NUMBER 1 EIGHTY-SIXTH YEAR MANCHESTER, WASHTENAW COUNTY, MICHIGAN THURSDAY, SEPT. 11, 1952 FIVE CENTS PER COPY \$2.50 PER YEAR IN ADVANCE

## BIG MINSTREL SHOW MONDAY AND TUESDAY

### The Main Street

Up and down Main street the chief concern of the merchants (as well as the fair board) seems to be the rapidly approaching Community Fair. Fair premium books are available at both local banks and the Enterprise office and are free for the asking. These books have been mailed on all routes.

Apparently the main issues have been ironed out and everything is progressing as scheduled. Talking with Mrs. Robert Crandall, head of the Home Economics division, she told us that the judges for the Home Economics division have been chosen. They are Mrs. William Vest of Chelsea, Mrs. Robert Ahrens and Mrs. Rogers of Saline and Mrs. Walter Wolfgang also of Saline.

Crandall also said all entries are to be taken out of the auditorium between 4 and 6 p.m. Saturday and suggests that those entering canned goods should remember that it now takes two cans to make an exhibit.

Maklon Smith, who has charge of the poultry exhibit, drew our attention to the prizes which have been added to the awards in the poultry division. Karger Hatchery has donated a \$20 trophy for the best entry of DeKalb chickens and a \$20 trophy for the best entry of a DeKalb flock owner.

Max Sellers will donate the lumber for all raw horses used to hold the poultry benches and is giving Mr. Smith the use of lumber for the benches. From every indication this poultry division promises to surpass anything Manchester has ever attempted in this field.

There is still a drastic need for more coffee cans for use as cages for the poultry crates. So please bring in your coffee cans either to the Enterprise office or make arrangements to get them from Mr. Smith. A large number is still needed. It seems that purchasing of cups (tin) for this purpose is quite unnecessary so long as the final status of the fair board. If you bring them in to Fair, you will be sure they are used.

Mr. Kalkbrenner, head Fair president, stated that there is an additional attraction this year. O. M. Wray's Bakery is sponsoring a pie-eating contest for the first time in 40 years. Mr. Kalkbrenner has asked that all prospective pie eaters hand in their names to the fair board. The contest will be held on Friday, Sept. 12, at 10 a.m. at the fair grounds. Don't forget the minstrel show on Monday and Tuesday of next week prior to the fair. Tickets are available in advance at both drug stores and at the door before the performance. All tickets are on reserved seats.

Clayton Parr in charge of the fair exhibit says that Victor Birkich of Saline will be the judge of this division. Mr. Birkich is a governor-elect and will bring a certain distinction to the benefit of exhibitors. He will also follow the exact rules in the fair program book governing the amount of produce necessary for judging. Mr. Parr urges that all exhibitors have their material in early.

Howard Heath reminds us to have folks listen to WPAG, Ann Arbor, for spot broadcasts of the Manchester Community Fair.

The Manchester PTA dance committee is announcing that if there are children interested in taking dancing lessons, and we have not been registered there, still time. Call Mrs. Henry Eames phone 2211, Manchester.

There is a change in time of the services at Iron Creek Church effective next Sunday when the morning worship will be at 10 a.m. and Bible school at 11 a.m. Next Sunday communion will be observed and in the evening the young people of the church will hold their first fall meeting at 8 p.m. at the church hall.

**Entertained At Shower Thursday**

Mrs. Earl Alber and Mrs. Harold Alexander entertained at the home of Mrs. Alexander on Tuesday evening. The party was given in honor of Mrs. Ambrose Lentz on Thursday evening. The twenty guests were from Tecumseh, Chelsea, Clinton and Manchester. Mrs. Lentz received many lovely gifts. The high prizes were won by Katherine Puffer, Mrs. Donald Sutton and Mrs. Walter Frey.

Pictured above are the boys that make up the Manchester Firebats. Back row left to right are Neil Vogt, Jim Walkow, Don Ross, Carl Schible (sponsor for the team) Bill Romelhardt, Joe Walkow (manager), middle row left to right, Bob Crandall, Larry Soldan, Charles Mills and Ora Walcott. In the front row left to right Doris Laub, Ambrose Lentz, Bob Dunny, Elwood Pulawski and Hugh Sutton.

The picture was taken following a dinner given by Don's Dairy Bar last Thursday for the team and their sponsor. Manchester can well be proud of the team which played in the State tournament winning two games and losing two, winding up a very successful season for the firebats and the Softball Association of Manchester. At this time the Association wishes to express appreciation to the loyal fans without whose cooperation the softball program could not have been carried out so successfully.

