Chest Drive Nears Half-Way Mark

Manchester's Community Chest drive has passed the \$1000 mark on the way to its goal of \$1400, according to reports received from workers last Tuesday night.

Reports of the soliciting groups break down as follows: House to house and rural, \$500.25; Special Gifts to date, \$300.00; Manchester school children, \$50.00; Ford Motor Company employees, approximately \$100.00; Double A. Employees to date, \$100.00; Total, \$1,450.25.

Only preliminary reports have been received from the special drive workers. This part of the drive should come close to \$1,000 before final reports are in. A number of the house to house teams are still to be heard from.

Special gift workers are urged to see all the firms on their list during the remainder of this week and the first two days of next week and turn all collections by November 7 in to Millard J. Phisus at the Hausler Drug Store.

Manchester's Community Chest Fund is distributed to health and welfare agencies and local youth groups. The money donated by Manchesterites helps fight heart disease, cancer, polio, and many causes of human misery. It aids crippled children, old people, the poor and the blind.

On the local front, the Fund supports the work of the Boy and Girl Scout, student organizations and the town's outstanding youth summer recreation program.

The Fund combines many drives into one. Last year, several organizations might have come in to Manchester to stage house-to-house drives if it had not been for the Community Chest Fund formally set up in this town in 1947.

They haven't given yet—support your Community Fund.

A Target For Deer Hunters To Shoot At

Between the dates of November 15 and December 2, this year, the Manchester Enterprise will award the hunter returning home with the largest buck a prize of \$25.00 in cash.

However, there are certain requirements that must be met for a buck to qualify. You must be a paid subscriber to this newspaper or a member of the Enterprise family living at the time this prize is paid up or if not a regular subscriber, sign up for the local paper before the first of November.

It is not always a really large buck that wins. Don't forget to weigh your deer. It may not be the king of the herd, but it may be the largest buck in this area.

When you pull into town with your trophy, call out and our photographer will snap a picture of it.

COMING EVENTS November 11 starting at five o'clock. The regular meeting of the Masonic Lodge will be held Monday evening, November 6 at 8 p.m. at the lodge hall.

On Saturday, November 11, the Arboretum Society will hold a bake sale and country style at the Central Market beginning at 10 a.m. and ending at 2 p.m.

On Thursday evening, November 2nd there will be a chicken supper served country style at the Iron Hook Church, beginning at 8:00 p.m. Mrs. Loren Trois is general chairman.
