PHYLIS KERN WEDS JAMES BAKER

At a candle light service, Miss Phyllis Carolyn Kern, daughter of Mr. and Mrs. Phillip Kern of Manchester, became the bride of James H. Baker, son of Mr. and Mrs. Frank Baker of Clinton. The double ring ceremony which took place at the Emanuel Evangelical and Reformed Church at 8:30 o'clock, August 24, was performed by Rev. H. S. VonHaeze before an altar banked with palms and white gladioli.

The bride given in marriage by her father, chose a gown of white satin with a deep set yoke of net accented by seed pearls. The full skirt of nylon ended in a long train. She wore a fingertip veil with a tura of seed pearls matching those on the gown. She wore a pearl necklace. Her white prayer book was topped with white roses and gardenias. Miss Shirley Roedel, a classmate of the bride, was her only attendant. She wore a gown of white net trimmed with blue and a Marie Antoinette crown of lilacs. She carried white gardenias and blue delphinium on a white prayer book.

For her daughter's wedding Mrs. Kern chose a pale pink dress with black accessories. Mrs. Baker, mother of the groom, wore navy blue velvet and black accessories. Both wore corsages of pink and white roses.

Leo Frolich, of Clinton, classmate of the groom, served as best man. Ushers were Donald Feldkamp, brother-in-law of the groom and Junior Jay Feldkamp both of Clinton.

The bride is a graduate of Manchester high school and is employed in the office of the Double A Product Co., at Manchester. The groom is a graduate of the Clinton high school and was employed in the office of the state commissioner of agriculture. He is now in the European theater. After a trip through northern Michigan the couple will be at home at 320 Territorial St., Manchester.

Following the ceremony a reception was held at the church parlors for one hundred guests from Lansing, Ann Arbor, Detroit, Adrian, Eaton Rapids, Clinton, Tawas and Manchester.

WILLIAM J. BEURLE
William J. Beurle, of 740 Roosevelt Ave., Dearborn, died Sunday while visiting at the home of his son, Clarence in Ann Arbor.

Mr. Beurle was born Oct. 12, 1885, in Freeborn township. He married Elizabeth Roller, also of Freeborn township, Nov. 20, 1926. She preceded him in death Dec. 30, 1934.

Surviving are two sons, Clarence of Ann Arbor and Leroy of Dearborn, a brother, George, of Ann Arbor, and a sister, Mrs. William Schliet of Ann Arbor.

Funeral services were held at 1 o'clock Wednesday afternoon from the Stefan funeral home and at 2 o'clock from the Zion Lutheran church at Rogers corners. Rev. M. W. Breckner officiating.

IN THE CHURCHES

Manchester Methodist Church
Rev. John Bunney, Pastor
Sunday School at 10 A. M.
Mr. Claude Gage, Supp.
Mrs. James Grant, Secy. of the Primary Department.
Morning Worship at 11 A. M. by the Choir.
The Pastor's Sermon theme will be "In Christ's Steadfastness."
Wednesday—Choir rehearsal at 8 p. m.
A social invitation is extended to all to attend our services.

EYES EXAMINED

Glasses fitted, Dr. Frank Gifford, Toledo Optometrist, Saturday, 1:00 to 5:30 p. m. Office, 1111 N. Main, upstairs. In Toledo 627 Edison Bldg., Monday.

Emanuel Ev. and Reformed Church

H. S. von Rague, Pastor
August 25th and Sept. 1st are vacation Sundays; no services; no worship services.
The Women's Guild will have an important meeting on Wednesday, September 12th.

St. Mary's Church

Rev. Walter E. Heness

Sharon Evangelical Church

A. A. Weinert, Pastor
10:00 A. M.—Sunday School
11:00 A. M.—Morning Worship

DRIVE FOR ATHLETIC FIELD LIGHT FUND IS NOW ON

The Athletic Field has been surveyed and installation of the lights will begin in a few days. At a meeting of local business men sponsoring the purchase of the lights held with attorney J. C. Headley to formulate a plan for financing for the loan of some \$7,000 to the Athletic Association with which to pay for the installation of the lights, Mr. Headley advised that an association for this purpose be formed, which has been done with L. F. Wurster as trustee of the fund.