## Tractor Pulling Contest Regulations Given

Robert Kothe, chairman of the tractor pulling contest which will be held Friday, September 19th in conjunction with the Manchester Community Fair has suggested that prospective competitors take note of the regulations which will govern the contest. In setting up the regulations the committee had in mind to put as much stress on the skill of the operator of the tractor as on the performance of the tractor.

Entries to be limited to rubber-tired tractor-type farm tractors only. No tractors equipped with steel wheels, dual wheels, tire chains, or crawler type treads may be entered.

Tractors must be hitched to drawbar provided by the manufacturer. Each contestant must furnish his own drawbar hitch. Each pull must start from a little chain and in a straight line forward in line with the front of the boat. The pull will be made from the end of the boat chain.

The tractor is to pull against its own weight. (If a tractor weighs 4510 pounds and pulls 1750 pounds it actually pulls 4235 lbs. of its own weight.)

Contestants will be given two trials to move any load the given distance in one try. The first trial will be in the direction indicated by the conductor, but the second trial on any one load will be in the opposite direction if the boat is boundary permits.

When front wheels of tractor leave the ground and stay in the air for any one time for a distance of ten feet, the contestant's pull will be nullified but will be counted as one trial.

Only the driver shall be allowed on the tractor and he must stay at the controls and in the tractor while his tractor is pulling.

The use of tractor brakes or the slipping of the tractor which is operated during the pull will disqualify the contestant for that pull but will be counted as a trial.

Tractor weight to be used in the contest will be weight of tractor with operator. All entries shall be weighed in at any time during the evening. The weighing school will be held at 8:30 a.m. on Friday, September 19. In any event not covered by the rules the committee shall have full power to decide in a manner that seems best to the committee.

Assisting Robert Kothe are Duane Ernst and Leo Lentz. They are anxious that the contest is open to farmers only and no dealers will be competing.

Walter Kemmer underwent an operation at Foote Hospital last Tuesday.

## Coming Events

The Jackson Dalia Society is sponsoring its 12th annual Dalia Show Saturday and Sunday, September 13 and 14 at the L.A. Wright's Show Rooms, 509 E. Pearl St. The show opens Saturday 2 to 9 p.m. and Sunday 10 a.m. to 5 p.m. Admission FREE. The public is invited to visit the show on both days.

## Steer Club Makes Final Plans

The Manchester Community Fair is the final end of each year Steer Club activities. Wilford Mann, chairman, reported to the Exchange Club this week that all plans were now completed in regard to the judging of the steers and the sale.

The judging will again be handled by Mr. Milton L. (Bill) Phillips, Extension Specialist from Michigan State College.

Mr. Phillips considered the livestock exhibition as one of the most important men that could be obtained and those who attended the judging of the steers at the 1951 fair will remember the very thorough manner in which the steers were placed with complete explanation of the choice, many words of advice on how the steers could have perhaps done better. In view of the interest which the judging has attained this year, Robert Grandall, agriculture instructor in the Manchester School, has agreed to set up an amputating examination for the Steer Club and that everyone interested can better hear the part of the fair program.

The judging will be at 10:30 a.m. Friday.

The Union Savings Bank of Manchester will again be hosts to the Steer Club members and their fathers at a dinner to be served by the Women's Guild of the Emmanuel Reformed Church at 12:00 noon on Saturday, Sept. 20th.

The sale of the steers will be at 1:30 P. M. on Saturday. The sale of the fair grounds with the Dexter Livestock Co. again finishing the auctioneer for the sale.

Stanton G. Roesch, President of the local Exchange Club, who sponsors the Steer Club annually, reports that the 1952 committee have been appointed and that the Exchange Club is looking forward to another successful year in this young activity.

A suggestion of many Detroit buyers the steers will be weighed during morning Sept. 20 at 9:00 A. M. prior to the sale.

**Participates In Marine Maneuvers**

Marine Corporal Robert E. Patterson, nephew of Mrs. Besse Patterson, Rt. 2, Manchester, Michigan, will soon participate in extensive Marine Corps training exercises in the Caribbean area.

Two Puerto Rican islands will be utilized as bases and training areas during the exercise.

## Washtenaw GOP Starts Fall Campaign With Banquet

The Republican party launched its campaign for the fall elections last week in Washtenaw county. The campaign was held at the home of Mrs. Harris at 2211 Manchester. There were 68 present. The oldest person was Paul Richard of Flint and the youngest was three-month old Ronnie Charitas of Bay City, Middle East county.

