In behalf of the young men of the community who may soon be inducted into the armed forces, the local Fast of the American Legion has appointed a committee of its members to give information and guidance in the various branches of service. They are Ronald Jenser, marines: Pat Roesch, air corps; Hugh Waish, navy.

From their very recent experience both in training centers and actual combat they will be of invaluable service to the recruit in choosing the branch of service to which he is best suited. Also from recent experiences the committee members can advise the would he recruit as the world of the recruit as the committee members can advise the would he recruit as to rules!

STOP THIEF!

That is what you will yell at the man who deliberately processes your meats for freezing in materials that will cause dehydration and flavor losses.

Michigan State College Tests have shown shrinkage losses in improperly handled meats in frozen storage up to 30% in only 6 months. With meat at 60c wholesale, that thief is quietly taking dollars from your freezer when you have a right to be saving them.

Don't harbor a thief in your freezer. Insist on Real Seal processing and save.
