## State Agency Looks For Housing Here

Mr. Edwin Holmberg, representative and homefinder for Michigan Children's Institute, a state child care agency in Ann Arbor, is working in this community in an attempt to find a number of foster homes for children in state care. Homes are being sought for both school age and preschool children. However, there is a particular need for homes for children of school age, both for boys and girls. Temporary and permanent boarding homes are needed as well as homes interested in adoption. Board, clothing and medical expenses are paid for those children, who for some reason cannot be placed for adoption. Many children are placed in temporary boarding homes while permanent plans which frequently include adoption are being made for them.

Children placed by Michigan's Children's Institute are of all religions and races. Every effort is made to place children in homes of their own religion. Because many of these children have never enjoyed a stable family living, the institute tries to find homes where there is both a mother and father. Occasionally, for a special child, the home of a widow can be used for temporary care.

## Celebrate 45th Anniversary

Mr. and Mrs. Edward Lambarth of Pleasant Lake road, Ann Arbor, were given a 45th anniversary dinner on Sunday, February 3, by their four children and seven grandchildren. Those present were Rev. and Mrs. Fred Widmayer and Mrs. Fred Widmayer and daughter Freda, Mr. and Mrs. Charles Widmayer and son Elmer, Mr. and Mrs. Otto Haab, Mr. and Mrs. Alfred Lambarth and daughter Joan, Miss Lydia Lambarth, Mr. and Mrs. Raymond Lambarth and son, Mr. and Mrs. Willard Mana and family, Mr. and Mrs. Owen Lambarth and son, Mr. and Mrs. Earl Alber and sons and Mrs. Elsie Jones.

Many lovely gifts were received by the couple. The table was beautifully decorated with a bouquet of flowers, pink and white snapdragons, irises and mums. A cake was made and decorated for the occasion by one of the daughters, Erma, to match the flowers. A fine time was had by everyone present.

## Village Receives Fourth Quarter Gas Tax Rebate

Vouchers for distribution of \$22,209,237.35 collected in weight and gas taxes for the fourth quarter of the calendar year 1951 have been prepared by the State Highway Department and sent to the Auditor General's office for payment in accordance with the provisions of Act 51, Public Acts of 1951, Highway Commissioner Charles M. Ziegler said today.

Under this act, which revised the method of distribution of weight and gas tax collections, all weight and gas tax collections (including diesel fuel) are placed in a Motor Vehicle Highway Fund. The State Highway Department receives 44 per cent of this money after deductions for the cost of collecting the funds and refunds to purchasers of gasoline which is used for non-highway purposes. The cities and villages of the state receive 19 per cent of the fund and the counties receive the remaining 37 per cent.

Under this formula of distribution, the Highway Department will receive \$9,772,064.42 as its share of the fourth quarter collections, the cities and incorporated villages will receive \$7,219,755.10 and the counties will receive \$5,217,417.82.

From the 83 counties' share will be deducted a total of \$250,000 to be paid on the \$5,000,000 loan they received for local road improvements under Act 50 of the 1948 Legislature, with the understanding this money would be paid back at the rate of \$1,000,000 per year if there should be any increase in gas or weight taxes over the level then in effect. Under directions of the State Controller \$250,000 was deducted from the counties third quarter of 1951 highway moneys and a second \$250,000 has been deducted from the fourth quarter funds now to be disbursed. Similar deductions will be made each quarter until the counties have repaid the loan. Computation of the amounts allocated to the various counties, cities and incorporated villages has been based on the best available information on mileage and population data and on the amount of weight taxes collected in the various counties as reported to and certified by the Secretary of State. In July, 1952, with the distribution of the second quarter of 1952 Motor Vehicle Highway Funds, all previous quarterly distributions will be adjusted to final certified mileages and final 1950 figures.

The amounts Washtenaw County cities and villages will receive as their share of the fourth quarter of 1951 weight and gas tax receipts are:

Ann Arbor, \$52,491.32; Manchester, \$1,457.68; Milan, \$2,839.43; Saline, \$1,231.51; Chelsea, \$2,090.92; and Ypsilanti, \$16,487.26.

Washtenaw County received \$153,824.58, and Monroe County \$117,446.79. The city of Monroe received \$22,631.68.

Legislation to refund the state gasoline tax paid on state-owned vehicles was filed in the Senate Friday by Sen. Elmer R. Porter, of Blissfield.

