Lannons Open New Basement Toy Store Here
Christmas shoppers in the Manchester area have one opportunity of shopping in Manchester's only basement store. Lannons' new store has been opened to a display of Christmas toys, including books, electric trains, tree decorations, etc. This is another indication of their home town merchants' interest in providing their customers with all the conveniences available in much larger communities.

The entire basement store has been devoted to a display of Christmas toys, including books, electric trains, tree decorations, etc. This is another indication of their home town merchants' interest in providing their customers with all the conveniences available in much larger communities.

The store is located in the basement of the Lannons' store, which is located at the corner of Main and Washington streets. The store is open from 10:00 a.m. to 6:00 p.m. on weekdays and from 10:00 a.m. to 5:00 p.m. on Saturdays. The store is a great place to shop for Christmas gifts.

Boy Scouts To Entertain Parents
There will be a dinner given by the Boy Scouts of Manchester for the parents of the Scoutmaster Tuesday evening, November 9th in the Emanuel Church at 7:30 o'clock and games and tests will be part of the entertainment.

All parents are cordially invited to attend and meet your Scoutmaster. The dinner will be served by the Scoutmaster, Roy L. Hunter.

Community Chest Drive Is Within \$150 Of 1948-49 Goal
The Manchester Community Chest Drive is lagging behind the \$1500 goal set for 1948-49 by a mere \$150. The estimated total by Wednesday noon was \$2349.00 with a few organizations and individuals to hear from. The Community Chest feels confident that the goal will now be met.

It is hoped that the actual total will be ready by the close of the month. The drive is being conducted through Detroit and does not reach Manchester with a few organizations and individuals to hear from. The Community Chest feels confident that the goal will now be met.

CONTROL PLAN: For Atoms

How to establish effective, workable control of atomic energy on an international scale is one of the rocks upon which the U. N. has almost foundered more than once...

WITH RARE credit admitted that it would take a Crusade to the United Nations to stave off its resistance to almost immediate Russian demands on the issue...

OVER the objections of the Soviet bloc, the U. N. political committee overwhelmingly endorsed the American plan for atomic control...

The conflict which has kept the atomic control problem deadlocked for so long is simply this: The U. S. and the West want that an all-night system of international control and inspection must be established before the U. S. would agree to safe in destroying the atomic weapons...

The resulting which the political committee adopted and which the U. N. Atomic Energy Commission is to carry out...

SECURELY prior to the U. N. action the U. S. had demanded that the world group turn the deadlocked problem over to the five great powers and Canada for direct negotiation...

At that time Warren R. Austin, chief U. S. delegate, had told the Security Council committee that the U. N. could go no further in its efforts to control the atom until the Soviet Union agreed to participate in the world community on a cooperative basis...

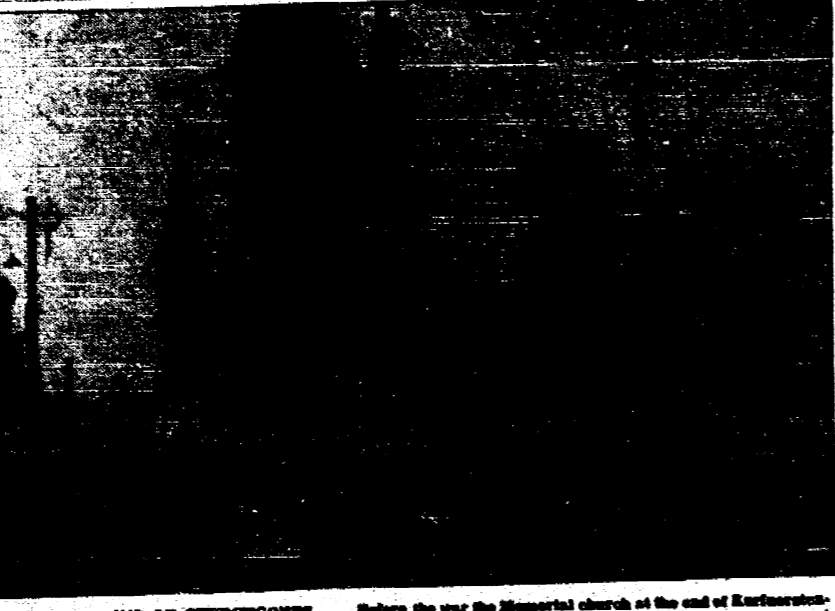

HOW much good the U. N. vote of approval would do, as long as the Russians continued to object was a question that remained hanging in the air...