More than \$2500 has already been pledged and everyone interested is invited to make pledges to Walt Schaible, Carl Tomaru or Charles Ebermann.

It should be understood that these pledges are not donations but are loans to be repaid out of the receipts from the name at the field.

Further details of the progress of the drive for funds will be presented next week.

TAKE IT EASY OVER WEEKEND

Anticipating a surge of holiday traffic and accidents over the Labor Day Weekend, Automobile Club of Michigan joined police and other safety agencies in a plea to "take it easy" on state highways and city streets.

"Our record in the past ten years for the three or four days which usually comprise a Labor Day week end has not been an encouraging one," said Ernest P. Davis, Traffic Director. "During the last big holiday weekend for motorists, it is hoped that every effort will be made to take it easy while driving or walking."

Davis emphasized that more cars will be on the road this year than any time since 1941 and that most of them are six years old. He listed six suggestions to insure a safe and sane motor holiday:

1. "Take It Easy": Don't weave in and out of traffic. Maintain a steady driving pace without excessive speed or racing sports in traffic.
2. Don't drive on the wrong side of the road. Keep to the right, particularly on curves.
3. Don't pass on hills, curves or at street intersections.
4. Get an early start, going and coming, to avoid riding in crowded traffic. Rest when necessary to overcome fatigue.
5. Slowdown at sunblock; don't divert your headlights.
6. Watch for cars coming out of side roads, particularly after dark, and obey all traffic signs calling for a "Full Stop."

WURSTER REUNION

The Wurster reunion was held at Ella Sharp Park, Jackson with 60 present. The following officers were elected: president, George Frey of Manchester; secretary, Chris Wassman, Jackson; treasurer, Helen Harter of Saline; historian, Rita Walker, Tecumseh; entertainment committee, Mr. and Mrs. Rowser Freeman of Ann Arbor and Clarence Harter; table committee, Howard Kimble and Wayne Darling both of Jackson. The youngest member was John Kimble, son of Mr. and Mrs. Rowser Freeman and the oldest was Fred Wurster of Detroit. Next year the reunion will be held at Ella Sharp Park at Jackson, the third Sunday of August.

LIBRARY NOTES

September 1 is the end of the 1946 Summer Reading Program at the Manchester Township Library. New books must be turned in to Miss Palmer, the librarian, by Wednesday night, September 4, in order for new orders to be eligible for the prizes and the party which will be announced later in September. Those who have certificates from past years should bring them in with their fine books so the certificates can be brought up to date.

CHANGES OWNERSHIP

Mr. and Mrs. Roland Lee of St. Johns, have purchased the Manchester Theatre from Mr. and Mrs. Edwin VanSickie, and will take over the management, effective September 1st. Mr. and Mrs. Lee have been residents of St. Johns all of their lives, and were in the lumber business previous to this venture.

Mrs. Lottie Bowles entertained Mrs. Place at her home on Tuesday. Mrs. Place is the guest of her granddaughter, Mr. and Mrs. Malcolm Harelsword, Elder Place was the minister at the Iron Creek church twenty years ago.

IT'S NOTHING NEW!

4-H CLUB SHOW AT LANSING

Washington County will send a large number of entries to the State 4-H Club Show at Michigan State college, East Lansing, on Tuesday and Wednesday, September 3 and 4. I. R. Wyeth county club agent has announced. The first post-war show has a preliminary list of more than \$18,000 in cash provided through the office of the state commissioner of agriculture, Charles L. Fyfe, from legislative appropriations.

A. G. Kettunen, state club leader and manager of the show, reveals that more of the livestock will be exhibited under tents this year owing to the crowded facilities of the campus and the big construction program underway.

Judging and demonstration contests will take place both days. All exhibits must be in place on Monday, September 2, at judging will begin at 9 a. m. Tuesday. Exhibits will remain in place until 5 p. m. Wednesday.

The night program will be held in the college auditorium on Tuesday at 7:30 p. m. and will feature a dress review.

With Tuesday, September 3, scheduled as Farmers Day a large number of parents and leaders of 4-H club youth from Michigan are expected to go to Lansing for the thirty-first holding of the state show.

