BRIDGEWATER

Mr. Charles Albert has been appointed as the new bridge warden in Ann Arbor.

One of our townships who live along the river, the Light House, has been making the bridge between their residences and barns across the river. Others expect to be completed as soon as possible.

They who are now connected and their short bridge, the Light House, is being built by the town of Frankfort.

Sup. Anderson says there will be a few moments of darkness each day from the three bridge system from the town of Manchester.

It is dangerous to handle when dynamite is in motion, so he patient a few moments while they are working.

Let's settle this right now!

No man ever smoked a better cigarette than Camel!

You'll find Camels unequalled by any cigarette in the world at any price because Camels combine every feature that can make a cigarette supreme!

Camels expert blend of choice Turkish and choice Domestic tobaccos puts Camels in a class by themselves. Their smoothness will appeal to you, and permit you to smoke liberally without tiring your taste!

Camels leave no unpleasant cigarette aftertaste nor unpleasant cigarette odor!

You'll prefer Camels blend to either kind of tobacco smoked straight!

Camels are the only cigarette that is both smooth and strong.

Camels are the only cigarette that is both smooth and strong.

Camels are the only cigarette that is both smooth and strong.

MANCHESTER

MANCHESTER, MICHIGAN, THURSDAY, DECEMBER 23, 1920

WHO'LL SHOVEL SNOW
Main Highways To Be Kept Open During Winter By New System.

Perhaps 150 miles of county roads will be kept clear of snow or open for traffic this winter, says J. J. Cox, county road commissioner. This does not include all the county roads. These will have to be looked after by the township road commissioners and paid for by tax. The roads to be kept open under Commissioner Cox are: Ann Arbor to Whitmore Lake, Dexter to Ann Arbor, Ann Arbor to Ypsilanti, Ypsilanti to Clinton, Jackson to Saline through Chicago road.

The purchase of the free road by the Common Council when they knew they had no money to pay for it caused a good deal of comment and a meeting of citizens was held at the council chamber last Friday evening when the whole business was made over to the citizens. It was also had much to say about the electric transmission line from Clinton, and it is claimed that it cost considerably more than the estimate made and the amount which it also appears that the system is not what was represented; that is, it was understood that when there was plenty of water we would not need to take electric power from Clinton, as we would be sufficient for our needs and for the electric line in Bridgewater. It now appears that the system allows only for a current from Clinton. By this means we will maintain a line for the benefit of Bridgewater farmers at no profit to us.

WASHENAW COUNTY
The county clerk has received a supply of automobile licenses for Lansing and that is the place to get them for the present.

Work has been commenced to supply the business portion of the village with a system of water works. Three-inch mains will be laid and the water will be pumped from a power electric pump below the mill. It is only for fire protection.

O. T. Hoover who has owned the Chevrolet Standard car for some time has sold the business to M. W. McGuffey and will devote his time to his new appointment as postmaster under the name of Hoover.