It was conceded generally that, regardless of how much satisfaction the western nations might achieve by thus overruling and enabling Moscow, the paramount problem of preserving the peace probably had not been moved very far along the road to a solution...

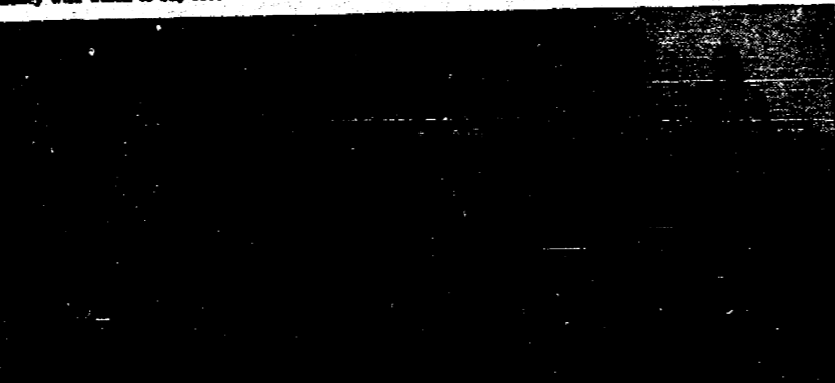

DEFENSE SURVEY: Experts Eye U. S. Mobilization Plans

Top military planners are ratching work to complete a spot-check of the United States mobilization requirements by November 15...

KATHLEEN NORRIS: Love Knocks Again

By KATHLEEN NORRIS

Blouse and Shirt for Juniors

WHEN Natalie Curran was 37, and the speedy growing-up of her teenage son and daughter was beginning to remind her that middle age was dead ahead, she met a man at a church social...

This made all last winter a time of adjustment to him. For they were both new to each other. He was a stranger to her. She was a stranger to him. He was a stranger to her. She was a stranger to him...

"Since then the thing," writes Natalie, "has become an absolute joy to me, and from his first moment, from the first moment we met, I know it has to be. I know it has to be. I know it has to be. I know it has to be..."

"I was a wife and mother, a church and club member, to have all this to go for. I was a wife and mother, a church and club member, to have all this to go for..."

The most welcome gifts are those which say they're made just for you. These need not run into expense. If you have some scraps of wool, you can make a hat or a scarf...

Plain towels for kitchen or bathroom can be made glamorous if they are new on formal appliques, obtained from the local sewing center...

Another idea is to make a hat or a scarf from a piece of discarded wool, dyed, if you have some scraps of wool. You can also make a hat or a scarf from a piece of discarded wool...

Need Luxury Radios have Fancy Price Tags!

Not by a long way! And the tags on Spartans' new big 1949 models prove it for you!

Take a good, close-up look at the beautiful new Spartans models displayed by your home town Spartans dealer. Then eye the price tags.

You're seeing right. Top quality radio-phonographs for an amount as low as \$50 under the retail prices of comparable sets! Here's why Spartans can turn the trick: There's no middleman in Spartans' picture. Spartans saves extra commissions and handling costs by selling direct to you exclusive dealers in a community. This helps Spartans give you more set for less money.

Compare the 1949 Spartans models with other makes from home to top—you'll see what a whole of a buy Spartans give you! If you own home has no Spartans dealer, write Spartans, Dept. WN, Jackson, Michigan, for the name of the nearest one.

HERE'S A NEW! Stunning console radio-phonograph... fast, silent, automatic record-changer... superb 10" speaker... fast Spartans tone... many luxury features. Model 1030 in beautiful mahogany veneer with antique-gold grille. Model 1031 in blond mahogany veneer. Can't be beat at \$99!

AND HERE'S ANOTHER! Fifty utility model... sturdy plastic case, black vinyl finish... operates on AC or DC current... 4" speaker... built-in serial... wonderful, rich tone. Model 1033. A positive, 70% stock at only \$49!

30-Day Test of hundreds of Camel Smokers revealed NO THROAT IRRITATION DUE TO SMOKING CAMELS

In a recent test, hundreds of men and women all across the country smoked Camels—and only Camels—an average of one to two packages a day—for 30 consecutive days. Each week these diabolos were examined by a panel of specialists—a total of 2470 examinations—and these doctors found not one single case of throat irritation due to smoking Camels.
