Looking Into The Past

Items taken from the old files of The Manchester Enterprise.

1 Year Ago

Norman Downing, assistant Scoutmaster of Troop 13 of Bach school, Ann Arbor, accompanied Scoutmaster Jerry Marsh and 40 boys of the Troop on a camping trip through the Smoky Mountains. Mr. and Mrs. Nathan Albert were honored by friends and relatives on their 50th wedding anniversary Sunday. The Exchange Club will meet Monday, June 27, at the Luckhart's at Wampole's lake. Mr. and Mrs. Willard Mans and Mrs. Roland Grossman left Wednesday morning on a trip to Canada. H. Alexander is the new commander at the Legion Post. Fifty-nine children have enrolled at the "Magic Horseshoe."

60 Years Ago

It rains just as easily as falling off a log. Ann Arbor umbrella borrowers rejoice in the advent of an umbrella mender in that city. If the wheat gets badly tangled the sale of banders will be good. Miss Stella Parker went to Chelsea yesterday to visit her sister. George Nale is building a bus the Mack Robinsons. Shade trees and hammocks are at a premium. We understand that St. Mary's Church Society has not yet decided to build or buy a rectory. Mrs. Henry Kather of Bridgewater station was driving on a Clinton street last Friday. Her old horse tumbled down and got badly tangled up in the harness. The horse cuts that caper on an average of about six times a year. Twenty pounds of sugar for \$1.00 at Keadlers. The young people enjoyed a social hop at Pleasant lake Saturday evening. John Schief of Saline, aged 17 years, was drowned in the mill race while bathing on Sunday. Our staunch old friend, John J. Robison of Ann Arbor, was in town last Monday, shaking hands with old friends and neighbors. His shadow has grown about 40 pounds less since last we saw him. John Stubbins caught a young weasel and gave it to Stubbins, who exhibited it in a cage at his store for the amusement of the youngsters. Boys be very careful when you go in bathing, not to venture in deep water. Mrs. Florence Russell, who has been teaching at Lancaster, Ohio, is at home this week.

"I'm famished for a cup of tea, madam, but I simply would not trouble you to make it for me. If you'll lend me your telephone directory, I shall consult the Yellow Pages and find a first-class restaurant."

Rural Tele-news

ONE FOR THE BOOK - Telephone directories go with newspapers. They like them from with eggs. And last year Michigan Bell published more than 500,000 directories. Over 1,000,000 pounds of paper were purchased through Western Electric Company, the Bell System's supply division. Printing the directories took 100,000 pounds of ink and 40,000 pounds of glue were used for binding. It takes a lot of everything to provide telephone service.

AS SIMPLE AS A-B-C - Money for new construction needed to provide more and better rural telephone service has to come from investors. And investors only put their money in businesses that show a fair profit. So do fair profits for Michigan Bell in investors. It's fair profit for Michigan Bell in investors. It's fair profit for Michigan Bell in investors. That's why it's important for you to have Michigan Bell financially healthy.

A TRIP SAVED - During planning the Spring Michigan Farmer's tractor broke down. He was about to drive into town to get a spare part from the dealer there. But fortunately he thought to telephone first. The dealer didn't have the right part. So he called the dealer in another nearby town and looked the needed part. Saving needless trips and wasted hours is but one great value of the telephone.