SCOUTS TO USHER AT MICHIGAN FOOTBALL GAMES

With the first home football game scheduled for Saturday, September 28 and other games following in rapid succession—six of them—the Scout Troops of Washtenaw and Livingston counties are organizing themselves for a difficult but thorough job of ushering the fans.

Additional member seats are being arranged for every game and capacity crowds are expected. More than a thousand scouts and leaders will usher at each of the games. Among them will be a considerable delegation from Manchester.

Ushering in the Washtenaw-Walton County is in charge of a committee headed by Daniel S. Ling.

Scouts will assemble at 12:15 for their inspection and their instruction and be on duty at 1:30 ready for a strenuous hour and a half of ushering. Each scoutmaster applies for a quota and usually about one third of the membership of his troop. These quotas are being assigned at the present time.

A special meeting on ushering techniques will be held at the Michigan Union on Thursday evening, September 26. It is expected that many local scout leaders will be in attendance at this meeting.

TRUCK OWNERSHIP

Mr. and Mrs. Roland Lee of St. Johns, have purchased the Manchester Theatre from Mr. and Mrs. Edwin VanSickie, and will take over the management, effective September 1st. Mr. and Mrs. Lee have been residents of St. Johns all of their lives, and were in the lumber business previous to this venture.

Mrs. Lottie Bowles entertained Mrs. Place at her home on Tuesday. Mrs. Place is the guest of her granddaughter, Mr. and Mrs. Malcolm Harelsword, Elder Place was the minister at the Iron Creek church twenty years ago.

LEGION AUXILIARY PICNIC

The American Legion and Auxiliary enjoyed a picnic at the State Park, Thursday, the 22nd. A good time was had by all. The next meeting of the Auxiliary will be held at the hall, Thursday, September 26th, at 8 o'clock. At that time there will be election of officers.

SHARON

The Sharon Community Farm Bureau members and their families, fifty-four in number, enjoyed a picnic at Pleasant Lake on Sunday, August 25. A potluck dinner was served at 1:00 p. m. The afternoon was spent playing games which were enjoyed by young and old. Ice cream and cake was served after the games.

Mr. and Mrs. Robert Cole are making a trip to north. Mildred Gieske is at their home during their absence. Ernest Smith returned home from a visit in Detroit with his son, Francis Smith and wife. They returned with him and were accompanied by Mrs. Mabel Smith. Mr. and Mrs. Lewis Aiber returned Sunday after a ten day trip in the northern part of the state.

Mr. and Mrs. Ben Hayes of Marshall were week-end guests of their daughter, Mrs. Herbert Kemmer and family. Mr. and Mrs. Ben Hayes of Marshall were week-end guests of their daughter, Mrs. Herbert Kemmer and family.

THREE AMENDMENTS AT NOV. ELECTION

Three financial proposals, each having favoring consumers, are to be voted upon by Michigan citizens on November 5. Two of them would amend the state constitution, while the third would authorize the spending of \$25,000,000 in bonus payments to Michigan war veterans.

All three bills, moreover, would affect the Michigan tax-payers—perhaps more than he anticipates. As we see it a strong likelihood exists that the state legislature will be forced in 1947 to levy additional taxes, if the bonus proposal and the sales tax amendment are both approved at the November election.

One amendment to the state constitution would earmark one cent of the sales tax for schools and local governments.

One-half of this earmarked revenue would be divided among cities, townships and villages according to their population. The other one-half would be turned over to public schools which now receive \$50,000,000 in state aid and would be divided according to the school's annual census of children 5 to 10.

This constitutional diversion of sales tax revenue, according to present conditions, would approximate from \$7,000,000 to \$18,000,000 a year. The figure used most often is \$40,000,000.

State tax officials are said to be of the opinion that loss of \$40,000,000 in state revenue would be disastrous and that additional taxes would be forced. They talk of an additional cent to the three-cent tax, revival of the state realty tax, and the four mill property levy which prevailed prior to 1935; or a new form of taxation. It is a claim that most of the three proposals will be popular with the taxpayers who are too often inclined to demand more and more state services but balk like a Missouri mule at any suggestion that extra taxes are needed to pay for them.