The rebate previously was allowed for municipalities and the Federal Government.

Porter also sponsored a bill to shift the attorney general's collection division to the State Revenue Department.

## Leaves Red Cross After 40 Year Service

### Stanton Roesch Named New Local Chairman

The annual meeting of the Manchester Red Cross was held Monday evening at the Manchester township library. At this time William G. Kramer resigned after forty years of service as local Red Cross chairman.

Simultaneously with his resignation came the resignation of Miss Marian Farrell as local secretary-treasurer of the Red Cross. Miss Farrell has served for the past twenty-five years in this capacity.

Stanton "Pat" Roesch, local attorney will replace Mr. Kramer as local Red Cross chairman and Don Sutton will replace Miss Farrell.

Mrs. Alfred Snowman and Mrs. Rolland Grossman had been appointed as a nominating committee for new officers. Mrs. Alvin Clark has been named the local drive chairman for this year. The drive is scheduled to take place sometime in March.

Bill Kramer was initiated into the Red Cross during the first World War and has capably served during 40 years.

It is not the desire of the Red Cross or their workers to tell of their work, but many in this community know how Bill and Mame have worked both during peace and war to aid people of this area. It has not been uncommon for the Red Cross representatives to step in and help many needy families when misfortune struck. However, their work goes down as the works of mercy—the kind that don't make the headlines.

During the war these two retiring officers did their utmost to bring families together—when it became necessary that servicemen be permitted to be with their families.

Stanton Roesch, the new chairman, is a member of the executive committee of the Washtenaw County Red Cross Blood Program of which Dr. Tod O. Mallery, Jr. is the chairman. Mr. Roesch was instrumental in bringing the mobile unit of the blood bank to Manchester and Saline. While in service Roesch served with the personnel division in the air force and handled emergency leaves both in the states and overseas. Before resigning from Kaiser-Frazer, his wife Mrs. Roesch had charge of the blood bank at that company.

## Three Attend Lumber Dealers Meeting

Allen Schaffer, William E. Schaffer, Jr. and Harold Alexander left Tuesday night to attend the annual convention of the Michigan Retail Lumber Dealers Association in Grand Rapids.

Topics to be discussed at the convention include the effect of the emergency defense measures on the lumber business, wage-hour law applications and merchandising problems. Meetings will be held at the Civic Auditorium at Grand Rapids. The three expect to be gone three days.

## Dutchmen Defeat Clinton

In a close game Tuesday night, Manchester defeated Clinton with a final score of 31-29. Bill Aiken scored high for Manchester. In the first quarter the Dutchmen were leading ten to eight, at the half Manchester had a one-point lead with the score 17-16, and in the third 25 to 19.

During the fourth quarter Clinton pulled up to within one point of Manchester, 30-29, with one minute to play. Aiken made a free throw and stalled the game for the last minute of play.

## Local Bowlers At State Tourney

The 49th annual Michigan State Bowling Tournament is being held at Battle Creek. Ann Arbor and area entries made their presence felt on the very first weekend of competition by landing in the top brackets in the individual events.

Fred Wurster and Elwin Benedict of Manchester took an early fourth place with their 1,281 total. Wurster hit 545 and Benedict 511. They carried a 225-pin handicap.

Rolland Raab, Ypsilanti, rolled into an early second spot in the singles event with 667 total on games of 170, 242 and 156 along with a 99-pin handicap. William Warner of Chelsea ended in fourth spot on his 665, including a 99-pin handicap, while Ed Galloway of Manchester took sixth on a 654 total including 111 handicap.

ARC Service of Manchester finished seventh among the first 70 teams to bowl on its 2,929 total including a 471-pin handicap. Gerald Bowers led the team with a 552 series.

Other Manchester team totals out of the first ten were, Mary's Tavern of Manchester, 2,898; Kappler's Contractors 2,832; and Klagers 2,839.

## Band Boosters O. K. Purchase of Band Uniforms

At a meeting of the Band Boosters Club which was held Monday evening at the school final plans were made for the band instructor, R. C. Sortor, to order thirty band uniforms for the local band.

Approximately half of the money is on hand at the present time or has been earmarked for the band uniforms by the club or the Manchester PTA.

