BRIDGEWATER FARM BUREAU MEET TUESDAY

Twenty-eight members of the Bridgewater Farm Bureau met Tuesday evening for a social supper. Ted Parker led the discussion on "Better schools and education," also plans for the new twenty acre site of the Ann Arbor house at Ann Arbor were discussed.

Mr. and Mrs. Earl Treat had the honor to have her car on Tuesday afternoon after she had parked it on State street in Ann Arbor. Returning to the place where the car was parked and her brother in law, Albert Treat, discovered it was gone.

The car was picked up by the Erie State Police between Monroe and Toledo. Two boys, ages ten and thirteen, had taken the car in Ann Arbor and were attempting to run away from their home in Kalamazoo. They had taken their father's car which they wrecked outside of Ann Arbor on Monday. The boys were being held in the Monroe County Detention Home awaiting the arrival of their parents.

Rev. J. R. Sullivan officiated at the ceremony. The bride's gown of white slipper satin was trimmed with an off-the-shoulder neckline, trimmed with orange blossoms and chivalry lace, and a full skirt which was caught up by orange blossoms to reveal matching lace. Her veil, well edged with the lace, fell from a crown. She carried a colonial bouquet of white carnations, green and blue delphinium, Mrs. Junior Feldkamp of Clinton, who attended her sister as matron of honor, wore a matching blue and white ensemble. Her bouquet was composed of blue carnations, blue delphinium and yellow freesia.

The bridegroom's sisters, Miss Argero and Miss Agnes, wore aqua tulle gowns and aqua bouquets similar to the one worn by the matron of honor. The bridesmaids wore white dresses with yellow freesia and yellow freesia.

MARRIED FIFTY YEARS

Mr. and Mrs. Merrick Burch To Hold Open House Sun.

Open House will be held at the Methodist church parson on Sunday, March 27th, from 3 p. M. to 5 p. M. honoring Mr. and Mrs. Merrick Burch on their blackthorn birthday for several years.

The Burch family is well known in this community, having settled here in 1839. Merrick Burch was born in 1874 in Sharon township and was a member of the church for many years.

Mrs. Burch was born Emma Gail at Iron Creek in 1878 and lived there until the time of her marriage to Mr. Burch on March 29, 1896. They lived in Sharon until 1905 when they moved to Manchester.

At that time Mr. Burch was appointed a rural mail carrier, which was his occupation for 34 years until he was retired in 1938.

Letters To The Editor

Dear Editor: We were glad indeed to see that our past Village President, Mr. Royce C. Daviler, is able to write although it is quite obvious that he cannot read. Never in any of our letters did we mention that we received a "No Parking" ticket in Detroit. We merely wrote about the cost of those tickets. If Mr. Daviler lives under the misapprehension that talking about a subject means it's an accomplishment, then it is no wonder so little was accomplished during his administration. I assure all readers, as well as Mr. Daviler, that our name does not appear anywhere on the police files of Wayne County. We did not discuss the matter of the three dollar fine, our second traffic offense, in any of our letters of driving to quite a great length in this paper, but unlike our past President, we did not do it before the village council for consideration.

Yes, we were defeated at the polls. We are glad to know that our defeat caused our Past President so much joy but hardly think that the winning margin can be called a landslide for the opposition.

It is interesting to note that present over six men who in his opinion were better qualified than the present incumbent, Mr. Royce C. Daviler, were not on the ballot.

Mr. Royce C. Daviler, 11 year old daughter of Mr. and Mrs. F. Schmeider, fractured her ankle Friday while playing ball in the yard. She is recovering at the home of her mother, Mrs. F. Schmeider, on Friday evening.

LARRY GONYER IS SPELLING BEE WINNER
Larry Gonyer won the spelling bee on March 17. Mary Lou Buss was runner-up. The judges were Mrs. Kenneth Koutis and Mrs. Frank Leeson.

PIGION VISITS FIRST GRADE
Jerry Pierce brought a pigeon to school last Monday. We think the pigeon liked to visit our room as he was very quiet all day. Jerry's pigeon is the second animal to visit us. Gary Hamilton's twelve day old piglet, Billy, was our visitor the week before.

