# Big Homecoming Game Friday Night

Dutchmen vs. Pinckney; Capacity Crowd Expected

Manchester's Big Homecoming Jubilee occurs Friday night when the Flying Dutchmen meet Pinckney at the local athletic field. A record crowd is expected to be on hand to witness the fast-moving team battle Pinckney.

Between halves, fifteen valuable prizes will be given away to lucky fans. Most valuable of the prizes are a GE Electric Dishwasher, Bendix automatic washer (or dryer), \$50 suit of clothes, and 300 baby chicks with enough Master Mix Mash for six weeks.

Surplus proceeds from the game will go to the Lighting Fund, which is now down to a point where the Exchange Club hopes to wipe out the debt this year.

Although plagued by injuries, the Manchester football team has shown surprising ground-gaining ability against heavier opponents. The fast charging and good blocking shown in the first two games this season promises a good season for the Flying Dutchmen.

Traffic Deaths Drop, But—October Is Worst Month

An encouraging turn in the traffic accident record reported by State Police Commissioner Donald S. Leonard was accompanied by a reminder that through the years Michigan has had its highest toll in October.

"The fall months are the time for increased caution," Leonard said. "October has been the peak month for fatalities because of excessive driving hazards such as fog, frosted windshields, slippery pavements, more hours of darkness, and heavy week-end football travel. The pedestrian death toll is particularly heavy during the fall and winter, and collisions with railroad trains and motor vehicles are factors in mind and drive with the utmost care."

Several former governors of Michigan pointed in the direction of the new Department of Administration without reaching the sound conclusion of Governor Sigler. In his first inaugural speech of 1945, Governor Fitzgerald said that, "an important step in the reorganization of State Government is the elimination of the state administration board—The many administrative duties, now vested in the board can be handled better by state officers and their qualified assistants than by the present cumbersome board. I have been a member of the state administration board for four years, and I cannot recall a single accomplishment which could justify its existence."

"TWO YEARS LATER, Governor Murphy advocated a department of finance in which may be centralized and consolidated all accounting functions apart from auditing, budget preparation and financial control, and state purchasing."

"In 1948 the need had become so obvious that Governor Kelly, after noting that there were in excess of 100 agencies of state government, in his inaugural message stated that, "The constitution makes it clear that it is the duty of Governor to acquaint himself with the problems, accomplishments, and possible improvements of each one of these many and varied departments of state government, striving always to correlate their various activities into an efficient, economical working unit."

"In order to fulfill this duty it is my opinion that the Governor should have a staff of Mr. and Mrs. Nelson Fox.

VOLUME EIGHTY-TWO MANCHESTER, MICHIGAN, THURSDAY, OCTOBER 7, 1948 NO. THREE

### Funeral Friday For Wm Uphaus

William C. Uphaus, aged 76 years, passed away at St. Joseph's Mercy Hospital, Ann Arbor, Tuesday noon. He was born April 27, 1872 in Francisco Township of the county of Lambert and Margaret List.

He married Lena Trolz on November 23, 1898 and lived in Freedom Township until moving to Manchester in August, 1946.

Surviving are the widow; two daughters, Mrs. Myrtle Knowas of Manchester and Mrs. Anita Jacob of Sharon Township; one son, Edward Zinke of Sharon Township.

The funeral will be held Friday at 2 p.m. at the Rowes Corner church with Rev. A. A. Wenzel officiating. Burial in the Rowes Corner church cemetery. Friends may call at the residence at 111 Riverside Drive.

The Iron Creek Farm Bureau will hold their meeting at the home of Mr. and Mrs. Edwin Kaap on Friday evening.

Services were held Tuesday, September 28 from the Grand and Evening funeral chapel with the Rev. H. B. Loomis, officiating.

A key man in the Kim Sigler administration at Lansing, now building for another two-year tenure, is John A. Perkins, newly appointed controller of the state department of administration.