In an effort to raise more funds to defray these expenses a bake sale is being planned to be held Saturday, Feb. 16. Working on the committee will be Mesdames Harold Fisk, Sydney Leeman and Earl Koebe. The sale is scheduled for about 11:00 a. m. and will be held at the Manchester Central Market.

Members of the committee wish to make it very clear that the bake sale is not confined to members of the Band Boosters, but they suggest and urge everyone interested in the community to make contributions to the sale which will ultimately aid in making band uniforms possible for the local school band. There are about 50 students enrolled on both the junior and senior bands here, and band uniforms have been the main objective of the Band Boosters Club for some time.

It has been estimated that approximately \$1,500 will be needed to purchase the complete uniforms for thirty students.

## Farewell Party For Wahrs

## Manchester Top Team In Lakes Loop

Manchester and defending champion Dexter were running one-two in the League-of-the-Lakes basketball race last Friday. The loop-leading Dutchmen defeated Hartland 43-30 while Dexter snatched the runner-up slot from South Lyon with a 45-33 triumph.

Manchester led all the way in turning back Hartland but the Dutchmen got a scare late in the game when the visitors pulled up to within a point at 29-28 against Manchester reserves. For the winners Duane Troz had 14 points while Bill Aiken and Jerry Fennell added 10 each. Bob Nauss counted nine for Hartland.

In the second-team game, Hartland was 39-34 winner.

In our constant search for variety in our menus we sometimes forget that variety can be found in the appearance of our tables, too. In observing our colorful holidays we will find many opportunities to do this. For instance, we can celebrate Valentine's Day with gay little heart-shaped open sandwiches. Spread cream cheese and colorful Pineapple Parfaits and bright red Apple Jelly on bread cut with a cookie cutter for teatime or an evening snack.

APPLE JELLY (Using canned apple juice) Yield: about 6 six-ounce glasses 3 1/2 cups sugar 3 cups canned apple-juice Red coloring 1 box powdered fruit pectin Measure sugar and set aside. Place saucepan holding juice over high heat. (For a deeper rose-color, add a few drops red coloring.) Add powdered fruit pectin and stir until mixture comes to a hard boil. At once stir in sugar. Bring to a full rolling boil and boil hard 1 minute, stirring constantly. Remove from heat, skim, pour quickly into glasses. Cover jelly at once with 1/4 inch hot paraffin.

GOOD NEWS for HOMEMAKERS by Anne Marshall

\* Come Christmas and the family eagerly awaits a splendid array of goodies from your kitchen. Let them feast on spicy Date Cake, a real dreamy dessert for the holidays. There's a cookery secret that gives this cake its rosy color and rich flavor. Here's the secret—the liquid in the cake is condensed tomato soup. This ingredient gives a desirable moistness as well as enriching the flavor. Dates, nuts, and spices do the rest.

Date Cake 1/2 cup butter or hydrogenated shortening 3/4 cup sugar 1 egg, beaten 1 1/2 cups sifted cake flour 2 teaspoons baking powder 1/4 teaspoon soda 1 1/2 teaspoons cinnamon 1 can (1 1/2 cups) condensed tomato soup 1 1/2 cups dates, chopped

Cream shortening; add sugar gradually and cream well. Stir in beaten egg. Sift together the flour (reserving 2 tablespoons to mix with dates), baking powder, soda, and cinnamon. Add the sifted dry ingredients alternately with the tomato soup to the butter-sugar mixture. Stir in the dates. Pour into a greased 9-inch square pan or into muffin pans. Bake in a moderate oven (350° F.) for about 40 minutes (for square pan) or 25 minutes (for cupcakes). Serve with a hot vanilla sauce, spiced with cinnamon. Or top with thin vanilla pudding. Makes 9 large pieces or 18 small cupcakes.

LIGHT SNACK: After heavy holiday eating, appetites turn to simple food. Then it's time to serve a buffet supper featuring hot cream of asparagus soup, and chicken or turkey sandwiches with raw crisp vegetable relishes. Have the soup in a tureen with a holiday garnish on top—like parsley or popcorn.

From where I sit... by Joe Marsh Experienced Hand Wanted

Cappy Miller's back from visiting relatives and tells about a big snow storm that knocked out the electric power for miles around. Naturally, the local power company was doing everything possible to restore service but folks kept calling in and one woman gave them a new twist. "I don't mind not having lights," she grumbled, "but I've got 20 cows in my barn and they all have to be milked by machine. Nobody around here knows how to milk a cow by hand any more."