Wilbur Harris, Gofstrom farm manager, reported the sale of the Steer Club and that everyone interested can better hear the part of the fair program.

The judging will be at 10:30 a.m. Friday.

The Union Savings Bank of Manchester will again be hosts to the Steer Club members and their fathers at a dinner to be served by the Women's Guild of the Emmanuel Reformed Church at 12:00 noon on Saturday, Sept. 20th.

The sale of the steers will be at 1:30 P. M. on Saturday. The sale of the fair grounds with the Dexter Livestock Co. again finishing the auctioneer for the sale.

## Correction To Washtenaw County Red Cross

In last week's issue the Manchester Enterprise incorrectly stated that the Red Cross accepted \$100 dollars for the Red Cross swimming program. The program was continued in each district and it is not clear whether or not the donation was forth coming.

Due to a misunderstanding on Monday and Tuesday of next week prior to the fair at the auditorium at 8:15 p.m. Tickets are available in advance at both drug stores and at the door before the performance. All tickets are on reserved seats.

Clayton Parr in charge of the fair exhibit says that Victor Birkich of Saline will be the judge of this division. ## Feldkamps Show Champion Swiss At State Fair

The Brown Swiss bull entered by Glen Feldkamp and his father, Albert Feldkamp, took Grand champion award at the State Fair on Thursday.

On Friday night another of the Feldkamps, Mrs. Swiss, entered a cow in the contest at the fair. She was the champion of the two heifers.

Another interesting item concerning Brown Swiss bulls headed by Glen Feldkamp is the peaceful acres of the Fairfield farm east of Grass Lake on a trip which will take them eventually to the State Fair. The steers from the farm will join the blooded animals to make up a shipment to Iran.

Wilbur Harris, Gofstrom farm manager, reported the sale of the Steer Club and that everyone interested can better hear the part of the fair program.

The judging will be at 10:30 a.m. Friday.

The Union Savings Bank of Manchester will again be hosts to the Steer Club members and their fathers at a dinner to be served by the Women's Guild of the Emmanuel Reformed Church at 12:00 noon on Saturday, Sept. 20th.

## The Past 100 Years

Great Mass Meeting at Manchester, to see the Elastic Buck at Chain Pump work. It was decided by a unanimous vote to be the best pump manufactured. It will raise more water than any pump ever exhibited in the same length of time. Manufactured by Dawes Bros., Manchester, Michigan.

**New Business List**—A few days since a certain business man of this village sent us a bill of our accounts with him. It was written on a sheet of paper torn from an old ledger, and failed to inform us whose account it was, or to whom it was due. Now how much better it would be if that bill had been made out on a neatly printed bill paper which we keep for the purpose. Our business men should remember this and come in and get some.

**Grease at Large**—A friend of the village of a neighbor who, as he says, "entices his geese into the yard and then kills them." While we sympathize with him for the loss of the "old grey geese," we must congratulate the other for securing a "sure" method. If our friend would obey the ordinance in regard to fowling, perhaps his goose would not hang so high. We publish it for general information, and hope that it will be more closely observed.

"It shall not be lawful to permit any geese or other poultry to run at large within the limits of the village at any time during the year. For a violation of this section, the owner of such geese or other poultry, shall be subject to a fine of five dollars; and such geese or poultry may be destroyed without liability by any person on whose grounds they may be found trespassing."

A Mr. Wester, on Sunday a regular old-fashioned rain storm spent over an hour. A large quantity of water fell and the wind that accompanied the storm did some damage. It blowing over sand trees, etc.

Koebbe's outfit made a good record in threshing 2,000 bushels of wheat and rye for Fred Breitenweiser in one and one-half days.

Lewis Breitenweiser began teaching the fall term of school at Rowe's corners, last Monday.

Merrett-Buchler, Tuesday morning for Grayling, to spend about two months.

Miss F. Maude Goodell of Manchester is teaching the fall term in district No. 1.

George Guggling is preparing to go to Iowa to visit his son, Harry.

John Grossman Sr. was killed by a horse Thursday and it was thought at first was fractured hip. He died last night.

A Mr. G. G. Guggling is having put up a new building for his business.

Duane Ernst son of Mr. and Mrs. Paul Ernst has received the rating of S. N. and is now touring the Mediterranean.

Theodore Uphouse, age 73 years, placed first in the state blade churning contest at the State Fair, shearing his sheep in 10 minutes and 15 seconds in the same length of time. Manufactured by Dawes Bros., Manchester, Michigan.