TALENT SHOW MAKES PUBLIC APPEARANCE
Arthur (Roy Gehring) Godfrey and his Talent Show went off very well. It was a rebroadcast of the one held for the student body. The audience proved themselves very interested for they requested that the "Stink Spots" Carl Richter, Forest Walz and Leonard Stark, sing again. Also Joe Fitzgerald, Nancy Erdick and Jane Last, Nichol's mother and Richard Cox's mother. We were glad to have them come and we hope very lucky for the "Stink Spots".

REV. WEINERT TALKS ON SELF CONTROL
by Hilda School
At the assembly on Thursday Reverend Weinert gave an interesting talk to the student body on Self Control. We enjoyed having Rev. Weinert with us.

RUNNAGE SALE WILL BE HELD
by Arlene Palmer
The Student Council has planned a rummage sale for Saturday, April 9. Donations and patronage from everyone will be appreciated.

Vaccination For Poultry Disease

Newcastle disease is something that all poultrymen fear and hope to keep out of their flock. A question to be decided is whether to vaccinate this spring to help cut the risk of disease losses.

H. J. Stafeth, head of the department of bacteriology and public health at MSC, says that

it is a problem that must be decided on the basis that if Newcastle is prevalent in the area, it is probably wise to vaccinate. On the other hand, farmers in areas where Newcastle is not a problem often decide to take the risk and not vaccinate.

Vaccination of chicks that are three weeks old will be satisfactory if they come from hens which have immunity to the disease. To get takes from the vaccine, all passive immunity which may have been carried from the hen, through the eggs to the chicks, must have disappeared.

HEALTH HINTS FOR LIVESTOCK

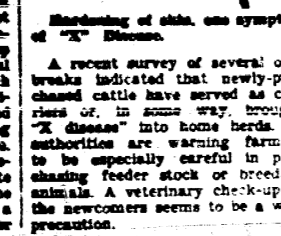

AMERICAN FOUNDATION FOR ANIMAL HEALTH

NATIONWIDE ALERT FOR 'X' DISEASE

Cattle raisers everywhere should be on the alert this spring for possible outbreaks of "X" disease. The strange new disease that is being reported in some areas is especially common among animals under 3 years old.

"X" disease" already has caused cattle losses in more than 20 states. In some of the worst outbreaks, as many as 25 per cent of the animals in affected herds have been stricken. Among diseases that the death rate has been as high as 25 per cent.

Just what causes "X" disease" and how it is transmitted from one animal to another, no one yet knows. But extensive research by the U. S. Bureau of Animal Industry and veterinary research workers in the quantities, veterinarians are isolating identified techniques to combat the disease. Symptoms usually include prolonged scouring, loss of appetite and weight, watery discharge from the mouth and on the tongue, and a scurly hardening of the skin over

Marking of skin, one symptom of "X" disease.

A recent survey of several outbreaks indicated that newly-purchased cattle have served as carriers of the disease may be brought "X" disease" into home herds. So authorities are warning farmers to be especially careful in purchasing feeder stock or breeding animals. A veterinary check-up of the newcomers seems to be a wise precaution.

Lamb Projects Entries Open

Michigan sheep raisers who would like the chance to compare records with others in the state may do so by enrolling in the Wolverine Lamb Production Project, sponsored each year by the Michigan State College animal husbandry extension department.

Cooperating in the event are county agricultural agents in various parts of the state. Only a minimum of records are required. Weights of ewe fleeces, lambs born, and total weight of lambs when four and one-half months old, are among the points considered.

Results are computed by the extension staff and the high flocks are announced just previous to Farmers' Week. Owners of high flocks are invited to exhibit a pen of three lambs and a champion flockmaster is selected and awarded a special trophy.

Graydon Blank, extension sheep specialist at MSC, advises that the project is an excellent way to find how profitable sheep are on the farm.

Any flockowner with 20 or more ewes may enroll. County agricultural agents have a supply of enrollment cards.

LEGALS

Order for Publication—Final Administration of Account No. 5892

STATE OF MICHIGAN. The Probate Court for the County of Washtenaw.

At a session of said Court held at the Probate Office in the City of Ann Arbor, in said County, on the 11th day of March, A. D. 1949.

Present, Hon. Jay H. Payne, Judge of Probate.

IN THE MATTER OF THE ESTATE OF OLGA J. H. STRONG, Deceased.

Raynor Hacumler, executor, having filed in said Court his final administration account, and his petition praying for the allowance thereof and for the assignment and distribution of the residue of said estate.