Re-election of Sigler will continue Perkins in the local post of the reform movement at the state capital. Hence the controller's views are of more than casual importance. Here are recent quotations:

"SEVERAL FORMER GOVERNORS of Michigan pointed in the direction of the new Department of Administration without reaching the sound conclusion of Governor Sigler. In his first inaugural speech of 1945, Governor Fitzgerald said that, "an important step in the reorganization of State Government is the elimination of the state administration board—The many administrative duties, now vested in the board can be handled better by state officers and their qualified assistants than by the present cumbersome board. ### OES TO INSTALL NEW OFFICERS

The regular meeting of the Manchester Chapter OES was held at their hall on Friday evening. The annual reports of the committees were given.

Following are the officers elected for the ensuing year: Mrs. Ellen Pratt, worthy matron; Mr. James Pratt, worthy patron; Mrs. Virginia Proctor, assistant worthy matron; Mr. Wesley Proctor, assistant worthy patron; Mrs. Eva Rawson, secretary; Lucille Johnson, treasurer; Mrs. Delores Richardson, conductor; and Mrs. Elizabeth Gross, man, assistant conductor.

There will be a special meeting of initiation on October 22 and the installation of new officers will be held October 29.

The Brownie Scouts will resume their meetings on Tuesday, October 12 at the high school gym, under the new leadership of Mrs. Wesley Proctor and Mrs. Lee Alan. The girls will select a meeting place this time. The Brownies include girls aged seven to ten years of age.

University of Michigan historian, Preston W. Slosson, Democratic nominee for 2nd District Congress, today announced plans for a vigorous campaign tour which will include a public address in Manchester at 9 p.m. on Friday, October 8.

Prof. Slosson's appearance in Manchester will be one of twelve speeches which he will make during the coming two week ends in Michigan. He will be in the town of Washenau, Jackson, Lenawee, and Monroe counties, speaking in three towns each night.

The tour will be conducted by a "Slosson Caravan" of cars which will include an entertainment crew, through centers for the town and county workers, and the candidate who will speak for 15 minutes and then answer questions at a convenient location in the business district.

"I believe that the voters want to know what Slosson has to say about the coming election," Slosson said in an announcement.

"Since the incumbent, Representative Earl Michener, has declined an invitation and refused to discuss the issues with me on the public platform around the State Capitol, I am taking this opportunity to bring my platform and the reasoning behind it to the voters to let them quiz me on it," the former radio commentator and news analyst declared.

Other appearances of Prof. Slosson on this date are at Tecumseh and Clinton. On October 9th he will speak at Dundee, Milan and Sable.

Wm. Kulenkamp and Mrs. Elizabeth Tealoldt entertained at the Kulenkamp home on Sunday at a six o'clock dinner honoring Mr. and Mrs. C. Eddy of Nashville, Calif. Guests were Mr. and Mrs. Eddy, Mr. and Mrs. Frank Rawson, Walter Rawson, Mr. and Mrs. Lawrence Eddy and Mr. and Mrs. Wm. Kulenkamp, Jr. of Ann Arbor.

On Tuesday Mr. and Mrs. Lawrence Eddy entertained at a six o'clock dinner at their home. Eddy guests were Mr. and Mrs. Eugene Eddy of Tipton, Mr. and Mrs. Frank Rawson, Walter Rawson, Mr. and Mrs. Wm. Kulenkamp, Jr. of Ann Arbor.

Mr. and Mrs. Julius Kern of Gary, Indiana, returned home Monday after spending two weeks with Mr. and Mrs. J. H. Maurer and Mr. and Mrs. Short.

Mr. and Mrs. George Golt returned home Sunday from Ford Hospital, Detroit, after a serious operation.

Mr. and Mrs. Edwin Clark and daughter, Jean, of Ann Arbor, returned home Sunday from Fowlerville, Michigan, where they were guests of Mr. and Mrs. Robert Caldwell and Mrs. Edith Clark.

### Local 11 Defeated At Dexter Friday Night, 13-6

Last Friday night Manchester's Flying Dutchmen traveled to Dexter for their first road game of the season. Although outwitted by considerable possession, the Dutchmen's line played brilliantly, led by Neil Vogt, who seemed to be the fifth man in Dexter's backfield all evening.

