

THE FARMER HANGS OUT HIS BUSY SIGN

From the time spring planting starts to the day that harvesting is over, the farmer is one of our busiest citizens.

Nevertheless, if the farmer hasn't time to come to the bank, he can bring the bank to him through using the mails to do his banking.

Did you ever stop to think how long you have used your horses, and what it has cost to keep them so you would have power to do your spring work?

Would it not be better to feed more meat-producing stock that you could turn into money this spring, in place of feeding those extra horses that are worth no more today than they were a year ago?

Why let those horses eat the profits of the farm when you can do the work better, quicker, and for less money with a FORDSON!
