut and ship ice from here this winter. It gives employ-ment to many men and livens up the

We learn that Miss Austin niece of A. J. Austin who went to Lansing last summer to assist in the telephone office there, has been given such a tempting position and salary that she has concluded to remain there.

there.

James O'Neill, who traded his farm here for a hotel property at South Lyons, came to Brooklyn last Thursday to be present when Grass Lake Chapter officers were guests of Brooklyn Chapter and conferred the degree. On account of one of the officers failing to be present, Mr. O'Neill was called upon to act in his place, which he did in fine shape. During the evening Ara Palmer, for Brooklyn Chapter, presented Mr. O'Neill with a masonic keystone button as a testimonial of regard for him.