**New Business List**—A few days since a certain business man of this village sent us a bill of our accounts with him. It was written on a sheet of paper torn from an old ledger, and failed to inform us whose account it was, or to whom it was due. Now how much better it would be if that bill had been made out on a neatly printed bill paper which we keep for the purpose. Our business men should remember this and come in and get some.

**Grease at Large**—A friend of the village of a neighbor who, as he says, "entices his geese into the yard and then kills them." While we sympathize with him for the loss of the "old grey geese," we must congratulate the other for securing a "sure" method. If our friend would obey the ordinance in regard to fowling, perhaps his goose would not hang so high. We publish it for general information, and hope that it will be more closely observed.

"It shall not be lawful to permit any geese or other poultry to run at large within the limits of the village at any time during the year. For a violation of this section, the owner of such geese or other poultry, shall be subject to a fine of five dollars; and such geese or poultry may be destroyed without liability by any person on whose grounds they may be found trespassing."

A Mr. Wester, on Sunday a regular old-fashioned rain storm spent over an hour. A large quantity of water fell and the wind that accompanied the storm did some damage. It blowing over sand trees, etc.

Koebbe's outfit made a good record in threshing 2,000 bushels of wheat and rye for Fred Breitenweiser in one and one-half days.

Lewis Breitenweiser began teaching the fall term of school at Rowe's corners, last Monday.

Merrett-Buchler, Tuesday morning for Grayling, to spend about two months.

Miss F. Maude Goodell of Manchester is teaching the fall term in district No. 1.

George Guggling is preparing to go to Iowa to visit his son, Harry.

John Grossman Sr. was killed by a horse Thursday and it was thought at first was fractured hip. He died last night.

A Mr. G. G. Guggling is having put up a new building for his business.

G.O.P.'s Gather In Spite Of Rain

The Republican campaign was officially launched Saturday at a meeting at "The Oaks," home of George Sabido, three miles north-west of Dexter. In spite of rain and lowered temperatures, 550 crowded in to the huge tent and partook of the generous buffet lunch before hearing the speakers of the afternoon. Party leaders urged an intensive get-out-the-vote campaign for the November election.

All three of the speakers—Sen. Homer Ferguson, Michigan secretary of state candidate Osmar J. Cleary of Ypsilanti and George Moady of Ann Arbor perished party members now holding office and those seeking office.

U.S. Senate candidate Charles E. Pator, who was to speak at the rally, notified officials shortly before the meeting that he would not be able to attend the affair because of an urgent congressional committee meeting.

Speaking in place of Rep. Pator, Owen Cleary had just returned from the three-state conference with Gen. Dwight D. Eisenhower in Chicago on the previous day. He was greatly stimulated by the meeting with the head candidate as he found him friendly and sincere and deeply interested in each precinct of the entire country.

Senator Ferguson spoke of the \$5 1/2 billions which the state had sent to Washington and the scanty return. He stated that only the surface of the corruption in government—that part that oozes between the staves of the corruption barrel—had been touched. The top has not been removed. He designated the present administration better. It has strong favored the organizational work already done in the state and insures a hard-hitting 1952 campaign.

He called attention to the four ballots which would confront voters this fall. One for the president and vice-president, one with the state candidates, one for the non-partisan candidates, judges and one concerning the revision of the state constitution.

There are three propositions for reapportionment of representation. One is strictly by population which would give control to the four largest counties of the state and is C.I.O. sponsored. The third proposition would apportion the senate seats by geographical status and the house by population. This one the party favors.

Mr. Cleary, from his experience as state chairman of the party, has been in touch with all classes and feels that there is great need for a change of administration. The Republican gubernatorial candidate has served the state well as secretary of state, is a sincere and conscientious officer and while he may not be able to call square dances or visit every corner of the state, would occupy the governor's office with experience and competence and attend to the various duties well.

The various candidates for county offices were present and there was much conferencing on campaign plans and eye witness to the earnest desire to improve the 1952 election, the most truly representative of the way of life in America as designed by the framers so hopefully.

Those attending from Manchester were Grant Jones, John D. Lawton, Dr. Oroszko, Mrs. H. B. Oelle and Mrs. Lucie D. Ryan.

Judge Breaky Heads Judges Association

Justice James P. Breaky Jr. of the 2nd Judicial Circuit, Ann Arbor, was elected president of the Michigan Judges Association at their annual conference at the Dearborn Inn last Friday afternoon. Judge Breaky has been acting president since the death of last year's president, Honorable George W. Des Jarvis of the 49th Judicial Circuit.