Manchester kicked off to Dexter to open the game, but Dexter was unable to move as the ball and player who took it on his back 25 yard line and returned it 20 yards to his own 45. A chalking up two first downs, Charley Snyder, on an end around play, moved the ball down to Dexter's 24 yard line. Treat's pass over the center of the line was intercepted by Dexter, ending the first scoring threat of the game.

Dexter scored a touch down early in the second period when Del LaTarr passed to Pritchard who took the ball to Manchester's 34 yard line, from there he bucked it over. Del LaTarr's pass to Pritchard was good for the extra point where the ball was kicked at halftime.

In the second half Dexter kicked off to Manchester. From their own thirty five yard line they moved the ball down to Dexter's nine yard line. At this point, Dexter intercepted another Manchester pass thereby ending that threat.

In the latter part of the third quarter, Dexter scored their second touch down when Del LaTarr scored on Manchester's 20 yard line and kicked the extra point. Williams tries for the extra point was wide.

With two minutes left to play in the game, Manchester started from their own 40 yard line and with a series of passes, moved the ball to the eight yard line on an end run, with eight seconds remaining in the game, Kryzaniak went through center for the touchdown and his try for the point after touchdown was low.

Bill Cannon was out of the Dexter game when he was laid low by sickness, but is expected to be ready for Friday night's game when Pinckney comes here, kick off time—8 p.m.

There will be a meeting of the Manchester Community Club at the high school on Monday evening at 8:00 p.m. Everyone interested is cordially invited to attend. There is still time to enroll.

"DON'T MISS 'BIG NIGHT' AT THE LOCAL ATHLETIC FIELD, FRIDAY NIGHT!"

The Towns Club will meet at the school house at 8 o'clock Thursday evening, October 14. The public is cordially invited.

Mr. and Mrs. Otto Hoffman and Mrs. Mary Hoffman of Toledo spent Sunday with Mr. and Mrs. Leo Seilly.

Mr. and Mrs. Nelson Fox are now covering from the Manchester and Mrs. Chas. Lee and Mrs. Fred Blevins of Detroit spent the week end with Mr. and Mrs. Ed Kirk.

Mr. and Mrs. Clarence Folter of St. Petersburg, Fla., called on Mr. and Mrs. Carl Toburen on Monday. On Saturday Mr. and Mrs. Harry L. Johnson accompanied Mr. and Mrs. Carl Toburen to the football game.

Mrs. Floyd Schneider has returned home from the Tecumseh hospital.

Mrs. John Revier and daughter of Jackson spent Tuesday with her parents, Mr. and Mrs. Lowell Parr.

### AS WE WATCHED IT

Tuesday evening we invaded the inner sanctum of the local Community Chest. This was supposed to be an open meeting at which the public was invited to attend and voice its opinion on this year's drive.

Undaunted, the people that were there carried on and raised the sweep applied a Constitution, By-Laws and elected a Board of Directors. These Directors, of which the public hereafter will hear, decided that the plan is correct and contributions are collected.

Last year a total of \$2455 was collected of which \$2130 was distributed as follows: Playgrounds, \$500; Boy Scout \$300; Girl Scout \$200; Sound Movie, \$200; and Student Organizations a total of \$800 was distributed. This year the goal is set at \$3000 with a local distribution of \$1875 and outside of \$1125. We raised the question as to why the increase for outside and were told that last year some drives were held prior to the Community Chest, and that this year would be included. Locally the increased costs, the drive starts October 18. Most of our budgets in order to take care of the increased costs. The drive starts October 30.

MRS. ROBERT MARBLE HONORED AT PARTY

Sunday afternoon the children, grandchildren and great grandchildren of Mrs. Robert Marble were gathered at a party celebrating her 80th birthday.

### Hardware And Implement News

By Drumheller & Davison

THE FALL weather that we are having is certainly fine and the three Corn Packers that we have sold will soon be doing their stuff, but the calls that have had for them we wish that we had a dozen more.

IF YOU have been thinking about a different outfit to heat your home this winter remember that we have the Warm Morning and the Charter Oak Coal Burning Stoves and last, but not least, the Loneragan Fuel Oil Heater. We guarantee satisfaction with any one of the above stoves.