IT IS ORDERED, That the 15th day of April, A. D. 1949, at said Probate Office, be and it is hereby appointed for examining and allowing said account and hearing said petition.

IT IS FURTHER ORDERED, That public notice thereof be given by publication of a copy of this order for three successive weeks previous to said day of hearing, in the Manchester Enterprise, a newspaper printed and circulated in said County.

JAY H. PAYNE, Judge of Probate.

A true copy, William R. Stage, Register of Probate, Mar. 17-24-51

Operation Underground

It was about 10 A. M. on a dull, grey morning when the huge steam shovel accidentally hooked onto an underground telephone cable.

Tom, a Michigan Bell splicer and Ed, his helper, were among the telephone men who arrived on the scene within minutes. The situation was bad. Out of 200 pairs of vital telephone wires inside the cable, 135 were broken. And, to make matters worse, a steady rain had started, threatening to flood the hole where the break occurred.

The first job was to make temporary repairs on the most important wires so that calls could go through. Working swiftly, Tom and Ed completed their part of this job by 2 P. M.

But then more trouble developed. Water from a nearby open-type drain began spilling into the hole where the men were working. If the open cable were submerged, moisture would short circuit the wires.

Pumps were working furiously. Meanwhile, Tom and Ed began building a foundation of planking. Then, with another plank as a lever, they began prying up the cable to keep it above the water level.

Higher and higher the water rose... above their knees... up to their waists and beyond. By sheer exertion, they kept lifting the cable, break up and up. Sometimes it was only an inch and a half above the rising water. But more pumps were put to work and finally the water began to go down.

The problem now was to restore service on the remaining wires in the cable. This meant putting in a new section of cable ten feet long and making 400 wire splices at each end of the new piece.

Several times the foreman asked Tom and Ed if they didn't want to be relieved by another splicing crew. But they replied, "Look, this is an important cable. We don't want to quit until the job's done." The foreman agreed.

And that's how the precious threads of communication were restored between the outside world and the vital B-24 Bomber Plant at Willow Run, during the war.

This is one of countless stories that show the determination of Michigan Bell workers to keep your telephone calls going through.

 -WRITE OR CALL-

The Brooklyn Book Review Club is cordially inviting the public to hear Harriet Harwood, representative of the J. L. Hudson Company, Detroit, who will give a book review on Wednesday, March 30 at the Presbyterian Church, Brooklyn.

Miss Harwood's topic will be "Books of the Season" and she will discuss some outstanding books of general interest. Her reviews are neither critical nor dramatic, rather, they are the highlights about books and the people who write them. She is convinced that reading is one of the greatest pleasures in life and enjoys sharing her own enthusiasm in new books with others. She thinks that one of the greatest gifts parents give their children is to help them develop a taste for good reading.

Reading is fun," she says, "and young people who like to read are never lonely and grow into adults with a background of wider horizons for the future."

Miss Harwood's chief interest in life has always been books and declares she has haunted local book shops and libraries from the age of ten. She attended the Ferry Hall school for girls and graduated from Knox College where she majored in history and literature. She has written book reviews for newspapers, appears each Tuesday and Saturday mornings on Hudson's "Minute Parade" over Station WWJ, writes a column known as "The Book Sampler" which appears in the Sunday Detroit Free Press each week. This is Miss Harwood's second appearance in Brooklyn.

Refreshments will be served in the basement for a small charge directly following the review. Contributions and proceeds of tea will be used to purchase new books for the library.

ROWES CORNERS SCHOOL. Those neither absent nor tardy the past six weeks were Joan Walk, Marilyn Breitenwischer, Michael Rosettic, Joyce Kemner, Ronald Kuhl, Joyce Cole, Gordon Grossman, Donna Kuhl, Carol Breitenwischer, Karl Cole, Ann Breitenwischer, Ronald Burkhardt, Diane Grossman, Karen Kemner.

Those having A in spelling are: Janet Kuhl, Edna Kothel, Elizabeth Nagy, Donna Kuhl, Carol Breitenwischer, Karl Cole, Charles Kemner, Junior Nagy, Ann Breitenwischer, Ronald Kuhl.

We are enjoying a new four drawer metal cabinet purchased with money received at the fair. Our hall window decorations by Joyce Cole and Donna Kuhl are very attractive. The wall decorations by Joan Walk and Mary Ann Nagy are bowls of tulips and shamrocks.

