E. Steele, Jr. Is Appointed Field Officer of Legion

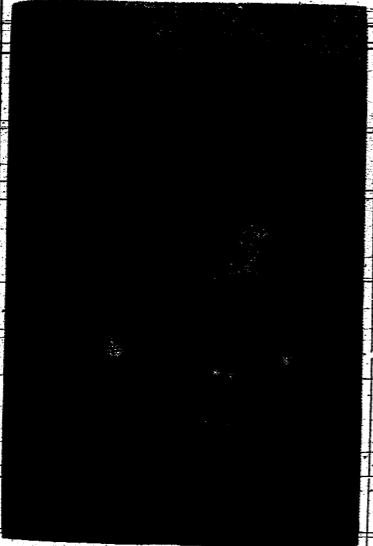

Lisle Alexander, American Legion service officer at the Veterans' Building at Detroit has appointed Edward Steele, Jr. as the new Field Service Officer of the American Legion.

This is the first time that a Manchester man has received such an appointment. The territory which Mr. Steele will cover in his work includes ten counties, sixty-eight American Legion posts and the local hospitals in this area. He plans to work out of the Detroit office and the territory includes most of Southeastern Michigan.

In explaining something of the type of work in which he will engage, Mr. Steele pointed out that it is his duty to contact veterans in local hospitals and help them in any way possible in relation to the veterans administration, he will act as an agent of the state concerning veterans affairs.

Mr. Steele replaces Duane Drigstock who was stationed in Battle Creek working in southeastern Michigan. Steele graduated from Michigan State Normal in June. He is an ex-service man, having served in the

Retires After 33 Years Of Service To County

Some 500 persons from the farming area in Washtenaw County gathered at the Yost Field House Monday evening to pay their respects to retiring Washtenaw County agricultural agent, H. S. Osler, who plans to retire July 1 after 33 years of service to the county.

The master of ceremonies was Charles McCalla, proprietor of the Ann Arbor Farm Bureau Store. Mrs. Jean Tilt of the N. East Ann Arbor Farm Bureau group played prelude music. County business men's groups were represented by Albert Blasfield of Ann Arbor, who explained some of the work Mr. Osler had engaged in during his term of office and told of his willingness to cooperate to help the farmers.

Lester McCalla, representing the County Farm Bureau organizations, told how some 13,000 4-H projects alone had been completed during Osler's term of office. Mrs. George Henning of Ann Arbor represented the Adult Extension groups.

The guest speaker was C. V.

Ballard, director of extension service from Michigan State College, who explained how farmers today are more and more dependent on scientific research in governing the operations on farms today than planting produce according to the moon.

A television set, four pieces of luggage and a bond were given to Mr. and Mrs. Osler by Jesse Hewens, representing the farm organizations of the county. Among the guests were: Mr. Osler's father, William Osler, who at 94 years of age made the trip here from his home in Ohio to attend the celebration.

Truck Driver Bats 1000 Percent The Hard Way

While driving east on Duncan street Clark Bertke of Manchester hit three cars which were parked at the William Dorrance residence on Sunday afternoon. Mr. Bertke was driving a pickup owned by Max Sellers of Manchester.

The pickup first hit a car owned by Ed Steele, jr of 305 Beaufort street, bounded back, missed a second car, hit a car owned by Frederick Wurster of 142 E. Main street, causing considerable damage and drove that car into another car owned by Albeno Christopher of 98 Maple street, Saline. After checking tire and skid marks on the black top, Mr. Bertke was ticketed for reckless driving by Deputy Charles Schebor. He is to appear before Judge E. Steele, sr. on June 20th.

Exchange Club Delegates Hear N. R. Thurston

Newman R. Thurston, national treasurer of The National Exchange Club, was the guest of honor and principal speaker at this year's convention of the Michigan State Exchange Clubs. The 1951 meeting was held in the Occidental Hotel at Muskegon on June 17, 18, and 19.

Donald C. Weed accompanied by Mrs. Weed represented the Exchange Club of Manchester. Mr. Thurston, a Grand Rapids, Ohio, banker, is a past national president of The National Exchange Club. Active in the national organization of the Exchange Club for many years, he has served as chairman of the national extension committee, member of the agriculture study panel and member of the national board of control. He is now serving as national treasurer.

Officers of the Michigan State Exchange Clubs are: Maurice F. Cole of Ferndale, president; Herbert W. Truemmer of Flint, vice president; Victor E. Ferguson of Benton Harbor, treasurer; and Henry W. Baker of Battle Creek, secretary. Dorr J. Gunnell of Lansing is immediate past president.

Coming Events

The Emanuel Church Choir will hold their annual picnic at Wampers Lake on Sunday afternoon, June 24.

Friday, June 22 the OES will meet at 8 p.m. for a special meeting honoring Friendship Night. Officers from neighboring Chapters have been invited to assist in the initiatory work. The Thurston Extension will meet Thursday, June 28 at the home of Mrs. Albert Wellhoff with a potluck dinner at noon. Everyone is asked to bring their own table service.

Don't forget band practice—the first band concert is scheduled for July 11.

Marie Schneider And Sue Merriman Join Staff Of Enterprise

It is with a great deal of pleasure that the Manchester Enterprise announces two new employees of the Enterprise staff.

Marie Schneider, who is well known in Manchester, will assume the role of full-time editor for the paper. Miss Schneider has been an associate editor for some time on a part-time basis. Beginning with Monday, June 18, she assumed her new position and will handle all the editorial and advertising work for the paper. All her many friends and sources of information may now contact her at the Enterprise office as well as at home.

Miss Sue Merriman, daughter of Postmaster Geo. Merriman, has assumed the position of advertising account executive for the summer period. Miss Merriman is studying journalism at Michigan State College and will be with the Enterprise during her summer vacation from MSC. Both Miss Merriman and Miss Schneider will handle the editorial and advertising business of the paper during the summer. During this summer period both will work together with Miss Merriman pointing her activities toward advertising and Miss Schneider toward editing, each will help the other and when Miss Merriman leaves in the fall Miss Schneider will assume her full duties.

F. W. Giesel, Jr., new publisher of the Enterprise, made the announcement today and it is hoped that this arrangement will make an already fine Manchester Enterprise an even better paper for better service to the Manchester community.

Lewis Kuhls' 40th Anniversary

Mr. and Mrs. Lewis Kuhl observed their fortieth wedding anniversary at their home on Sunday with a potluck dinner for fifty relatives from Chelsea, Ann Arbor, Detroit and Manchester present.

