REV. H. J. JOHNSON Brief News Items

Has Been Here Six Years—Conference Means to Change.

There were a considerable number of women present and a few men, and the instruction given was apparently much appreciated.

Mr. and Mrs. Thomas J. Thorn of this village celebrated their '30th wedding anniversary at their pleasant home, Frday evening. Sept. 2nd, in a quiet but pleasant way. A company of relatives and intimate friends were summoned to pass the evening with them and light refreshments were served.

It is not known, of course where conference will want to send Rev. Johnson. He is at present ill at his bed for several days, and in the present state of his health he is undecided ahout accepting a charge, though it has been urged that he go to several places at a good salary.

Moisture Needed. Almost every man who owns of has run an automobile has noticed that his engine actually runs better in the very early morning or late at night, just after the dew has failen. This is due to the amount of moisture in the air.

Why contend with the frequent skipping of the engine and the loss of power due to the hot dry air of a summer day, when with a few hours' time and a little expense you can manufacture an apparatus which will give you the moist_cold_sair_that gives life to the sair of the dash is open to allow the inclosed air to escape.—Popular Science Month-Almost every man who owns or has the moist cold, air that gives life to ly.

THE TRIALS OF

How They Have Been Endured and How Overcome by Lydia E. Pinkham's Vegetable Compound

Experience of a Providence Woman

Providence, R. I.—"I took L.
E. Pinkham's Vegetable Compound
for a female trouble and backache.
Itbegan just after my baby was born,
and I did the best I could about getting my work done, but I had awful
bearing-down pains so I could not
stand on my feet. I read in the papers
about Lydia E. Pinkham's Vegetable
Compound and the good it was doing
other women, and I have got dandy
results from it and will always reccommend it. You can use these facts
as a testimonial if you wish."—Mrs.
HERBERT L. CASSEN, 18 Meni Court,
Providence, R. I.
Ohio woman for three yours Ohio woman for three years could hardly keep about and do her housework she was so ill. Made well by Lydia E. Pink-

Made well by Lydia E. Pinkham's Vegetable Compound:
Fayette, O. "For about three years
I was very nervous and had backache,
sideache, dragging-down pains, could
not sleep at mght, and had no appedoctor but it did not help me. I saw Lydia E. Pinkham's Vegetable Compound
advertised in a newspaper and took it with good results, and am now able to
do my housework. I recommend your medicine to my friends and you may
publish my testimonial."—Mrs. CHESTER A. BALL, R. 15, Fayette, Ohio.

An Illinois woman relates her experience: Bloomington, Ill.—'I was never very strong and female trouble kept me so weak I had no interest in my housework. I had such a backachë I could not cook a meal or sweep a room without raging with pain. Rubbing my back with alcohol sometimes eased the pain for a few hours, but did not stop it. I heard of Lydia E. Einkham's Vegetable Compound, and six bottles of it have made me as strong and healthy as any woman; and I give my thanks to it for my health."—Mrs. J.A. McQuitty, 610 W. Walnut St., Bloomington, Ill.

the conditions described by Mrs. Cassen, Mrs. Ball, and Mrs. McQuitty will appeal to many women who struggle on with their daily tasks in just such conditions—in fact, it is said that the tragedy in the livesof some women is almost beyond belief. Dayin and day out they slave in their homes for their families—and beside the daily routine of housework, often make clothes for themselves and for their children, or work in their gardens, all the while suffering from those awful bearing-down pains, backache, hestaches, nervousness, the blues, and troubles which sap the very foundation of life until there comes a time when nature gives out and an operation seems inevitable. If such women would only profit by the experience of these three women, and remember that Lydia E. Pinkham's Vegetable Compound is the natural restorative for such conditions it may save them years of suffering and unhappiness.

There is hardly a neighborhood in any town or hamlet in the United States There is hardly a neighborhood in any town or hamlet in the United States wherein some woman does not reside who has been restored to health by this famous medicine. Therefore ask your neighbor, and you will find in a great many cases that at some time or other she, too, has been benefited by taking it, and will recommend it to you. For more than forty years this old-fashioned root and herb medicine hasbeen restoring suffering women to health and strength.

That Baby should have a bed of its own all are agreed. Yet it more reasonable for an infant to sleep with grown-ups than to use a man's medicine in an attempt to regulate the delicate organism of

that same infant. Either practice is to be shunned. Neither would be tolerated by specialists in children's diseases.

Your Physician will stell you that Baby's medicine must prepared with even greater care than Baby's food. A Baby's stomach when in good health is too often disarranged

by improper food. Could you for a moment, then, think of giving o your ailing child anything but a medicine especially prepared for Infants and Children? Don't be deceived. Make a mental note of this: It is important, Mothers, that you should remember that to function well, the digestive organs of your Baby must receive special care.