MIRROR

TAXES LEVIED and spent by the State of Michigan, cities and schools seem rather insignificant when compared with the \$2,500,000,000 paid by Michigan taxpayers to the federal government last year. With a State population of more than six million, this figure out to about \$4,000 for every person in Michigan.

BEST IMMEDIATE hope for den will be found in the Hoogliighting this huge tax bur-Commission task force re-ports now being issued from Washington at the rate of two or three a week. These reports analyze the operation of each federal bureau, expose the red tape, and, more important, make recommendations for eliminating it. If these recom-mendations are followed, an estimated \$2,000,000,000 a year may be saved.

MICHIGAN NOW has 102 private agencies, but good chance that one of those may be eliminated. A Senate tax investigating com-mittee has found that the three \$6,000 a year members of the State Board of Tax Ap-peals have heard only 137 cases over the past seven years, working about two or three days a week. The Board has been labeled a "luxury the State cannot afford."

SERVING LUNCH to Mich-igan school children is a big business. In the first four months of the school year, 12,641,250 meals were served in 1,268 schools in 796 partici-pating school districts. Total cost

for the year is about \$4,000,000.

WELFARE LAWS are being given rigorous scrutiny by mem-bers of a Senate investigating committee. Senator Colin Smith (R. Big Rapids) says that stand-ards will be revised to empha-size that public assistance is a privilege, not a right, and to safeguard the interest of tax-payers. Senator Smith also be-lieves that greater stress should be placed on rehabilitation and that a well-planned program should be formulated to justify appropriations.

ANOTHER NEW TAX idea has been suggested by Repre-sentative William Romano (D. Van Dyke). He wants to place a ten per cent tax on the gross sales of professional football, hockey and baseball tickets. He estimates that this tax would raise approximately \$1 million a year for the state. Such a tax now is collected on boxing and wrestling matches.

HAVE TROUBLE finding a place to park? Could be because 1948 Michigan motor vehicle registrations totaled 2,004,712, a about 3.5 persons per car. This represented an increase of 131,111 vehicles over the 1947 level which is greater than the 128,000 population growth estimated by the U. S. Bureau of the Census for that period.

ROBERT F. STEADMAN, state controller, reports that "it will be a considerable sur-prise to many people to realize that 60 cents out of every dollar that is anticipated the state will spend in 1949-50 will be in the form of financial aid to or for local governments." Are you surprised?

MANY OF us would find our income tax load lightened con-

ABOUT TOWN

Gov. Williams noted that our Nation has moved to a pre-eminent position in world affairs during the past few years. "The Army," he said, "should be accorded its share of the credit in making this country to continue enjoying the American way of life and for maintaining the peace."

All citizens were urged to ob-serve Army Day by displaying the National Colors and by spon-soring parades and public cere-monies in conjunction with the Army.

"I further call upon the citi-zens of the state of Michigan to give all possible assistance to the Army, the National Guard and the Reserve Organizations, so that our defense may be as-sured," Governor Williams con-cluded.

Sunday guests of Mr. and Mrs. John Schneider and fam-ily were his sisters and husbands Mr. and Mrs. Albert Stokes of Ingham Park and Mr. and Mrs. Wallace Anderson and son of Jackson, Herbert Westphal of Saline and Mr. and Mrs. L. V. Kirk.

DOAN'S PILLS

WOMAN'S WORLD Home Sewing Demands Attention to Details

By Erta Halcyon I can cut, make and fit my clothes," says an amateur seamstress...

Details of completing a garment frequently offers a problem to those who have just begun to sew.

One of the main difficulties comes in fitting sleeves. This is easy to understand because there are three places for most sleeves to fit...

If you are using a pattern, you may be certain that the sleeve will fit the armhole, as this has been pre-tested.

Some of the puffed sleeves will look peculiar because of their fullness. However, when properly gathered, they are designed to fit.

If you have a model, this helps in fitting sleeves. It cannot do the job completely, though. You must try on the garment and move your shoulders and arms about while you check the fit.

Patience with Fabric Which is Good Little padding is used currently on sleeves because the soft rounded natural shoulder line is being altered.

On long sleeves, either the three-quarter or full length, you will notice that there are darts at the elbow which permit activity.

THE GARDEN SPOT New Vegetables Add Variety By Eldred E. Green

GROW YOUR OWN FOOD. During the war home food growing was necessary to avert food shortages...