135 Youngsters Attend Opening Day

One hundred thirty-five youngsters from the Manchester area were on hand for the opening of the summer playground which this year is being directed by Mr. and Mrs. Charles Mills. Mr. Mills is the assistant coach here.

Relay games, high jumps, running broad jumps, football throw and any number of interesting games and competitions had been arranged for the different age groups. The grand champion boy was Gerald Schmidt and grand champion girl was Darlene Dunny.

There were three class groups with boy and girl divisions. Boys—Class A included 12, 13 and 14 year olds—John Wehhardt was the winner; Class B which included 9, 10 and 11 years old had Daniel Hehoe the winner, and Class C with ages 6, 7 and 8 had Gerald Schmidt the winner.

Mr. and Mrs. Charles Mills

In the girls' division the age groups were divided the same as in the boys' division. Class A winner was Darlene Dunny, Class B winner Joyce Kemner, and Class C winner was Carol Braun.

The swimming program will start next week with Tuesday's class leaving at 9 a.m. for Wampers Lake and returning at (Continued on Page 4)

Couple Wed At Iron Creek Church

Lois Kanabel, daughter of Mr. and Mrs. Glen Kanabel of Clinton, became the bride of James Claus, son of Mr. and Mrs. Edgar Claus of Manchester at a double ring ceremony performed by the Rev. Alvin Brazee at the Iron Creek Church on Saturday afternoon, June 16.

Mr. Wagner of Clinton played traditional wedding music. The church was decorated with bouquets of peonies and summer flowers.

The bride was attired in white organdy and wore a finger-tip veil. She carried an arm bouquet of pink roses. Her only attendant was her sister, Miss Alfreda Kanabel of Clinton, whose gown was fashioned of aqua organdy. She carried yellow roses.

About fifty attended the wedding. A reception followed at the home of the bride's parents on US-112. The couple left for Oscoda where Mr. Claus is stationed at the Air Base.

County Council Of Veterans Draft Resolution

The Washtenaw County Council of Veterans drafted a resolution at their June 18 meeting condemning the actions of Circuit Court Judge James Breaker, jr. and County Prosecutor Douglas K. Reading for their "hasty and unsympathetic action" in a recent case involving a mentally disabled veteran.

The controversy arose out of a case in which a veteran with a war incurred mental disability was committed to Ionia (State Hospital as criminally insane when, according to the council, "the charges were minor and the plaintiff was anxious to have them dropped."

Under present law, no hospitalization is granted veterans who are under charges by civil authorities even when charges arise through mental derangement caused by experiences in combat.

Another resolution recommended that immediate steps be taken to develop a program to provide some sort of hospitalization for veterans who are mentally deranged and to work for the adoption of a program through a change in regulations of the veterans administration and state and federal legislation.

A copy of the resolutions is being sent to all department are 21 member veterans organizations represented on the council. There zation, the Emil Jacob Post of the American Legion being one. It is their purpose to "further the interest of all veterans through unified action of all veterans organizations which compose the council."

The Main Street

Were sorry to learn that Hugh Walsh of the Walsh Restaurant is a patient at Mercy Hospital where he was taken early Tuesday morning suffering from severe burns which he received when a tea kettle was accidentally turned over.

R. C. Kerr of Manchester has begun his work as counselor at the Varsity Day Camp for boys at Pinkney.

Beatrice Meyer will leave Saturday for Interlochen with Ann Rohrbach of Ann Arbor. The girls will spend two months at the music camp. Beatrice will study voice and piano along with operetta work shop and beginners composition.

Somehow on the last "This is Manchester" program we failed to mention that Mr. and Mrs. Herbert Kemner celebrated their 14th wedding anniversary on June 17. This was to have been a surprise to the Kemners—the only ones surprised were those who sent in the names.

The Manchester MOMS will hold their annual tag day on June 30. Mrs. Herman Weidman is the chairman and will be ably assisted by Mrs. Albert Sutton, Mrs. Roy Lowery and Mrs. George Diefenderfer. The money received for this tag day will be used by the women in their work at the Veterans Hospital at Battle Creek.

Were sorry to learn that Oren Wellhoff is confined to his home. He hurt his foot when a lathe fell on his foot while he was working at the Double A Products. He was treated at Mercy Hospital and returned home.

The new face we see in the Union Savings Bank is that of Ethel Fahey who graduated from Cleary College last week. Another new personality at the Manchester Enterprise office is Sue Merriman. Sue is helping us this summer in the advertising department. We are certainly very glad to welcome her to the staff.

Probably one of the nicest things about a small town is the friendly help and understanding which the home folks display when some one is in trouble. This was expressed last Saturday when eight members of the local hard ball team of which he is a member, with buckets of paint and ladders, arrived bright and early at the Merrick Hough residence and gave his house a coat of paint. The boys plan to return next week and give it a second coat. Sure shows where their hearts are. Merrick came home last Thursday from the hospital with his broken leg in a cast.

Audrey Weed is attending Girls' State this week. She has been selected as Manchester's Auxiliary representative.

Cleary Graduates Include Two From Manchester

Stanley Kemner graduated from Cleary Business College on Saturday with the title, Associate of Science. Among those who attended the graduation exercises were his parents, Mr. and Mrs. Lewis Kemner, Mr. and Mrs. Walter Kemner and family and Stanley's grandmother, Mrs. Amelia Kemner.

Ethel Fahey, daughter of Mr. and Mrs. James I. Fahey, was another of the graduates. Besides her parents, others who attended were her sister, Mrs. Milton Humphries of Wayne and Mr. and Mrs. Waldo Marx. Following the graduation exercises Mr. and Mrs. Marx took the group to dinner. Ethel began work this week at the Union Savings Bank here.

Traffic Violations

Norman Wallace of Manchester was fined \$15 and \$4 cost for speeding in village at 50 miles an hour.

Robert Adams of Manchester was fined \$20 and \$4 cost for driving under the influence of liquor.

Edwin Hughes of Manchester was fined \$35 and \$4 cost for speeding in village at 65 miles an hour.

William Shade of Manchester fined \$25 and \$4 cost for passing a stopped school bus.

Fred Fox of Manchester was fined \$25 and \$4 cost for driving 55 miles an hour in the village.

Robert Kenney of Jackson was fined \$10 and \$4 cost for speeding in village at 45 miles an hour.

Richard Gordon, Chelsea, fined \$2 and \$1 cost parking in "no parking" zone.

