YOCUM & MARX

NO PANIC!

Says Banker Forgan of Chicago. "Did the calamity howler get your ear and heart? Don't be alarmed. There is no reason, and a good one. As long as the demand is greater than the supply, there will be a panic. The laboring man says MORE WAGES; the foreign countries say 'GIVE US MERCHANDISE.' There can be no industrial panic but no financial panic. Furthermore be cheerful and optimistic. The next president will be Republican and there will be a panic under Republican administration. Moral: Why worry? We want our Dress Straw Hat Department to look like a panic. We want you to save and how is the time. We are going to give a special inducement and want you to save."

WILL ADDRESS CLASS

The question is frequently asked, "What is the reason for the delay in the electric transmission line to Chelsea?" The reason for the delay is the fact that the line is being built in sections and the sections are being built in the order of their importance.

Special music has been arranged for the evening and the program is as follows: Prelude—Mrs. Kayser; Choir—Mrs. Kayser; Scripture—Solo; Prayer—Solo; Sermon and prayer—Solo; Benediction—Solo; Doxology—Solo.