Since the war, the seed industry has been able to put out some new varieties of vegetables that will help the home garden.

Another plant for the home garden is the ornamental Beauty. This was developed in North Dakota especially for early maturity and colder climates.

From Minnesota comes a dwarf cucumber. The vine is short and forms medium size fruits.

Study your seed catalogue for new items in lettuce, broiled corn for large gardens, beans and many other vegetables.

Give Tip Pamela Since you ask me, Janet, my advice would be to surrender Pamela completely to the care of this family that has apparently discovered the real cause of her ailment.

Isotopes Aid In Cancer War To Be Contributed For Research Work WASHINGTON—Radio isotopes—valuable products of the nation's atomic energy program—will be made available without charge to qualified cancer research workers in the United States.

Classic Suit To This Junior Style

Buttons Impart Lilt To This Junior Style

Two rows of bright buttons down the bodice front of this charming junior style. The key hole neckline is especially flattering.

Favorite combinations, which are new for this season's fashion highlights, are shown in this classic suit that wears a jacket of broad's bird-eye wove with a plain, slim gabardine skirt.

Let these Tips Guide About Making Pockets Pockets are not hard to make, and they frequently add value as well as decoration to the garment.

Two years ago, at 20, I married a man who I had never loved and have one child. Ann, who is 12, is David's daughter. Pamela, who is 10, is Pamela's daughter.

Unwanted Child Lives in Agony By Syndicate-WNU Feature

David and I are deeply in love with each other," writes Janet Harrison from Toledo. "My husband is a disturbed and unhappy home, and I am writing to you for help in solving what has become a real problem."

My first husband and his parents are devoted. Ann, who goes to school for a week and twice a month, returning loaded with presents and stories of good times.

As for you and her father—well, you didn't ask me for a lecture on parent morality and responsibility, but to mention common decency and humanity.

Isotopes Aid In Cancer War To Be Contributed For Research Work WASHINGTON—Radio isotopes—valuable products of the nation's atomic energy program—will be made available without charge to qualified cancer research workers in the United States.

The free availability of all radio isotopes for proper use was designed by Dr. Shields Warren, director of the commission's division of biology and medicine, as a "significant enhancement" of the commission's already ambitious program of research for the detection and cure of cancer.

The program, announced last March, has as its primary objective, it was stated, the development of the use of radioactive substances in studies of the nature, diagnosis and treatment of the most baffling of diseases.

Radioisotopes are ordinary chemical elements, such as radium, carbon and phosphorus, in radioactive form. They are made active by exposure to the intense radiation in an atomic furnace.

Previously, the radioisotopes had been used only in the production of phosphorus and sulfur, and more than 200 additional elements, according to the commission.

Since you ask me, Janet, my advice would be to surrender Pamela completely to the care of this family that has apparently discovered the real cause of her ailment.

VOLUME EIGHTY-TWO MANCHESTER, MICHIGAN, THURSDAY, MARCH 31, 1949 NO. 28

Immunization Clinic Here April 8

County-wide diphtheria and smallpox immunization clinics sponsored by the Washtenaw County Medical Society were announced today by Dr. Frederick E. Williamson, President of the Washtenaw County Medical Society. This is the eighth annual series sponsored by the society, said Dr. Williamson. This service is contributed free to the children of this county in an effort to guarantee that epidemics of either diphtheria or smallpox will be prevented.

Dr. Williamson added: Last year 6,223 children received protective treatments for either diphtheria or smallpox or both in the program. In addition, many infants, pre-school and school age children were given these treatments in the offices of their private physicians. "If the parents will continue to cooperate as they have in past years," said Dr. Williamson, "our objective of a county relatively free of smallpox and diphtheria will be maintained."

"Every infant should be protected for whooping cough, tetanus, smallpox and diphtheria in the first year of life," said Dr. Engelle, Director of the Washtenaw County Health Department. Studies conducted by the Health Department in cooperation with the practicing physicians have indicated that immunization is the best protection against these diseases.

Survivors include: two daughters, Mrs. Clara Hill and Mrs. Laura Busch, both of Freedom township; one sister Mrs. Magdalen Rolde of Ann Arbor; a brother, Emmanuel of Detroit; and two granddaughters.