At a special meeting held Monday evening at the Legion hall the new officers were elected as follows: commander, Richard Weir; adjutant, Vearl Widmayer; finance officer, Russell Hosmer; sgt. at arm, Ronald Jenter; chaplain, George Merriman and service officer, Harry Sutton.

It was voted to give a gift to Merrick Hough, a member of Manchester Emil Jacob Post, who broke his leg recently while playing with the local legion team in a game at Cement City.

Road Between Chelsea And Manchester To Be Resurfaced

Bids were taken in Lansing yesterday June 20 for the black-topping of a four-mile stretch of the Chelsea-Manchester road in Sharon Twp. The stretch runs north from Pleasant Lake Road to Waldo Road. The project will be financed by the county and federal governments, with each paying half the cost. The State Highway Department will supervise the job.

Arbeiter Society News

The Arbeiter Society enjoyed hearing the report of the state convention which Mrs. Jesse Walker and Mrs. Paul Wahr attended.

Those on the good of the order for the month of July are the Mesdames Kenneth Furgason, John Gauss and Clayton Gieske.

Warning

There is an ordinance in the village of Manchester that states that dogs in the village are to be penned up at all times or on a leash. Owners of dogs running at large will be ticketed. This is the warning issued by deputy Charles Schebor.

Shooting B-B guns in the village is prohibited. The reason for this is for the protection of persons in the town. Last week two boys shot their B-B guns through the door window at the Rev. H. A. Rest residence. According to Deputy Schebor parents of children shooting these guns will be held responsible.

Your New Social Security

"I was first covered by the social security law in 1950. How long will it be before I will be insured?"

That is a question our, and other social security offices are being asked every day since the amended Social Security Act became a law.

In most cases, the answer is a year and half for survivors insurance, longer to qualify for old-age insurance payments if you're not already aged 65 or over.

The amended law makes provision for a new benefit formula for workers retiring in

the future. This formula is applicable to those who have at least six calendar quarters of coverage after 1950. Under the old law one-half the number of calendar quarters since 1936 were required quarters of coverage.

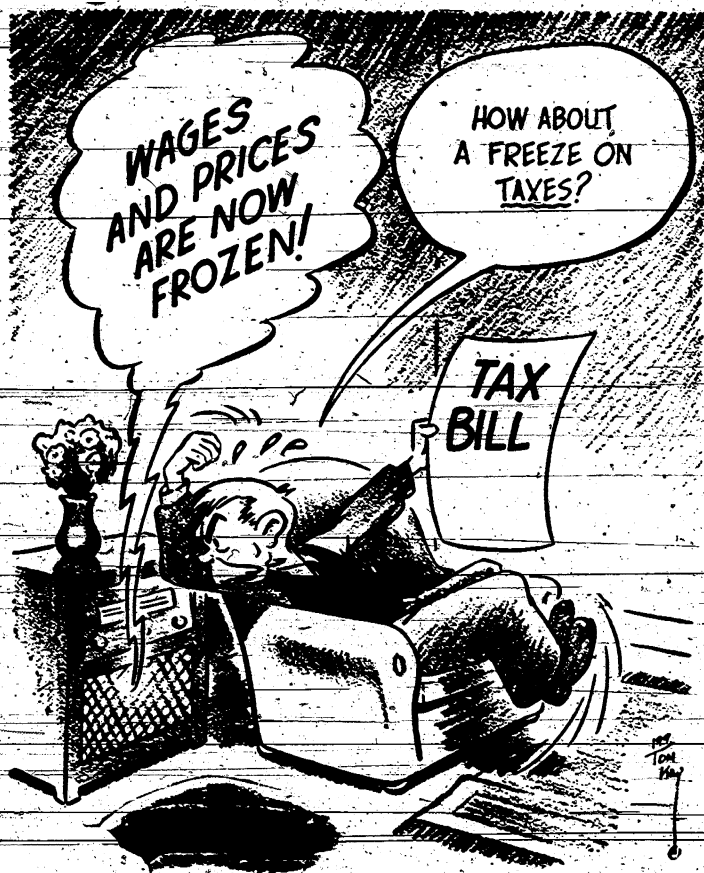

For example—a person aged 65 or over at the time the amended Social Security Act became a law, would be fully insured for benefit payments on his sixty-fifth birthday if he had at least six quarters of coverage. That would be one-half of the elapsed quarters since 1950. Let us assume that he did not earn six quarters of coverage before 1950 to make a total of six. He would still be fully insured at age 65.

A "quarter of coverage" is a calendar quarter. For social security purposes the year is divided into four quarters, January through March, April through June, July through September, and October through December are calendar quarters.

As in the old law, no more than forty quarters of coverage can be required for a fully insured status and the required amount of earned wages in a calendar quarter remains at the \$50 minimum. The maximum annual wages to be counted toward social security, however, has been raised from \$3,000 to \$3,600.

It is the six quarters of coverage provision of the new law that will give immediate or early old-age and survivors in-

THE AMERICAN WAY

A Reasonable Question

Insurance protection in number of workers not qualified for social security before. Many people now 65 or over will be enabled to draw retirement benefit payments right away. Some people who filed a social security claim under the old law but did not have enough social security credit to qualify them, may now be eligible for payments. We are making efforts to get in touch with all such persons in this area. Workers in groups coming under social security for the first time in January will be enabled to qualify much more quickly.

And the Long Distance telephone network which ties America together has grown even more. In 1941, there was very little coaxial cable in use. Radio relay was still in an experimental stage. Yet today there are 3,000 miles of coaxial cable in service — plus thousands of miles of radio relay. And Long Distance telephone circuits have increased in ten years from about 4,800,000 miles to 20,800,000. In times like these, telephone lines are defense lines. For they are helping America rush its big production program. It's fortunate this nationwide network has grown so big, so fast.

Gasoline prices went up—as advertised—after the legislature passed the 1 1/2 cent boost over the governor's veto. Here the G.O.P. logic in approving the law broke down.

Republicans had said the oil companies would absorb most of the price rise to keep intra-state prices on a par. The companies categorically refused, despite pleas from the governor.

The C.I.O. is opening its campaign to put the issue on a referendum, says the law is "picking the workingman's pocket." They,

of course, favor Williams' corporation tax.

A state police racket squad has been created to suppress gambling and narcotics peddling in the state. As predicted in this column two months ago, Williams and Donald S. Leonard, state police supt., announced the formation of a special squad to work with local law enforcement officials.

