On the seventeenth hole, Jones' tee shot careened into a swamp that the U.S.G.A. had ruled was a parallel water hazard. The ball was not recovered, and was lost in the swamp. Jones was penalized a stroke, and went on to take a five on the hole. Had he been required to play the ball from the swamp, he might have blown the match right there. But the remarkable Mr. Jones, under terrific pressure and discouragement, went on to the eighteenth to become the master of the situation. He sank a thirty-foot putt on that final hole, and won the match by two strokes. SUNDAY - MONDAY AUGUST 21—22 TAKE ME OUT TO THE

THE WAY" Ted DONALDSON and that MacDonald Smith was the man to beat.

On the seventeenth hole, Jones' tee shot careened into a swamp that the U.S.G.A. had ruled was a parallel water hazard. The ball was not recovered, and was lost in the swamp. Jones was penalized a stroke, and went on to take a five on the hole. Had he been required to play the ball from the swamp, he might have blown the match right there. But the remarkable Mr. Jones, under terrific pressure and discouragement, went on to the eighteenth to become the master of the situation. He sank a thirty-foot putt on that final hole, and won the match by two strokes. SUNDAY - MONDAY AUGUST 21—22 TAKE ME OUT TO THE