From where I sit, it's only too easy to forget how to do something—even as simple as milking a cow—if we don't keep at it. And that goes for practicing tolerance, too. Like forgetting our neighbor has a right to decide for himself whether or not to enjoy a temperate glass of beer. If we don't keep the other fellow's point of view in mind we're all liable to get "snowed under" by intolerance.

# TOOL UP NOW

FOR FULL RETURN FROM TRACTOR POWER

Match your tractor with implements that make full use of modern power features. The implement is just as important as your tractor for faster farming and precision work.

Allis-Chalmers TRACTOR-MATCHED implements attach and operate as if they were a part of the tractor. You get accurate work — almost like having the steering wheel on the implement. You can quick-change from one implement to the other before the engine cools . . . shift tractor wheel spacing with engine power.

Stop in and look over the most advanced line of tractor implements you have ever seen.

Availability of equipment, accessories and trim as illustrated is dependent upon material supply conditions.

MORE POWER IN THE FAMED "239" V-8 AND THE "254" BIG SIX! Advanced with greater power, economy and performance, Ford's 239 cu. in. V-8, proved in 2,000,000 trucks, now develops 106 h.p. The 254 cu. in. Six is also advanced

3 NEW ULTRA-MODERN HIGH-COMPRESSION, LOW-FRICTION, OVERHEAD-VALVE ENGINES! New Ford short stroke Low-FRICTION design provides gas savings up to 14%! Fully proved! Ultra-modern high-compression punch with regular gas!

NEW DISTINGUISHED COURIER SEDAN DELIVERY! Beau Brummell for looks. A man for work! Choice of V-8 or Six! Fingertip shifting! 102 cubic foot body! Conventional Drive or, at extra cost, Overdrive or Fordomatic Drive!

#### ONLY FORD TRUCKS GIVE YOU ALL THESE OTHER FEATURES:

1. Choice of V-8 or Six!
2. Full-flow oil filter cleans every drop of oil.
3. Austrothermic pistons to maintain high compression fit.
4. Precision-molded alloy crankshaft reduces journal friction.
5. Two fine cabs, the 5-STAR, and (at added cost) the 5-STAR EXTRA!

Ford Trucks for '52 cost still less to run!

## HOME EC CLASS VISITS ANN ARBOR

By Nancy Budnik

The eleven girls in Home Ec II Class went on a field trip to Ann Arbor Thursday, Jan. 25, to inspect a modern home and also go on a tour of two furniture stores. This trip was for their benefit on a Home Furnishings Project just completed. The girls found the modern home very fascinating and they felt that it helped a great deal more, seeing a real home than it did looking at pictures. The girls left the modern home and went into Ann Arbor to eat lunch. After lunch they went through the Martin Haller furniture store and were shown through the Handicraft Furniture Store. In these stores the girls inspected new furniture, priced different pieces they would like for their homes and tried out all the softest sofas and chairs. This trip helped the girls a great deal in the selecting and understanding of furniture and they are sure that this is the kind of "homework" that they like.

## HOME EC GIRLS ENJOY EXHIBITS

The Consumer Education Division of Sears, Roebuck and Company sent on request two very good exhibits for our home furnishings class. They were on closet accessories, paints, floor coverings, slip covers, upholstery, wall paper and window treatments. These exhibits give examples of wall paper, carpeting, curtains and upholstery combinations in various

rooms. Different styles of carpeting and rugs, good types and poor are shown as part of the exhibit. Axminster, Tiber, Wilton and shag rugs are all studied. Rug cushions are discussed and shown in the Sears exhibit.

Instructions for making the slip covers include the fitting, cutting various types of closings, types of seams, and the right type of fabric. Ideas for trimming slip covers gives the three lengths of window curtains and different fabrics for curtains and drapes. Venetian blinds and window shades are also shown in this exhibit.

The home economic class feels that Sears, Roebuck and Company are doing a fine job in this educational work.

## DUTCHMEN LOSE FIRST LEAGUE GAME

By Donna Sturdevant

The Dutchmen lost their first league game of the season to Dexter last Friday in Dexter by the score of 44-36. This was a bad upset for the Dutchmen after going along so well. But Old Man Bad Luck moved in with the game between Brighton and Manchester, January 18 to disqualify Tom Snyder for the season and Friday night Jerry Fenel ran into some bad luck and could not play. All in all, Manchester played a good game against Dexter. However, the Dutchmen stay on top with a total of five wins and one loss and Dexter and South Lyon are second with four wins and two losses.