Prior to this time, all of Michigan outside of Detroit had to depend on federal officers.

INDIAN ENVOY ACCEPTS CROP GIFT

A nation-wide appeal for grain contributions for India was opened in Chicago by the Christian Rural Overseas Program (CROP) in the presence of the Indian Ambassador, Madame Vijaya Lakshmi Pandit. CROP is shipping immediately 40,000 bushels of wheat to Bombay. Madame Pandit said, in accepting the gift: "This wheat will not only feed my people but also revive their spirit and show them the warmth and generosity of the American people, and it will build a bridge of friendship between our countries." Madame Pandit is seen above with officials of CROP, from left to right: John D. Metzler, Church World Service; Madame Pandit; Ray F. Murray, Catholic Rural Life; and Clifford E. Dahlin, Lutheran World Relief.

After surviving two years of worker's strikes, the Bell Telephone Company seeks \$22,000,000 increase in rates to restore its 15 percent standby margin for expansions and increased services. Says a company spokesman: "We still have 18,000 unfilled orders and 132,000 customers who want better service."

Term of Schuyler L. Marshall of St. Johns, former newspaper publisher, on the Michigan Public Service Commission will expire early in July. Democrats now hold two out of three offices on the commission. The state conservation commission is bi-partisan. If Williams appoints a third Democrat to the utility body, the commission would be 100 percent under his control. Re-appointment of Marshall would still leave Democrats in a majority.

While Williams was signing four minor measures to help restrict welfare chiseling, investigators uncovered another case where school administrators were

padding school enrollment records to get additional state aid which is given on a per-student basis. Just who can we trust?

With Washington still tossing universal military training around like the hot potato it is, Michigan got its smallest draft call in 18 months. In July '53, Michigan men will get the nod from Uncle Sam. Although there is no understanding the moods of draft officials, the number demanded seems to run in direct proportion with our successes in Korea.

Labor has been accused of impairing chances of an effective inflation curb. Says Lambert H. Miller, general counsel of the National Association of Manufacturers: "The walkout of labor members of the wage stabilization board after adoption of the 10 percent wage formula 'catchup' program in February put an end to effective wage stabilization."

The new \$5,000,000 state office building has been officially approved by Washington. Occupants

now living on the site—immediately west of the capitol building—have been notified to vacate and bids for construction will be taken June 30.

Poor weather, uncertain labor and new government orders have cherry farmers in a sweat this year. A fall of one-fourth to one-third is expected in volume. Last year the Grand Traverse region produced 90,000,000 pounds of the fruit.

Two new child guidance clinics will be started in Battle Creek and Petoskey. In the closing hours of the legislative session \$200,000 also was voted to continue clinics in Lansing, Grand Rapids, Detroit, Pontiac, Flint, Saginaw, Marquette, Muskegon, Kalamazoo and Ypsilanti.

Director of publicity for the State Republican central committee for the next two years will be Arnold J. Levin, formerly of the Detroit News.

Anyway, a man can still light a cigar without first offering one to a lady.

In these days of uncertainties the only things you can count on are your fingers.

School Districts Must Levy Tax

All school districts now must actually levy a minimum of five mills of operating school tax to qualify for state aid. The law was passed, County Supt. of Schools Isaac Grove said, after adjournment of the Tax Allocation Board. Some districts barely met the old state aid requirement by requesting and receiving the allocation of four mills. Such an operating levy now is not sufficient to qualify a district for state aid; Supt. Grove said, and necessitates legal action by the districts wishing state aid. Procedure to be fol-

lowed was outlined by Supt. Grove. A school district that wants more mills than allocated should hold a special meeting called for the purpose of vote on additional millage at the annual meeting next month, Mr. Grove said. In either case a statement must be obtained from the county treasurer stating the extra mills in effect in the district at the present time, even if there is no extra millage being raised. A copy of this statement must be put on the

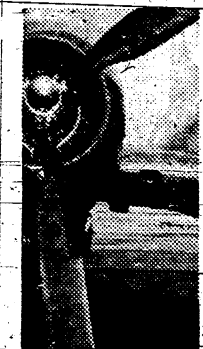

notices calling and announcing the election.

The election notice also must state the purpose and intent of the vote. The outcome of the election must be reported to the county treasurer and township officials, Mr. Grove said.

Such a special meeting will not be necessary in York Fr. district, the Milan school's but may apply to some of the rural districts in Washtenaw County.

Travel Trails

by John Flagg

Return travelers claim that Bermuda is a small slice of heaven. Actually, it is lumps—fifty of them comprising the group of Bermuda Islands—all within a seven-hundred-mile-long area. Bermuda is a well-managed, British type of heaven and it lingers in the Gulf Stream about 600 miles from the Carolina coast. Here the traveler can find anything from barefoot seclusion to utter sophistication.

A good way of reaching Bermuda is via Colonial Airlines. Your travel agent can tell you more

about this—and also fix you up with accommodations ranging from a lavish hotel to a quiet cottage or a room in a guest house.

There is no special reason in Bermuda—another of its charms. It's an all-year resort, with an average temperature of about 71 degrees. The legal tender is sterling, although the dollar will be accepted everywhere. However, to take complete advantage of the exchange rate, carry your funds in American Express Travelers' Cheques.

Judging from the snaps and movies taken by Bermuda vacationists such as John Larkin, of CBS's "Perry Mason," the variety of outdoor life is almost limitless. So much has been said about Bermuda that you may wonder if it actually exists. It does—magnificently! Go see for yourself!

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

PRAYER
and it came to pass, that as he was praying in a certain place, when he ceased, one of his disciples said unto Him, Lord, teach us to pray. (Luke 11:1) Read Matthew 6:5-15.

The great discovery for some is the realization that there are prayers out beyond words, and that the warmest prayers offered by really devoted persons are not requests for things or blessings for people. Rather they are acts of devotion, repeated dedication of one's will.

Such acts of devotion may be made by offering little gifts to God, little self denials, things we want, small or large. Let us guard against a prayer routine which has lost its power to inspire. There are many, many doors through which we individually and as groups can enter God's presence. None seems always open, but God is always there. Let us knock, seek and find.

Prayer
O God, still our fidgety minds and bodies that in quiet we may come to know Thee. May we not go through the whole of life and never know what it is to be in Thy divine presence. Help us to look within, where we may be certain always to find Thee. In the name of Christ, who sought Thy will in prayer and made Thy will His own. Amen.