Here's a catch in the sales tax amendment. It is "little understood."

Public schools would get 10% in addition to their 4 1/2% percent share, as received during the 1945-46 fiscal year. Or in other words, public schools would get nearly 50 percent of the sales tax dollar.

This right would be frozen into the state constitution. The state legislature wouldn't have a thing to say about it.

What about the state's obligations for welfare, highways, colleges, prisons and other public service needs?

That's where the new tax enters the picture. State experts insist there is no choice.

The Michigan Real Estate association, which estimates 1,600 affiliated brokers, is hostile to the idea of a revival of the state property tax, but is favoring the sales tax diversion for local governments. The latter would save some of the pressure of the local taxpayer, officials feel. A number of towns have held special elections to remove the 15-mill tax limitation or to impose extra taxes on property owners for purpose of schools. For example, Monroe will vote September 23 on whether to increase its 15-mill limitation by five mills for five years.

The Michigan Education association recently withdrew, temporarily at least, its opposition to the sales tax amendment. Opposing the amendment are the Michigan State Farm Bureau and the Michigan State Grange, representing rural interests.

Another amendment, Number One on the November ballot, would permit public expenditures on public works. The attorney general's office has said that the constitution does not permit public disbursement for an internal improvement of this type.

The amendment would remove the barrier. It would open the way to matching of local funds by the federal government.

We have not heard of any organized opposition to the proposal. In fact, there is strong sentiment in favor of it.

The other financial proposal is the veterans' bonus of \$25,000,000 for soldiers killed by the state service.

State Senator Don Vandervoort of Fremont, chairman of the Senate Finance committee, claims that the public will be misled into the belief that a bonus of this size can be financed out of a surplus existing from sales tax receipts. Here is how Vandervoort explains it:

"As a matter of fact there is no sales tax surplus and we do not (Continued on Page 5)

SEES NEW HYBRID CORN

Mr. Albert Sutton just returned from a trip to DeKalb, Illinois where he had the opportunity to visit the corn breeding projects of the Lehigh Agricultural Association.

In DeKalb, Mr. Sutton saw the work of breeding and crossing of corn in its earliest stages for the year on the DeKalb experimental field.

One of the most impressive features, according to him, was the immense amount of detailed work that is carried on in a breeding project of this kind. Insects that are crossed to make new hybrid varieties are developed by making hand pollinations, according to the men in charge of this research work, 41,000 of these pollinations were made this season to produce new inbreds and crosses for next year's research work.

Over 700 different kinds of corn are on test in an effort to find better varieties. While most of this corn is developed from strains of corn originally grown in the United States, Mr. Sutton stated that he saw varieties of corn from Italy, Czechoslovakia, Japan and Rumania.

Many questions are received about the provisions of the Michigan laws governing the manufacture and sale of steamships. The State Department of Agriculture is not responsible for the licensing and taxing of the manufacture and sale of steamships. This is a duty of the Federal Government and an application and inquiries should be directed to the Collector of Internal Revenue, Federal Building, Detroit, Michigan.

The only requirements in the laws of Michigan pertaining to steamships are that it must be labeled "steamship" if it is to be used for transportation of passengers and it must be free from education or transportation that cause it to look like a bus.

A THANK YOU

Mr. and Mrs. Edwin VanSickie of the Manchester Theatre want to thank the people of Manchester for their patronage and good will. Their plans for the future are incomplete however they will be in Manchester for some time assisting Mr. and Mrs. Lee.

SHEEP KILLING DOGS

More than 25 sheep have been killed in this immediate vicinity by dogs in the past week and dog owners are warned to keep their dogs confined or they are very liable to be killed if seen running at large.

Nearly everybody finds it convenient to keep a date for cocktails.

TIME TO SEED NEW LAWN

August 15 to September 1 is the time to seed a new lawn in lower Michigan, says Louis Hall, county agricultural agent.

Do not add lime to lawn soil unless tests show the soil strongly acid. After the soil has been leveled, broadcast 10 to 15 pounds of 10-4-10 lawn fertilizer per 1,000 square feet and thoroughly rake into the surface soil.