## RESERVES LOSE TO DEXTER

The Dutchmen Reserves lost to Dexter Friday night. The game was played in Dexter and the Dutchmen lost by a score of 67-32. This is their eighth loss against three wins. Stanley Buss was high scorer with 13 points. Ray Mitchell was second with 10 points.

**Score by Quarters**  
 Manchester 10 6 10 10-36  
 Dexter 10 14 11 9-44

## MANCHESTER GIRLS BEAT DEXTER

By Peggy Snyder

Manchester beat the Dexter girls for their first defeat in four years. This was the Manchester girls first win this year.

The starting lineup for Manchester was forwards, Nancy Heimerdinger, Mary Ellen Schwab and Jo Miller, who was captain; guards, Joan Guenther, Jeanette Guenther and Peg Snyder. High point for Manchester was Evelyn Dresch with 13 and Mary Ellen Schwab with eight.

The starting lineup for Dexter was forwards, Ellen Ward, Phyllis Breuninger and Carol Fox; guards, V. Gage, Sulkowski and Steers. High point for Dexter was Ellen Ward with seven and Jean Clark with six.

## TO GRADE CHILDREN JERRY McSAFETY SPEAKS

By Nancy Budnik

Monday, January 28, the grades were entertained at an educational assembly in the high school auditorium. Jerry McSAfety, a distant relative of Charlie McCarthy, talked to the children on safety and his "father", Wayne Fernelius, led them in some songs.

This program was made possible through Carl Schaible of the Ford Garage.

## KINDERGARTEN NEWS

## Good News For Home Decorators

It is little wonder that so many homemakers are doing their own decorating in these days of soaring living costs. So much is being done to improve materials and methods that it is no longer the burdensome chore of grandmother's day. One of the most recent developments is a new paint which anyone can apply easily. It is known as Wallhide Rubberized paint, a non-porous finish that resists grime and stains. It can be washed and even scrubbed. This paint has a latex base, which gives it rubbery, long-wearing qualities.

Grease stains, crayon, lipstick and ink spots tend to remain on the surface and can easily be washed away. It is claimed to resist even such nasty stains as mercurochrome, tincture of mercuriolate and iodine, and, unlike most paints, will not leave a shine where local areas are washed.

Because it dries very rapidly, rooms can be occupied the same day they are painted. Curtains and pictures can be hung shortly after the paint is dry, and there is no objectionable odor while painting or after the job is done. Cleaning up is simple, too; for hands, brushes and spatter spots can be washed clean with soap and water.

**M.S.C. Designs Handy Table on Wheels**

Why should the homemaker walk miles carrying the small supplies needed for baking, cleaning or sewing when a table on wheels can do it all in one easy trip? That's what Miss Olivia C. Meyer, extension specialist in home management at Michigan State College, asked. So she designed a handy table that can be put to dozens of uses. The table, shown above in use in the home management practice home at Michigan State College, can be made from plans available in MSC Extension Folder F 163, "Utility Table." The folder is available without charge from county extension offices or from the Bulletin Office, Department of Information Services, Michigan State College, East Lansing. Homemakers can see the table in the Home Economics building during Farmers' Week, January 28 to February 1, on the MSC campus.

On Sunday Mr. and Mrs. Lorenzo Steele entertained Mrs. Faith Hahn and children of Detroit at a birthday dinner honoring the birthdays of both Lorenzo Steele and his sister, Mrs. Hahn, on Jan. 27.

Arranging a modern place-setting in the Wayne University Home Economics laboratory is Polly Ann Coates of Grand Rapids, a student. The smaller picture shows a sketch made in the 11th century of an early fork, the two prongs of which correspond with man's thumb and forefinger.