Thought for the Day
I will learn to pray for a sense of God's presence.
Weyman C. Huckabee, Executive Secretary (New York).

Recreation Program
(Continued from Page 1)

noon. On Wednesday swimming will be from 1 to 4:30 p.m. and on Thursday from 1 to 4:30. There will be lessons on Tuesday and Thursday given by Carl Kreeger, Red Cross swimming instructor from Ann Arbor. Although Wednesday will be a free day, Mr. Kreeger will be at the lake to aid in watching the children. Swimming applications should be in before the children will be allowed to go to the lake. The school buses will take the children to and from the lake and the bus drivers will be Mr. Mills and Wallace Widmayer.

Dancing classes will be an addition to this year's summer recreation program with the lessons taught by Mr. Mills. Included will be square, scotch and polkas, with other types if there are groups interested in other types. These classes will begin on Friday, June 29.

A large number of adults, totaling fifteen, were on hand to aid with the opening day program and Mr. and Mrs. Mills greatly appreciated the work of these interested persons. At noon a picnic lunch was enjoyed by all those present as each child brought his own lunch. Refreshments of pop and ice cream were served by the Recreation Committee. A short amateur show followed.

Mr. Mills plans to form a softball league of at least four teams and all boys who are interested are urged to be on hand Tuesday, June 26, when this activity will be organized.

Amateur Show Highlight Of Summer Recreation Program Opening

At the opening day of the summer recreation program on Tuesday an amateur show was one of the principle events. Included on the program were: an accordion solo by John Veinhardt; an accordion and trumpet duet by John Veinhardt and Grover Heinstock; skit by Paul Downing; song duet by the Guenther sisters; and acrobatic stunts by Bruce Oates, Ronald Mann, John Wallace, Jr., Douglas Schaffer and Roger Kappler assisted by Barry Grossman.

Mr. Charles Mills outlined the summer program at that time.

Gov. Asks Counties To Help In Effort To Keep Metal Moving

At a session of the Washtenaw County Board of Supervisors, held Tuesday, June 12, the following communication was read: Mr. Samuel A. Morgan, Washtenaw County Board of Supervisors, R. 6, Ann Arbor, Mich.

Dear Mr. Morgan: American industry has reached production levels which threaten to cut sharply into our national inventories of scrap iron and scrap steel. The administrator of the National Production Authority, Manly Fleischmann, has asked me to enlist the help of Michigan County Government to meet the situation.

There is no intent to conduct intensive scrap drives of the type made familiar to us during World War II; rather, the present program is designed to start dormant scrap moving into normal channels of trade. Your attention is also called to the fact that the demand actually is for heavy scrap which represents an important percent-

age of the materials needed for production of steel. As one of the great industrial states Michigan has a special interest in the continued flow of these materials. In view of this I would appreciate it if you would call the attention of county organizations to the present need and urge them to see that heavy iron and steel scrap are promptly disposed of to dealers. Presumably, County Highway Departments would prove to be the chief source, but other possibilities should not be overlooked.

I am sure that with everyone's full cooperation we can go a long way toward providing scrap which will be required during 1951.

Sincerely yours,
G. Mennen Williams, Governor.
Sup. Williams, supported by Sup. Trinkle, moved that the communication be received and placed on file. Sup. Silkworth supported by Sup. Mayer, offered an amendment to the above motion—that a copy of the communication be sent to all Washtenaw County daily and weekly newspapers for publication. Amendment carried. Original motion carried as amended.

Mrs. Frank Rawson Entertains Class of '01

Mrs. Frank Rawson entertained the members of her graduating class Saturday afternoon. Mrs. Rawson is a member of the Clinton Alumni, having graduated in the Class of '01 which celebrated their golden anniversary this year.

Prior to the alumni banquet at the Clinton high school eight members of the Class of '01 met with the Rawsons to talk over old times as they enjoyed punch and cookies. There is only one member of the original class of twelve who has passed away. Those present were Mr. and Mrs. Fletcher Starrette of Chicago, Mrs. Kate Cullen, Mrs. Julia Becker and Miss Ada Allen all of Detroit, Miss Grace Whittelsey of Battle Creek, Miss Mary Clark and John Calhoun of Clinton.

Miss Whittelsey and Mrs. Cullen came Friday and remained with Mrs. Rawson until Monday.

Mrs. Robert Huber Auxiliary Delegate

At the Auxiliary meeting held here Mrs. Robert Huber was elected as Manchester delegate to attend the American Legion convention at Detroit in August. Mrs. Fred Alber was named good cheer chairman for this month.

The annual Auxiliary picnic will be held at the home of Mrs. Franklin M. Reck on Wednesday, July 11, at 6:30 p. m. This will be the regular meeting night and the potluck supper will be for the members. Working on the committee will be Mesdames Wallace Widmayer, George Merriam, Franklin Reck and Geo. Grossman Jr.

Girl Scout Activities Closing

Manchester Girl Scout activities are winding up for the summer months. Mrs. Paul Kappler took Troop Four to Wampers Lake for their last outing. Mrs. Luther Klager and Mrs. Frank Kalmbach, mothers of two members of the troop, accompanied the group. Swimming and a picnic were main features of the affair which took place last Thursday.

One of the Brownie troops met at the home of Mrs. Herbert Bersuder for their picnic with Mrs. Donald Sutton assisting. Mrs. Bersuder and Mrs. Sutton are Brownie leaders of the troop which is disbanding for the summer.

St. Mary's Altar Society

St. Mary's Altar Society held their June meeting at the home of Mrs. Jos Kastl with 35 present. The date of the ice cream social at the St. Mary's church has been set for Wednesday, July 18. Home made cakes, hot dogs, popcorn and pop will also be served. There will also be a fish pond for the children.

The sick committee for the month are Mrs. Erwin Paul and Miss Ann Bauer. Mrs. Walter Schaible will read the Bible at the meeting in September when the entertaining committee will be the officers of the society.

Library Starts Summer Reading Program

On Wednesday afternoon those interested in the summer reading program are asked to gather at the Manchester Township Library. Those seven years old and older (this includes through the fourth grade) are asked to come at 2:30 for a one-hour program. Miss Jane Palmer, local librarian asks that they bring their winter reading notebooks.

Then on Wednesday afternoon from 3:30 to 4:30 p. m. of each week children from 4 to 7 years of age will have their story hour.

Ypsi Legion Post Sponsors Big Fourth Of July Event

Ypsilanti American Legion Post No. 282 is again following tradition and offering this section of the county the biggest in Fourth of July celebrations. The annual event opens on June 28 and carries through July 7.

