Mr. Fahey was born in Manchester, Michigan, on February 7, 1899, in Galway, Ireland, and came to America in 1920, settling in Manchester. He was married to Sarah Egan on November 26, 1926. Parents Urged To Be Present For Publication

Information has been received from the photographic studios who recently took pictures of many local children for publication in the Enterprise that the proofs are ready and will be on hand for selection by the parents at the Legion Hall, Tuesday, January 13, from 4 p.m. to 7 p.m.

While the studios assure us every effort has been made to notify all parents by mail, the Enterprise is especially anxious for everyone concerned to be made aware of the fact that there is no obligation in connection with this newspaper feature.

BOWLING

The Women's Bowling League ended the old year with only three "turkeys," those by E. Kansa, E. Grossman and L. Eron. Doubles were bowled by A. Widmayer, M. Kansa, E. Flood, M. Dietle, L. Warner, M. Mingo, L. Schaffer, D. Mann and H. Welch.

Some of the high games were E. Kansa, 109; E. Dietle, 122; E. Grossman, 109; J. Barnes, 175; L. Truett, 170; L. Wurster, 161-155; M. Dietle, 154.

There was but one game of 200 or more in the first half of the bowling year, a 204 by E. Kansa. The next highest was 2-183 by E. Grossman.

The Ann Arbor City Tournament started February 7, and last night's play was held at the Ann Arbor Recreation, with teams bowling on Saturday nights and Sunday afternoon for doubles and singles. The handicap is figured from 100 for single, 300 for doubles and 50 for teams with a 60 per cent. Entries close prior to midnight January 17, 1948. Entry fees are \$10.00 per person for each team and \$5.00 for each individual showing last year, and it is hoped that an even larger get together will participate this year. Blarney

FRANK Lowery is pretty busy these days removing the ice and snow from Manchester's streets. They are it is recommended, however, that parents or other children accompany the dog when they are out for a walk. Usually, the larger dogs are concentrated on the sidewalks, but the smaller ones are everywhere. So far, on good days, more than 100 Blarney dogs have been seen. Among the dogs who have been taken to build up and maintain the park are George Merriam, Lawrence E. Schindt, Ben F. McCabe, Frank Charles, and Frank Reck. Frank Reck donated his services to improve the lighting and landscaping of the park. Mr. Reck also donated a load of wood for the stove in the hut, delivered by the Fire Department. Mr. Reck also has been employed to keep off the snow and resurface the park as needed.

Hardware And Implement News

BY DRESSELHOUSE and DAVIDTKE

We have just been informed that the date for our John Deere Day has been set for February 9th and that they have an extra fine program arranged for us this year. So get a red mark around the date on your calendar and write J. D. under it. We do not like to have people say that they forgot all about it.

We are still busy with inventory and all our salesmen are taking a vacation so there has not been much excitement around here only that we received 400 plow points last week, which will last for quite a while in plowing season.

If promises are of any value, we will have more machinery for the next season than we had last year as we have the promise of some tractors, combines, plows, and drills shipped in five cars at some of our neighboring towns.

It has been our custom for several years to close our store on

Wednesday evenings during January, February and March and we will follow that custom again this year, but remember that we will be open on Thursday forenoons.

That's all for this time.