Funeral Services Held Sat. For Mrs. L. Feldkamp

Mrs. Louise Christine Feldkamp, 87, widow of Henry F. Feldkamp, died early Saturday morning at her home at 13024 W. Washtenaw lake road, in a high percentage of Washtenaw County children. Many families and physicians have worked out a schedule for renewing these protective treatments every two or three years or as often as necessary through childhood. This is the ideal way to control these diseases," said Dr. Engelle. "In a clinic program we can only hope to renew protection against smallpox and diphtheria on a group basis, a physician-patient relationship through the critical years guarantees each child a continuous appraisal and renewal of protective treatments for other children as well."

The Manchester Immunization Clinic will be held on Friday, April 8, at 9:00 a. m. at the high school.

Exchange Club Members Guests Of Ann Arbor Mon.

There were 23 from Manchester who attended the fourth district Michigan State Exchange Club meeting at the Michigan Union on Monday evening at which the Ann Arbor Club played host.

Greeting to the exchanges from the Ann Arbor club was given by Willis Ramsdell. "Fun and Fumble" by Hubert Dally and Robert Marker; greetings from the national board of control were extended by Hubert Dally who is on the national board of control; and greetings were extended from the State Board by Morris Cole, treasurer of the state exchange from Detroit. Master of ceremonies was Howard Rose. A quartet, the Elkairs, also proved to be very entertaining.

The speaker of the evening was Prof. James K. Pollock, University political scientist, who is a member of the Hoover Commission on reorganization of the federal government. Prof. Pollock spoke on the vast expenditures of the maintenance of endless numbers of boards and committees in the federal government.

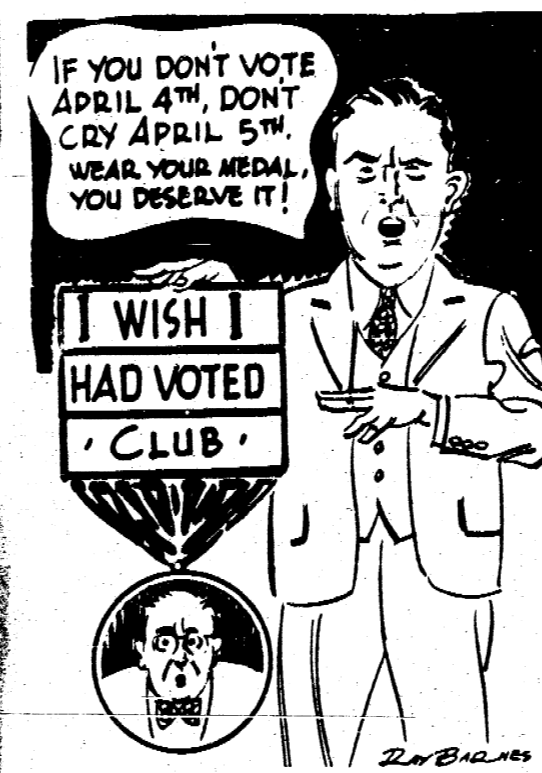

Twenty-two Attend Burch Wedding Anniversary Dinner

Mr. and Mrs. Merrick Burch entertained twenty-two relatives and friends at dinner on Sunday afternoon, commemorating their golden wedding anniversary.

Out of town guests met Wednesday at the home of Mrs. Burch where the ladies went on dresser scarfs for the Country Hospital. The next meeting in April will be held at the home of Mrs. Lowell Parr.

The honored couple received many lovely gifts, flowers and cards in honor of the occasion. The Enterprise joins in wishing them the best of luck on their anniversary, March 29.

ENTERTAINS AT SHOWER Mrs. Alton Horning and Mrs. Gertrude Horning entertained at a neighborhood shower for Miss Elaine Reno. Each of the guests presented Miss Reno with a kitchen gadget and the entire group also gave her one large gift.

Huber to Oppose Walz In Supervisor Race

The Democrat and Republican parties will each run a complete ticket in the Manchester Township Election, Monday, April 4.

For the first time in several years the Democratic Party will have a candidate for the post of supervisor opposing the incumbent Charles Walz.

Robert Huber, well-known Manchester resident and Insurance Agent, will oppose Mr. Walz in the April election.

Following is the complete list of candidates for offices on both sides for Manchester Township:

SUPERVISOR: Charles Walz, R; Robert L. Huber, D.

CLERK: Wanda Marx, R; John M. Neuffer, R.

TREASURER: Miss W. Florence A. Kirk, D.