The theme of the celebration this year is "Unite for Freedom" with an all-out effort to help along the defense effort.

Gov. G. Mennen Williams has accepted the post of grand marshal of the parade. This spectacle will bring to Ypsilanti a large contingent of 46th National Guard troops under the command of Maj. Gen. Loveland. Some twenty bands, including the famous Kiltie Band and the Detroit Edison Band, will participate. Many concerns and organizations have signified intentions of placing fine floats in the parade.

One of the top carnivals in this area will be on hand for the show which will also include a children's parade, a baby photo contest, a Jimmie Hunt dancing show and on July 2 a "Beat the Clock" radio-like contest. On the last night of the show a fine car will be awarded to some fortunate person.

Bridgewater Farm Bureau

Bridgewater farm bureau... Mr. and Mrs. Robert Days entertained the Bridgewater Farm Bureau on Tuesday evening with John Norcross leading the discussion on the topic, "Let's reexamine the 15 mill tax limitation." The farm bureau group agreed to support the 15 mill tax limitation. A picnic is being planned for Sun-

Walter Stevens Passes

Funeral services were held Thursday for Walter Stevens at 2 p.m. at the Jenter Funeral Home with the Rev. Alvin Brazee officiating. Burial was in Oak Grove Cemetery.

Mr. Stevens was born on September 1, 1864 in Manchester township a son of John and Diantha Boardman Stevens. The survivors include one brother James of Ann Arbor and several nieces and nephews.
He passed away Monday at the Washtenaw County Infirmary.

Lillian Adams Richard Hlavka Wed

Lillian R. Adams, daughter of Mr. and Mrs. Glen Adams of Manchester became the bride of Richard Hlavka, son of Mr. and Mrs. Edward Hlavka of Maple City at a double ring ceremony at St. Mary's Catholic church here Saturday morning. The nuptial mass was celebrated by the Rev. Fr. Walter E. Hennes, pastor of St. Mary's. Vases of pink snaps and white glads decorated the altar. Baskets of peonies completed the floral arrangements.
Mrs. C. H. Seckinger sang "On This Day O'Beautiful Mother" and "Ave Maria" accompanied by Miss Ann Bauer at the organ.

The bride given in marriage by her father chose a gown of white marquisette over satin, styled with a fitted bodice, full skirt, puffed sleeves, and sweetheart neckline. Her finger-veil of illusion fell from a halo of lace. She wore matching mitts of lace. She carried a lavender orchid atop a white prayer book with white and orchid ribbon and ivy. The prayer book was a gift of the bridegroom's aunt, Sister Mary Monica of Yorkstown, Texas.

Miss Betty Hlavka, sister of the bridegroom from Maple City was the bride's only attendant. Her pink gown featured a hoop skirt, puffed sleeves, fitted bodice. She wore a head-band of white flowers wore matching quiet of white glads.

Paul Shettek of Maple City mitts and carried a cascade bouquet as best man.

Both mother of the bride and the mother of the bridegroom wore navy prints with white accessories and corsages of red and white roses. A breakfast for the immediate families was held at the home of the bride's parents. A reception was held from two to five for fifty guests from Maple City, Detroit, Ludington, Ann Arbor and Manchester.

After a trip through northern Michigan the couple will make their home at 101 West Duncan street.

A bouquet of pink carnations and white peonies centered the reception table which was decorated with pink streamers. Serving were the bride's sisters Mrs. Joseph Langowski and Mrs. Leslie Rogers.

Mrs. William Uhr cut the cake and Mrs. John Oetjens of Detroit had charge of the guest book. Both are aunts of the bride.

Funeral Services For Mrs. Sophia Beuerle

Funeral services were held Sunday for Mrs. Sophia Maria Beuerle, 82, widow of Frank E. Beuerle who died Friday at the home of a daughter, Mrs. Ernest Strieter of Pittsfield township after a brief illness.

She was born January 28, 1869 in Lodi township a daughter of John and Marie Greenmiller Schneider. She was married to Mr. Beuerle on January 19, 1893. He passed away on March 4, 1912. Mrs. Beuerle lived in Lodi township on a farm until 1946 when she moved

to the home of her daughter. She was a member of the Bethel Evangelical and Reformed Church of Freedom township and the Ladies Aid of the church.

Also surviving are four sons, Walter R. of Freedom township, Emanuel F. and Elmer R. both of Flint and Alvin J. of Manchester; seven grandchildren; and three sisters, Mrs. Emanuel Jedele of Lodi township, Mrs. Ernest Clark of Manchester, and Mrs. Walter Detting of Ann Arbor.

Funeral services were held Sunday afternoon at the Bethel church with the Rev. Theophil W. Menzel officiating. Burial took place in the church cemetery.

Local Boy Scouts Plan Hike To Oklahoma Ranch

Plans are nearly complete for the boy scouts of this area to enjoy their first overnight hike of the year. Scoutmaster Paul Kappler urges the mothers of boys to check the boys equipment and see that they have the proper clothing etc.

Paul can't check personally each of the group parents cooperation is needed but the boys will have good supervision when Kappler and Sloat arrive with the group at the Oklahoma Ranch. Boys are to meet at the Scout hall at 2 p.m. Saturday. They'll pitch the tents, cook their meals and just rough it for the day.

A paper drive is being planned—everyone is asked to save their paper until the scouts collect it. The date has not been set. A scrap metal drive is also under consideration.

One of the Boy Scouts right hand men in the village is on hand again this time—Dr. A. P. Holsstein has volunteered to show the boys how to give first aid. This is a very worthwhile project which the boys are most anxious to learn.

Sharon Extension

The June meeting of the Sharon Extension met with Mrs. Vernon Dresselhouse for the last meeting of the season. A picnic is being planned for the members and their families at the Grass Lake Park for Tuesday, July 10 at 1 p.m. This will open with a potluck dinner.

Following the meeting refreshments were served by Mrs. Vernon Dresselhouse, Mrs. Alwin Beuerle and Mrs. Willis Uphaus.

The SNAPSHOT GUILD

Proper exposure is important. Whether it's color or black-and-white, a simple, inexpensive exposure guide will prove to be invaluable.

A Guide for Exposure

WITH summertime activities in full swing, we are all taking pictures that we want very much to come out just right. Of course, one of the most important factors in having a picture be just-right is correct exposure.