Thursday evening the judges held their annual dinner in honor of the Supreme Court of Michigan. The Hon. John R. DeWolfe, Supreme Court Justice, spoke in behalf of the Supreme Court, thanking the Judges Association for the dinner.

Gov. G. Mennen Williams was another of the guest speakers. Gov. Williams pointed out the great responsibility of the bench for they are the last hope of the individual in the protection of the rights of the individual. Gov. Williams said that in the legislative branch of government the legislators dealt primarily with large groups of individuals and that was the difference between the two branches.

The annual Monroe County Livestock Feeder Outlook meeting will be held Tuesday, September 16, at the Dundee High School according to Earl Stowell, President of the Monroe County Cattle Feeders Association. Mr. Stowell states that the meeting will be held in the cafeteria room of the Dundee High School and will start at 8:00 p.m.

Don Stark, Extension Specialist in Agriculture Economics and Wilton Finley, Extension Specialist in Animal Husbandry of Michigan State college will be present at the meeting. Mr. Stark will discuss the general economic situation and present as much information as possible on the cattle feeder situation in the west and other areas of the country. Representatives of the Animal Husbandry Department will be present to discuss problems in feeding the various kinds and quality of livestock.

The terms of three directors in the Monroe County Cattle Feeders Association, Board of Directors, expire at this time and it will be necessary to elect three directors for a three year term.

The directors of the feeders association who met recently at the County Agent's office and planned the meeting voted to serve refreshments to all who attended at the close of the discussion.

Mr. and Mrs. Vernon Dressel, house and daughter Joyce visited Rev. and Mrs. A. A. Weinert and daughter Marilyn in Dearborn on Sunday.

Carole Anne, daughter of Dr. and Mrs. Paul Rague of 2507 Villa Drive, St. Joseph was christened Sunday afternoon at a ceremony performed in her parents' home by her grand-uncle, the Rev. H. S. Rague. Among the out-of-town guests present was Carole Anne's father, Dr. Carl Wuerthner of Manchester.

Miss Anne Schuman and Sharon Walkowe, Dianne Walkowe of the fourth grade, has moved into our district, she attended the McMahon school last year.

Good Morning BEGINS WITH BREAKFAST

Eat at least this much breakfast. by Betty Baker

Breakfast can make the difference between a good or bad morning. For a good morning, breakfast is a must. Not coffee alone. Nor surprisingly enough, a whopping big breakfast—you know the kind, with potatoes on the side. Coffee by itself gives you practically no food value. In contrast, those overcast and morning meals are very likely to put you to sleep all over again, make you lousy and listless. Aim for a happy medium when you put breakfast on the table. Eggs, of course, because of the high-quality protein they contain. And enriched yeast-raised bread is almost equally important. It's rich in three B vitamins—thiamine, niacin, and riboflavin—as well as the mineral iron. Spread your toast with margarine or butter and you add vitamin A. Vitamin C is yours in a glass of orange, tomato, or grapefruit juice. Add to this egg-toast-juice combination a cup of coffee or a glass of milk (and bacon and cereal if you like) and you've got a combination to chase any listless feeling—plenty of energy to see you through the morning.

This will be followed by a Western Horse Show conducted by R. C. Merithew. Evenings of all three days will be devoted to the exhibits in the tents and in the High School and the Anderson Amusement Shows and Midway.

Last minute details and final rehearsals are in full swing this week, as the finishing touches are added to "Plantation Capers" a home talent show in minstrel form, which is being presented by the Community Fair Board in connection with the Manchester Community Fair. The show, which is written and directed by Art Cathey, will run for two nights, Sept. 15 and 16 starting at 8:15 p.m. in the High School Auditorium. Admission at the door is 75 cents for adults and 25 cents for children, and there will be no reserved seats. A large local cast of nearly a hundred people will participate in the four scenes into which the

show is divided. Among the celebrities are: Mrs. Mabel Pardee, Larry Soldan, Bill Peters, Harold Alexander, Ralph Sharp, Frank Rock, Charles Mills, members of local church choirs, Bruce Oates, June Lannom, Mrs. Robert Crandall, Boh Merithew, Albert Halter, Sr., Sheriff Schebor, Owen Cathey, Judy Nichol and Deloris Cox. Judy Linda Rock and the "Questionairs."

No effort has been spared to make this one of the most entertaining events ever to appear in Manchester. The evening will be highlighted by the special appearance of three famous out-of-town personalities.

