thought we did formerly... puzzle of origin again harks back to where it stood when Darwin began to investigate. His theory and its suc-cessors hang on the clothesline, horoughly aired and flapping in the preezes. Parallel evolution being a fact, all of us can accept it, even the layman and the orthodox clergyman. All can readily admit, for instance, that every human being has 28 bones in his cranium, identical with those of reptilia and amphibia. Beyond that fact, no one need admit or deny origin, but merely stand pat or pick out his own ancestor.... All past theories of descent having been abandoned fo want of connecting links, we find our

selves just where Agassiz left matters, with only his doctrine of mal tiple origin with which to tle.--W . Ballou, the North American Re -----Clashed With Spain in 1854.

The Spanish-American war of 1898 as the second time that trouble dereloped between Spain and the Unite States, originating in Cuba. In 1854 the "Black Warrior," a steamship beouging to United States citizens, was seized in the harbor of Havana, and declared confiscated. The proceedings aroused feeling against Spain, an liplomatic exchanges took place

Madrid, the owners demanding it demnification of \$300,000. The Spanis government proved reluctant and at length flie Ostend conference was held to adjudicate the matter. The vessel was finally released or payment by the owners of a fine of \$6,000, and amicable relations with

Spain were restored. Chocolate Properly Appreciated. Cocoa as a beverage was first used by Leonardo Cortez, to whom the ancient Mexican natives taught the use of it. In the aboriginal Mexican anguage, this concoction was called "chocolate," which means choos and

water. Although from the moment that this explorer and his followers brought it to Europe, just four cen-turies ago, "choconte" found its en-thusiastic devotees, yet, at the same time, it met with blater opposition on the part of many persons. Fortunately, saner opinions, in respect of this harmless product now prevail, and, al though cocoa differs somewhat from the chocolate of Cortez times, th

change does not lie with the cocos eans, which are practically the same

Spend your summers at SUNSET BEACH

MANCHESTER ENTERPRISE THURSDAY, IUNE 22, 1922

VINEYARD LAKE --- THE BEAUTIFUL

100 or More Choice Lots For Sale

Fishing, Boating and Bathing

For those who like to "wet a line," Vineyard Lake is a paradise. Good fishing abounds everywhere. Perch. Blue Gills, Bass and Pickerel are plentiful. Also a wide expanse of water makes canoeing and sailing a delight. Bathing facilities are of the best, a wide sandy shore extending the entire 80-rod length of Sunset Beach affords great sport for wading and swimming, while farther out the water is amply deep for diving.

How to Get There

bout 21/2 miles from Brooklyn, Mich., on improved State

road. From Adrian, go northwest to Wampler's Lake,

turn to right on State gravel road toward Brocklyn. Go.

about 2 miles west, watch for sign and take first left-

hand turn, continuing south-less than one-half mile to

From Sand Lake, go short distance north to Chicage

Sunset Beach, Vineyard Lake-The Beautiful, is -

This property has only recently been acquired from an estate, and because of its natural' beauty and ideal eation is being platted into building lots and offered for public sale. Choice lake front lots are available for pracfically the entire width of the property, with an equal number of choice lots along top of ridge, while betwee

lake front lots and ridge are fifty or sixty more excellent lots. Not a single undesirable lot on the beach. Beautiful boulevard runs entire length of beach with courts leading to all lots and extending to water fron ...

Pike, then west through Irish Hills, turning to right at school-house opposite Wolf Lake (see sign). Then go north about 2 miles to large sign which indicates private drive to lake, mentioned above

A guide will leave New Adrian Hotel 11 o'clock Fri-day morning, June 30th, for Sunset Beach. Look for

Special Sale June 30 and July 1 -ONE LOT FREE

Beginning Friday afternoon, June 30th, at one o'clock these lots will be offered for public sale. Every lot will be plainly marked and priced. First come get first choice. Everyone attending first day of sale will be given a ticket on a lot to be given away free to the holder of the lucky number. Salesmen will be on the ground to show lots. In the event of rain or bad weather sale will continue following week.

Be Sure to Come

Bring the whole family-youngsters and all, also your bathing suits and lunch baskets. It will give you an excellent opportunity to sample our bathing beach and other pleasures while looking at these wonderful lots. The many nearby spots—one only 2½ miles away-make it easy to get building materials at reasonable prices, which is a decided advantage for Sunset Beach property owners.

Remember the Date. This is your chance to get a Real Summer Home, which should more than double in value in a short time

MANCHESTER ENTERPRISE, THURSDAY, JUNE 22, 1922.

"PALEFACE!"

"Here's a story of pione days in early American histor hat contains vivid pictures o momentous events from Ka kaskia to Yorktown and mous American fighting m from George Rogers Clark to revolves about a striking figu -the son of a blueblooded V ginian, stolen and brought up by the Indians and reclaimed by his kindred only in the end to hear the call of the wild and become a pioneer in Kentuck But he escaped from the wilde ness a breech-clouted savage He went back to the wilderness a civilized white man, with the best gift of civilization—a love-

ly American bride. John Fox, Jr., is the author of this story. Patriotically American, he won fame with stories of Kentucky, his native state—"The Little Shepherd of Kingdom Come," "The Irail like. "Erskine Dale-Pionee is his latest-and last.

CHAPTER I

Streaks of red ran upward, and in answer the great gray eye of the wilderness lifted its mist-fringed lid. em the green depths came the fluting of a lone wood-thrush. A cougar eaped from the low limb of an oak, and a shuddering deer streaded through a forest aisle, bout led into a little clearing, stopped rigid, sniffed-a deadlier enemy, and whirled into the wilderness again Still deeper in the depths a boy with a bow and arrow and naked, except for scalp-lock and breech-clout, sprang rom sleep and again took flight along a buffalo trail. Again, not far behind

ing up the print of his moccasined n hour before a red flare rose vithin the staked enclosure that was reared in the center of the little cleare ing, and above it smoke was seen rising. Before the first glimmer of day the gates yawned a little and three dim shapes appeared, and moved leisurely for the woods-each man with a long flintlock rifle in the hollow of his arm, a hunting knife in his belt, and end of the stockade a watch-tower of oak became visible and in each a sleepy sentinel vawned and sniffed welcome smell of frying venison

That Baby should have a bed of its own all are agreed. Yet it is more reasonable for an infant to sleep with grown-ups than to use a man's medicine in an attempt to regulate the delicate organism of at same infant. Either practice is to be shunned. Neither would a tolerated by specialists in children's diseases. Your Physician will tell you that Baby's medicine must

repared with even greater care than Baby's food. A Baby's stomach when in good health is too often disarranged by improper food. Could you for a moment, then, think of giving to your ailing child anything but a medicine especially prepared for Infants and Children ? Don't be deceived. Make a mental note of this:-It is important, Mothers, that

you should remember that to function well, the digestive organs of your Baby must receive special care. No Baby is so abnormal that the desired results may be had from the use of medicines primarily prepared for grown-ups; MOTHERS SHOULD READ THE BOOKLET THAT IS AROUND EVERY BOTTLE OF FLETCHER'S CASTORIA GENUINE CASTORIA ALWAYS
