All this is made possible by the pennies which the dairy farmers in this state and across the nation set aside in June for year round product promotion," said Mr. Beach in pointing out the 10-year progress of the American Dairy Association from 6 states to 40 states. National ADA income this year will approximate 114 million dollars, it is estimated.

Three delegates from this state will attend the annual meetings of the American Dairy Association to be held March 27 and 25 in the Morrison Hotel.
