Chief Operator Helps to Keep Your Telephone Service Good

"Please give me Chief Operator"

How often have you spoken that phrase to "Central"? Chief Operator is your immediate point of contact with the Telephone Company on service problems.

Your request to Chief Operator is cared for by a young woman especially trained to interpret your telephone needs and handle your inquiry. She helps solve your service

It would be worth your while to visit your telephone exchange some day, between the hours of eight and five, and meet the Central office folks. Come alone or with a group of friends. Clubs and associations always are welcome. You will find everyone alert to give you good service. You will have an interesting visit and it will be mutually advantageous for us to become acquainted. You will learn how, through co-operation, telephone service is kept at high standard.

subject of building work on the farm, for the readers of this paper. On account of his wide experience as Editor, Author and Manufacturer, he is, without doubt, the highest authority on all these subjects addrass all inquiries to William A. Bradford, No. 1827 Prairie avenue, Chicago, Ill., and only inclose two-cent stamp for reply.

This is a very modern dairy barn of the popular gambrel roof type, 112 feet long, 36 feet wide and with a capacity for 40 cows. It was not built up entirely from the good sense and imagination of the builder and contractor, but followed a definite, set plan. It cannot be too strongly urged, since the price of plans is reasonable and low, that the best results in building a barn.

-----

fied, but at the same time the other concreting, such as concrete approaches at the doors, watering troughs, etc., may be done. A concrete bridge may even be built to the second floor, if the barn is on level ground and the owner feels it is an advantage.

Common sense will dictate that the barn be placed across the road from the control of the self-shapes displaced that the same time the other shapes door posts moved and the temple was filled with smoke. Smoke indicated that the self-shapes displaced that the same time the shape shapes displaced the shapes displaced that the shape shapes displaced the shapes displaced th barn be placed across the road from the house, or at least 250 feet away. It resolves itself into the question of whether there is more comfort from the selfishness, idolatry and ingratitive of israel provoked God's anger.

II. laslah's Conviction of Sin (v. 6). When the prophet got a vision of

onodorous breezes than from saving Strange Ambitions selves is that they have never seen God. Face to face with the Lord. Strange are the ambitions that beset human life. The ircus that came to Madison Square garden the other day—and by this art officially brought spring to Manhattan—revealed three, two that have been fulfilled and one that still remains to be attained.

One was the "homellest woman in the world." She arrived from Furence of the crop of despair. He was not only guilty himself, but was living in the midst of an unclean people.—III. Isaiah Cleansed From Sin (vv. the world." She arrived from Europe 6, 7).

GREATEST PIANO SALE

CLOSES SATURDAY, MAY 26, 10 P. M.

The mistory of our mainty years experience positively closes SATURDAY NIGHT. The number of sales have been more than twice what we expected they, would be; therefore we were forced to call-on-our warrenoms for fresh goods. For the last day of this Sale we have again received a shipment of even greater bargains than we have shown during the week.—It is our desire to make this LAST DAY the Diggest day of the week, and we feel sure it will be, because of the fresh goods just received, which enables us to offer prices on high-grade Pianosso low you will really be amazed. We have been asked a hundred times this week how we could sell Pianos at the prices we are. IT'S VERY SIMPLE—we are manufacturers—we are the largest piano house in Michigan—in fact the largest exclusive retailers in the world. Our output so large, our expenses small—THAT IS THE ANSWER.

# The Joy of Living for Dad 1-1-11 you's salty ist as tell you— "Thave no desire to listen to a discreditable story, at which, no doubt, I could give a very good guess. As for your father, he must face the consequences of naving allowed you to behave as you do. I have no more to behave as you do. I have no more to say," replied Diana with cold dis-

SYNOPSIS.-Disliking the prostere aunt, Lady Erythea Lamb at Jervaulx abbey, and her cousi daughter of the Very Reveren

Aimee gets the place of parlor maid at Jerwinix Alexander thinks he recognizes Aimee as "Calamity Kate." Georgina divulges Aimee's kentity. Hearing her story, Alex-ander consents to keep the secret. Alexander finds himself very much in love with Georgina. CHAPTER XVI-Continued.

"What was that? A dog?" he said confusedly.

Georgina, pink to the ears, had risen to her feet; her eyes shone somewhat viciously.

"D' Artagnan—in the nesn. With a touch, perhaps, of Porthos. The type which it is a good woman's mission to reform. But this is outside your province, Aimee," she said abruptly, and laid a hand on the girl's shoulder. "It sounded to me more like a ras!"

"It sounded to me more like a ras!"

"Go, my dear child, and get your cousin away from his books. Take him for a drive and some fresh air."

whistle, as a poacher who calls his "Let us hope," said Georgina breath
