Avery in Popular Science Monthly-Protect Spare Casing.

Special tire paints designed t protect the spare tire from it jury cansed by light, air and moisture can now be purchased. These paints are black and give the tire a glossy, smooth finis which greatly enhances its pearance. No special skill is required in the application. The use of a protective coating on the spare tire is desirable, for it is often exposed to the action of the elements for months before it is put into use. During this time it is slowly deteriorating so-that its mileage is gradually cut down. A suitable coating, there fore, not only stops deteriors, tion, but also adds to the appear-ance of the article.

The voice of the conscience of the nation speaks in the work of Lis author. In "A Man for the Ages," his great narra-tive of the growth of democracy in which a probability of the growth of democracy in which "A Man for the Ages," his great narra-tive of the growth of democracy in which Abraham Lincoln is the chief character, he has written his best and biggest, most compelling novel. A wonderful theme in which others might have failed. Mr. Bach-eller has succeeded because of his famil-iarity with the fundamentals of American life-American life as it is exemplified by: the makers of America. It is the most appealing, potente of Lincoln and of the times beginning, gomewhat before the middle of the last century and extending to about 1960; that hus vore, been penned. Aside from its interest as a house land its value as a document of Americanism, it is a distinct contribution to Ilterature em-bodying human nature and human inter-est. "A Man for the Ages" will soon start as destained not the integrate and you are ethorized not to miss a line of IN.

# FELT LIKE AN IRON BAND AROUND HEAD

### Mrs. Osborne Says She Shudders When She Thinks How She Suffered.

"For years," said Mrs. V. B. Osborne, of 718 Lancaster Ave., Lexington, Ky "I have been in a run-down condition ; "nervous, weak and dizzy. I was ac thally so nervous that any sudden noise or excitement would produce a pulpitation of my heart that frightened me. I absolutely could not climb stairs, for to attempt such would the oughly exhaust me.

"I had nervous headaches and whe they came on it seemed that an fro band was drawn tight around my head. I now shudder when I think of thos daches. My stomach was weak and I could not digest the lighte liquid food. Any food of a solid na ture caused nausea and the sickening ensation remained for hours.

"My misery was almost unbearable My sleep was never sound and I was worn out all the time. My condition was indeed a very deplorable one. finally sought treatment in Cincinnati but nothing helped me one particle I was on the verge of giving up in despair when a neighbor pleaded with me to try Tanlac. I obtained a bottle of the medicine and began its use.

I began improving at once and soon elt my nervousness and dizziness disappearing. Then my headaches lef ne and I realized my strength had returned. My appetite and digestion improved and I am now so much better in every way. This Tanlac is a wonlerful medicine and the only one that ever really helped me. I hope every poor woman who is suffering as I did Tanlac is sold by leading druggists everywhere.-Adv.

NOW HE BELONGS TO THE AGES-STANTON

"A Man for the Ages" is Abraham Lincoln. The book is fiction dealing with fact—bistory in the guise of fiction. It is an intimate study of Abraham Lincoln during his formative period at New Salem, Ill. It tells a chapter in his life that no man can read without smiles

Abc tears and wonder. Abraham Lincoln arfived at New Salem in 1831, "a stranger, a friendless, uneducated, penniless boy, working on a flat boat for \$10 a month," as he himself put it. In 1837 be left to take up his law practice in Springfield. In those six years he transformed himself to a man of acknowledged ability, of promise, of more than local repu-tation. It was at New Salem that he earned the nickname of "Honest Aber." that he was defauld for the local tation. It was at New Salem that he carned the nickname or nones. Abe;" that he was defeated for the legislature and elected; that he won and lost by death Ann Rutledge.

Irving Bacheller is one of the very few men who could write such a book. His work is well known. This will add to his fame. CHAPTER I