Hands served as the principal eating tools from the Stone Age to the 11th century. Then began the refinements that today are summarized in our table-etiquette books.  
Dr. George Lechler, assistant professor of history at Wayne University and author of many archaeological studies, has traced the evolution of the knife, fork, and spoon. These implements are modeled for the most part after man's own hands, the most practical eating tools known, even though today they are not always considered the most "polite."  
Both spoon and knife were known to man almost from the moment he began to use tools. The knife in those days was, of course, nothing more than a flint flake, and was devised as a thrusting and cutting instrument in imitation of the human fingernail. The spoon was a crude scoop with a stumpy handle, made in one piece from wood or clay to resemble a cupped human hand.  
The idea for this early spoon probably came to man's mind when he scooped up water when drinking from streams. Archaeologists have discovered spoons estimated to be about 10,000 years old.  
The fork is a comparative newcomer to the field. The first fork of which a record exists in Europe was used in Italy in 1023 A.D. It had only two prongs, probably being modeled with the idea that refined persons ate with only two digits, the forefinger and the thumb. The notion was just beginning to take root in the 11th century, that separating the hands from food in eating was a sign of gentility. Later forks were made with five prongs, as are many today, to represent the entire human hand.  
Dr. Lechler estimates 1600 A.D. as the time when the average European family began to use knives, forks, and spoons regularly.

## New Cake—Easy to Make

Betty Crocker's newest cake creation, Velvet-Crumb, is not only easy to put together but can be whipped up in a hurry. It is excellent to serve guests who drop in during the afternoon or youngsters looking for an afternoon snack. Main ingredient of the cake is biscuit mix. Velvet-Crumb is similar to the traditional butter cake—moist, tender, rich. Beating time is only 90 seconds, there is no creaming or sifting and it can be served while still warm. The recipe:

**VELVET-CRUMB CAKE**  
Preheat oven to 350° (moderate). Grease generously and dust with biscuit mix one square pan, 8 x 8 x 2-in. (for double recipe use 13 x 9 x 2-in. pan.)  
Mix thoroughly 1 1/2 cups biscuit mix  
1/4 cup sugar  
Then add 3 tbsp. soft high-grade shortening (all or part butter adds flavor)  
1 egg  
1/2 cup milk  
1 tsp. vanilla  
Stir together until ingredients are blended. Then beat vigorously for 1 minute.  
Stir in gradually 1/2 cup milk. Beat for 1/2 minute.  
Velvet-Crumb received one of the highest ratings of any baked product tested by The Betty Crocker Kitchens.

Pour into prepared pan. Bake about 30 minutes in moderate oven (350°). Cover with broiled topping while warm. Serve warm.  
**BROILED TOPPING**  
Mix 3 tbsp. butter or other shortening, melted or softened.  
1/2 cup brown sugar (packed in cup)  
2 tbsp. cream or top milk  
1/2 cup wheat flakes, or coconut, if desired  
1/4 cup chopped nuts  
Place about 3 inches under broiler (low heat) until mixture bubbles and browns (3 to 5 minutes). Do not burn!  
Velvet-Crumb received one of the highest ratings of any baked product tested by The Betty Crocker Kitchens.

Manchester Chapter O.E.S. met at their hall on Friday evening for the regular meeting. An invitation to the Chapter was read from the Saline Chapter O.E.S. which is celebrating its 50th anniversary on Feb. 18. Initiation work at this meeting will be exemplified by the Grand Chapter officers.

The Ann Arbor Chapter of the O. E. S. is planning to hold a Friendship Night on Feb. 20, with the Sentinel and Associate Conductress of Manchester taking part in the initiatory work.

It was announced that there will be a public card party at the O. E. S. hall on Feb. 22 at 8 p.m.

At the close of the meeting refreshments were served to approximately forty members by Margaret Higgins and her committee.

**Shakespeare Club**

The Shakespeare Club met at the home of Mrs. Alfred Kuhl with the topic for the day "Home and Hospital" given by Mrs. Clayton Parr. This was followed by Mrs. Paul Feldkamp reading a paper on Polio.

The next meeting will be held with Mrs. Phillip Kern on March 4.

**Local Women Escape Serious Injury When Car Overtakes**

Miss Thelma Aiken and Mrs. LeRoy Knickerbocker escaped serious injury about one o'clock Wednesday when the car which Miss Aiken was driving went out of control and tipped over and caught fire.

The accident occurred about three and one-half miles south of Manchester on the Manchester-Clinton road, when the car hit a chuck hole in the road, went out of control and tipped over. The two girls were trapped in the car until help came from a passing truck driver who realized their plight after he had passed the overturned car and saw smoke coming from the engine. He broke a window and helped the two to escape. The Manchester fire department was summoned and put out the blaze.

According to Deputy Charles Scheber, who was called to investigate, the car is nearly demolished.