There are people who feel that a light meter is essential to correct exposure—and that is very true if you are doing fine, high precision photography in which technical quality is of prime importance. But for the average amateur snapshotter, one of the handy pocket-size guides which can be purchased from practically any photographic dealer for 25 cents will do just as well.

You can get a snapshot guide which will determine proper settings for both indoor and outdoor photography—with both black-and-white and color film. Then there is a special one which gives the correct formula for good flash shots. And, definitely a bargain at 15 cents, is the home lighting guide which calculates exposures for pictures you make under normal room-lighting conditions.

So if it is better exposure you are seeking, the guides will be a big help.

These guides have dial type calculators which enable you to combine the known factors of sky condition and subject type. The turn of the dial, which matches these automatically, shows you the proper combination of lens opening and speed.

For daylight exposures it covers the weather from one extreme to the other—from a bright sun with clear sky and strong shadows to dull cloudiness with no sun and a dark sky. Subjectwise, it has the three categories of light, average, and dark subjects.

For those of you who like to have a lot of information, always at hand, there's a new master guide that has very recently appeared on the market. Priced at \$1.75, it includes the dial computer guides we've been talking about and an amazing amount of other information. It covers picture taking by day, by flash, and by flood. Through brief texts, charts, and tables it covers copying, filters, photographing subject in motion, depth of field, and the use of close-up attachments.

And despite all that it measures 3 3/4 x 4 3/4 inches—and isn't thick either.
So if it is better exposure you are seeking, the guides will be a big help.

GOV. WILLIAMS

Last week I had a most interesting and heart-warming visit to Ottawa, the national capital of Canada.

I went there as a guest of members of the Canadian parliament. It is very significant that Canadian leaders did me the honor of inviting me to address a body, and to be the guest of Prime Minister St. Laurent and other Canadian officials.

I am sure the honor was paid not to me personally, but to the people of Michigan, whose servant and representative I am. It speaks volumes for the deep friendship between the people of Michigan and that of Canada.

PARTNERS
I told the Canadian officials that we recognized their sovereignty and independence of action, and did not want them to be satellites of ours, but partners of ours.

We expect, I said, that they will exercise the right of a part-

ner to call in question any of our international policies which involve them. Just as we expect to question any of their policies which might involve us.

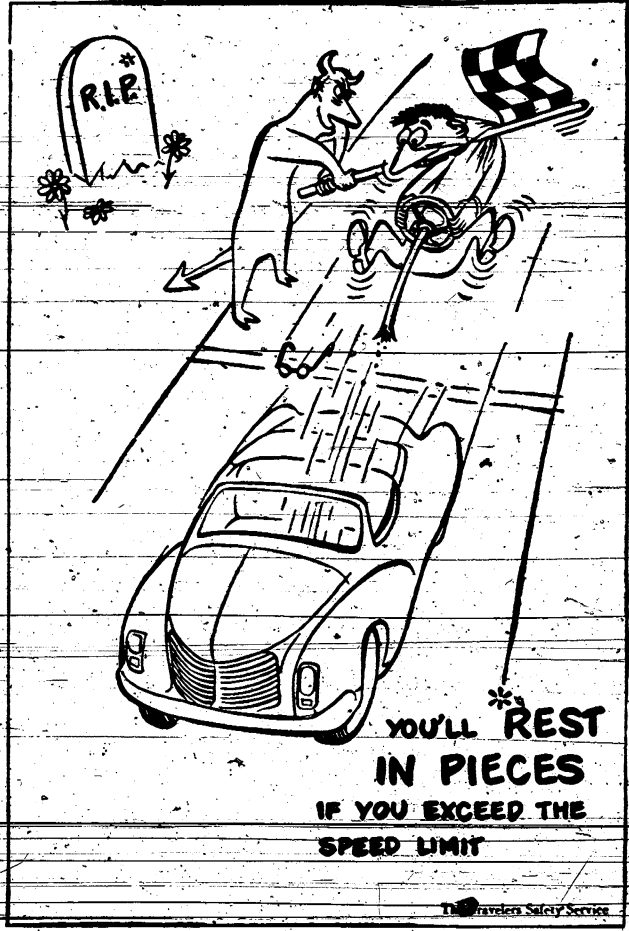

At the same time, I made clear we feel that Canada believes in each nation doing its share in the common defense of our liberties and that from past experience we believe Canada will do its part.

This view was very cordially received in Ottawa. I am sure the trip was worth while in cementing a little more firmly the friendship between the people of America and Canada.

LEGISLATURE RETURNS
The lawmakers are coming back to Lansing on June 28 to wind up the 1951 session. Among other things, this will be their last chance, apparently, to do something toward balancing the state's budget.

As things stand now, the state will be about \$8 million dollars in the red by June 30, 1952, unless something is done to

R.I.P.* by VIP

raise additional revenues. For the last several consecutive years, the Legislature's appropriations have been millions of dollars in excess of the revenues it has provided.

CORPORATION TAXES:
There are rumors that legislative leaders have reached an understanding on increases in the present corporation franchise tax.

This is not the same as the corporation profits tax which I have been urging. The franchise tax is based not upon the corporation's profits, but upon its net worth. Thus the franchise tax has to be paid whether the corporation makes any money or not.

For this reason, among others, it is less equitable than the profits tax, which would be paid only when the corporation makes money and is, therefore, able to pay.

But even fixing the franchise tax would be some progress toward evening up our tax structure. The present law has a "ceiling" of \$50,000. This means that no matter how large the corporation is, it pays no more than \$50,000. It also means that small corporations pay a much higher rate than big ones.

Removing or substantially raising this "ceiling" to make

to face in the near future, the responsibility imposed upon it by law for an annual tax sufficient, with any resources to pay the estimated expenses of the state government."

STRAWBERRIES
The state government again came to the rescue of a group of Michigan farmers last week. This time it's the strawberry growers who are in trouble.

The crop is unusually large this year. In the two strawberry counties of Berrien and Van Buren, I'm told, the acreage this year exceeds last year's total by some 3,000 acres. Weather conditions have been such that the crop has ripened fast, and it won't keep. Strawberry growers called on us for help, pointing out that they faced a surplus which might be disastrous to them.

We have obtained the aid of the Federal Production and Marketing administration which is launching a promotion and advertising campaign throughout the Michigan fruit market area to increase the sale of Michigan strawberries. In addition, the State Department of Agriculture has set aside \$1,000 for emergency promotion work.

"STRAWBERRY TIME"
You can help to make use of this plentiful crop by buying Michigan strawberries for your family table.