HIGHWAY COMMISSIONER: P. W. Schiller, R; John Faher, D.

BOARD OF REVIEW: John Bowser, R; Ross Knoll, D.

JUSTICE OF PEACE: Leo Gruner and William Palmer, R; Aaron Britton and Ed Steele, D.

CONSTABLE: Roland Grossman, Homer Kappeler, L. P. Walter, Schaeffer, R; Walter Schaeffer, Carl Schumacher, George Swans and Carl Wuerthner, D.

Due to the limited number of taxpayers in a village, it is obviously not desirable to have a large number of highly paid public officials. The positions that are held by officials are not as important to us as citizens of Manchester as they are to Detroit.

Due to this fact, we believe our elected officials should and will be pleased to hear from the local voters and their opinions on current questions.

We believe Mr. Davister and his council did listen to these citizens as there were some signs changed. We believe that the record was reviewed and we would find that they have done a very good job during their term of office and we personally feel that Mr. Davister should be complimented on his job which was one of meager pay, much unjustified criticism and many hours given unselfishly for the benefit of the community.

To the new city officials we would like to be helpful in our suggestions and criticisms, many acts and one to carry them out. Regardless of this we believe the village government is still in good hands and Manchester is a good place to live.

Your ever present, Peasant Present.

Dear Editor: Now that the flowers are showing signs of life, the enthusiasm for this year's softball game by boys and bounds. However, the local league is getting stronger and fiercer in its competition and we are wondering if there are not just a few souls in this community who would like to play just for the plain fun of the game. It has been in our mind for some time to start a fun and unique league for all those who would like to play but whose neighbors can't promote action by writing the Dairy Action League, 916 Old Tower, Lansing, Michigan, or phoning Lansing 4-8511, Stone said.

CAED OF THANKS
To all who sent flowers, fruit gifts and cards to me and to my many friends who did so many nice things for me during my stay at the hospital and since my return home. I wish to say thank you so much. Your thoughtfulness is deeply appreciated.

Mrs. Henry Steinway.

Mr. and Mrs. Lester Conrad and son, Jimmie and Charles, of Detroit spent the week with her parents, Mr. and Mrs. E. P. Gibson. Other Sunday dinner guests were Mr. and Mrs. T. P. McClain of Wayne, Mr. and Mrs. William McClain and daughter of Sylvania, Ohio.

Mr. and Mrs. Mike Wolfe and wife of Ypsilanti to the home game in Detroit Tuesday night.

Mr. Mike Wolfe and wife and al ladies of Brooklyn attended the district Rebecca meeting, Parma Wednesday. The group was joined at the evening session by Mrs. Russell Middlecamp, Carl Wuerthner and Mike Wolfe.

CAMBERG STRIPS ARE
ARRANGED FOR
MICHIGAN NURSES

A brief spring camping trip as well as the latest information on maternity care, is in prospect for Michigan's busy hospital and public health nurses. Reservations for five-day institutes to be held in May and June, at St. Mary's Lake, Battle Creek, Birch Lodge, Escanaba, and Bay Cliff Camp, Marquette.

Each camp will accommodate 50 nurses. Experts on maternal care will speak.

Programs are now being arranged by the Sections of Public Health Nursing and Maternal and Child Health of the state health department.

DR. JOHN HEINTZ HONORED BY YACHT CLUB SATURDAY

Ernst and George Ernst of Seeline motored to Detroit on Saturday where they were met by Mrs. Otto and Mrs. Ernest took them to the Detroit Yacht Club on Belle Isle where she and her husband entertained a surprise birthday party honoring Dr. John L. Ernst.

The party was held in the Blue Room and included a steak dinner. All of the ladies present were presented with orchids which had been flown in Saturday morning from the Hawaiian Islands.

The Manchester relatives remained over night and were Dr. Ernst's guests at St. Peter's church on Sunday.

Dr. and Mrs. Ernst later entertained at a dinner on Sunday honoring the birthday party.

Dr. Ernst's daughter, Mrs. Dorothy Bouta, of Cary, Illinois.

CAED OF THANKS
I wish to extend my sincere thanks to who did so much for me during my stay in the hospital and since my return to the back side of the drawers, fruit, gifts and cards. Your thoughtfulness is greatly appreciated.

Blanche Gumpner

CARD OF THANKS
I wish to thank all who remembered me with cards, flowers and baskets of fruit during my recent illness.