The Community Fair Board extends a cordial invitation to one and all to support this community venture by attending a performance of "Plantation Capers" as a week of festivities begins and ends with a bigger and better Manchester Community Fair.

his own. He said he felt a "tremendous wonderment" at the audacity of the governor since the record is so explicit. He cited the expansion program including the Northville hospital, new college buildings, the \$65 million mental health and tuberculosis hospital program, old age, aid to dependent children, workingmen's compensation and unemployment benefits, used car finance bill to prevent gouging and saving of \$100,000,000 to Michigan residents through joint income tax return

law for all of which the Republican legislature should be given sole credit he said.

Among those things which the governor failed to enumerate and for which he did not ask credit, the speaker said, were the state prison riot with its steak and ice cream aftermath which was described as the "greatest Jackson Day dinner" in United States history; bribery and graft in the state fair with indictment of an appointee of the governor; demand for contributions from federal job holders; state deficit and dissipation of a surplus on hand when the governor took office; higher cigarette, liquor and other hidden taxes; and the highest state employment lists and payroll of all times. "Tax, tax, spend, elect and elect" was the way the speaker summarized the Democratic record.

In his contacts with the people of Michigan as chairman of the state central committee, Mr. Cleary said he senses a tremendous yearning for a normal condition of life and an end to "emergencies." As mothers learn more about bungling diplomacy from Yalta to Korea, they question the purpose of this war and whether any good will come of the sacrifices which their sons are making.

Instead of being based upon self interest and incentive of personal reward, our government should be the servant of the people, he emphasized in decrying the "government for the government" philosophy which he attributed to Democrats. As more people learn about mistakes from Yalta to Ko-

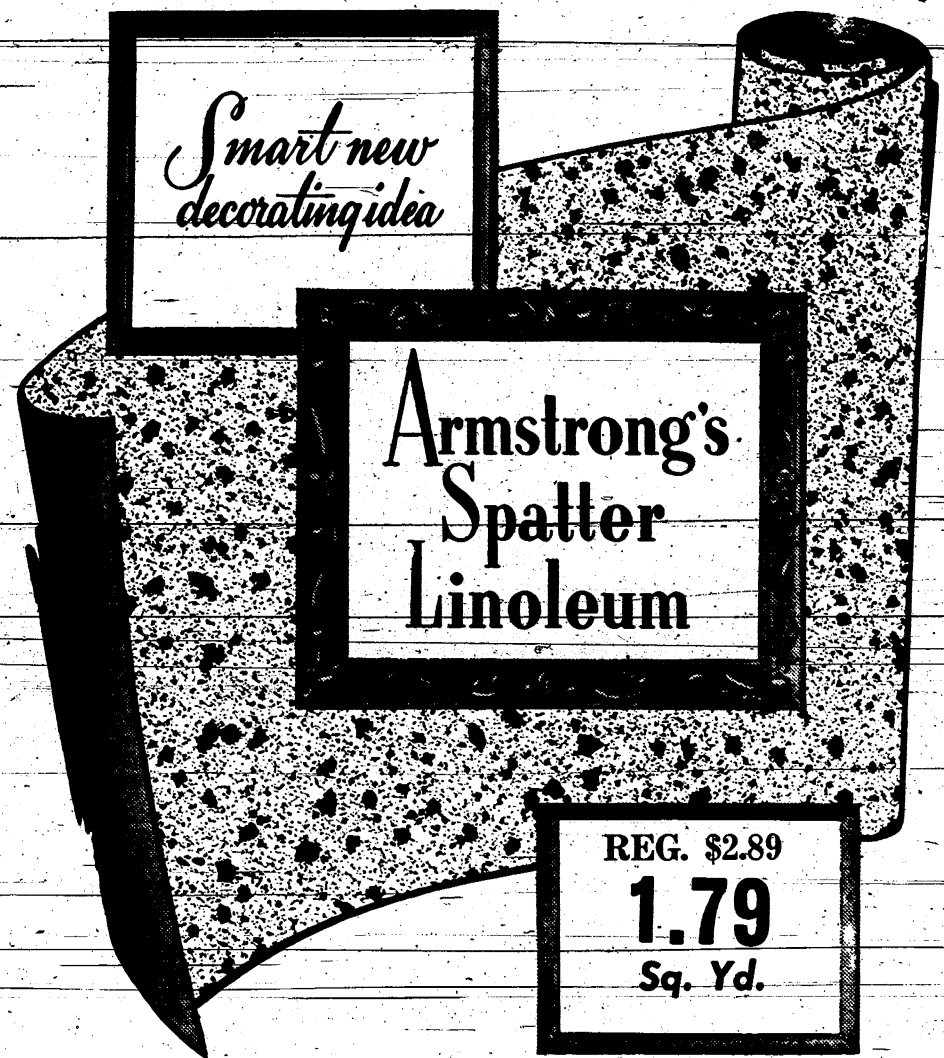

rea they are demanding that the government be returned to normalcy and that great issues should be solved instead of glossed over, whitewashed or concealed.