Before seeding, alternately rake and roll lawn surface until firm. The feed should not sink into the soil appreciably when the seedling is sufficiently firm. After this soil has been firm, topdress lightly over the surface before seeding.

Keep new lawn seedlings moist, watering with a fine spray to avoid washing. Begin mowing when the grass has reached a height of 3 inches. Set the mower to cut at a height of 2 inches and cut twice. On lawn of clay subsoils, the layer of topsoil added should be from 6 to 10 inches deep.

Do not add lime to lawn soil unless tests show the soil strongly acid. After the soil has been leveled, broadcast 10 to 15 pounds of 10-4-10 lawn fertilizer per 1,000 square feet and thoroughly rake into the surface soil.

Keep new lawn seedlings moist, watering with a fine spray to avoid washing. Begin mowing when the grass has reached a height of 3 inches. Set the mower to cut at a height of 2 inches and cut twice. On lawn of clay subsoils, the layer of topsoil added should be from 6 to 10 inches deep.

Do not add lime to lawn soil unless tests show the soil strongly acid. After the soil has been leveled, broadcast 10 to 15 pounds of 10-4-10 lawn fertilizer per 1,000 square feet and thoroughly rake into the surface soil.

Before seeding, alternately rake and roll lawn surface until firm. The feed should not sink into the soil appreciably when the seedling is sufficiently firm. After this soil has been firm, topdress lightly over the surface before seeding.

Keep new lawn seedlings moist, watering with a fine spray to avoid washing. Begin mowing when the grass has reached a height of 3 inches. Set the mower to cut at a height of 2 inches and cut twice. On lawn of clay subsoils, the layer of topsoil added should be from 6 to 10 inches deep.

NOW, MORE THAN EVER BEFORE THE ARMY HAS A GOOD JOB FOR YOU! NON-COMMISSIONED GRADES NOW OFFERED TO FORMER ARMY OCCUPATIONAL SPECIALISTS. Good jobs in non-commissioned grades are being offered now by the Regular Army to qualified former servicemen. Veterans discharged on or after May 12, 1945, who enlisted or reenlisted for 5 years may be enlisted in the non-commissioned grade for which qualified, provided this grade is not higher than that held at time of discharge, and provided that at least 6 months of former service was in one of 300 designated military occupational specialties in which enlistment is now desired. Important, interesting jobs are open in hundreds of skills and trades in the Army, with splendid training and educational advantages. These are in addition to free food, housing, clothing, medical and dental care, leave insurance. There's adventure, travel, education, a secure and profitable future in this vital, realistic profession. Get full details at your nearest Army Recruiting Station. HIGHLIGHTS OF REGULAR ARMY ENLISTMENTS 1. Enlistments for 1, 2 or 3 years, except non-commissioned grades, for men new in the Army with 6 or more months of service. 2. Enlistment pay from 18 to 24 months, including 12 with bonus, normally except for men new in the Army who enlist at any age and former service, men depending on months of service. 3. A enlistment bonus of \$50 for men new in the Army who enlist at any age and former service, provided enlistment is within 3 months after discharge from service. 4. A furlough for men who re-enlist within 90 days. Full details of other valuable privileges can be obtained from 6 training Officers. 5. Masterpiece pay (based upon length of service) for all men who are discharged by rotation. 6. Option to receive 1/2 pay for the rest of year after 23 years' service (including to three quarters pay after 30 years' service. An previous active Second military service bonus (except retirement). 7. GI Bill of Rights benefits applied for men who enlist on or before October 3, 1945. 8. Choice of branch of service and overseas transfer (if new enlistment) on 5-year enlistments. MONTHLY PAY TABLE (BASED ON 1945 PAY SCHEDULE) GRADE MONTHLY PAY (Basic Pay) 23 Years' 30 Years' Master Sergeant \$175.00 \$187.50 Staff Sergeant \$145.00 \$157.50 Technical Sergeant \$135.00 \$147.50 Sergeant \$115.00 \$127.50 Corporal \$95.00 \$107.50 Private First Class \$75.00 \$87.50 Private \$55.00 \$67.50