I have issued a proclamation designating June 17 to 27 as "Strawberry Time," and urging Michigan consumers to buy the fruit of their own state's farms.

I hope these moves will serve to prevent severe losses to the strawberry grower. Similar efforts on the part of the State were responsible for pulling the apple, cherry and bean growers and several other farm groups out of similar marketing crises.

big corporations pay a more adequate share's certainly a step in the right direction.

FALLS SHORT
But even such a praiseworthy amendment to our unfair corporation tax law would fall short of the state's needs. It would not produce nearly enough to balance the general fund budget.

The Legislature will still have

Luncheon Scoops

Lovely Peggy Wood — shown here with her video family in CBS-TV's period drama, "Mama" — was hostess the other day at a luncheon for the American Mothers Committee which took place aboard the U.S.S. Luxury Liner America, and a gay, exciting occasion it was, too!

The purpose of the American Mothers Committee, now in its 17th year, is to help unite mothers throughout the world in the interest of better understanding and lasting peace. At the luncheon — held aboard ship because of the fact that the French and British Mothers of 1951 were to receive citations at the affair — Miss Wood presented the citations to Capt. John Anderson for delivery overseas to Countess Albemarle of London, and Madame Genevieve Jaudin, Prom, of Paris, the two mothers-of-the-year from their respective countries.

Wonder of the World

EMPIRE STATE BUILDING, towering 1472 feet above New York City's streets, is a Mecca for millions of tourists. Control of the world's tallest structure is being sold on its 20th birthday to a syndicate headed by Roger L. Stevens, 41, and Alfred E. Glancy, Jr., 43, of Detroit and Ben Tobin, 45, of Hollywood Beach, Fla. The sellers, the estate and family of the late John J. Raskob, will use the proceeds to pay inheritance taxes and to endow a foundation dedicated to a Catholic charity.

The trucks that do the most for you.

NEW DODGE "Job-Rated" trucks

...with features you've always wanted

More power with thriffler performance
You'll get power to spare—with economy to boot! Eight Dodge truck engines—94 to 154 horsepower—have power increases up to 20%. High compression gives flashing performance with less fuel. For year-in, year-out economy you get 4-ring pistons with chrome-plated top ring, "hotter" spark plugs (on models through 1-ton), heat-resisting exhaust valve seat inserts, 45-ampere generator, and moisture-proof ignition.

Better load protection... easier handling
Load and driver get the smoothest truck ride ever known! Revolutionary new "Overflow" shock absorbers on 1/2-, 3/4-, and 1-ton models smooth out bumps and jolts on any road... And driving is made even safer with easy-acting, worm-and-roller steering gears on most models. To add to safe handling ease, you also get cross-steering, shorter wheelbase, wide front tread, and shorter turning diameter.

What "Job-Rated" means to you
A Dodge "Job-Rated" truck is engineered at the factory to fit a specific job... save you money... last longer.
Every unit from engine to rear axle is "Job-Rated"—factory-engineered to haul a specific load over the roads you travel and at the speeds you require.
Every unit that SUPPORTS the load—frame, axles, springs, wheels, tires, and others—is engineered right to provide the strength and capacity needed.
Every unit that MOVES the load—engine, clutch, transmission, propeller shaft, rear axle, and others—is engineered right to meet a particular operating condition.

Greater safety for both driver and load
Cyclebond brake lining on all models assures positive, smooth stops with long lining life—because there are no rivets! A brand-new development—Tapered Molded and up, except air-brake models. 1 1/2-ton extra-smooth, extra-long-lasting! And Dodge gives you the added safety of all-steel "Pilot-House" cabs—with super-sized windshield, lower hood line, and relocated windshield wipers for better visibility.

For smoother performance... longer truck life FLUID DRIVE! A Dodge exclusive
Available on 1/2-, 3/4-, and 1-ton models. This proved fluid coupling between engine and clutch-cushions starts, protects more than 80 parts, including entire drive line. Smoother starts give added protection to truck lasts longer! Ask us for copy of free 9701 Fluid Drive Booklet.

PLUS! all these time-proved features Dodge Trucks have had for years
Steering column gearshift, standard on 1/2-, 3/4-, and 1-ton models with 3-speed transmission. Independent (3-speed, 4-speed, or 5-speed) rugged, silent, precision engineered. De Luxe cabs (with rear quarter windows) available on all models. And many others!

1. Eligibility: Bona fide 4-H Club members working under the supervision of the Extension Service and enrolled in a 4-H Club during the current year may participate. Members completing a project previous to this summer and now enrolled are eligible.

2. Deadline for registering 4-H members: July 13, 1951, is the deadline for entering member's name in the Monroe County contest.

3. Awards will be provided on county level basis. The winner will compete in a district elimination contest to be held at Michigan State College on August 13-14.

4. Leader Responsibility. Notify your members about this contest.

5. Talk should run between five and seven minutes. Notes can be used for speaking.

The point system will be used to score the contestants, with the following being the basis of point scoring: Composition 50, choice of material 15, organization of material 25, use of language 10. On the delivery scoring it will be delivery 50, projection to audience 15, fluency 15, pronunciation and articulation, voice control 10.

Some suggested subjects for talks are "What 4-H Has Done for Me, My Home and My Community," "Advantages of Rural Living," "Making the Farm and Home Safer," "Agriculture and Petroleum," "Homemaking As a Career," "Hoe 4-H Club Work"

Contributes to Good Citizenship, "What 4-H Members Can Do to Promote Good Government."

Two-thirds of all drownings occurred during June and August, the "swimming" months. Teach your child to swim, but teach him to swim SAFELY. At a guarded beach, during daylight hours, with one or more companions.

Cool off and rest after a rough game, hard work or a long trip before entering the water. Wait about an hour after eating. Go into the water slowly. Leave the water when chilled or tired.

Be a responsible swimmer. Know the waters in which you swim or dive. Keep in mind that horseplay, showing off, racing, trying to swim too far, and rocking or overloading a boat are dangerous for you as well as your companions.

Health Department Urges Use of Public Beaches

Send your children to the public beach or pool for their swimming. Both you and your children are many times safer swimming at the public beach or private guarded beach or pool. The Michigan Department of Health said today.

Of the 159 Michigan people who drowned last year, only 7 were swimming at a place set aside or designed for swimming.

Rivers, streams, quarries, gravel pits and lake areas not set aside for swimming took the lives of 122. Of this number, 108 were men and boys.
