★ WANT ADS... Serve Humanity, the Biggest Job on Earth ★

All of the news does not appear on Page One of four newspapers! You'll find dreams and dreams tucked into the bound copy files of the Want Ads sections in the back of your paper.

Yes, there's humor and heartaches... calls for help, and services offered... bargains and profits... voted by the people in the Want Ads!

Want Ads have their roots in the earliest forms of advertising. Long years ago, town criers roamed cobble streets announcing strayed cattle... property sales... betrykals and the day's happenings.

Today, Want Ads encompass home—business—industry. For here is the pulse of the people—the barometer of business—the prosperity or depression of a community forecast in the jobs offered, versus jobs wanted—in the ups and downs of real estate prices—and in countless other ways.

Look to the small type of your Want Ads for BIG opportunities. Read and use the Want Ads for profit, result and human interest—it is the world's largest market-place... its biggest bargain counter!