He predicted that 100 years

from now Eisenhower will not be remembered so much for his great generalship as for his great statesmanship. With men like him at the helm this country will no longer be known abroad as "Uncle Shylock," he said. There will be

a restoration of trade and a return to normalcy, he asserted. Mr. Cleary urged a clean sweep so that the United States may again have in government the constitutional form and substance intended by its founders.

Two Teacher Courses To Start

The first of two courses in the new teacher training program will open in Jackson on Monday, September 15. The second course will open in the same city on September 16. The courses are: "Techniques of Securing and Using Occupational and Related Information" (Education J107) will be held on Monday at 4:15 p.m. at the Albit Education Center, 211 South Jackson Street beginning September 15.

Purpose of this course, taught by Dr. Francis W. Dalton, is to acquaint the student with sources of information about a wide range of occupations and related areas. Plans for gathering and preparing such information and methods for its use will also be presented.

Prof. Orlando W. Stevenson, head of the department of social studies in the University High School, will offer "Teaching the Social Studies in the Classroom" (Education J108) at the Albit Education Center, 211 South Jackson Street beginning September 16.

Class sessions will be held at 7:30 p.m. on Tuesdays, beginning September 16, in Room C-1, John George Hall, 512 Wildwood Avenue.

Enrollment in these courses may be made at the first session. Qualified students may elect them for graduate extension credit.

Lenawee County Fair September 15-20

A three ring circus, professional wrestling and trotting races will be among the many amusement features of the Lenawee County Fair to be held at Adrian, Michigan Sept. 15 to the 20.

For further details, check the ad in this edition.

GOP Captains To Be Named

Approximately 15 persons from each township in the County will be appointed in the near future, to serve as Republican captains in their area, according to Everett Edwards, Ypsilanti, newly appointed Republican county chairman.

Mr. Edwards, who has already begun the organization in Willow Village, will visit all communities in the county as soon as possible.

The immediate duty of these committees, Mr. Edwards said, will be to encourage all persons to register for voting in the November election.

Sociology Offered In Adrian Course

"The Structure of American Society" (Sociology W121) will be offered in Adrian this fall by the University of Michigan Extension Service, it is announced. The course is presented with the cooperation of Adrian College, the county superintendent of schools and the public schools. It will meet at 7:00 p.m. on Tuesdays, beginning September 16, in 203 North Hill, Adrian College.

During the course, Leonard U. Blumberg, the instructor, will analyze the class and institutional structure of American society, with a view to determining the degree of its integration.

Enrollment in this course is open to all interested persons, though it may be elected by qualified students for graduate extension credit which may be applied under certain circumstances toward an advanced degree. Registration may be made at the first class session.

**Lift truck boosts profits for fruit growers**

Fruit growers who handle 10,000 crates a year can realize generous savings on labor and equipment costs by using a fork lift truck. A recent study by agricultural engineers of Michigan State College and the U. S. Department of Agriculture revealed this saving: In 1950, without a lift truck, a 25,000-bushel apple crop was moved from orchard to storage by 2 tractors, 4 orchard trailers and 7 men. In 1951 a similar crop was handled by a lift truck with 2 tractors and only 2 trailers and 3 men. Savings on loading and unloading operations alone amounted to \$1,000 during the harvest season. Your County Agricultural Agent can give you further advice on mechanizing your orchard operation.

**Why we pamper telephone poles**  
Did you know timber for telephone poles is growing scarce? And that the cost of a single pole has more than doubled since 1940? To insure a proper supply, and to help keep costs down, Michigan Bell is using new timber species such as Western Larch. And to prolong the life of telephone poles on the job, telephone engineers constantly take advantage of new and better timber preservatives. Michigan Bell's pampered poles are further evidence of a continuing effort to hold costs down while keeping the quality of telephone service high.

### GM to Sponsor Football Telecasts

General Motors will sponsor the television football "Game of the Week" this year on the nationwide-63 television station network of NBC. In co-operation with the National Collegiate Athletic Association, GM will televise 11 selected games on successive Saturdays during the football season, concluding with the traditional Army-Navy game in Philadelphia November 23. The first game to be televised will be the Kansas-Texas Christian game at Lawrence, Kan., September 20. William F. Hulstader, GM vice-president in charge of distribution staff, is shown signing the contract for the games as Asa S. Bushnell, NCAA official (center), and Paul Garrett, vice-president of public relations staff for GM, look on.