THE HUNTING season will be soon here and our stock of shells is fairly good and we think that we can fill most of your wants, but we are sorry to say that the supply of game is very limited.

TO THOSE who are using bottle gas as a fuel, we wish to say that we have hot-water heaters that can be hooked direct to any system and furnish you with a good supply of hot water. Better think it over before winter sets in. By the way we wish to say we have installed two more Philips systems which means two more satisfied customers.

WE HAVE just received a new supply of BRUSHES for paint brushes manufactured by the Devo-Raymonds Co. These brushes are as good as you will find anywhere on the market and if you doubt our word just ask your painter.

Yours truly,

## Farmers Not to Blame for High Food Prices

Farmers should not be blamed for high food prices, according to a report by the Manchester Enterprise. The report states that the price of food has risen sharply in recent months, and that this is due to a combination of factors, including a shortage of foodstuffs and a general increase in prices. The report also notes that farmers are not to be blamed for this situation, as they are only one of the many factors that contribute to the high cost of food.

## Shear Lambs for Greater Gains

Shearing the faces of heavily wooled, feeder lambs is a good management practice. The shearing will increase gains in lamb feeding. Lambs that can see better will feed more readily, and will gain more rapidly than lambs blinded by excessive wool about the eyes. Tagging lambs before they are sheared will make for cleaner, neater lambs at market time. Dirty lambs may be severely cut in price because of the increased shrink from the manure in the wool. When done properly, by an experienced shearer, the first is more than made up for in the extra cost of the shearer. The first is more than made up for in the extra cost of the shearer. ## Warn Farmers of Parasite Control

American farmers were urged to warn an about cause of parasites among their livestock and poultry are now being controlled. Such a campaign this fall, the American Foundation for Animal Health, declared, can add many millions of dollars to farmers' profits from meat, milk and egg production during the coming winter feeding season. Parasites multiply rapidly on animals and birds in close confinement. The Foundation warned that not only cause discomfort, but also waste feed. Parasites also cause infection and cause skin lesions that bring a dockage at market. The Foundation warned that the parasites of farm animals and birds are now being controlled. ## Record Enrollment of 16,000 Students Expected at MSC

EAST LANSING, October 6 — Fall enrollment at Michigan State College has reached a new record high of 16,000 students, and late registrations are expected to push the final total to more than 16,000, according to Registrar Robert S. Linton. At the end of the four-day official registration, 15,649 students had enrolled, compared to 14,706 at the same time last year. Final 1947 figures showed 15,208 students, however, and Linton predicted that late registrations this year would reach the total to more than 16,000.

Current enrollment at MSC includes 8,035 veterans and 7,614 non-veterans, and 11,623 men and 4,326 women students. This represents a slight decrease in percentages of veterans and non-veterans on the campus, Linton said. Of this 15,649 total, approximately 4,100 are new students.

## Frosted Forage Not Good for Cattle

A word of caution about pasturing frosted Sudan grass, and alfalfa was given this week by A. C. Baltzer, extension dairyman at MSC. Baltzer points out that it has always been considered wise not to pasture either frosted Sudan grass or alfalfa. Not only does the danger of frost exist with both, but with Sudan grass, the hazard of poisoning exists. Cattle have repeatedly found Sudan grass to carry a heavy prussic acid content when immature and following freezing weather.

The specialist advises that cows be kept off such pasture for at least a few days. If cows are to be turned on frosted Sudan grass pasture, they should first receive a full feed of hay, possibly corn silage and grain. The same precaution applies to frosted alfalfa.

# Big Homecoming Game Friday Night

## Dutchmen vs. Pinckney; Capacity Crowd Expected

Manchester's Big Homecoming Jubilee occurs Friday night when the Flying Dutchmen meet Pinckney at the local athletic field. A record crowd is expected to be on hand to witness the fast-moving team battle Pinckney.

Between halves, fifteen valuable prizes will be given away to lucky fans. Most valuable of the prizes are a GE Electric Dishwasher, Bendix automatic washer (or dryer), \$50 suit of clothes, and 300 baby chicks with enough Master Mix Mash for six weeks.

