These five Chinese orphans recently were picked up on the streets by CROP's sponsoring church agencies, and are now being nursed back to health, although their ribs still stick out like ridges on a wash-board. Children, widows, the aged, and those in pre-tubercular centers are among those who benefit most by CROP contributions—which are distributed in 43 different countries.

More than a score of states, including this one, will have assembled trains of food for CROP by late November or December. The effort is astionwise and is sponsored by Catholic Rural Life, Church World Seeden, and Entheren World Peliof