### Land Classification Bulletin Ready

The bulletin, "Agricultural Land Classification and Land Types in Michigan," has now been placed on the free list by the Michigan Agricultural Experiment Station. The bulletin, which includes a map showing land divided into four value categories, also has tables of soil types, with descriptions and values.

The bulletin was prepared by J. O. Veatch, soil scientist and professor emeritus of the college. Demand for the original supply was exhaustive and the bulletin was revised and re-issued.

The bulletin has proved of value to farmers, land use planners, real estate developers and others.

A copy may be obtained at the county agricultural agent's office or by writing to the Bulletin Office, Department of Information Services, Michigan State College, East Lansing.

### Manchesterites Bring Home Prizes From State Fair

The two received second on one fleece wool market class. Mr. and Mrs. Fred Fielder and Michael spent the week at the fair. Michael returned home last Thursday and Mr. August Kuhl returned with Mrs. Fielder to the fair where he remained with the Fielders until the close of the fair.

### Fire Destroys Farm Home

Fire of unknown origin burned the farm home of Mrs. Ed Brighton at Iron Creek last Friday. Both the Manchester and Clinton fire departments were called to the fire which was covered by Mrs. Charles Ball who with her husband had moved out of the Brighton house just the day before. The fire apparently started in an upstairs bedroom above the kitchen.

Nearly all of the Ball's furnishings had been removed except a few clothes and a piano which were destroyed. Manchester's fire chief Lawrence Schied could not venture any information as to the cause of the blaze.

Mrs. Brighton had moved out of the house to Decatur, Illinois following the death of her husband three years ago.

### Services Sunday Evening At Sharon Evangelical

Knowing that there are many children in the community that need help, the Sharon Evangelical Church is sponsoring an evening service on Sunday, Sept. 14, at 7:30 p. m. at the church, 111 E. B. Church at Row's Corners are announcing a service at eight o'clock on Sunday evening until further notice.

These services will be informal in character, emphasis to be given to group singing, worship, and any special features that may add to the interest and value of such services. Of course

there will be a short sermon by the pastor, of by some other person occasionally.

Why shouldn't people get into the habit of going to church on Sunday evenings for inspiration, relaxation, and worship? We believe that there are many who would be profited by such a method of spending Sunday evening.

The first service will be on Sunday, September 14, at eight o'clock. On the following Sunday evening will be held our "Harvest Festival." A picture will be shown, the subject to be announced next Sunday. On the following Sunday, September 30, which is our Sunday School Rally Day, the evening will be given to a study of Stewardship. The Minister, J. A. Beardsley, will be in charge of all services unless otherwise announced.

### Church-Rankin Nuptials

Don Leslie Church of Manchester and Yvonne Lois Rankin of Tipton were married at the Methodist Church Saturday evening September 6. They were attended by Rose Horak and John H. Foster. Three appropriate organ numbers were played by Miss Nellie Ackerson. The impressive ring ceremony was read by Rev. W. Harry Young in the presence of relatives and friends. They will make their home in Clinton.

Presenting the Revised Standard Version of The Holy Bible will be held by the uniting Churches of the community at the Emanuel Evangelical and Reformed Church, Tuesday 8 P.M., September 30. This version was authorized in 1937 by the International Council of Religious

### TRIPLE-THREAT

CHICAGO—This sweater set, according to fashion forecasters, will make fall headlines. Imported from France by Marshall Field & Company, it shows the new trend toward sweaters trimmed with jewels, beads or fur. More than that, this sweater is a triple threat, with matching gloves and earrings. It leads the way to new fashion importance for sweaters.

Education, representing forty major Protestant denominations of the United States and Canada. It is the fruit of fifteen years of careful toil by scholars.

The Theme of the Observance is, "The Word of Life in a Living Language," and one purpose is to encourage a wider reading and study of The Bible in our homes and Churches in order that its teachings may become a consistent guide for daily living.

All are urged to participate in this United Observance.

Measuring Snow The Weather Bureau usually measures the fall of snow at the bottom of a standard eight-inch rain gauge, which is essentially an open-ended can, eight inches in diameter and about two-and-a-half feet high. The snow is leveled off to cover the bottom at a uniform depth, which, measured in inches, is the amount of snowfall during a particular period. The snow is then melted and measured, to get the equivalent amount of liquid water in the snowfall.