Surplus proceeds from the game will go to the Lighting Fund, which is now down to a point where the Exchange Club hopes to wipe out the debt this year.

Although plagued by injuries, the Manchester football team has shown surprising ground-gaining ability against heavier opponents. The fast charging and good blocking shown in the first two games this season promises a good season for the Flying Dutchmen.

VOLUME EIGHTY-TWO MANCHESTER, MICHIGAN, THURSDAY, OCTOBER 7, 1948 NO. THREE

## Funeral Friday For Wm Uphaus

William C. Uphaus, aged 76 years, passed away at St. Joseph's Mercy Hospital, Ann Arbor, Tuesday noon. He was born April 27, 1872 in Francisco Township of the county of Lambert and Margaret List.

He married Lena Trolz on November 23, 1898 and lived in Freedom Township until moving to Manchester in August, 1946.

Surviving are the widow; two daughters, Mrs. Myrtle Knowas of Manchester and Mrs. Anita Jacob of Sharon Township; one son, Edward Zinke of Sharon Township.

The funeral will be held Friday at 2 p.m. at the Rowes Corner church with Rev. A. A. Wenzel officiating. Burial in the Rowes Corner church cemetery. Friends may call at the residence at 111 Riverside Drive.

The Iron Creek Farm Bureau will hold their meeting at the home of Mr. and Mrs. Edwin Kaap on Friday evening.

Services were held Tuesday, September 28 from the Grand and Evening funeral chapel with the Rev. H. B. Loomis, officiating.

A key man in the Kim Sigler administration at Lansing, now building for another two-year tenure, is John A. Perkins, newly appointed controller of the state department of administration.

Re-election of Sigler will continue Perkins in the local post of the reform movement at the state capital. Hence the controller's views are of more than casual importance. Here are recent quotations:

"SEVERAL FORMER GOVERNORS of Michigan pointed in the direction of the new Department of Administration without reaching the sound conclusion of Governor Sigler. In his first inaugural speech of 1945, Governor Fitzgerald said that, 'an important step in the re-organization of State Government is the elimination of the state administration board--The many administrative duties, now vested in the board can be handled better by state officers and their qualified assistants than by the present cumbersome board. I have been a member of the state administration board for four years, and I cannot recall a single accomplishment which could justify its existence.'"

"TWO YEARS LATER, Governor Murphy advocated a department of finance in which may be centralized and consolidated all accounting functions apart from auditing, budget preparation and financial control, and state purchasing."

"In 1943 the need had become so obvious that Governor Kelly, after noting that there were in excess of 100 agencies of state government, in his inaugural message stated that, 'The constitution makes it clear that it is the duty of Governor to acquaint himself with the problems, accomplishments, and possible improvements of each one of these many and varied departments of state government, striving always to correlate their various activities into an efficient, economical working unit.'"

"In order to fulfill this duty it is my opinion that the Governor should have a staff of assistants."

"Mr. and Mrs. Kenneth Treat and daughter, Sheril Dawn, were guests of Mr. and Mrs. Paul Frey and family of Munnich Saturday."

"Mr. and Mrs. Kenneth Treat and daughter, Sheril Dawn, were guests of Mr. and Mrs. Albert McConnelly of Jackson."

## OES TO INSTALL NEW OFFICERS

The regular meeting of the Manchester Chapter OES was held at their hall on Friday evening. The annual reports of the committees were given.

Following are the officers elected for the ensuing year: Mrs. Ellen Pratt, Worthy Matron; Mr. James Pratt, Worthy Patron; Mrs. Virginia Proctor, Assistant Worthy Matron; Mr. Wesley Proctor, Assistant Worthy Patron; Mrs. Eva Rawson, secretary; Lucille Johnson, treasurer; Mrs. Delores Richardson, Conductress; and Mrs. Elizabeth Grossman, assistant conductress.

There will be a special meeting of initiation on October 22 and the installation of new officers will be held October 29.

The Brownie Scouts will resume their meetings on Tuesday, October 12 at the high school gym, under the new leadership of Mrs. Wesley Proctor and Mrs. Lee Alan. The girls will select a meeting place this time. The Brownies include girls aged seven to ten years of age.

Prof. Slosson's appearance in Manchester will be one of twelve speeches which he will make during the coming two week ends in Michigan. He will be in the town of Washenau, Jackson, Lenawee, and Monroe counties, speaking in three towns each night.

The tour will be conducted by a "Slosson Caravan" of cars which will include an entertainment crew, through centers for the town and country. Slosson Workers, and the candidate who will speak for 15 minutes and then answer questions at a convenient location in the business district.

"I believe that the voters want to see a fair presentation of the issues in the coming election," Slosson said in an announcement.

"Since the incumbent, Representative Earl Michener, has declined an invitation and refused to discuss the issues with me on the public platform around the State Capitol, I am taking this opportunity to bring my platform and the reasoning behind it to the voters."

Other appearances of Prof. Slosson on this date are at Tecumseh and Clinton. On October 9th he will speak at Dundee, Milan and Sable.

Win. Kulenkamp and Mrs. Elizabeth Tealoldt entertained at the Kulenkamp home on Sunday at a six o'clock dinner honoring Mr. and Mrs. C. Eddy of Nashville, Calif. Guests were Mr. and Mrs. Eddy, Mr. and Mrs. Frank Rawson, Walter Rawson, Mr. and Mrs. Lawrence Eddy and Mr. and Mrs. Wm. Kulenkamp, Jr. of Ann Arbor.

On Tuesday Mr. and Mrs. Lawrence Eddy entertained at a six o'clock dinner at their home. Eddy guests were Mr. and Mrs. Eugene Eddy of Tipton, Mr. and Mrs. Frank Rawson, Walter Rawson, Mr. and Mrs. Wm. Kulenkamp, Jr. of Ann Arbor.

Mr. and Mrs. Julius Kern of Gary, Indiana, returned home Monday after spending two weeks with Mr. and Mrs. J. H. Maurer and Mr. and Mrs. Short.

Mr. and Mrs. George Golt returned home Sunday from Ford Hospital, Detroit, after a serious operation.

Mr. and Mrs. Edwin Clark and daughter, Jean, of Ann Arbor, were guests of Mr. and Mrs. George Golt on Sunday dinner guests of Mr. and Mrs. Robert Caldwell of a little Creek.

## Local 11 Defeated At Dexter Friday Night, 13-6

Manchester's Flying Dutchmen traveled to Dexter for their first road game of the season. Although outwighed by considerable possession, the Dutchmen's line played brilliantly, led by Neil Vogt, who seemed to be the fifth man in Dexter's backfield all evening.

Manchester kicked off to Dexter to open the game, but Dexter was unable to move as the ball and pressure of the Flying Dutchmen kept it on the high side of the field. Dexter's high rate of speed on the Brooklyn road, a sprinted to around 40-20 yards to his own 45, chalking up two first downs. Charles Snyder, on an end around play, moved the ball down to Dexter's 24 yard line. Treat's pass over the center of the line was intercepted by Dexter, ending the first scoring threat of the game.

Dexter scored a touch down near the end of the second period when Del LaTarr passed to Pritchard who took the ball to Manchester's 34 yard line, from there he bucked it over. Del LaTarr's pass to Pritchard was good for the extra point where Dexter scored at halftime.

In the second half Dexter kicked off to Manchester. From their own thirty five yard line they moved the ball down to Dexter's nine yard line. At this point, Dexter intercepted another Manchester pass thereby ending that threat.

In the latter part of the third quarter, Dexter scored their second touch down when Del LaTarr scored on Manchester's 20 yard line and kicked the extra point. Dexter's score stood at halftime.

With two minutes left to play in the game, Manchester started from their own 40 yard line and moved the ball down to Dexter's 25 yard line. Snyder then went down to his eight yard line on an end run, with eight seconds remaining in the game. Kryzaniak went through center for the touchdown and his try for the point after touchdown was low.

Bill Cannon was out of the Dexter game when he was laid low by sickness, but is expected to be ready for Friday night's game when Pinckney comes here. Kick off time--8 p.m.

## Traffic Deaths Drop, But--October Is Worst Month

An encouraging turn in the traffic accident record reported by State Police Commissioner Donald S. Leonard was accompanied by a reminder that through the years Michigan has had its highest monthly highway death toll in October.

"The fall months are the time for increased caution," Leonard said. "October has been the peak month for fatalities because of excessive driving hazards such as fog, frosted windshields, slippery pavements, more hours of darkness, and heavy week-end football travel. The pedestrian death toll is particularly heavy during the fall and winter, and collisions with railroad trains and motor vehicles are factors in mind and drive with the utmost care."

Many of the government streamlining reforms, advocated unsuccessfully last spring by Governor Sigler, bear the stamp of Perkins and through him, the passing of public science experts at the University of Michigan. Principal achievement to date is the new state department of administration.

Re-election of Sigler will continue Perkins in the local post of the reform movement at the state capital. Hence the controller's views are of more than casual importance. Here are recent quotations:

"SEVERAL FORMER GOVERNORS of Michigan pointed in the direction of the new Department of Administration without reaching the sound conclusion of Governor Sigler. In his first inaugural speech of 1945, Governor Fitzgerald said that, 'an important step in the re-organization of State Government is the elimination of the state administration board--The many administrative duties, now vested in the board can be handled better by state officers and their qualified assistants than by the present cumbersome board. I have been a member of the state administration board for four years, and I cannot recall a single accomplishment which could justify its existence.'"

"TWO YEARS LATER, Governor Murphy advocated a department of finance in which may be centralized and consolidated all accounting functions apart from auditing, budget preparation and financial control, and state purchasing."

"In 1943 the need had become so obvious that Governor Kelly, after noting that there were in excess of 100 agencies of state government, in his inaugural message stated that, 'The constitution makes it clear that it is the duty of Governor to acquaint himself with the problems, accomplishments, and possible improvements of each one of these many and varied departments of state government, striving always to correlate their various activities into an efficient, economical working unit.'"

"In order to fulfill this duty it is my opinion that the Governor should have a staff of assistants."

## AS WE WATCHED IT

Tuesday evening we invaded the inner sanctum of the local Community Chest. This was supposed to be an open meeting at which the public was invited to attend and voice its opinion on this year's drive. The public here was very conspicuous by its absence. Undaunted, the people that were there carried on and a resolution was adopted: a Constitution, By-Laws and elected a Board of Directors. These Directors, of which the public here was very conspicuous by its absence, are: Mrs. Robert Maehle, president; Mrs. Robert Maehle, secretary; Mrs. Robert Maehle, treasurer; Mrs. Robert Maehle, conductress; Mrs. Robert Maehle, assistant conductress; Mrs. Robert Maehle, secretary; Mrs. Robert Maehle, treasurer; Mrs. Robert Maehle, conductress; Mrs. Robert Maehle, assistant conductress.

The party was held in the Arden hall with about 40 guests present. Out-of-town guests were from Jackson, Detroit, Livonia, Birmingham, Pontiac, Ann Arbor and Hazel Park.

BIRTHDAY PARTY Mrs. Diefield Ball entertained at dinner on Sunday in honor of her husband's birthday. Guests were Mr. and Mrs. Joseph Ball and family and Mr. and Mrs. Arthur Schiller, Chelsea and Mr. and Mrs. Edward Ball and family of Jackson. Mr. Ball received many lovely gifts.

BIRTHDAY PARTY Mrs. George Parks entertained a group of first graders at a birthday party on Saturday in honor of her daughter, Vickie's sixth birthday. Vickie received many lovely gifts and refreshments were served by the hostess. Out of town guests were Mr. and Mrs. H. D. Breckbill and son Larry of Toledo and Mr. and Mrs. Daniel Baker of New Bavaria, Ohio.

PARTY FOR TEACHER The children of the Dewey school surprised their teacher, Miss Ethel Brown on her birthday on Friday afternoon. Each family presented the teacher with a gift and cake and ice cream were the refreshments.
